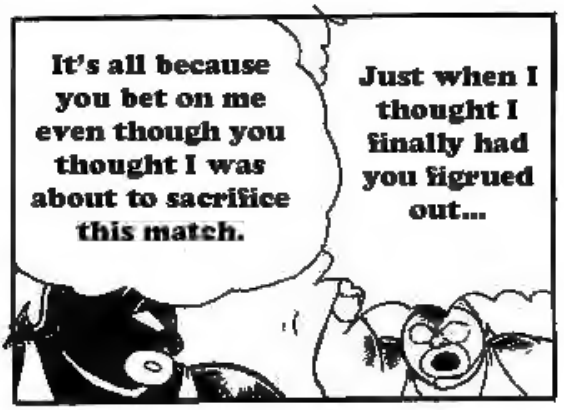
Hell Canvas!

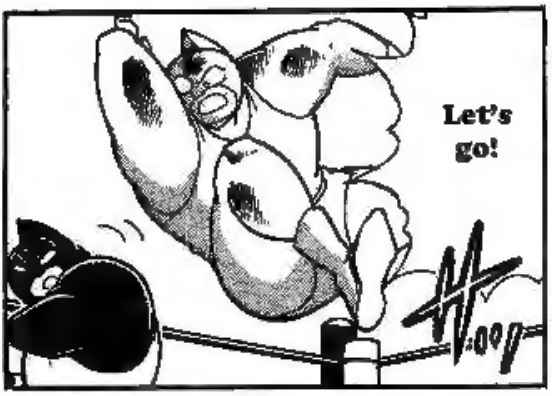
A Team Kinniku Release

Kinnikuman Great's new killer kick is explosive!
Hurray! His kick his hit for the first time this match!
AYUMI

But you finally got your ability back! You should keep fighting...
Now we'll tag.



It's all because you bet on me even though you thought I was about to sacrifice this match.
Just when I thought I finally had you figrued out...



Let's go!

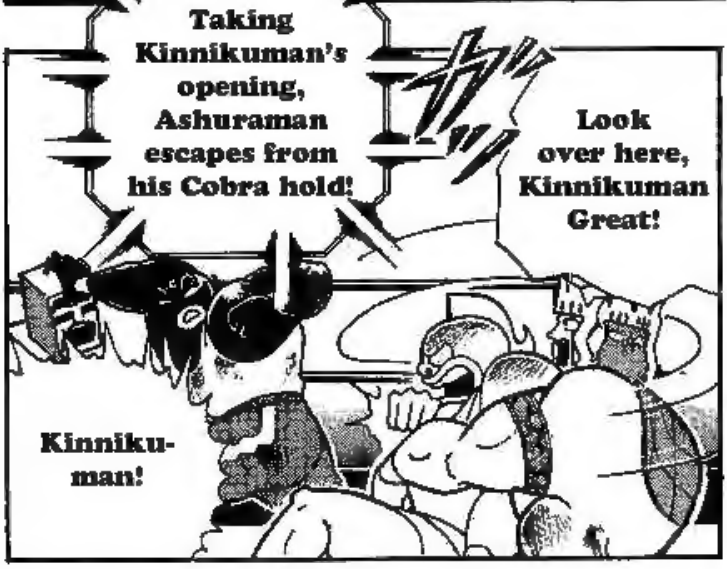
Then again, it has been a while...

Kinnikuman is holding him with a Cobra Twist! What teamwork!
I finally have a chance to pay you back for everything!
Guh!

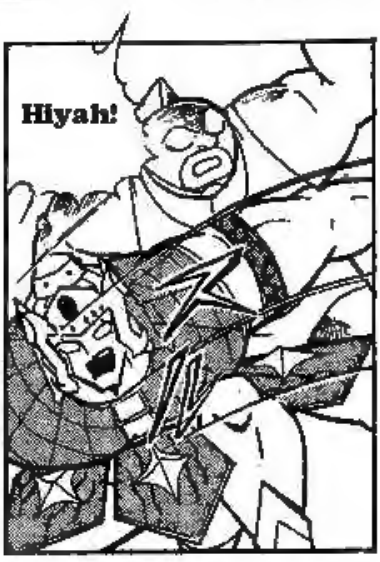
I'm going to go wild!

Sunshine!
With his partner in a pinch, Sunshine flies into the ring!
Well!
But Kinnikuman Great cuts in without delay!

There's a storm of punches!
Wow, good work, Niku!



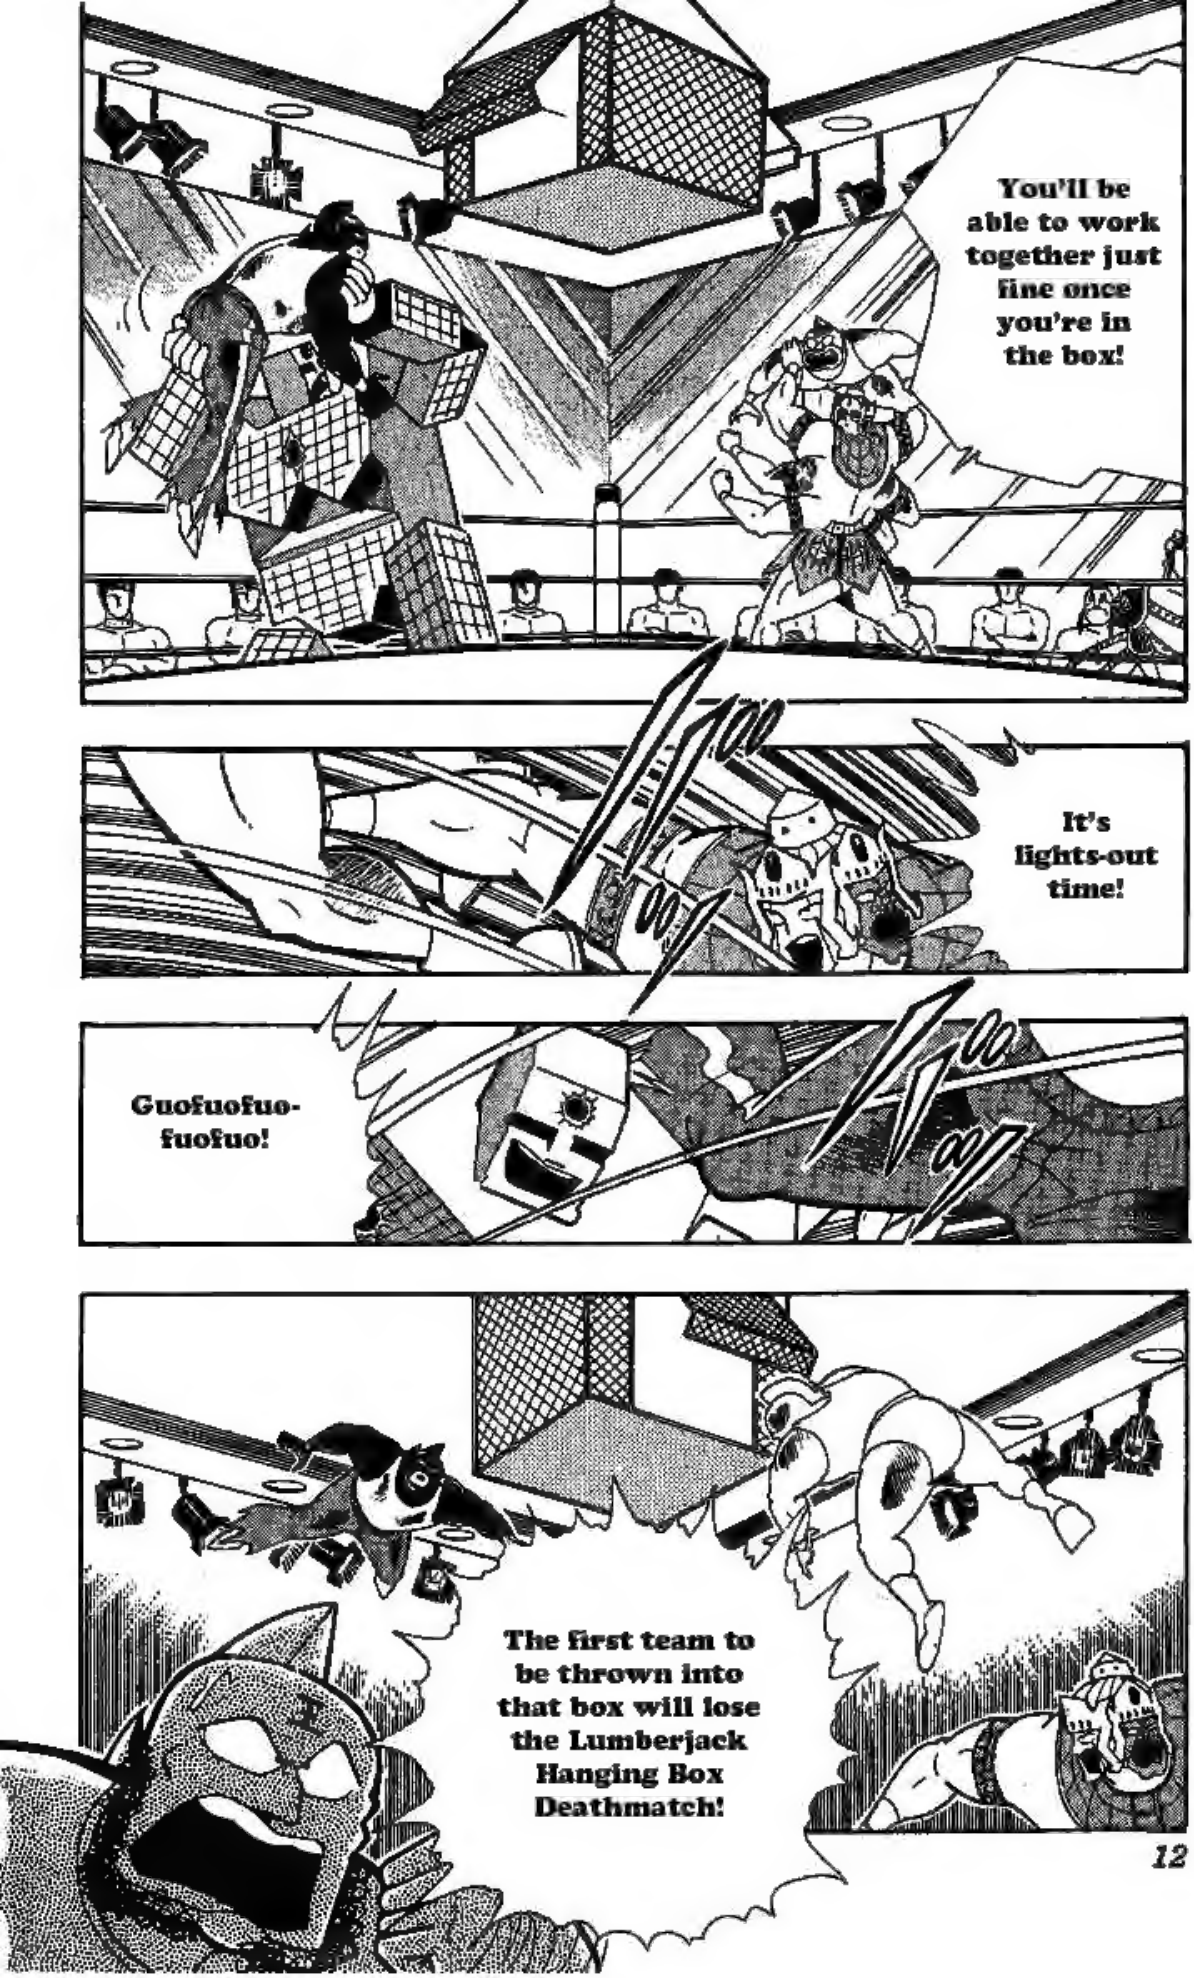
Taking Kinnikuman's opening, Ashuraman escapes from his Cobra hold!
Look over here, Kinnikuman Great!
Kinniku-man!



Hiyah!

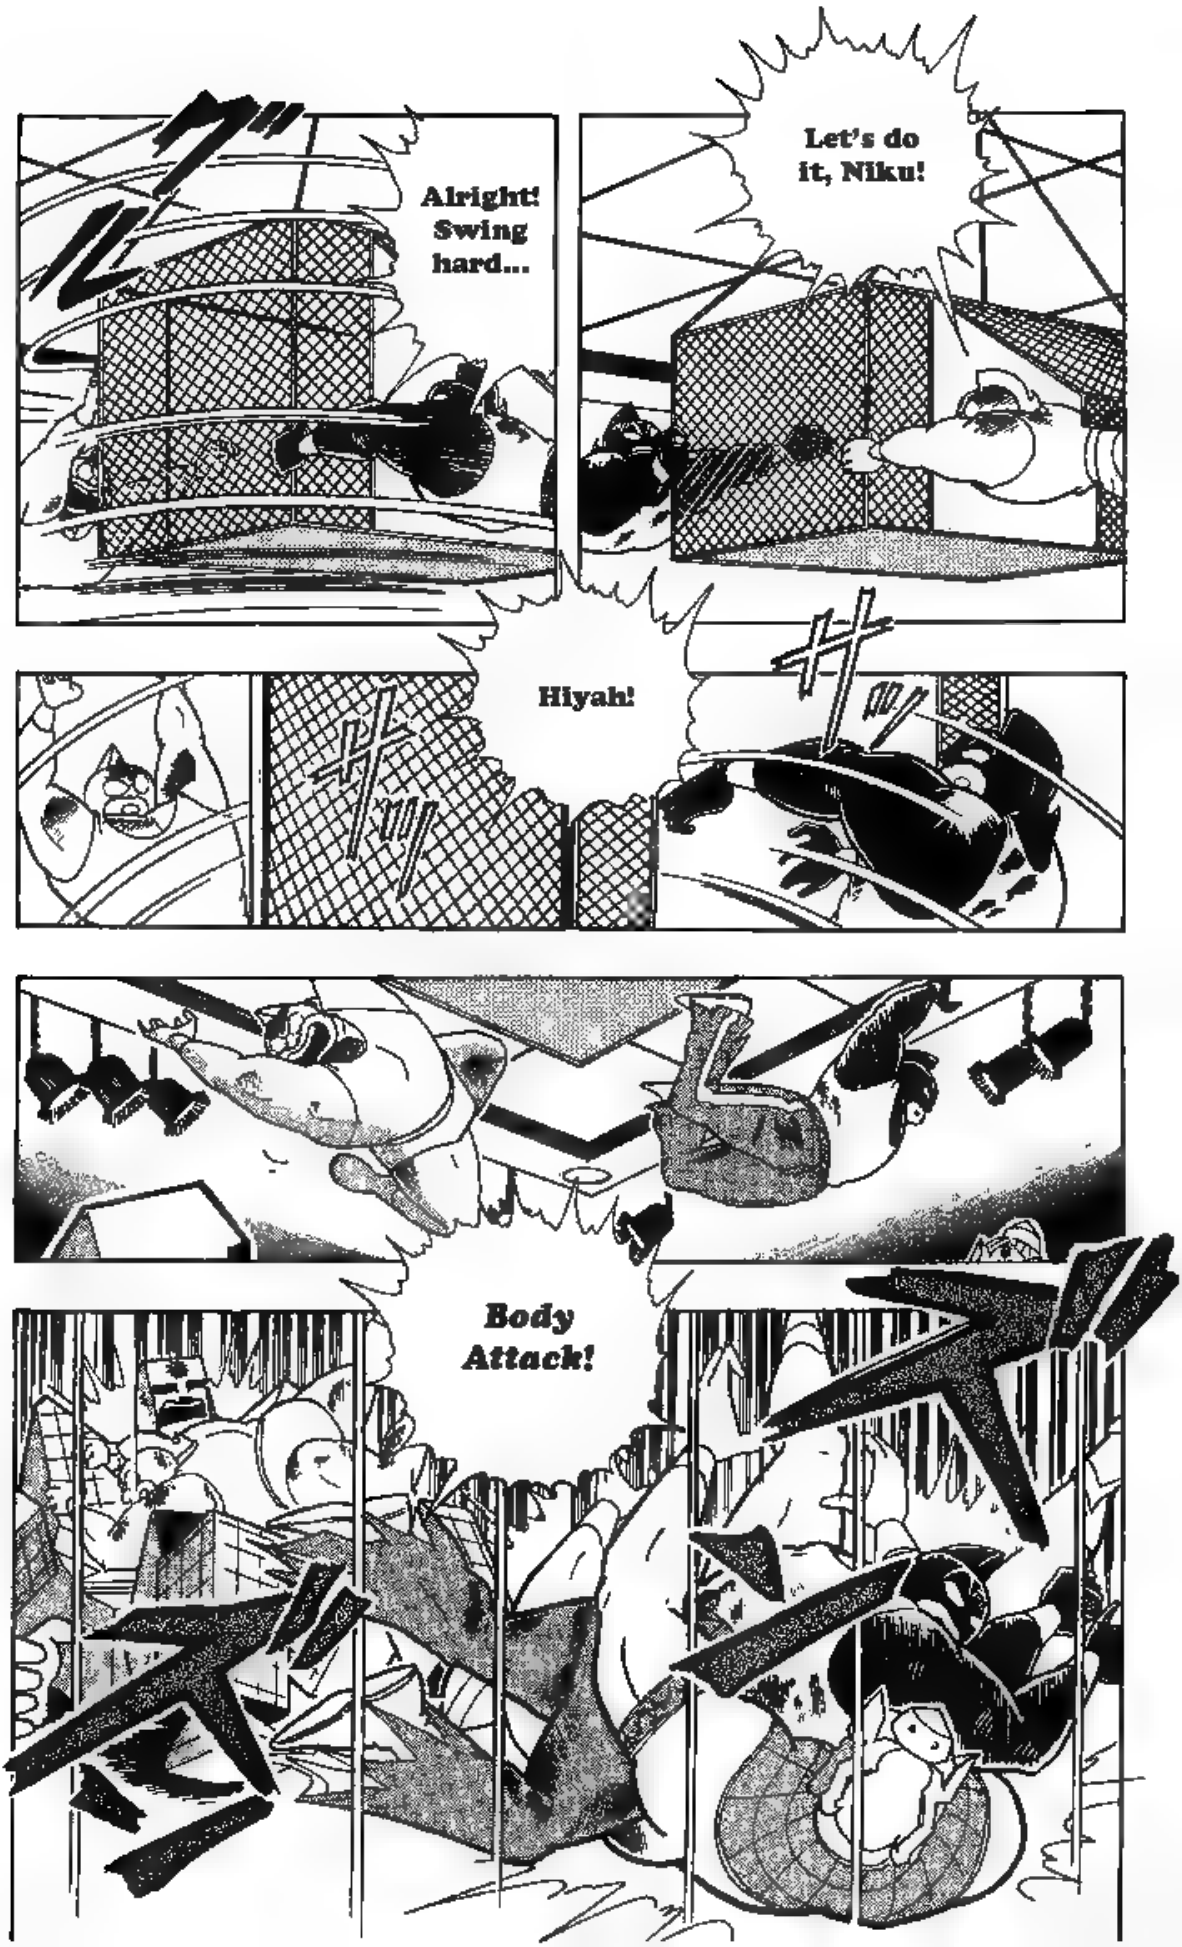
The Muscle Brothers, who were on the offensive earlier, are suddenly captured by the Devil Combo!

Guofuo-fuofuo!
Ugh!

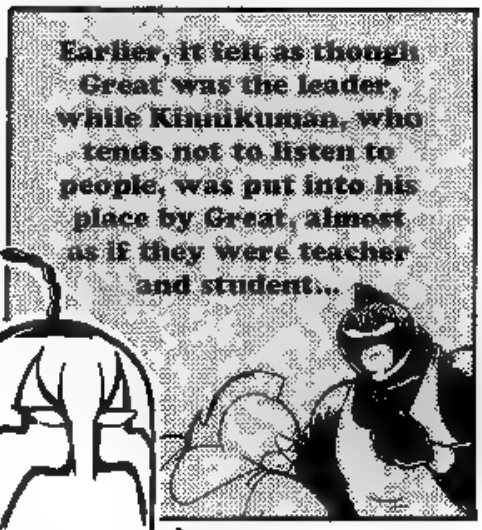


You'll be able to work together just fine once you're in the box!
It's lights-out time!
Guofuofuo-fuofuo!
The first team to be thrown into that box will lose the Lumberjack Hanging Box Deathmatch!

Yeah!
We're not going to!
Is this the final defeat of the Muscle Brothers!?
They did it!
They stopped it...
The Muscle Brothers stop right before entering the box!

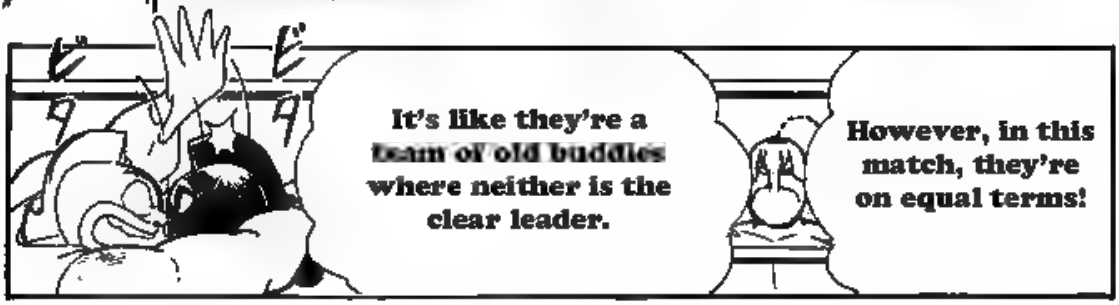


Alright! Swing hard...
Let's do it, Niku!
Hiyah!
Body Attack!

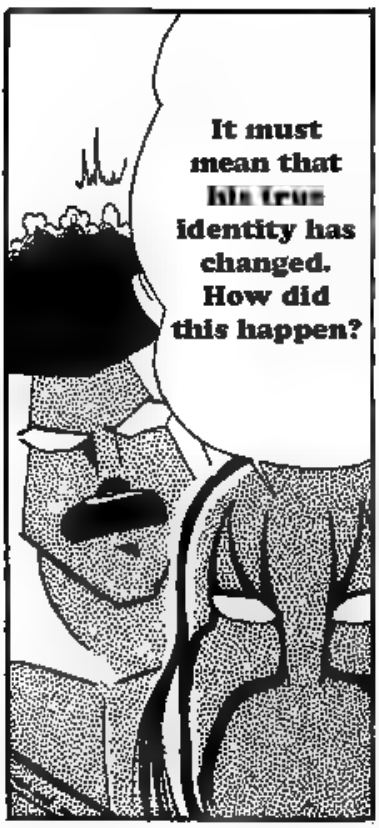


Earlier, it felt as though Great was the leader, while Kinnikuman, who tends not to listen to people, was put into his place by Great, almost as if they were teacher and student...

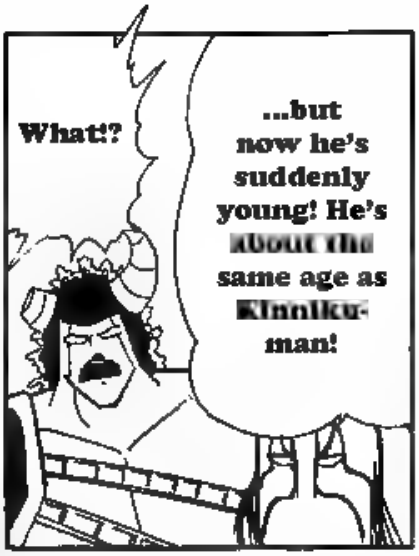
Something is wrong.
Team Kinnikuman doesn't have a teamwork problem anymore! They're showing a perfect team play!
We did it! We did it!



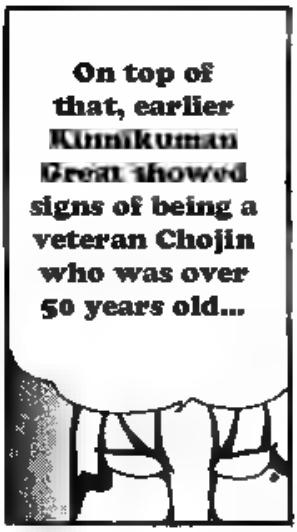
It's like they're a team of old buddies where neither is the clear leader.
However, in this match, they're on equal terms!



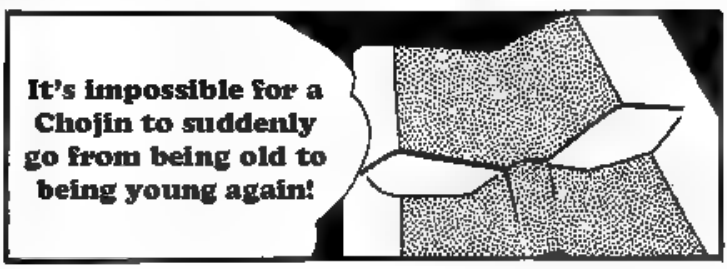
It must mean that his true identity has changed. How did this happen?



What!?
...but now he's suddenly young! He's about the same age as Kinnikuman!



On top of that, earlier Kinnikuman Great showed signs of being a veteran Chojin who was over 50 years old...



It's impossible for a Chojin to suddenly go from being old to being young again!

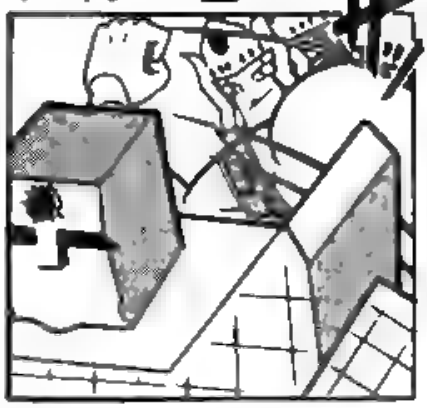
These two...
Stop, we can't do anything against their perfect teamwork!
But just because there are only two syllables in "devil" doesn't mean there are only two! Sunshine, it's time!
Alright Niku, let's defeat the devils once and for all!
Hold on! Don't come any closer!
Hell Canvas!
Oh!
Hoop

Ashuraman has just laid an entire canvas down on top of the canvas!
ヴィルル
Owa!
ヴィルルル
あぁ
Gyahahahaha! What do you think you're doing with this dirty old thing!? Man, the Devil Chojin are really getting desperate!
This is the ultimate secret technique of the Devil Chojin: the Hell Canvas!

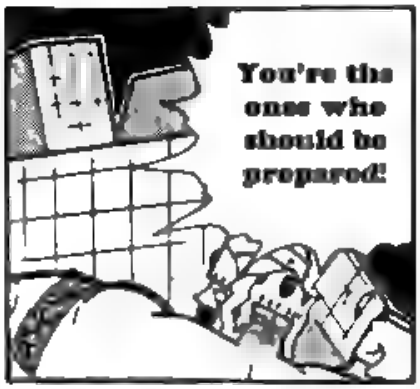
Eh!?
This is bad, Kinniku-man! It's pulling your leg!
I hate you, Kinniku-man!
Uwa! It's the ghost of Sneagator!
Gah!
The Mountain and Planetman are coming out, too!
Geh!

Hihihihi!
Uwaha-haha!
How could things get any worse!? The ghosts of the Devil Chojin are appearing from the canvas, one by one!
Aah!
So there's blood and sweat on this canvas!?
Kinnikuman, you've experienced the secret Blood Bind technique before, correct? Then you should know that the souls of warriors live on as long as their blood, sweat and tears are in this world, even if their bodies perish!

You finally understand it! This is the Cursed Canvas that was sewon together from the bloodstained mats that were used in the matches when the Seven Devils and Six Devil Knights were killed by you Justice Chojin!
These tricks...
We brought this as a stage for the final battle between Justice and Evil!
Gya!
...Justice Chojin don't use them!



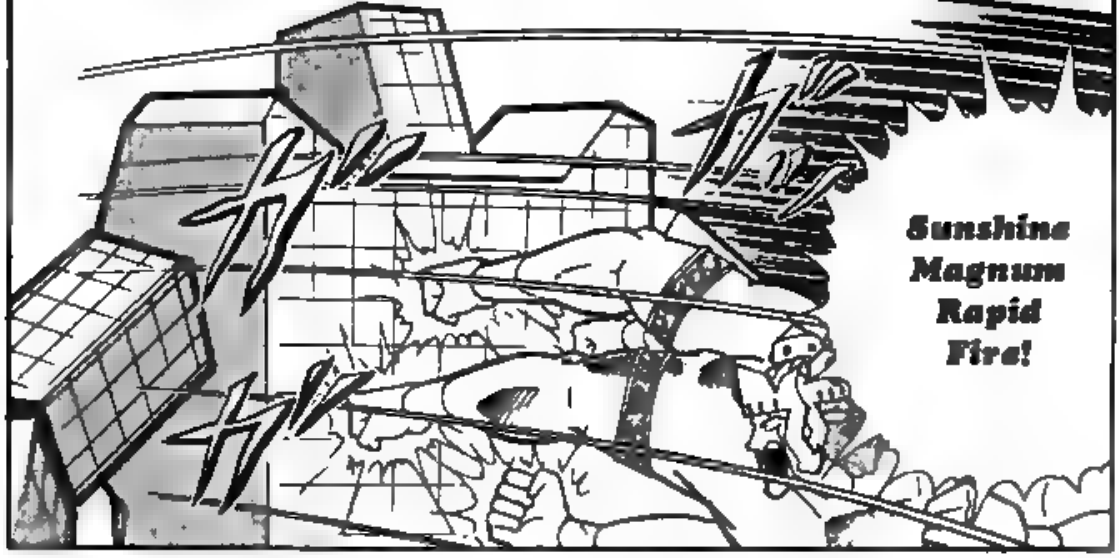
ダダダダ
Prepare yourselves, Stray Devil Combo!



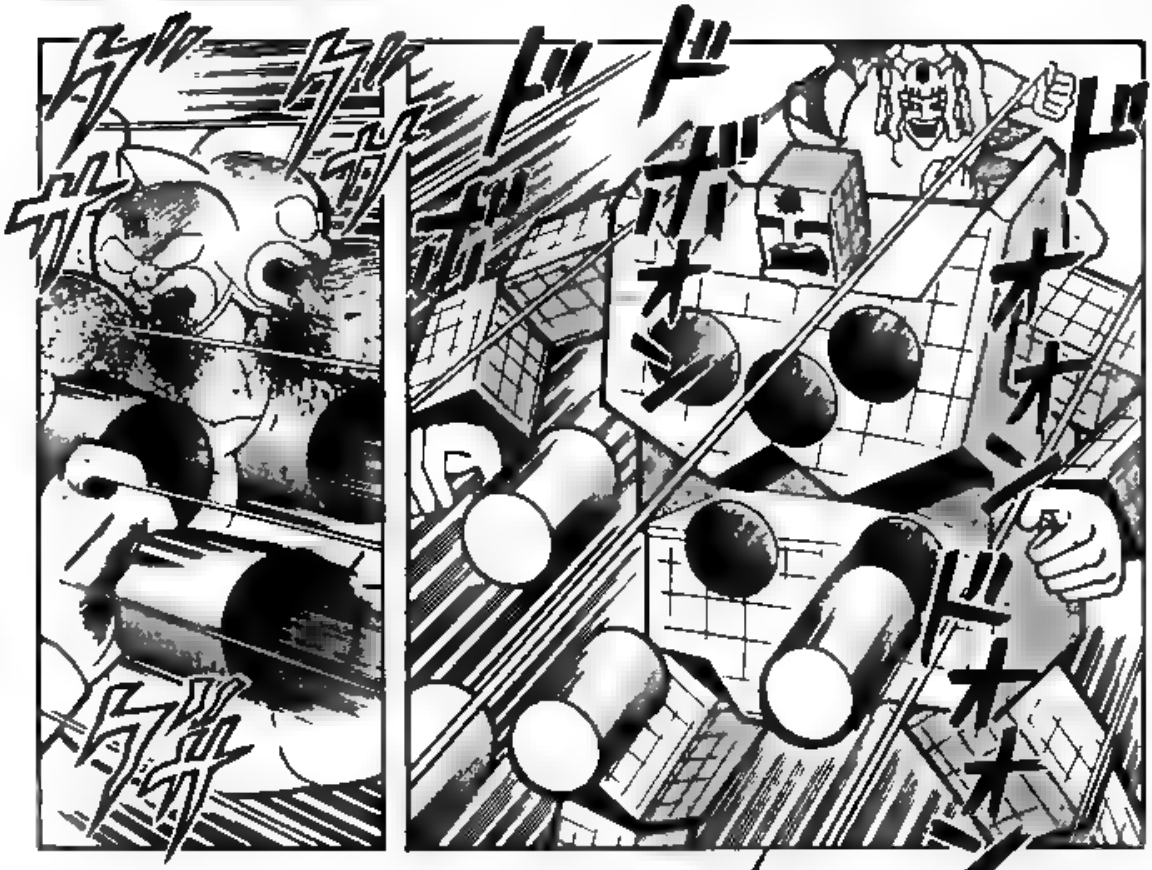
You're the ones who should be prepared!

あ あ…
ガンバレ!! キン肉マン

Sunshine Magnum!
Kinniku-man!
Geh!

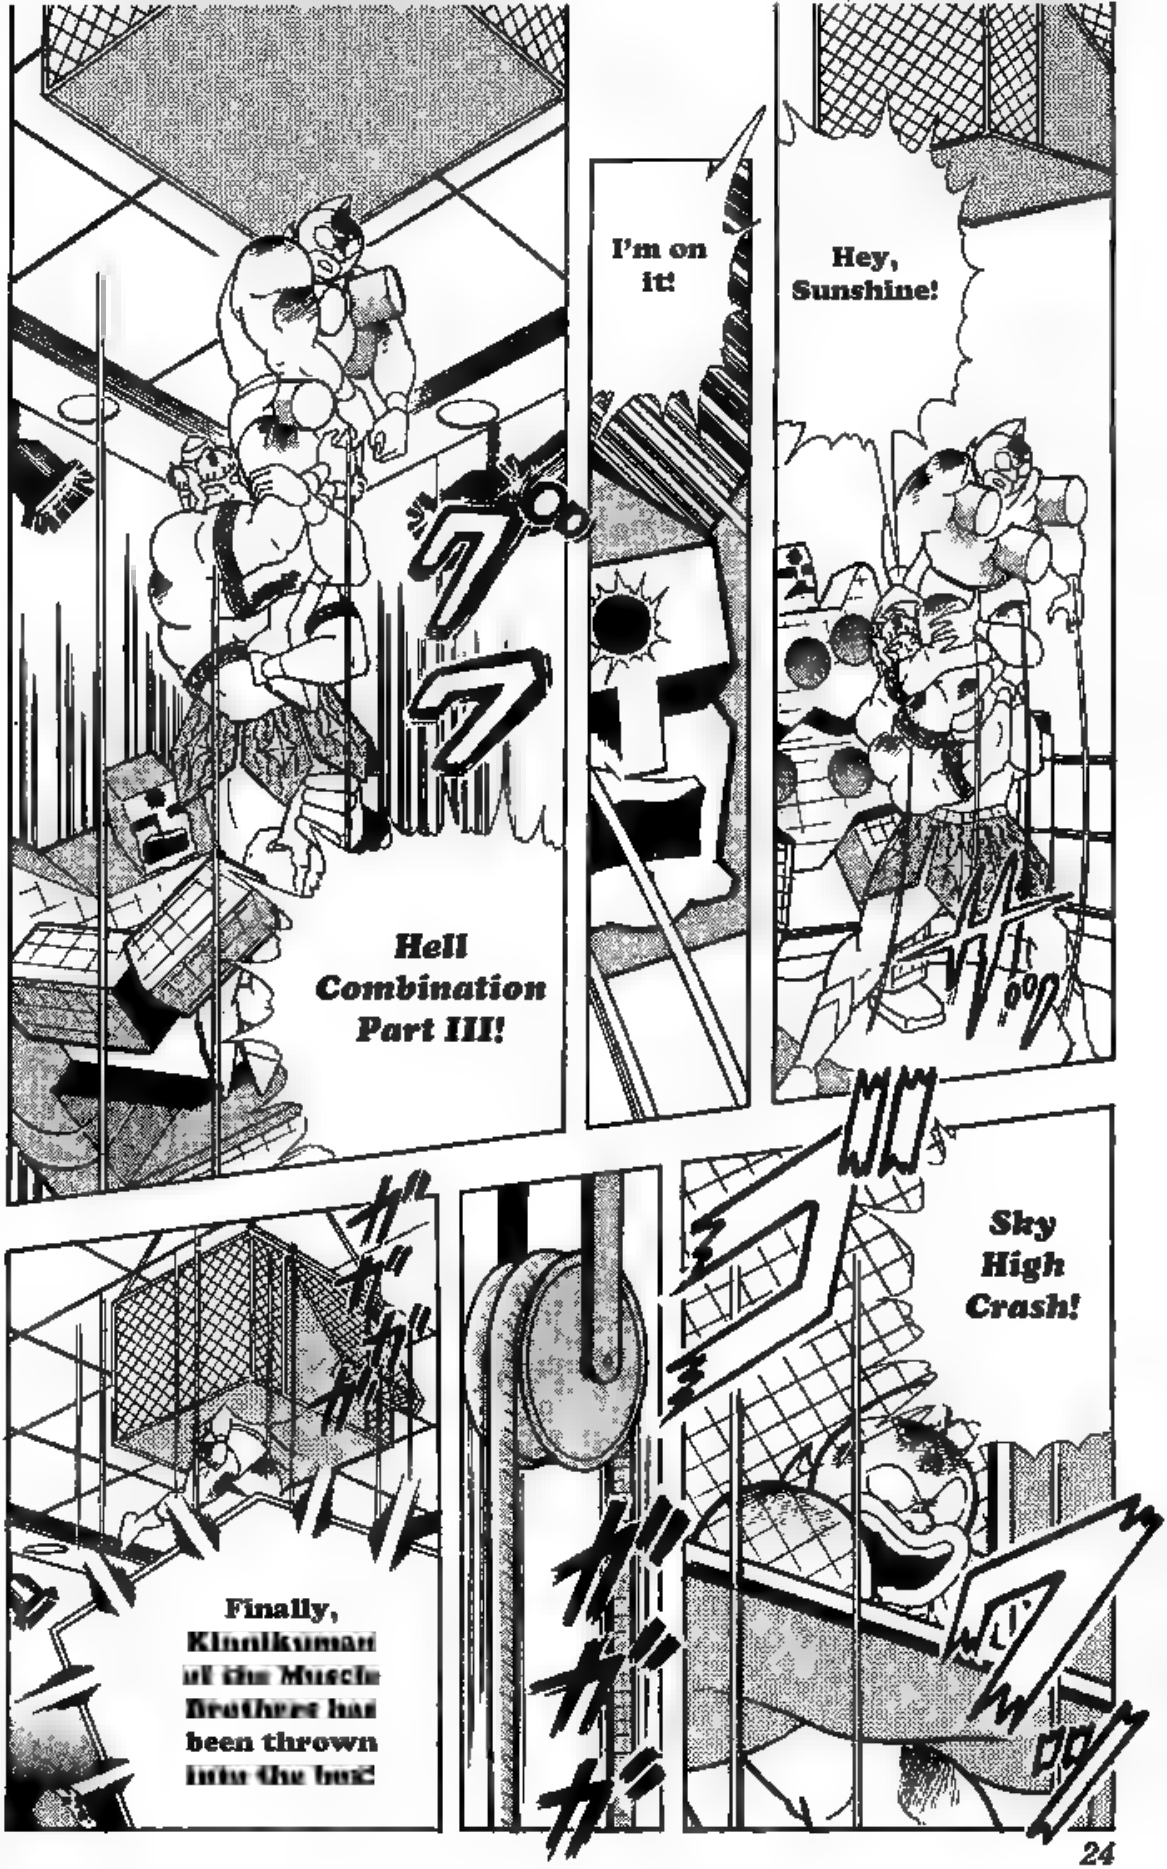


Sunshine Magnum Rapid Fire!



KA-KAKAKA! You can't move this time!

Suguru!
The six pieces shot from Sunshine have hit Kinnikuman all at once!



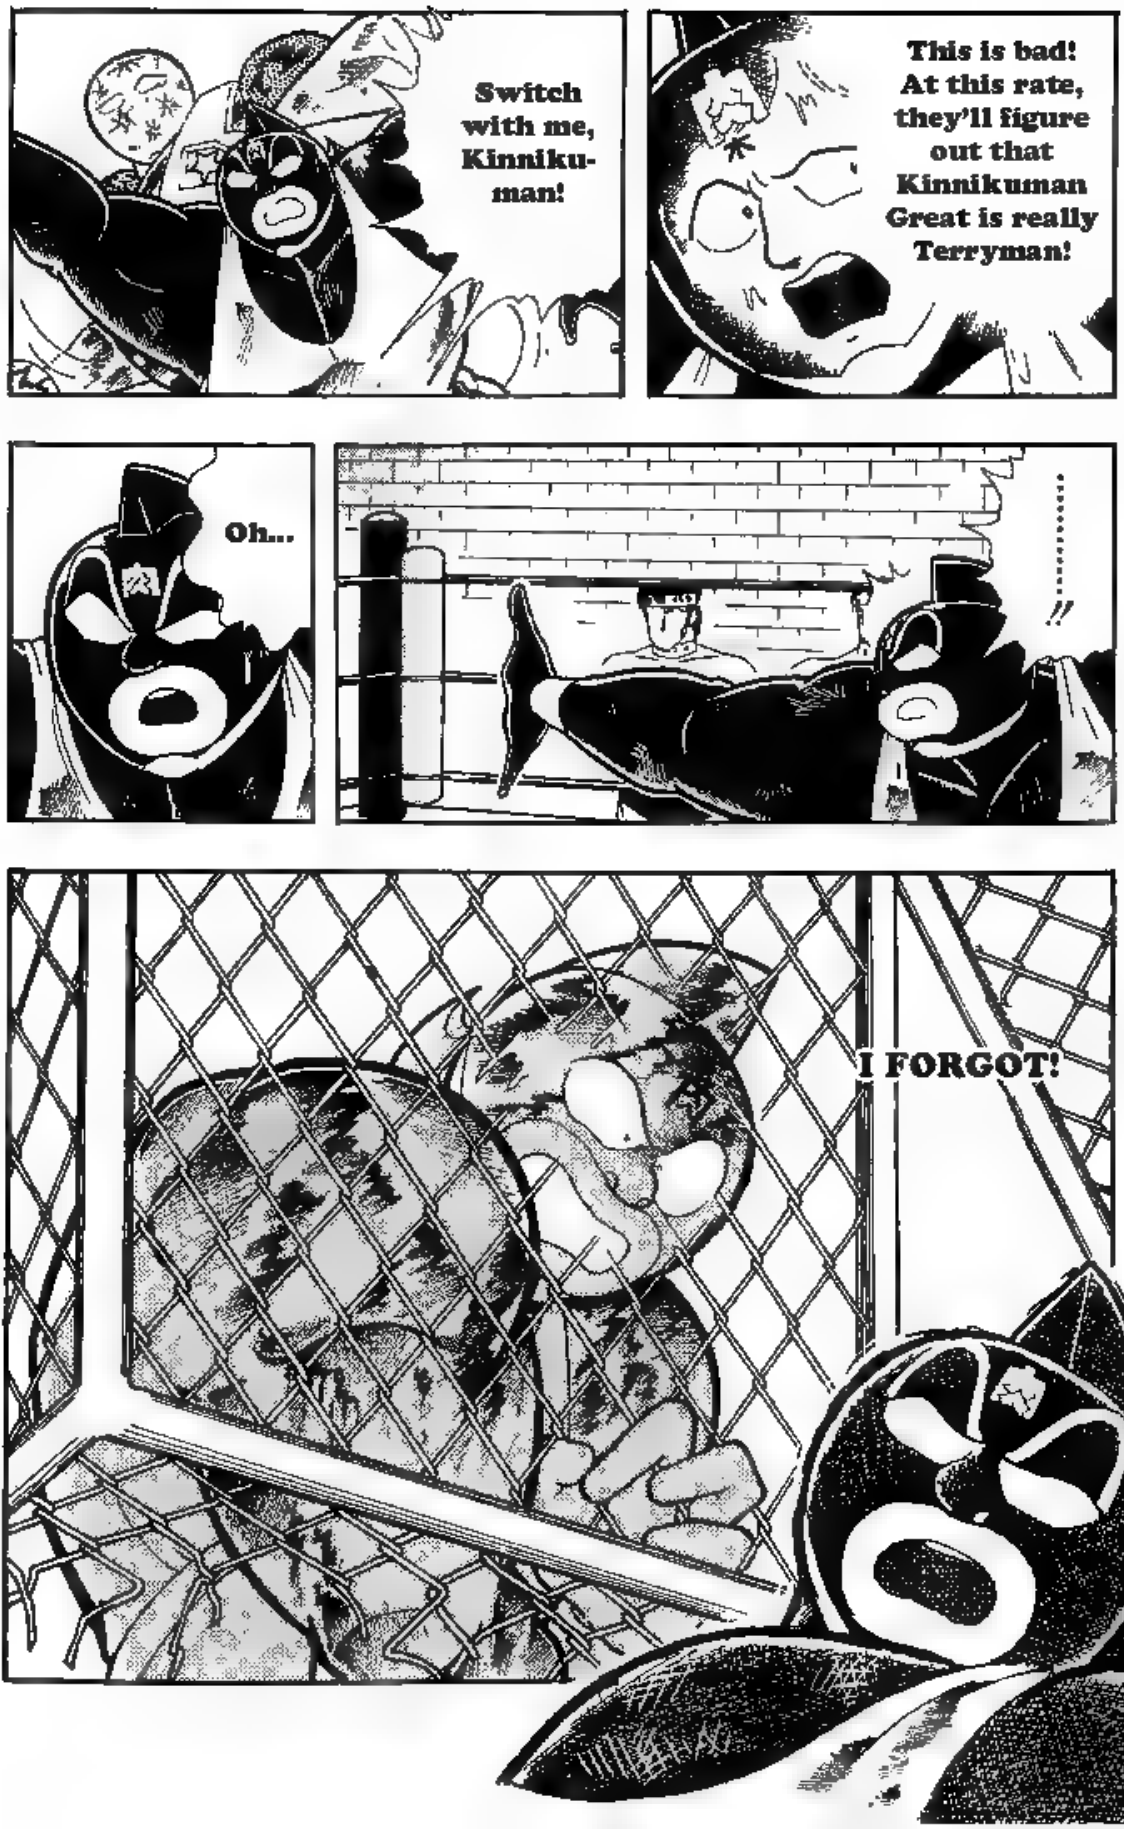
Hell Combination Part III!
I'm on it!
Hey, Sunshine!
Sky High Crash!
Finally, Kinnikuman of the Muscle Brothers has been thrown into the hut!

Kinnikuman!
If Kinnikuman Great is thrown in the box as well, the Stray Devil Combo will move to the finals!
What!? Then that means you know his true identity!?
You're right!
I feel like I've felt it before somewhere...
Huh? This body...
At this rate, they're going to reveal who I really am!
Oh no!

Evil spirits, somehow you can recognize his true identity!
Yeah, I can feel it, too!
Gufufufufufu, I know this feeling! I've fought against this body before!

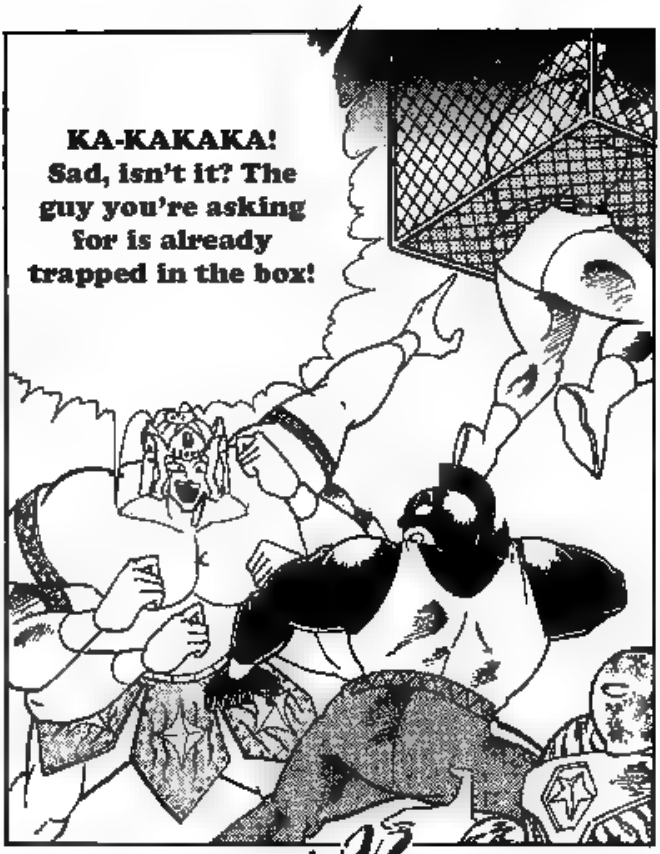
Dream Chojin Tag Arc 29

Begone, Evil Spirits!



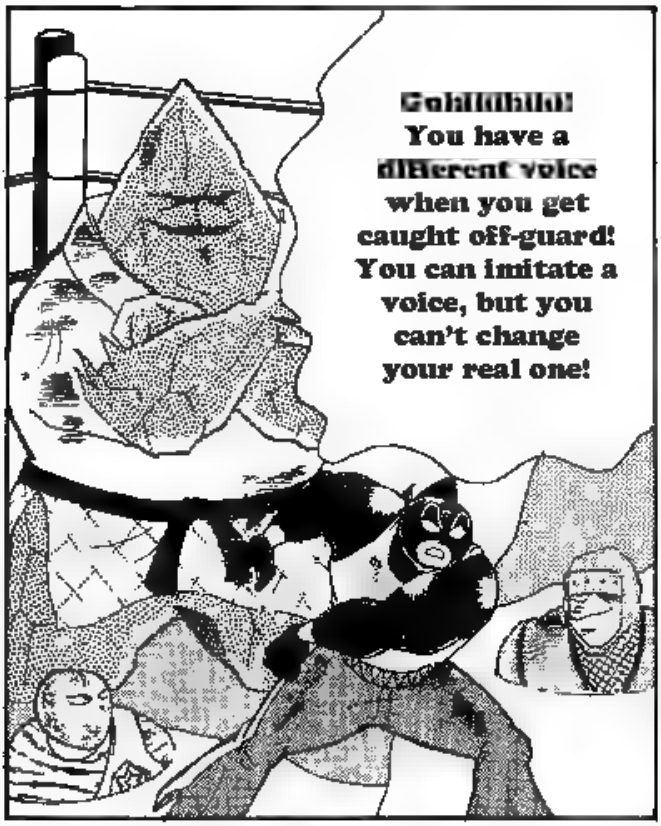
Switch with me, Kinniku-man!
This is bad! At this rate, they'll figure out that Kinnikuman Great is really Terryman!
Oh...
I FORGOT!

Heh heh heh, soon you'll be joining him...



KA-KAKAKA! Sad, isn't it? The guy you're asking for is already trapped in the box!

With your identity exposed!



Gohhhhhh! You have a different voice when you get caught off-guard! You can imitate a voice, but you can't change your real one!

Stop that!

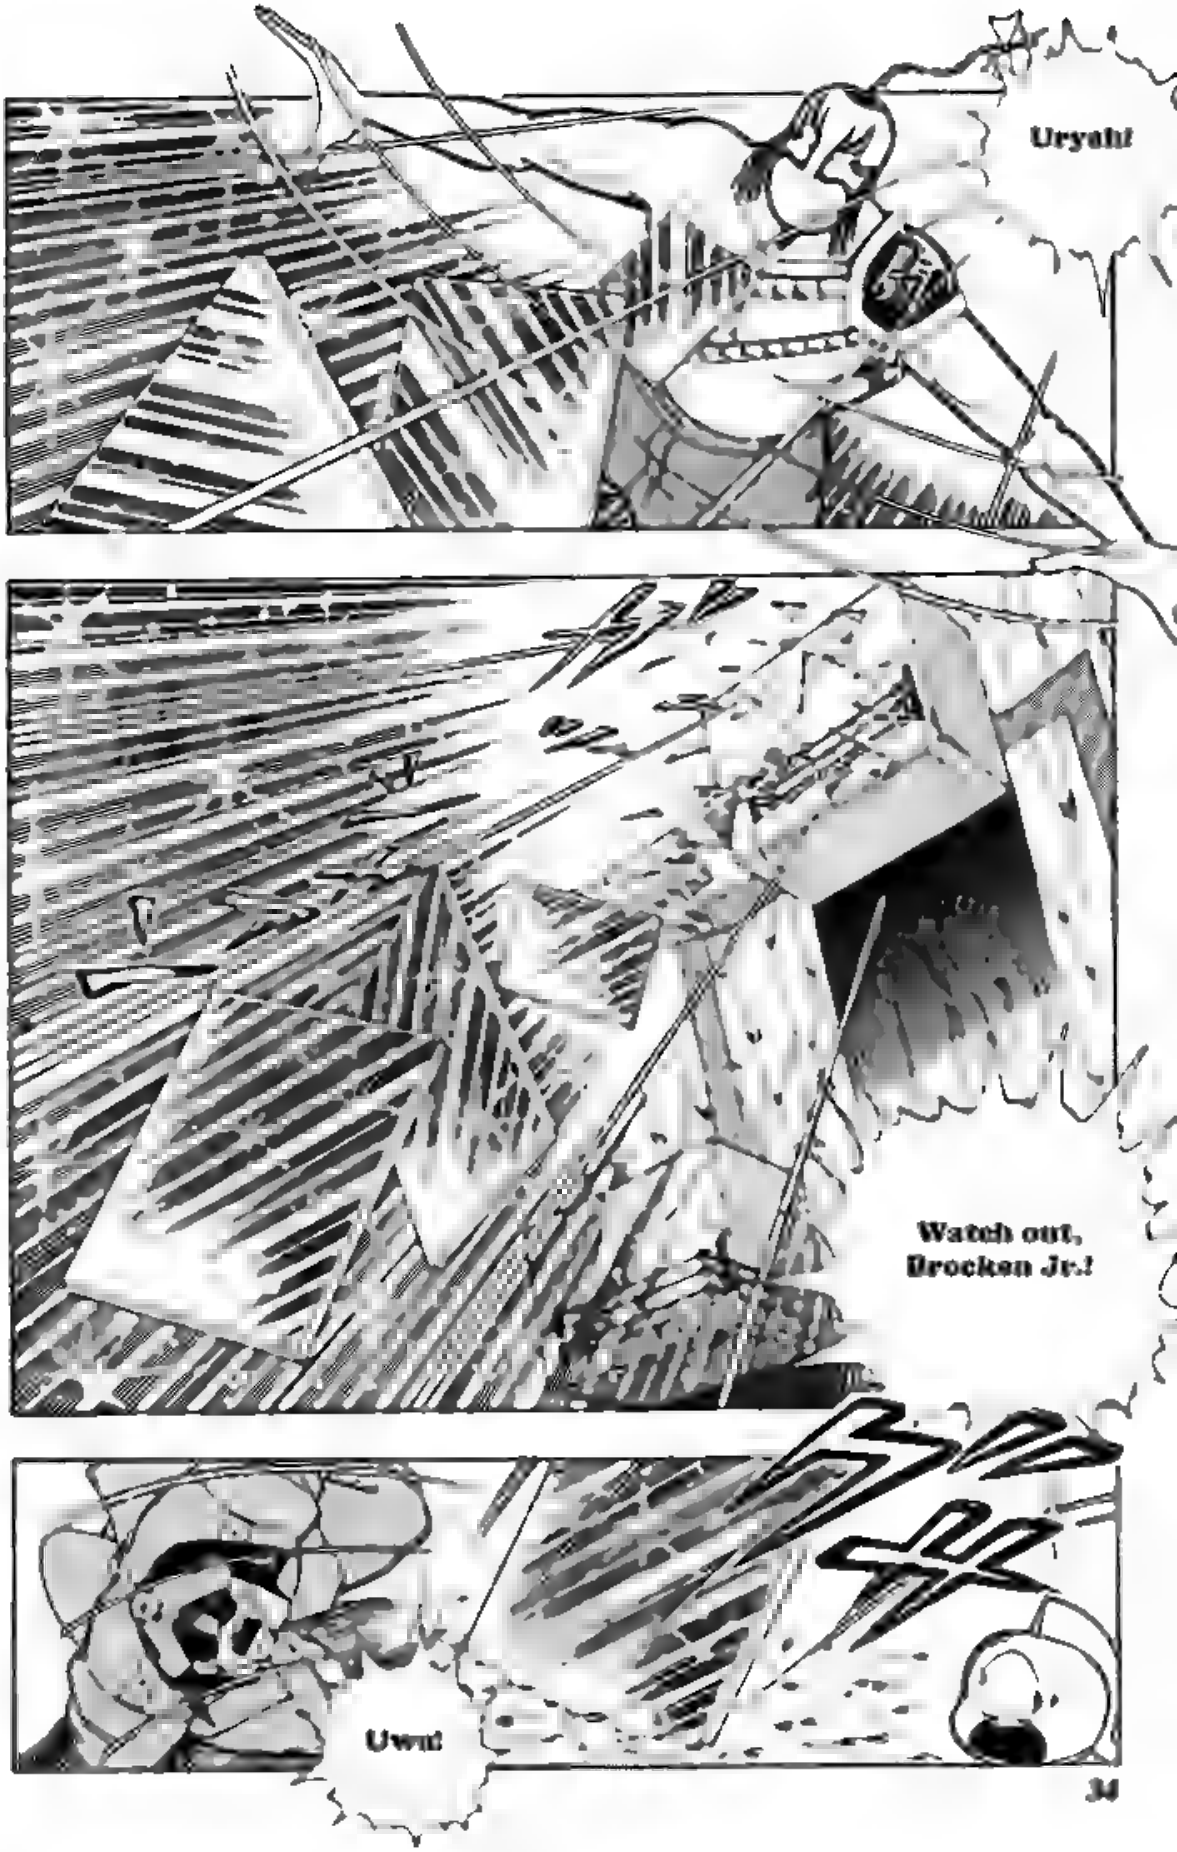
Let go!
Ugh!
Ke-kekeke!
That voice! That voice!
Guhe-hehehe!
Stay off me!

Page Missing (again)

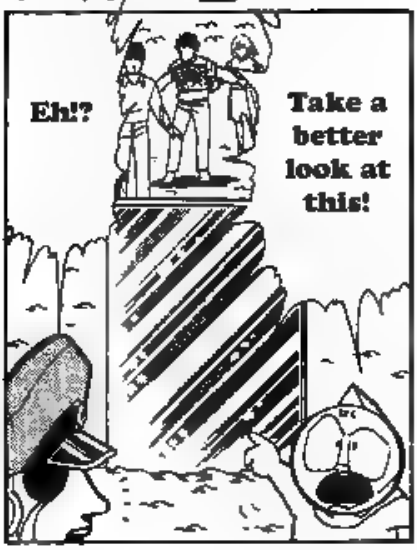
Please contact us if you have it.

Right now we're Kinnikuman's enemies... But I can't forgive the devil's foul tactics!
Unhand me!
All we can do is act as a wall to stop any Chojin from escaping. That's our only duty right now.
Heh heh... You guys are acting like you don't care, 20 Million Powers...
.....!!
...but we both know that deep down, all the Devil Comin want is to drown the Muscle Brothers in a sea of blood at any cost!

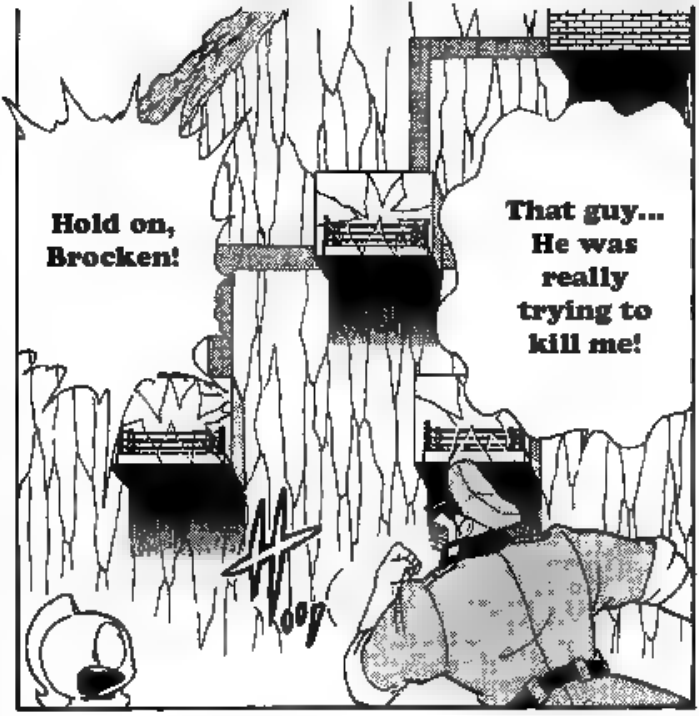
Let go!
Ke-keke!
Mongol-man!
Are you really going to let those devils do this!?
Silence!
If you speak ill of me again, I will kill you, Brocken Jr.!



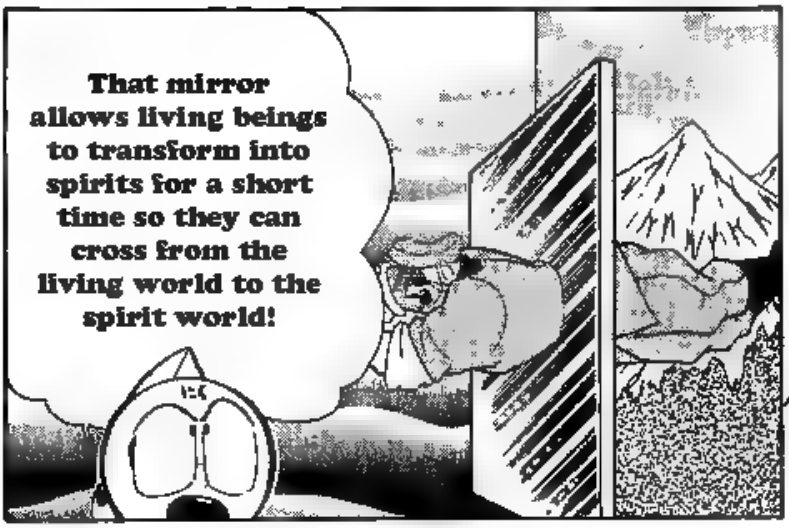
Uryah!
Watch out, Brocken Jr.!
Uwa!



Eh!?
Take a better look at this!

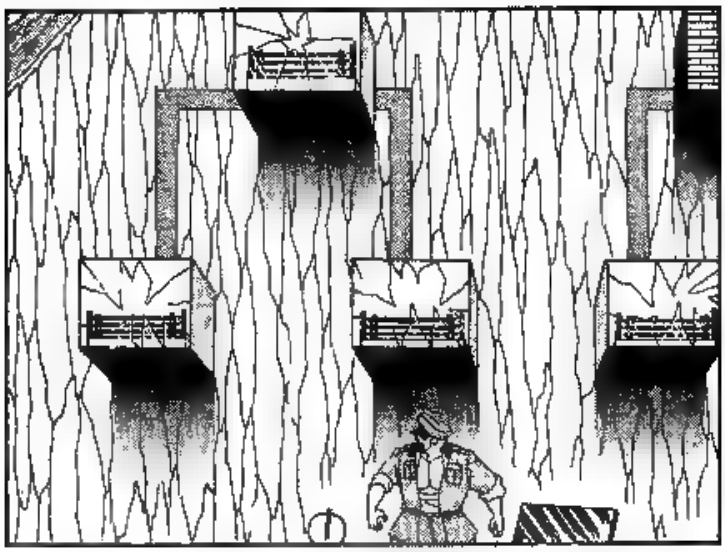


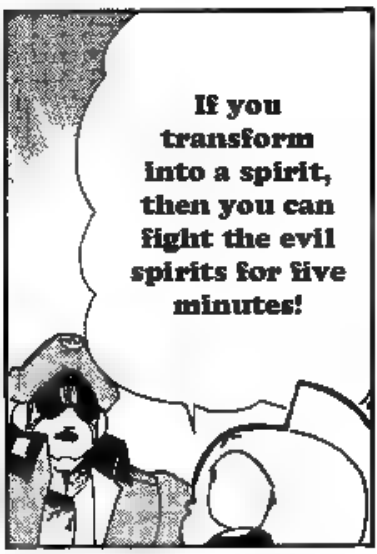
Hold on, Brocken!
That guy... He was really trying to kill me!
Woop



That mirror allows living beings to transform into spirits for a short time so they can cross from the living world to the spirit world!

That mirror! It's the Spirit World Portal from when he saved Kinnikuman from the devil ghosts before!

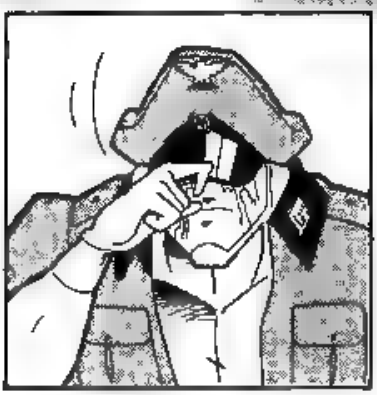




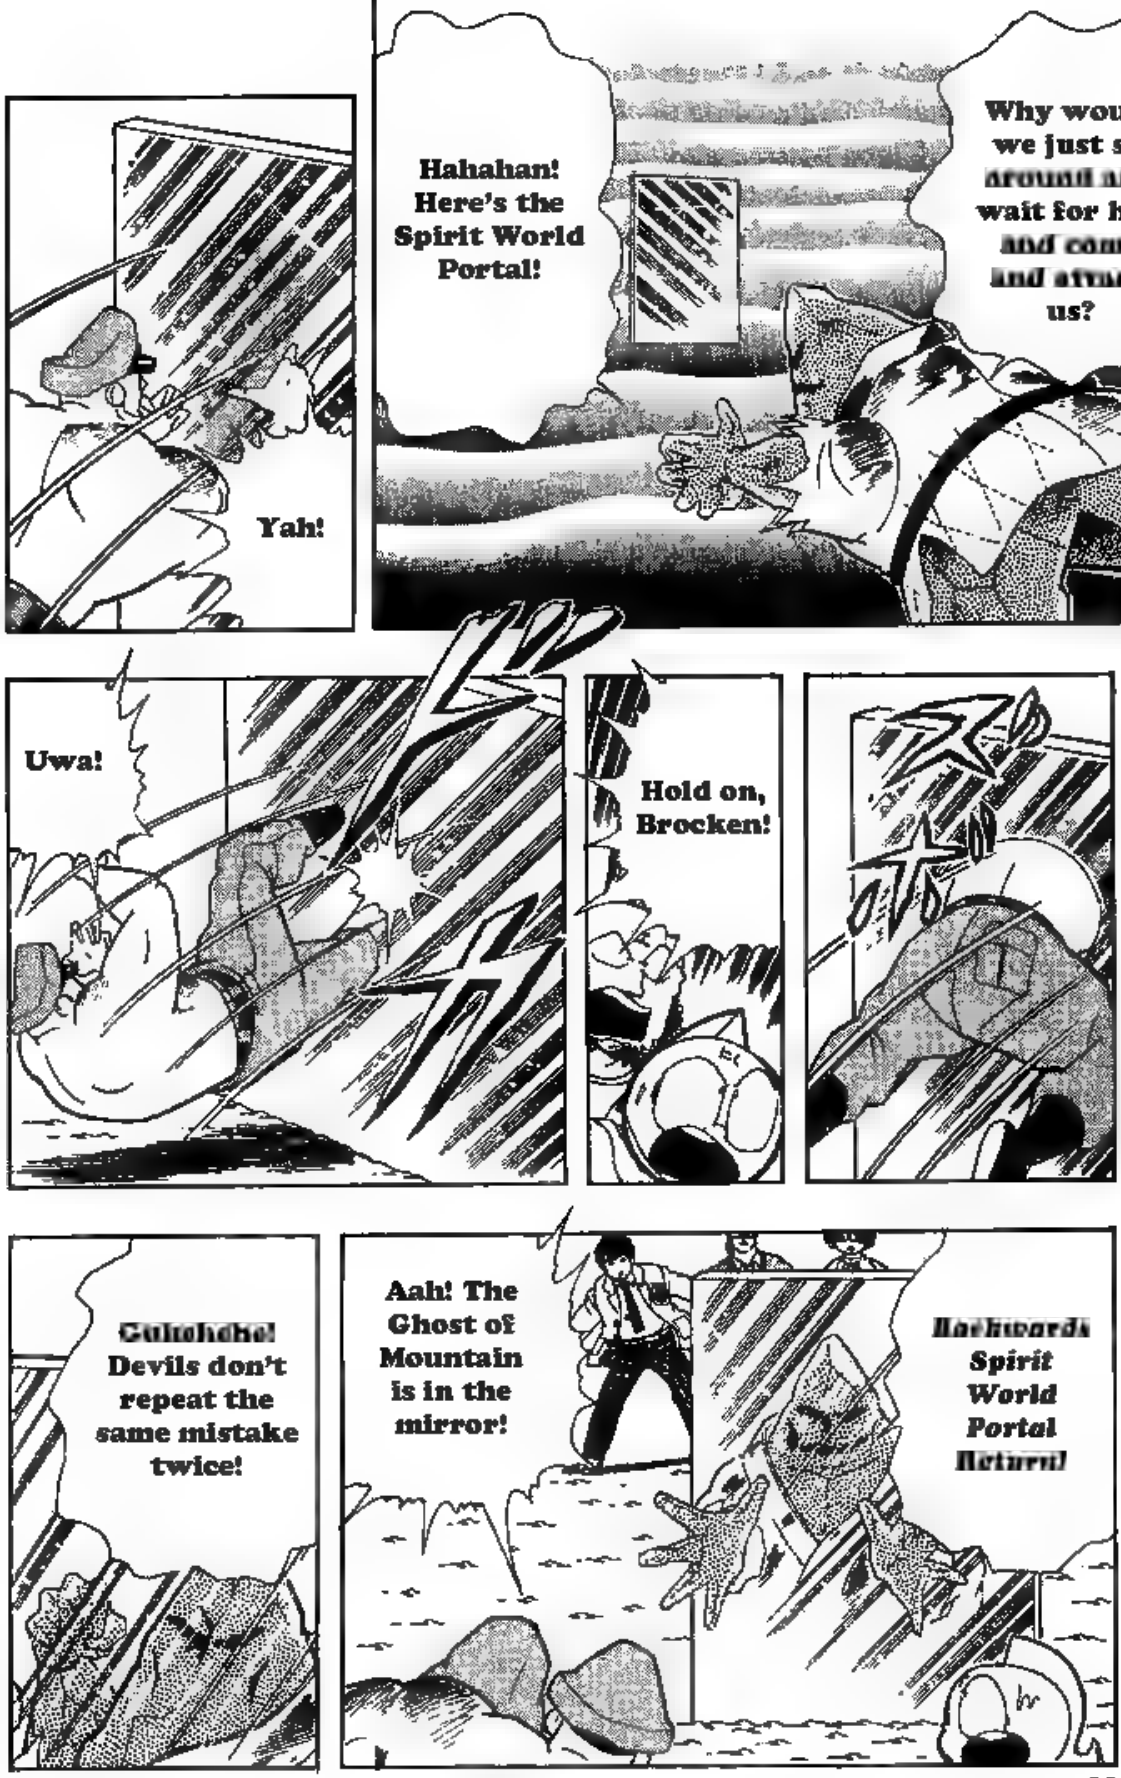
If you transform into a spirit, then you can fight the evil spirits for five minutes!

Right, Mongolman did save him before!

Thank you, Mongolman! Even when you're against us, you're still our ally!



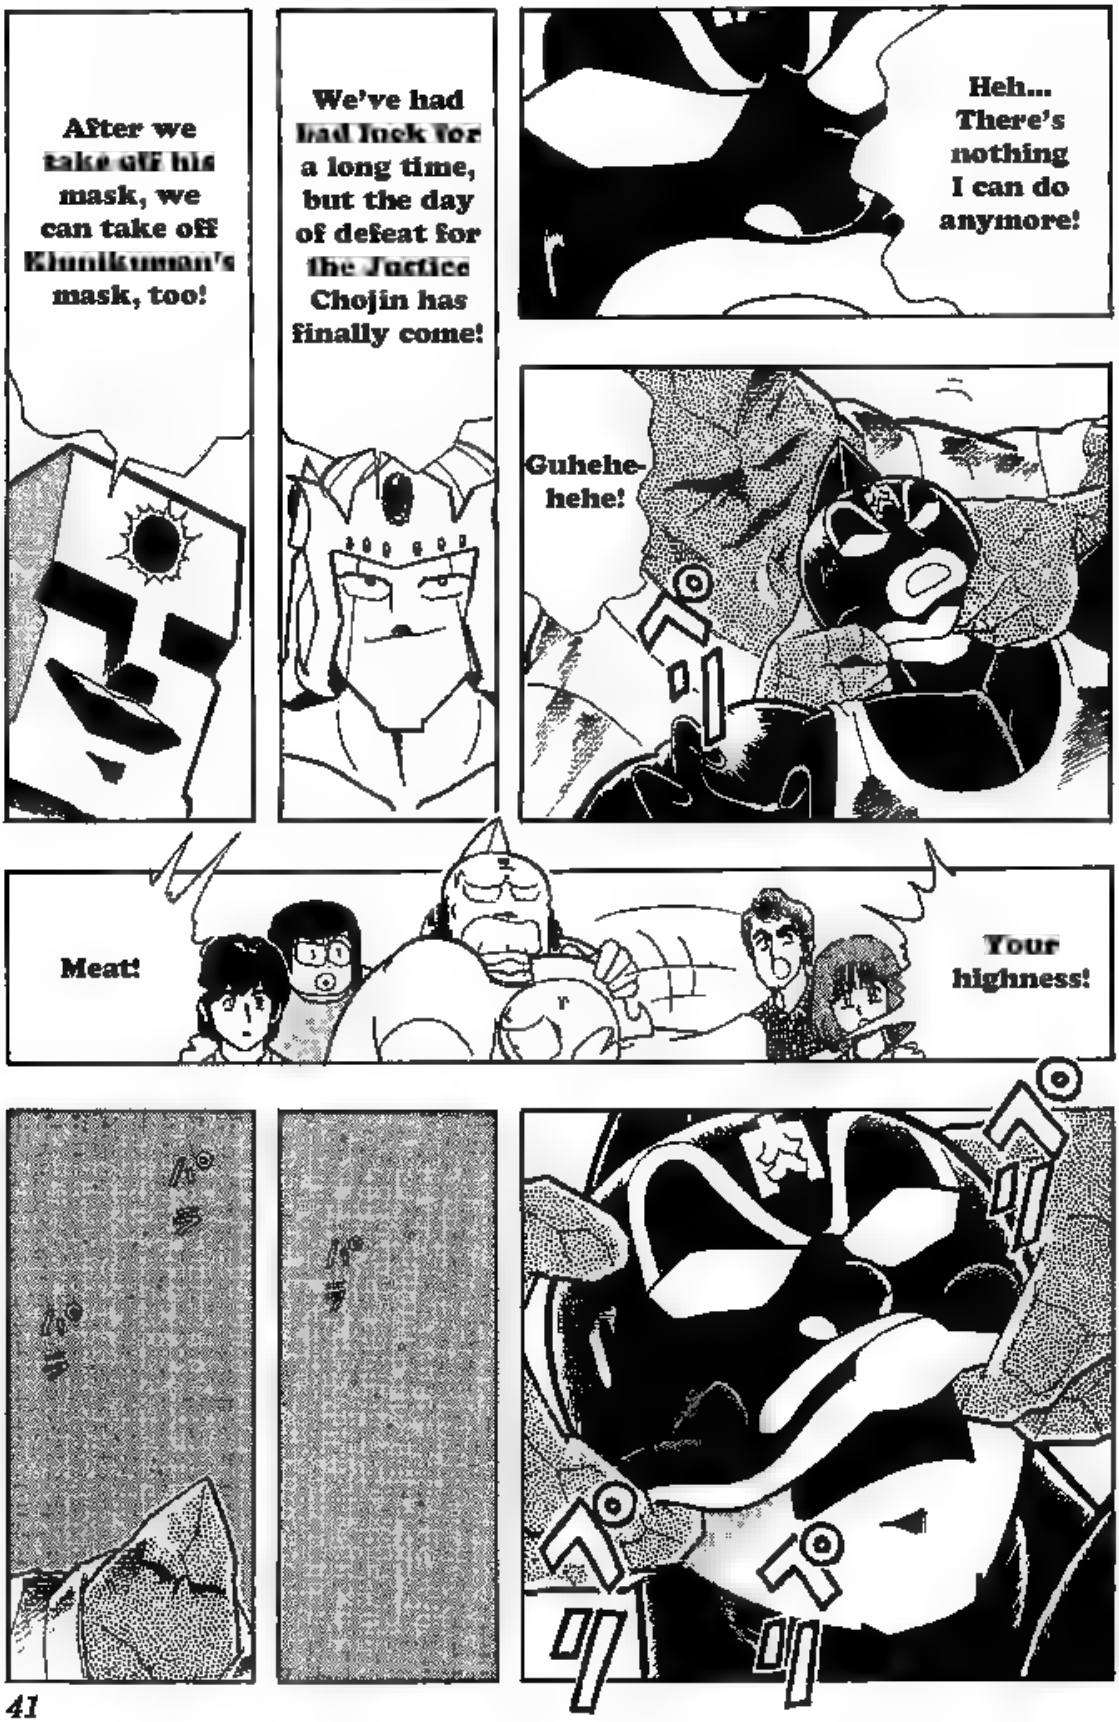
But even if I'm alone, I'll protect us from the hand of the devil ghosts!
With all of the recent casualties, I'm the only Justice Chojin left!
Alright! I'll be waiting!
Niku, just endure a bit longer!
Will you really be able to?



Yah!
Hahahan! Here's the Spirit World Portal!
Why would we just sit around and wait for him and come and attack us?
Uwa!
Hold on, Brocken!
Gulululu! Devils don't repeat the same mistake twice!
Aah! The Ghost of Mountain is in the mirror!
Backwards Spirit World Portal Return!

MAYUMI
Aah!
Uwa!
Guhehehehe! This time, you Justice Chojin shall pay back what you owe!
You've cracked the Spirit World Portal!

That fiend!
The final hope of the Muscle Brothers has been cursed!
It's over!
You've done well, evil spirits! It's time for us to finish this!
Right!
Does Kinnikuman Great, who's done great at resisting the evil spirits so far, have an idea to escape!?



After we take off his mask, we can take off Kinnikuman's mask, too!
We've had bad luck for a long time, but the day of defeat for the Justice Chojin has finally come!
Heh... There's nothing I can do anymore!
Guhehe-hehe!
Meat!
Your highness!

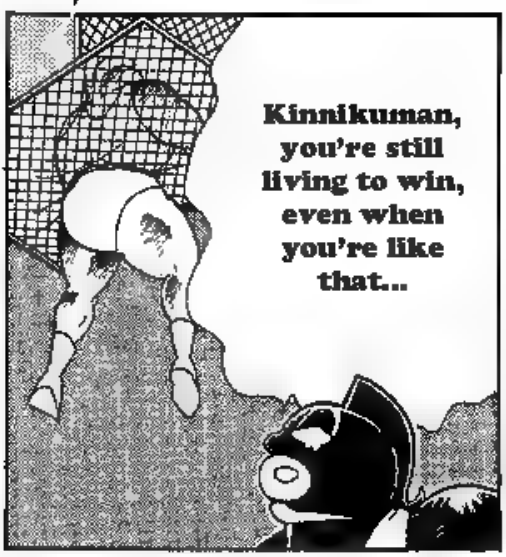
There's something falling from the sky that's making my body burn!
What's wrong, Mountain!?
Snow!?
No, it's not snow, it's salt!
The sweat from Kinnikuman's body is drying into salt and falling into the ring!

Right! In ancient times, Japan used purification salt to ward off evil spirits!

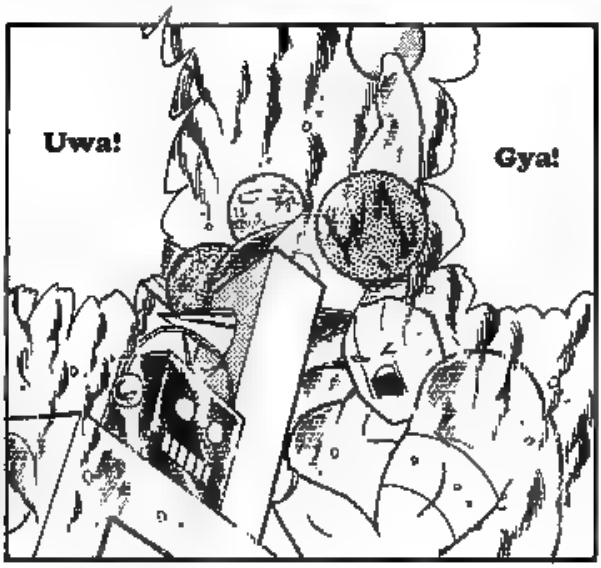
But why is salt taking down the ghosts?

Muscle Salt!

Now I understand! I'm not afraid of them!



Kinnikuman, you're still living to win, even when you're like that...



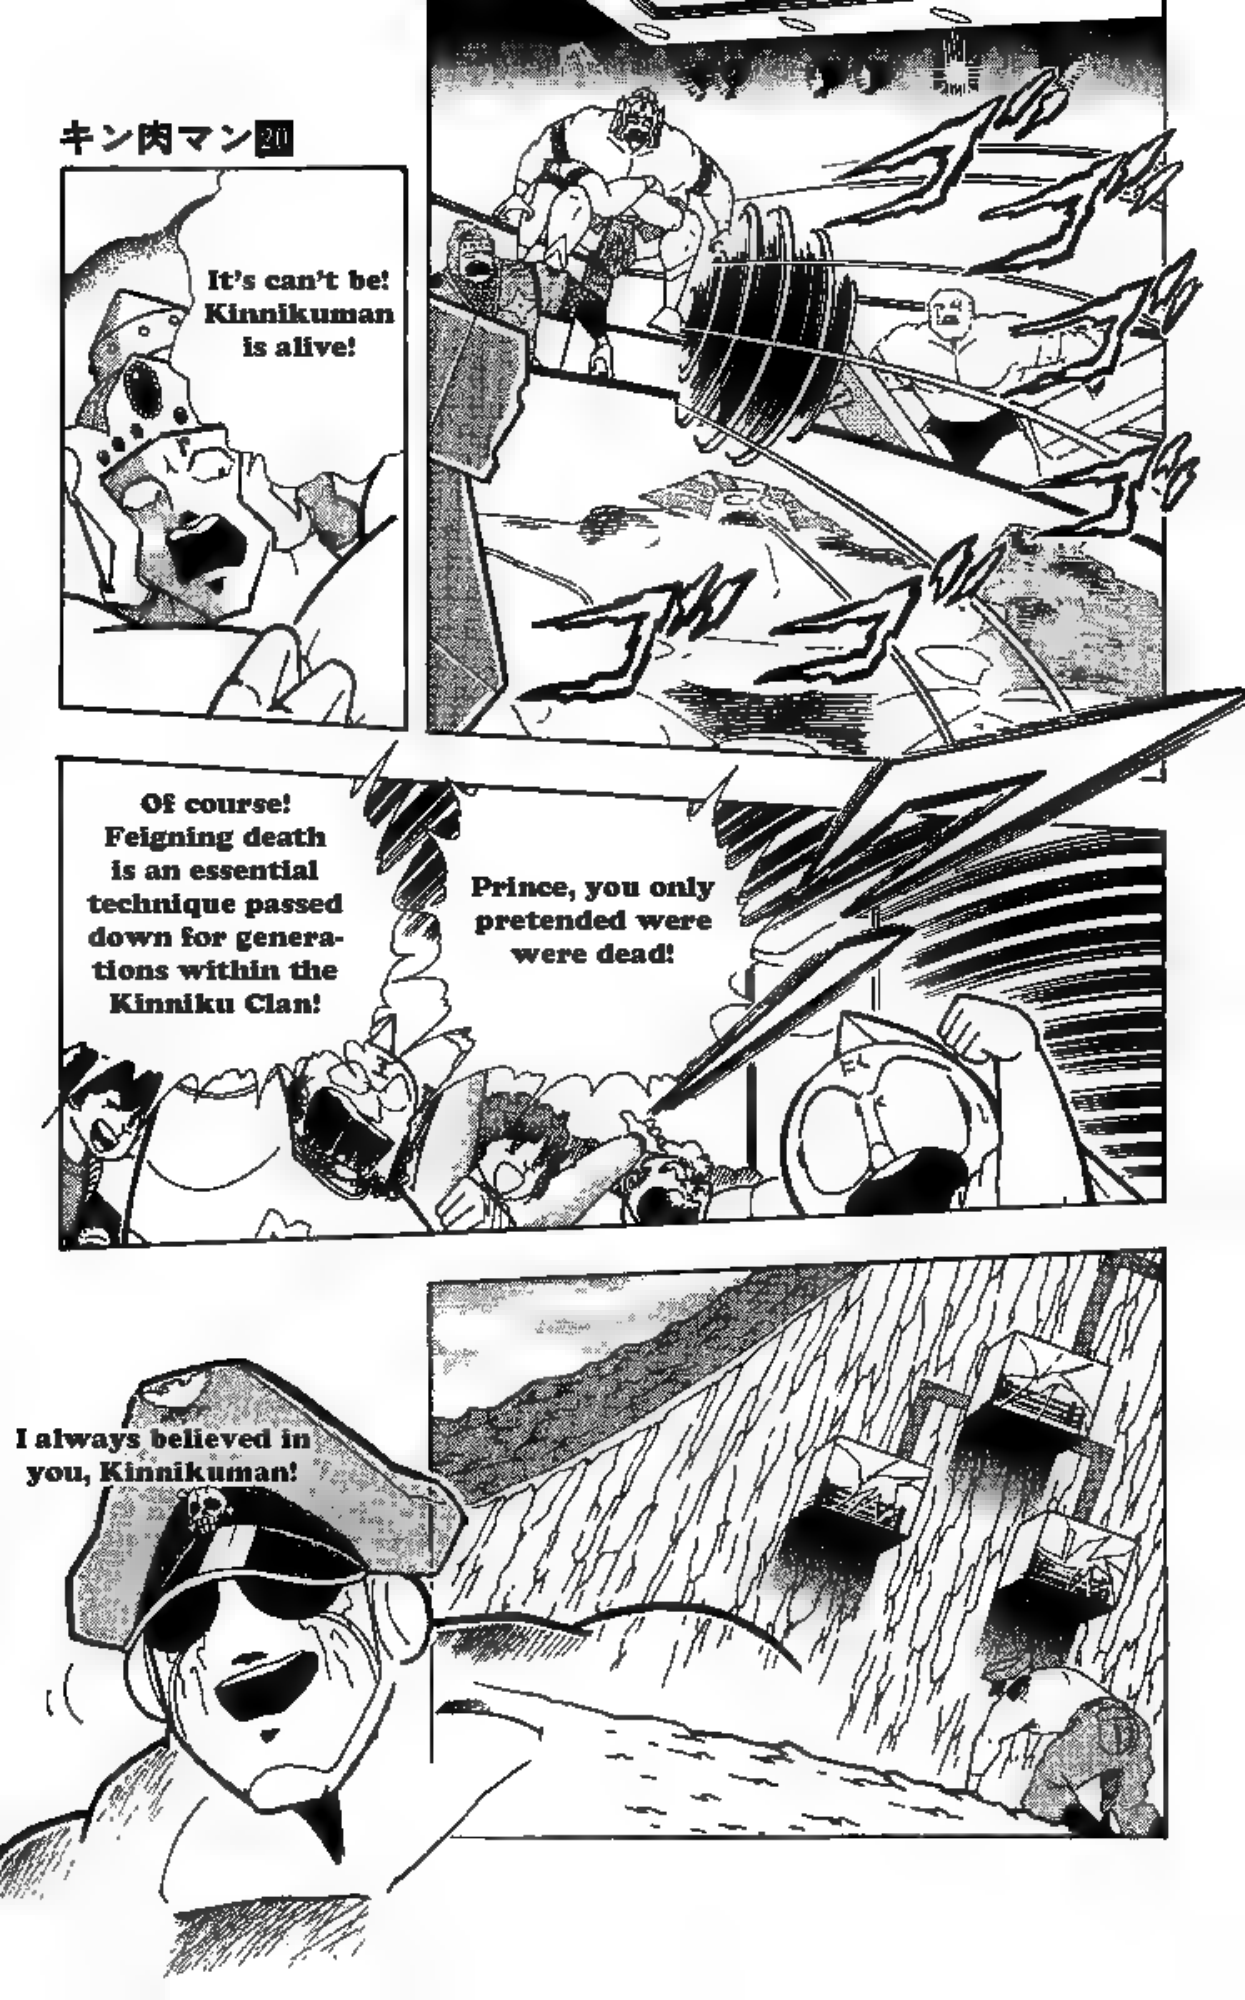
Uwa!
Gya!

I don't just live to win, Niku!
You're alive!

...the push of my farts!
Not by...
Muscle Rolling!
Gyaa!
With Kinnikuman's miraculous revival, the Muscle Brothers are starting up again!

A Team Kinnikus Release

The Muscle Brothers and now pinstering the salt-weak spirits to the canvas with Muscle Rolling!
Ugyaaa!
Gaaaa!

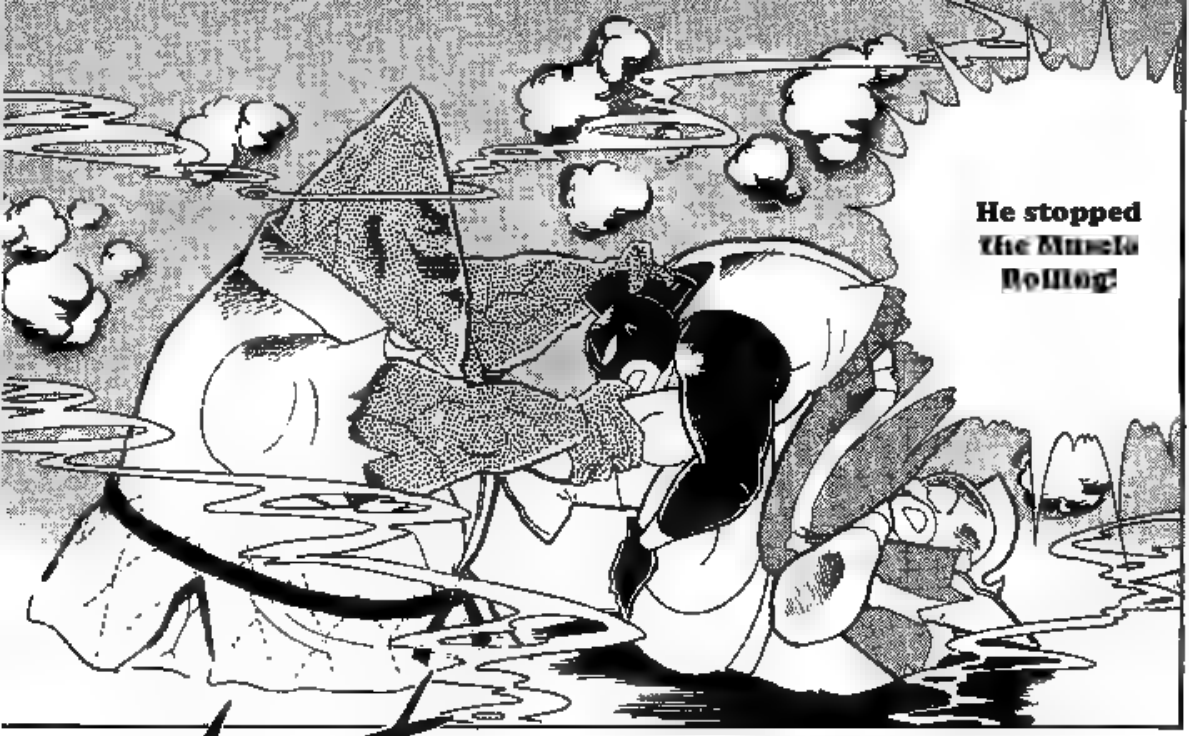


It's can't be! Kinnikuman is alive!
Prince, you only pretended were were dead!
Of course! Feigning death is an essential technique passed down for generations within the Kinniku Clan!
I always believed in you, Kinnikuman!

Guh!
Rolling U-Turn!
Gah!
Guh!
Gyaah!

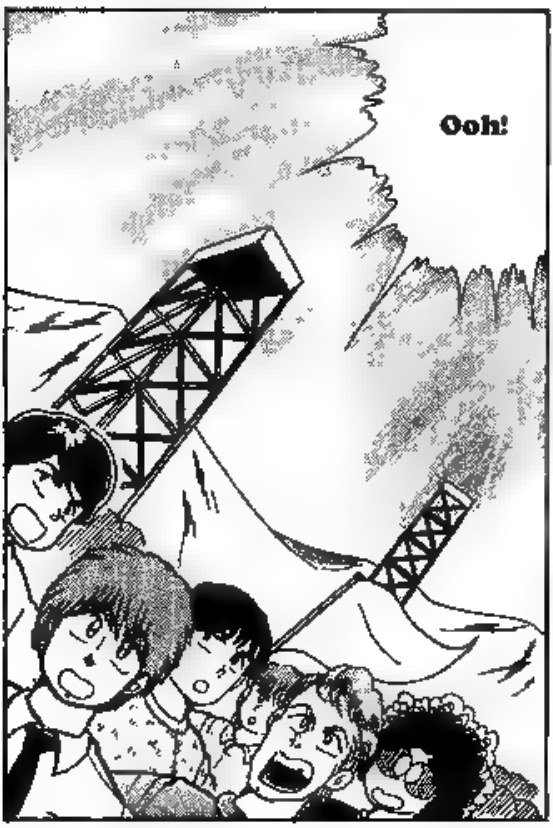
Mountain!
Stecase King!
Do something!
What are you doing, evil spirits!? At this rate, you'll all be wiped out!
We just need to defeat the Muscle Brothers!
This is our final chance to stay on the surface! I'm not going to go back to that cold, dark hell!
The remaining evil spirits are straining to defeat the Muscle Brothers!
Uga!

There!
Now!
Gya!
Geeeh!
Yes!
Just one
more!

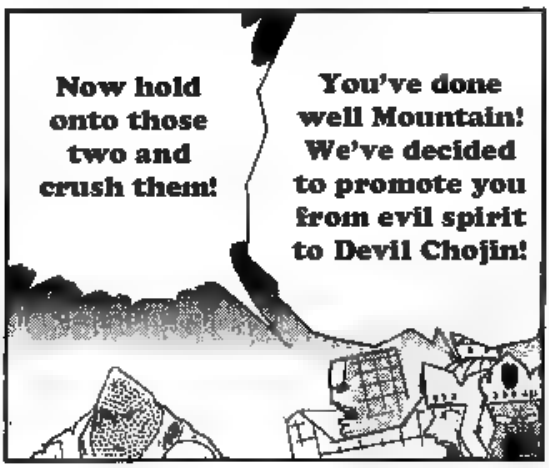


He stopped the Muscle Rolling!

あ あ..



Ooh!



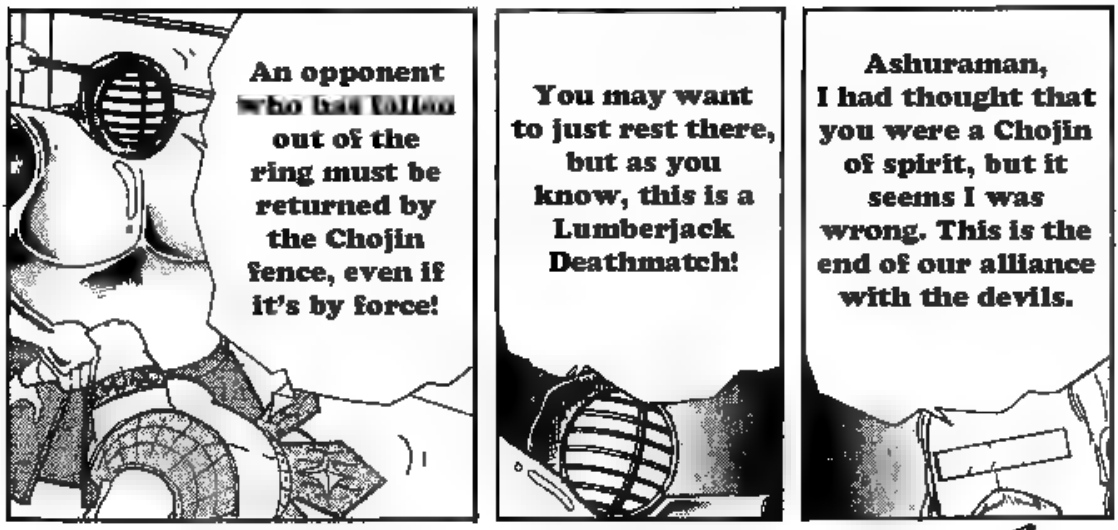
Now hold onto those two and crush them!
You've done well Mountain! We've decided to promote you from evil spirit to Devil Chojin!

Thank you for those words. Kinnikuman and Great, die!

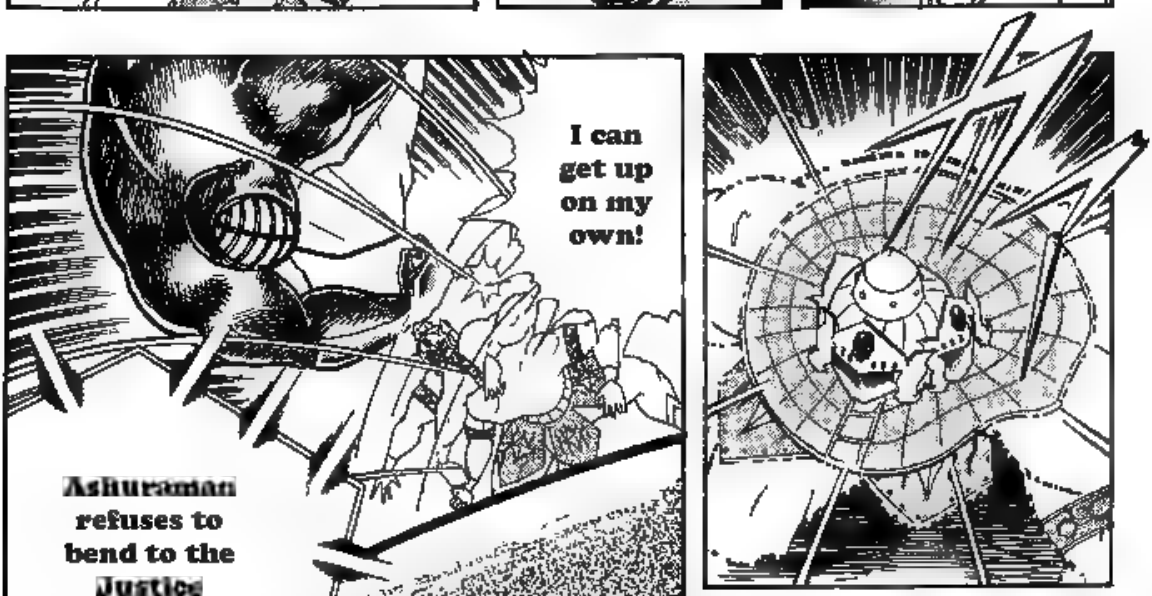
Gya!
Gya!
We don't care, we can still spin!
Gyaaa!
The evil spirits of the Hell Canvas have been sealed inside of it!

Geh!
It seems the only ones we can rely on are ourselves afterall!
You all failed again!
Double Condor Kick!

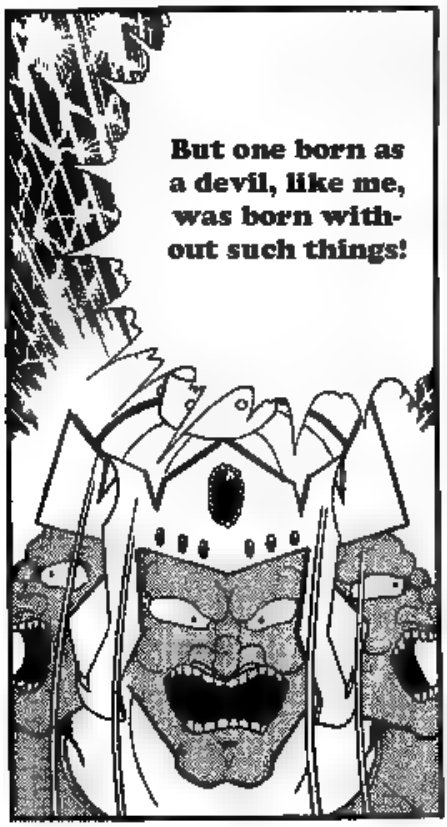
Ashuraman has fallen out of the ring!
Gyahaha, how's that? Your evil spirits now understand the greatness of our friendship power!



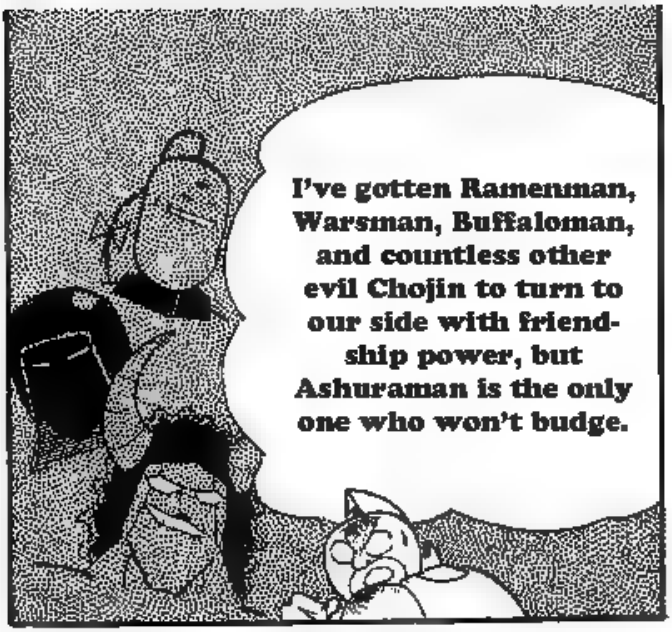
An opponent who has fallen out of the ring must be returned by the Chojin fence, even if it's by force!
You may want to just rest there, but as you know, this is a Lumberjack Deathmatch!
Ashuraman, I had thought that you were a Chojin of spirit, but it seems I was wrong. This is the end of our alliance with the devils.



I can get up on my own!
Ashuraman refuses to bend to the Justice Chojin's friendship power!



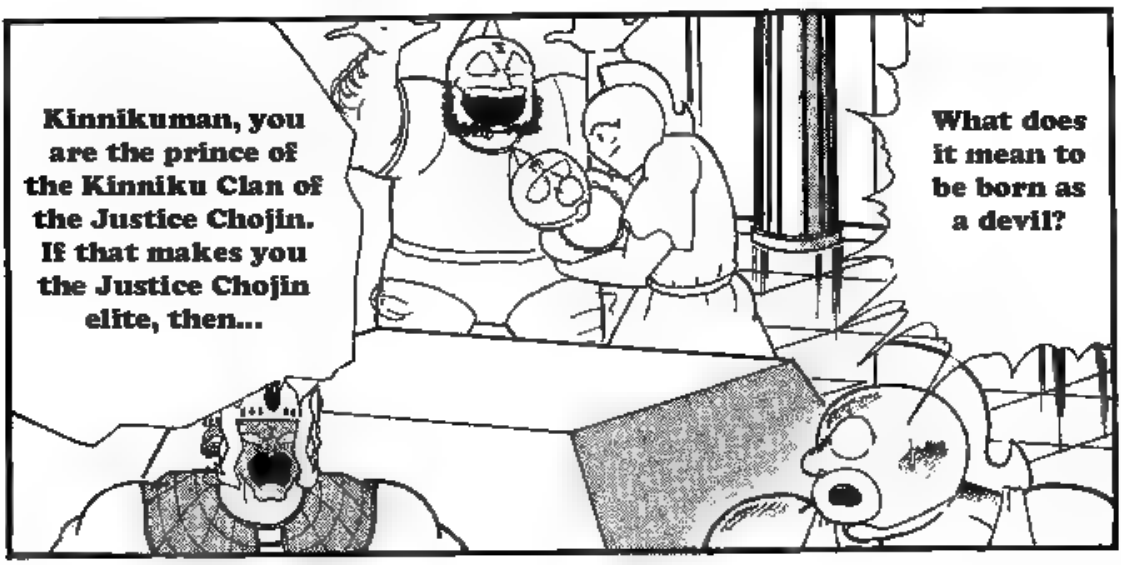
But one born as a devil, like me, was born without such things!



I've gotten Ramenman, Warsman, Buffaloman, and countless other evil Chojin to turn to our side with friendship power, but Ashuraman is the only one who won't budge.

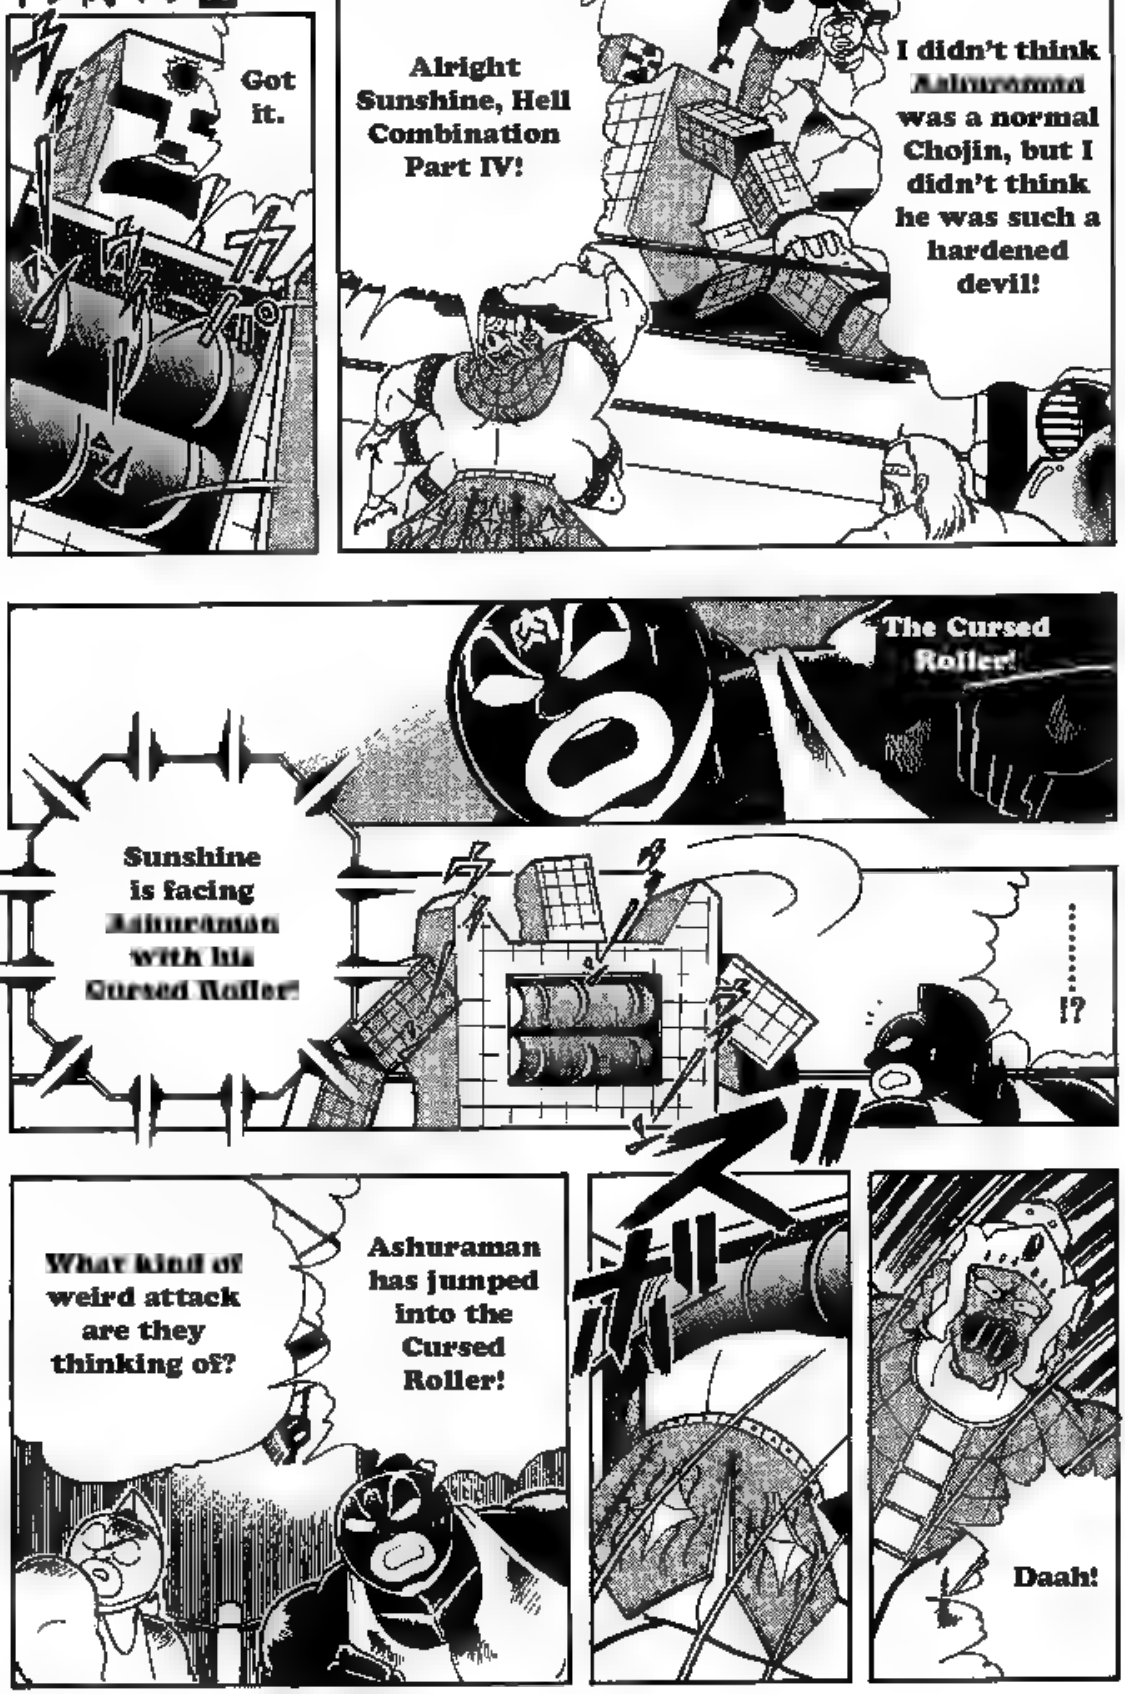
They have a thing called a "Conscious"...
Even among devils, most of them are halfway between Justice and Devil, like Buffaloman...

All of Ashuraman's faces have become angry!
おお…

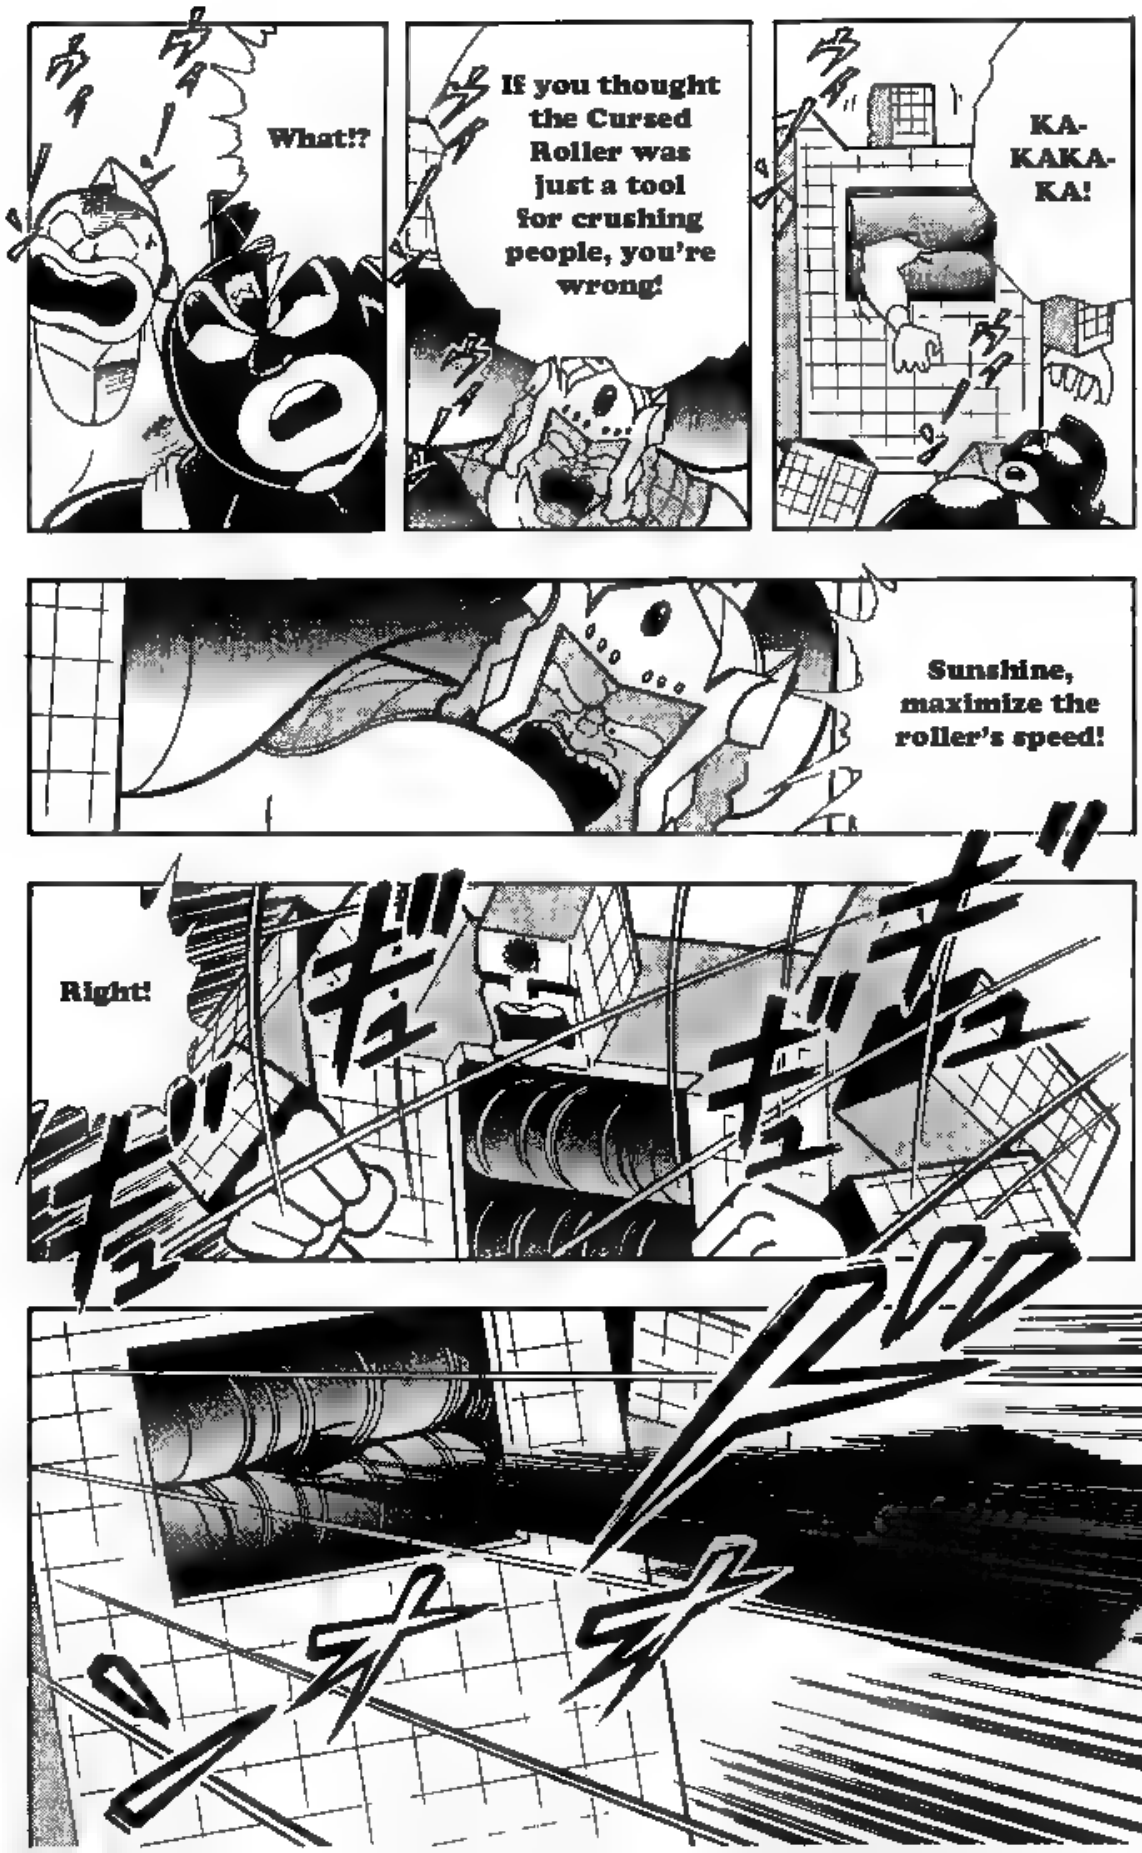


Kinnikuman, you are the prince of the Kinniku Clan of the Justice Chojin. If that makes you the Justice Chojin elite, then...
What does it mean to be born as a devil?

I, as prince of the demon world, am the Devil Chojin elite!
Asbura, there are things in the world called "Justice" and "Friendship", but both of those things are just make-believe.
People aren't beings of love, they're beings of hatred. Don't trust them. The only thing you can rely on is yourself!



Got it.
Alright Sunshine, Hell Combination Part IV!
I didn't think Ashuraman was a normal Chojin, but I didn't think he was such a hardened devil!
The Cursed Roller!
Sunshine is facing Ashuraman with his Cursed Roller!
.....!?
What kind of weird attack are they thinking of?
Ashuraman has jumped into the Cursed Roller!
Daah!

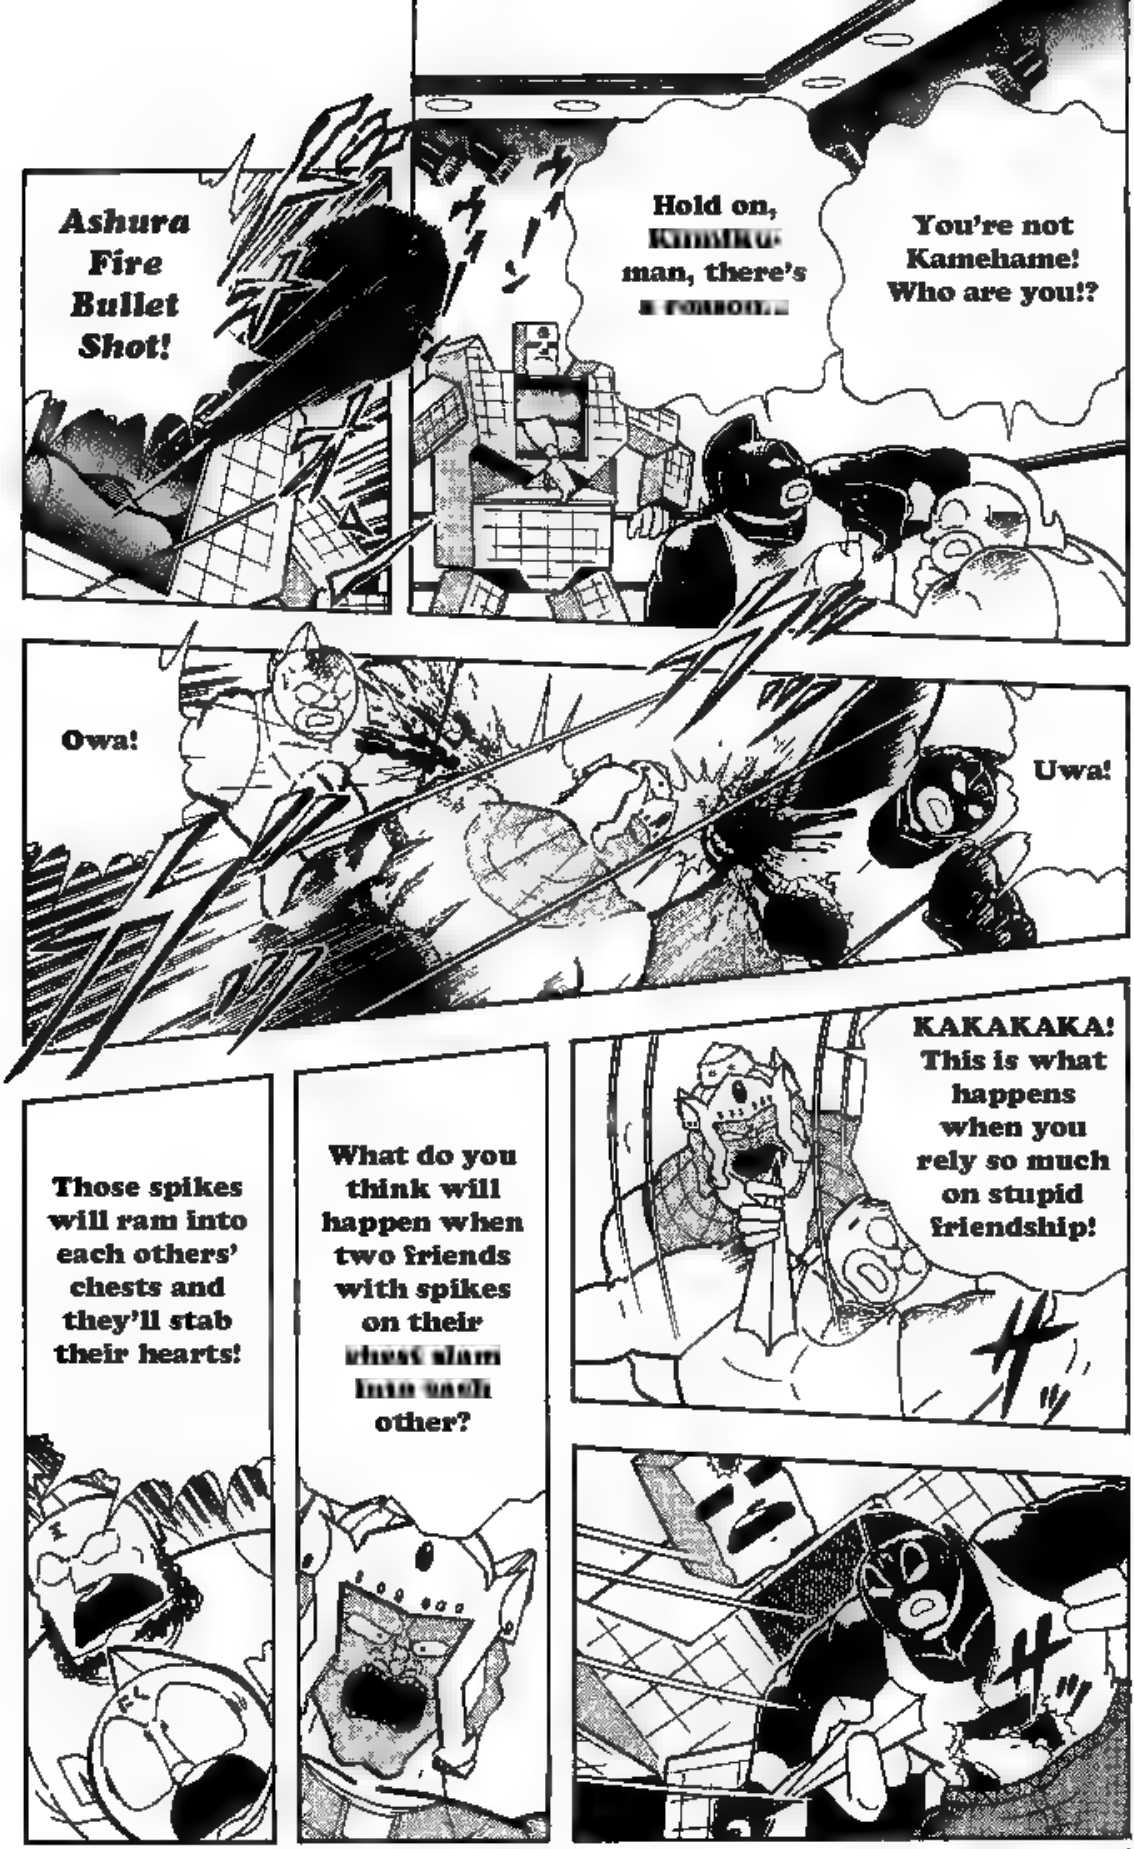


What!?
If you thought the Cursed Roller was just a tool for crushing people, you're wrong!
KA-KAKA-KA!
Sunshine, maximize the roller's speed!
Right!

Owa!
Ashura Fire Bullet Shot!
My back...
Are you okay, Kinnikuman!?
Ashruaman's body has been shot from the roller with incredible speed!
Out of the way! I'll deal with you later, Kinnikuman! Great! Right now I'm going to put an end to Kinnikuman!

Ashura Fire
Will this be the end of Kinniku-man!?
KA-KAKAKA! If friendship is that important to you, then I'll just take your life, instead!
Niku!

It wasn't your life I was after, it was the life of your friendship power!
Hehehhe. Ashuraman, my heart is over here! You missed!
Our friendship power?
Hey Niku, I know that you have brown skin, right?
Then why is the skin under your costume so white!?
Damn...



Ashura Fire Bullet Shot!
Hold on, [illegible] man, there's [illegible]
You're not Kamehame! Who are you!?
Owa!
Uwa!
KAKAKAKA! This is what happens when you rely so much on stupid friendship!
Those spikes will ram into each others' chests and they'll stab their hearts!
What do you think will happen when two friends with spikes on their [illegible] other?

There!
There!
This is how they execute people in the Demon World!

Final Battle of Wounds!

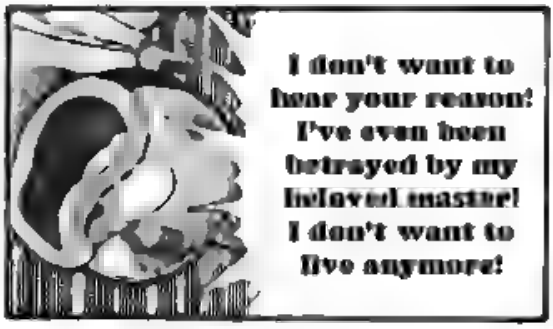
Hell Missionaries

Stray Devil Chojin Combo

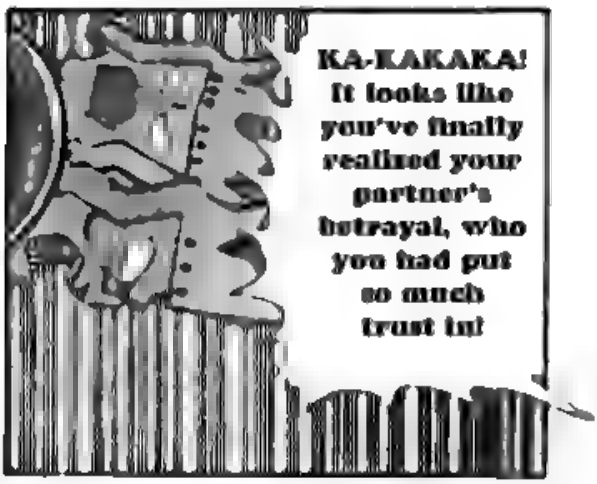
20 Million Powers

Muscle Brothers

Prince!
Are the Muscle Brothers going to fall to the devils, like so many of the other Justice Chojin!?

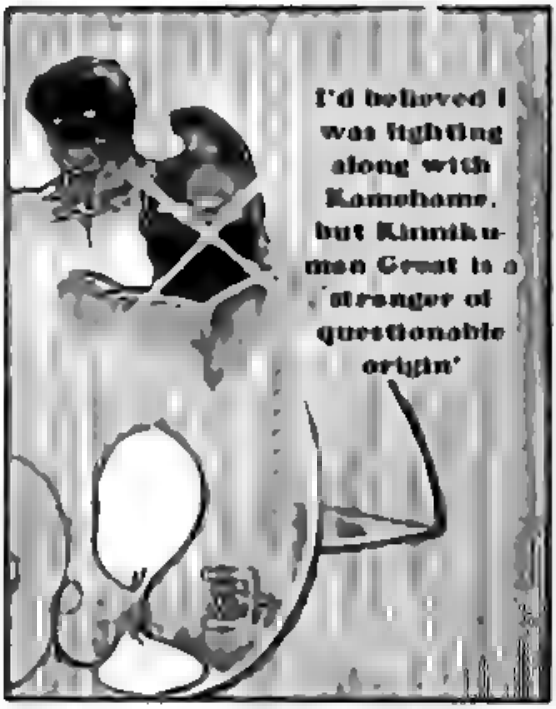


I don't want to hear your reason! I've even been betrayed by my beloved master! I don't want to live anymore!



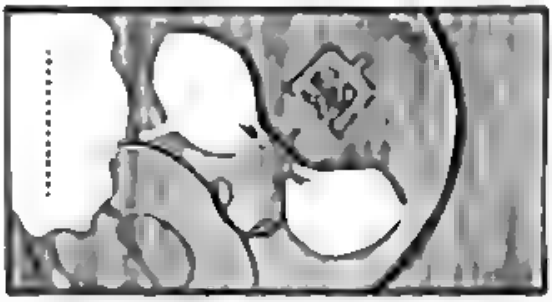
KA-KAKAKA! It looks like you've finally realized your partner's betrayal, who you had put so much trust in!

Oh good, you're ready to die!



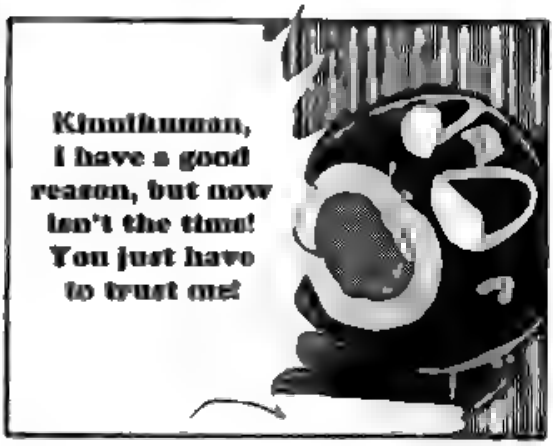
I'd believed I was fighting along with Kamehame, but Kinnikuman Great is a stranger of questionable origin'

Live, Kinnikuman! So we can hold the gold trophy together!

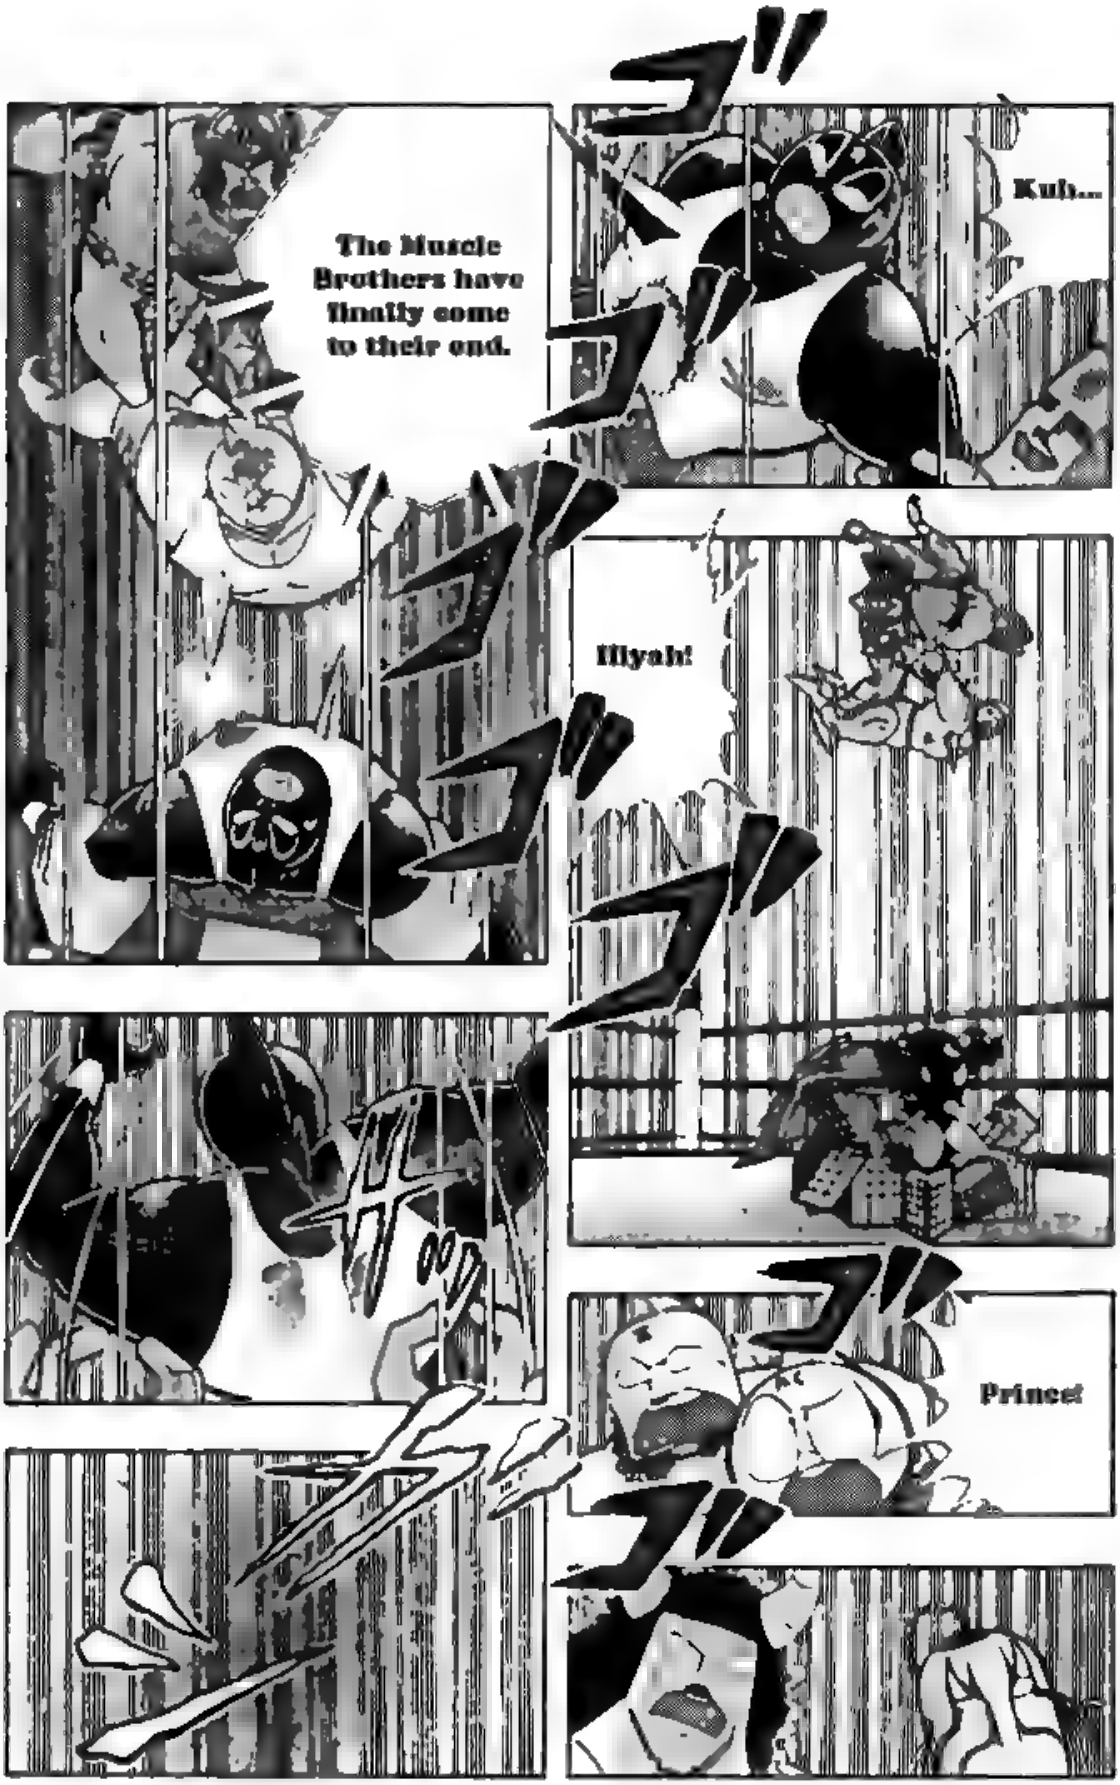


.....

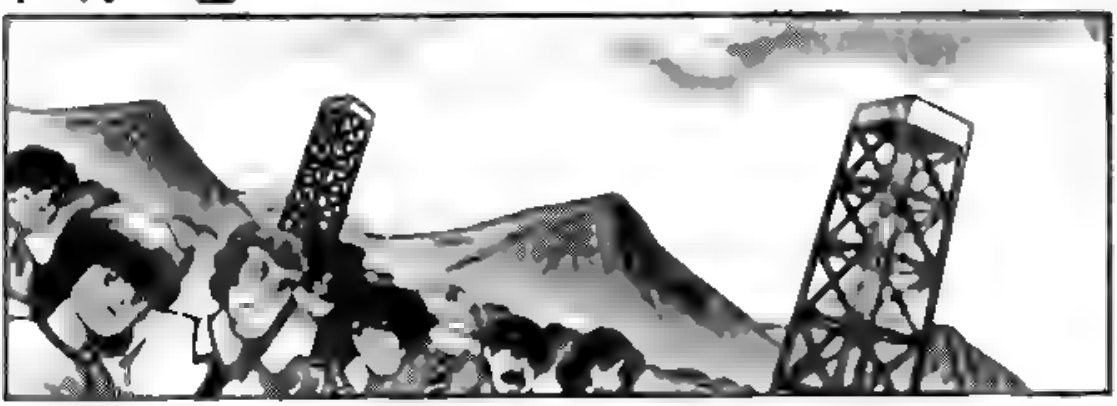
Kinnikuman!

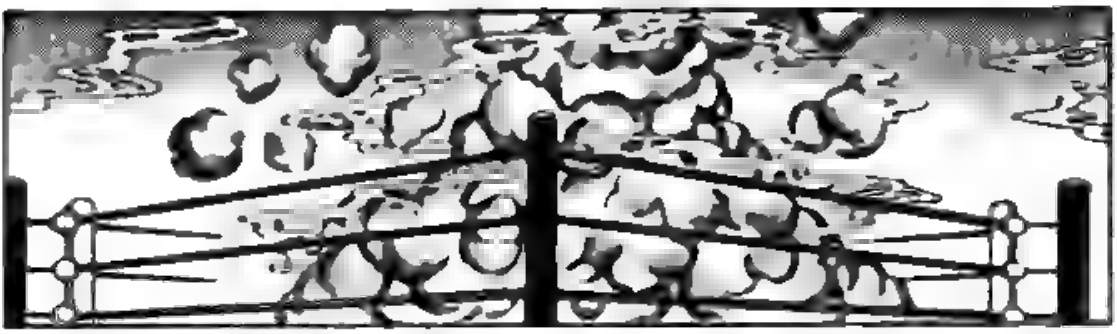


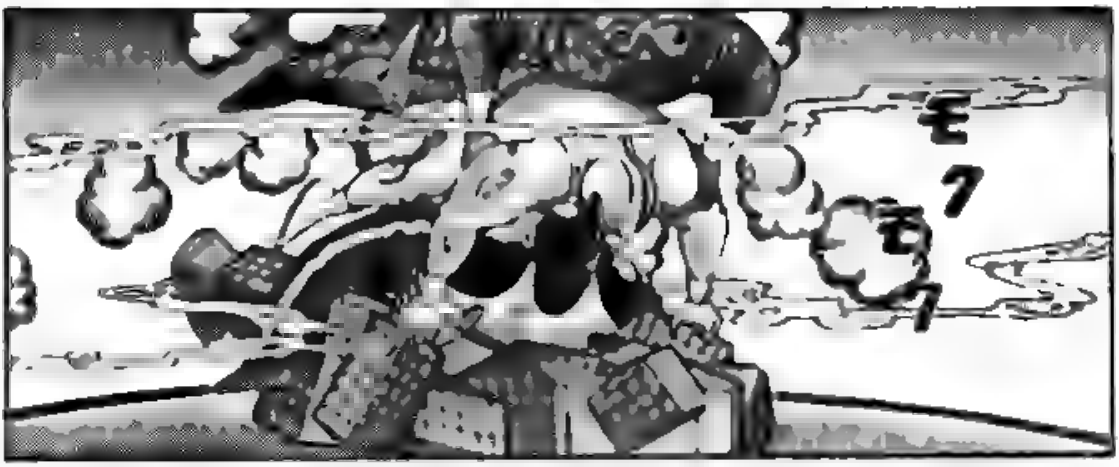
Kinnikuman, I have a good reason, but now isn't the time! You just have to trust me!



The Muscle Brothers have finally come to their end.
Kuh...
Iiyah!
Prince!



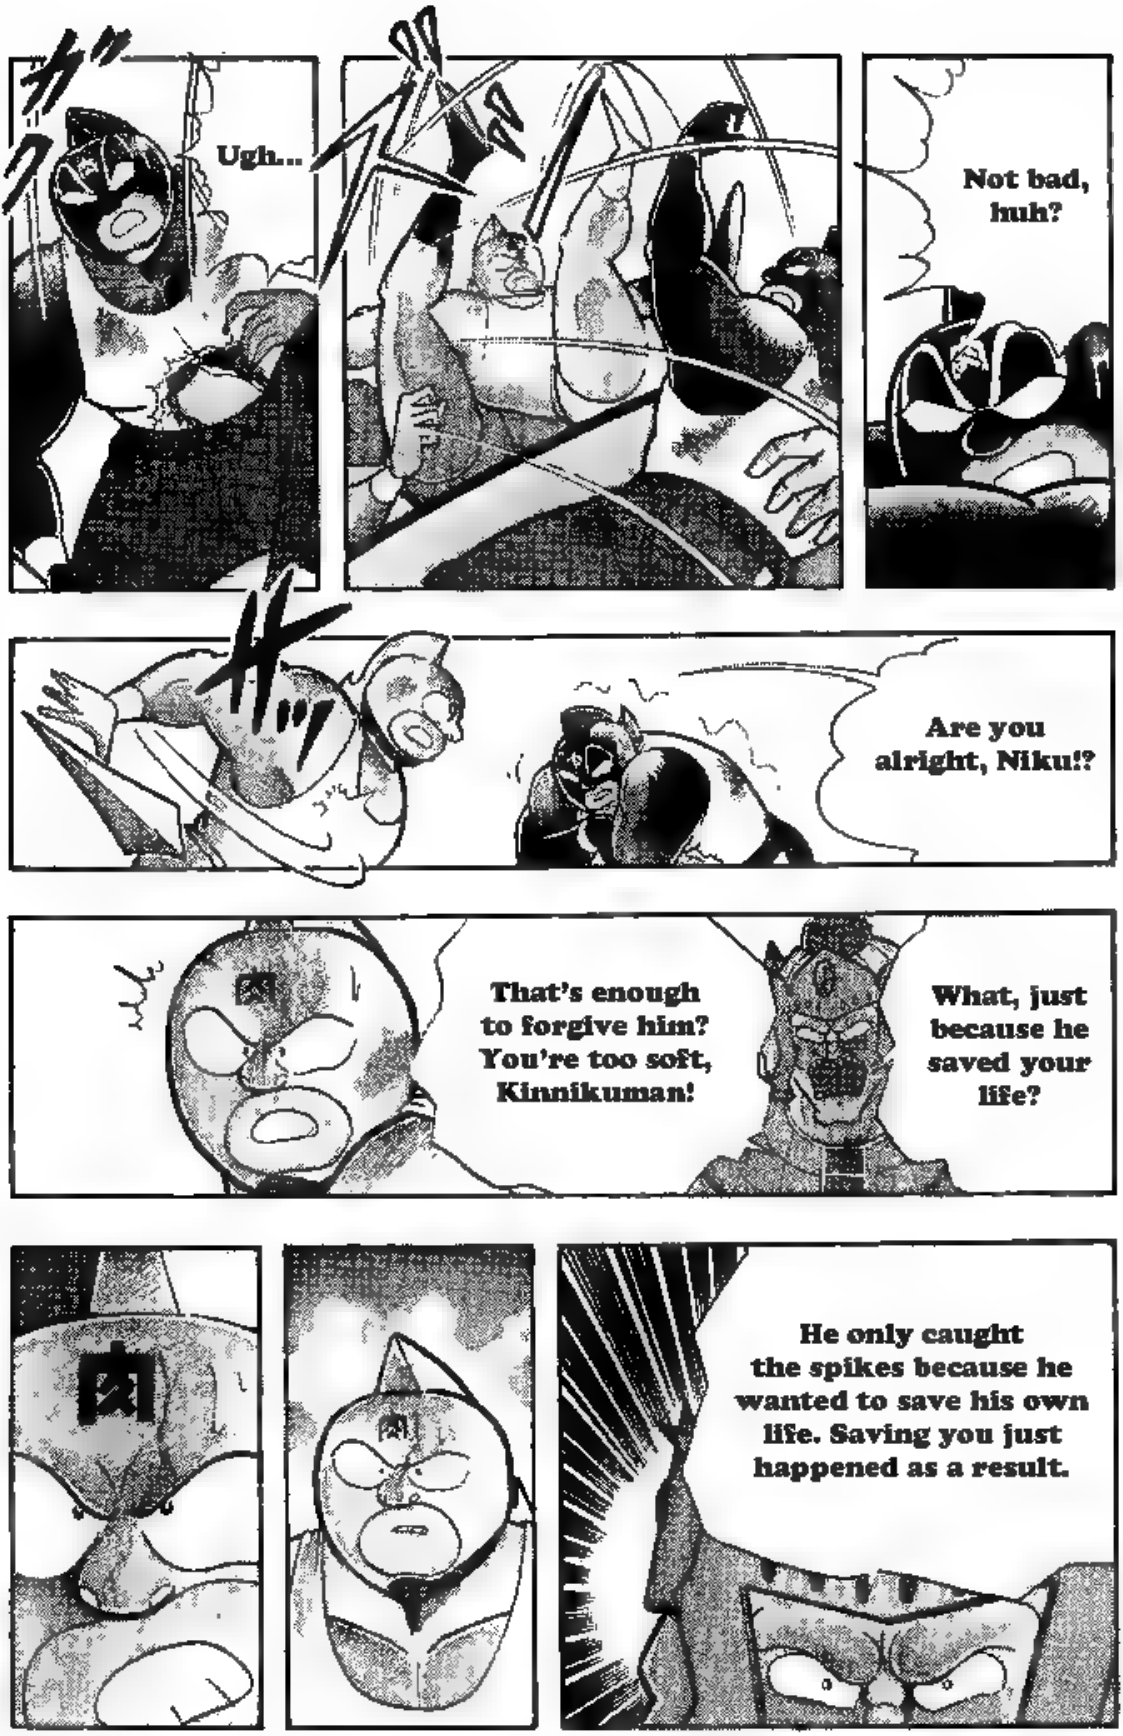




The match isn't over yet! Look!

No!
The devils have done as well as expected! Hahahaha!

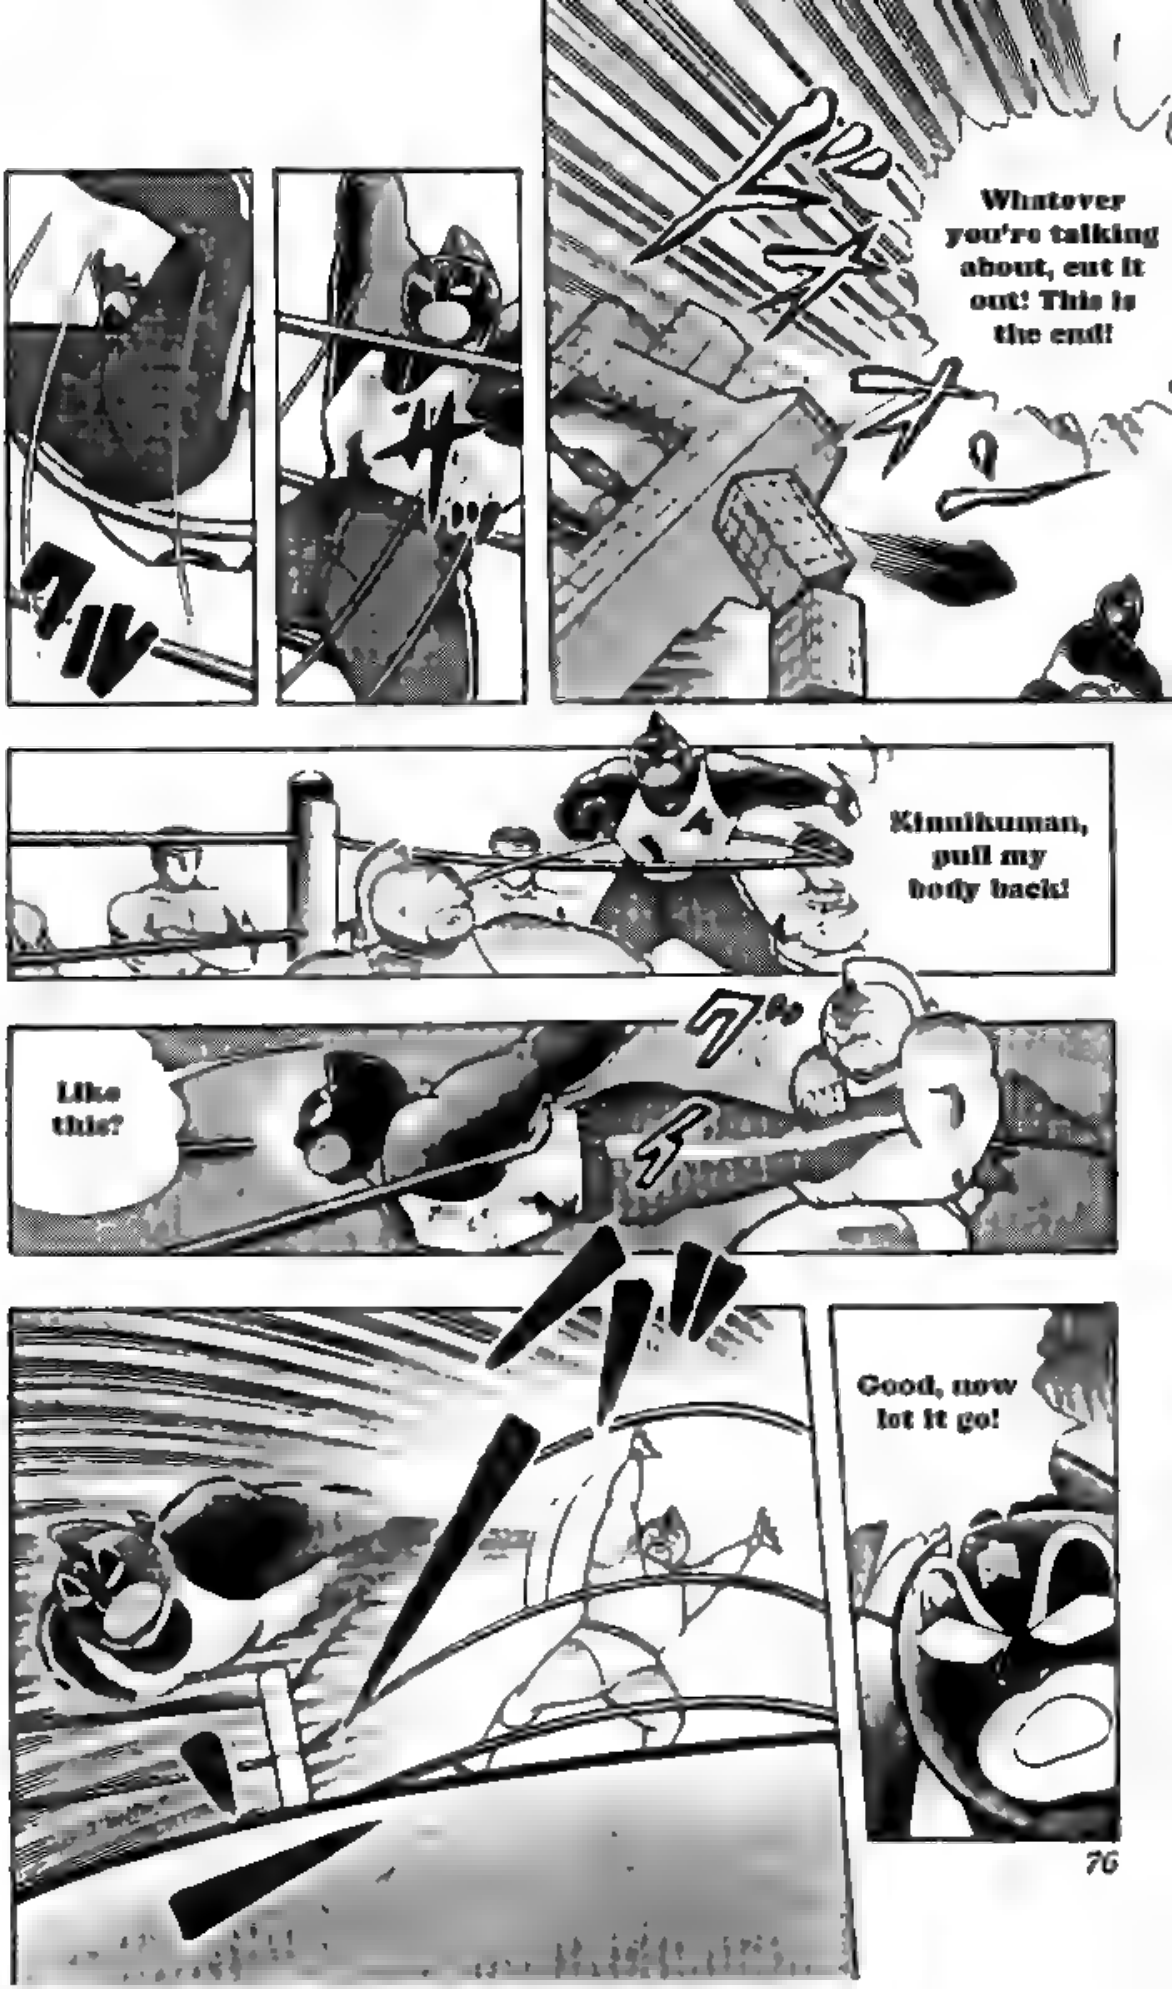
The execution spikes prepared by the Devil Chojin to go through the Muscle Brothers' hearts have been stopped by Kinnikuman Great!
Devils... The very things you were about to execute us with saved us!
Niku... You...



Ugh...
Not bad, huh?
Are you alright, Niku!?
That's enough to forgive him? You're too soft, Kinnikuman!
What, just because he saved your life?
He only caught the spikes because he wanted to save his own life. Saving you just happened as a result.

If you want me to believe you, take off that mask!
No! You've got to believe me!
Damn it! You tricked me again!
What are you doing, Kinnikuman!?
Show me who you really are!
Suguru!
Please, Prince! Niku! Stop it!
What happened!? The Muscle Brothers have started to break their alliance, completely ignoring the match!
Gufufuf

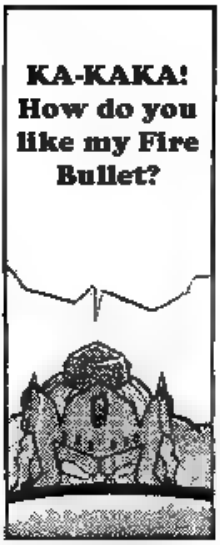
Ashura Fire Bullet Shot!
Ashura Fire Bullet Shot!
Ugh!
The Stray Devil Combo fired two Ashura Bullets at the fighting Musole Brothers!
Right now we need to join our forces and fight! We can argue when the match is over!
Kinnikuman, it's okay if you don't believe me.



Whatever you're talking about, cut it out! This is the end!
Kinnikuman, pull my body back!
Like this?
Good, now let it go!

Muscle Fire Bullet Shot!
It's a clash between Fire Bullet and Fire Bullet in the ring!
.....!!
Guh...
Aah!
Ugh...

My amazing power has won!



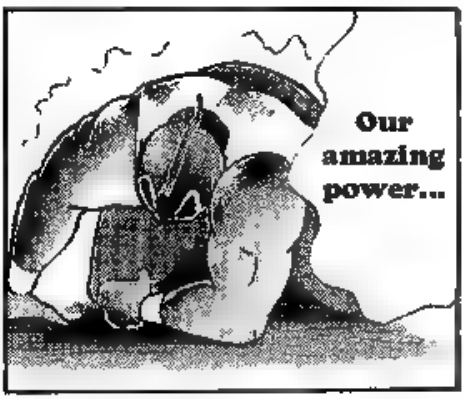
KA-KAKA! How do you like my Fire Bullet?

Niku!
ズン

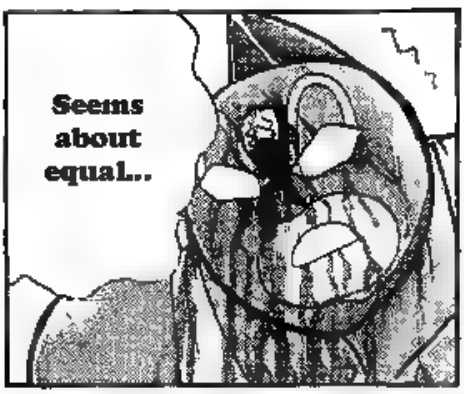
あ

They're straining to even stand up!

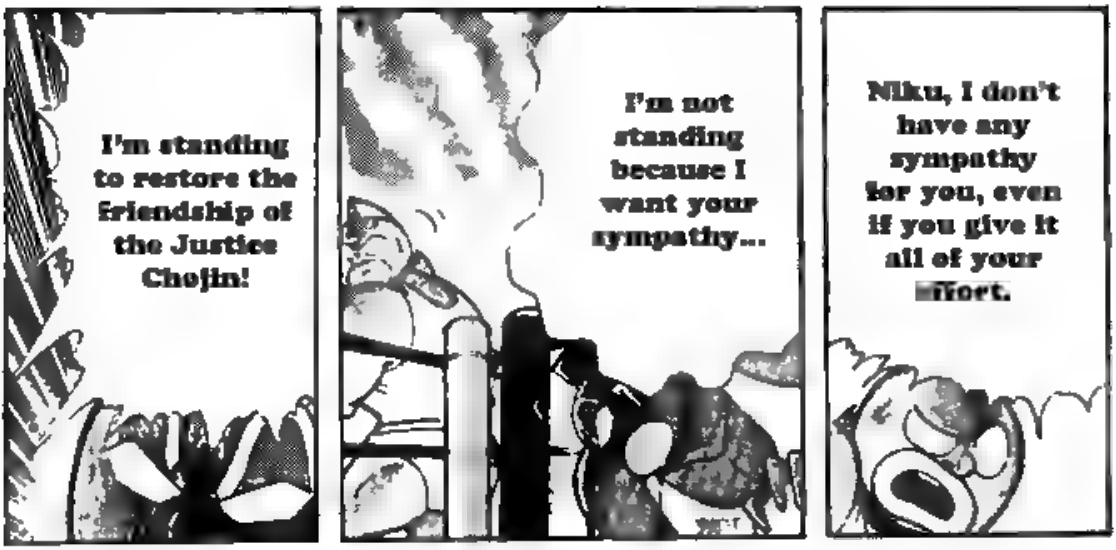
Kinnikuman Great didn't lose, either!



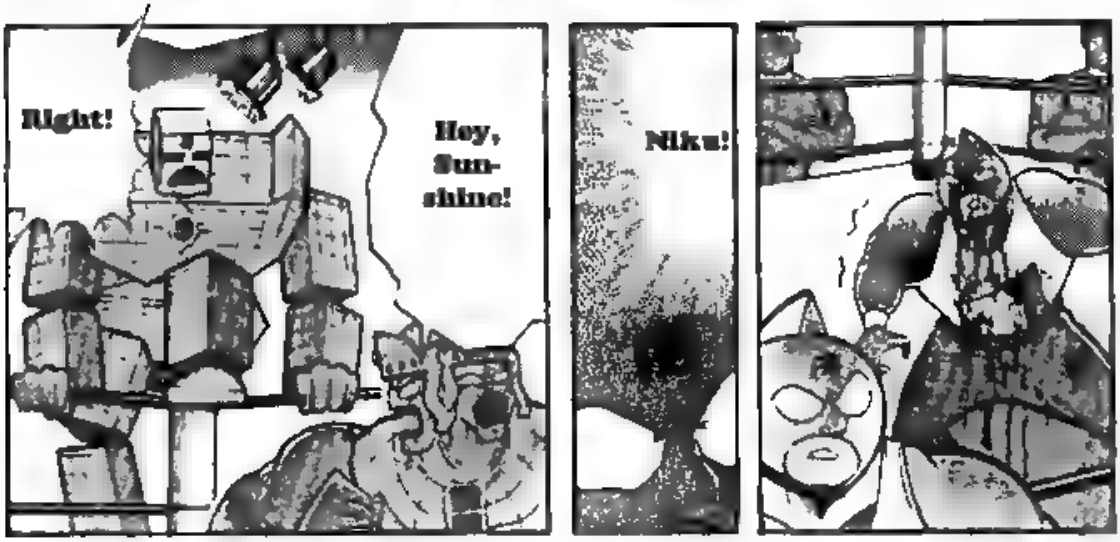
Our amazing power...



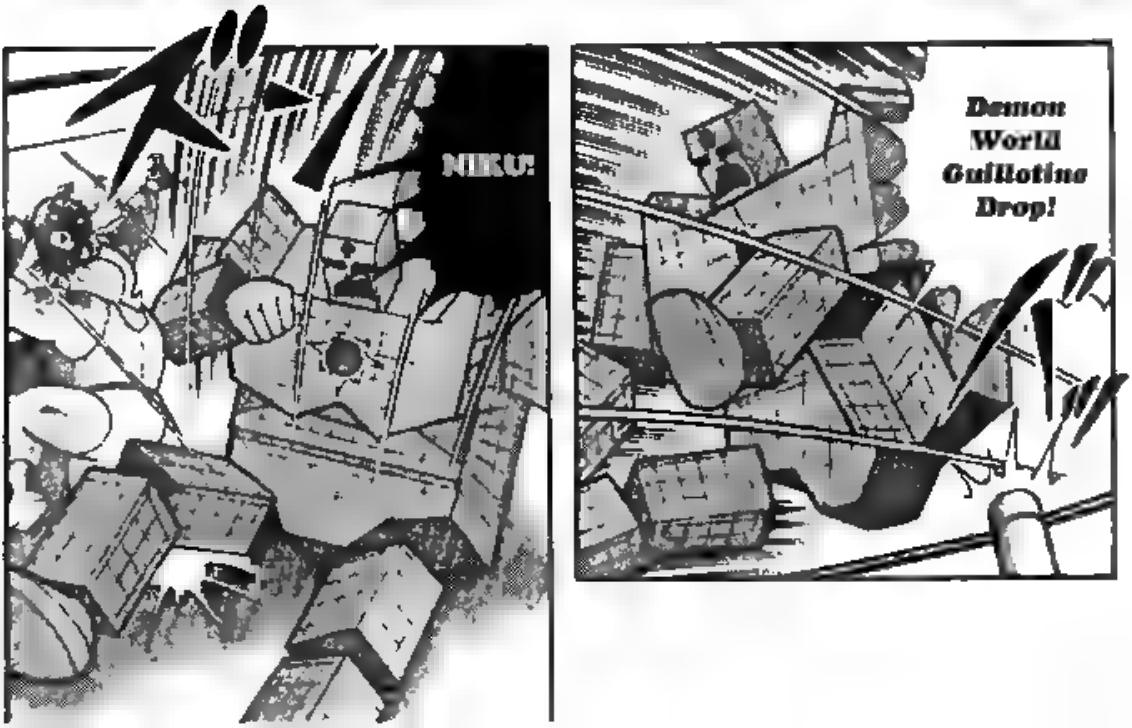
Seems about equal...



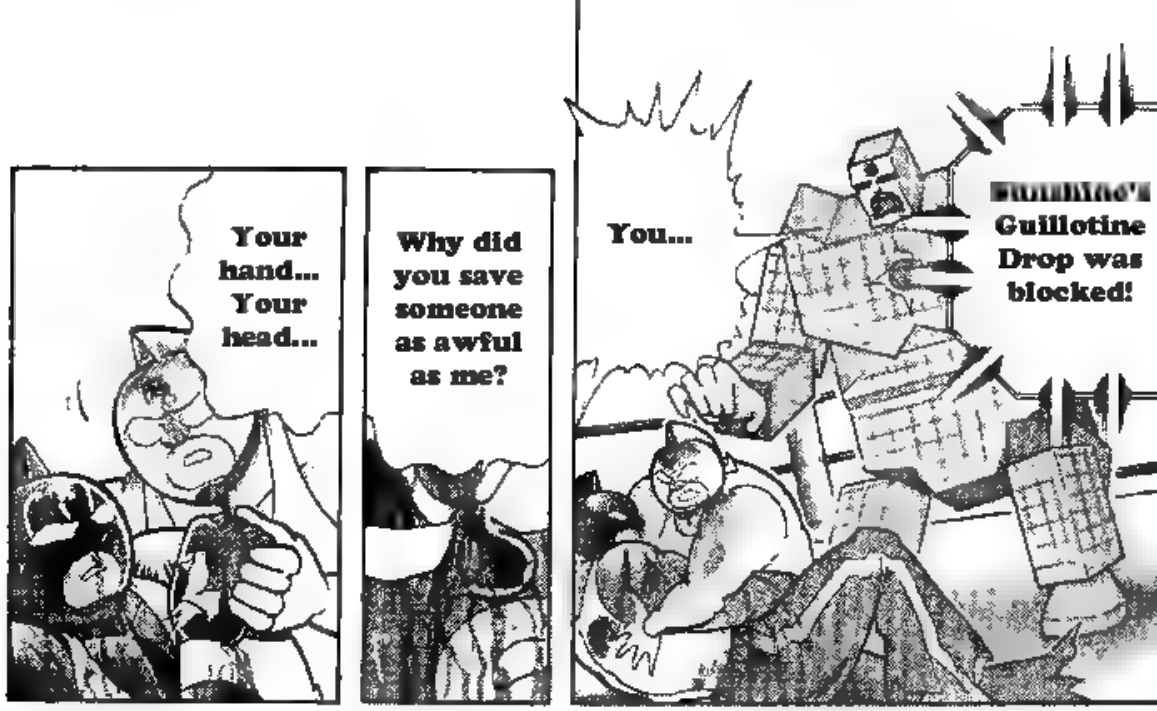
I'm standing to restore the friendship of the Justice Chojin!
I'm not standing because I want your sympathy...
Niku, I don't have any sympathy for you, even if you give it all of your effort.



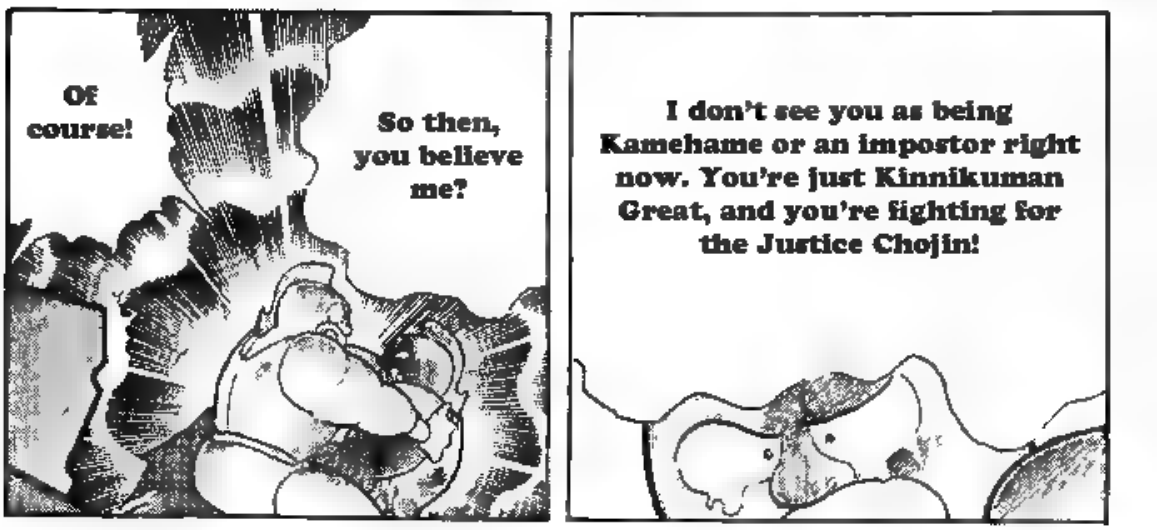
Right!
Hey, Sunshine!
Niku!



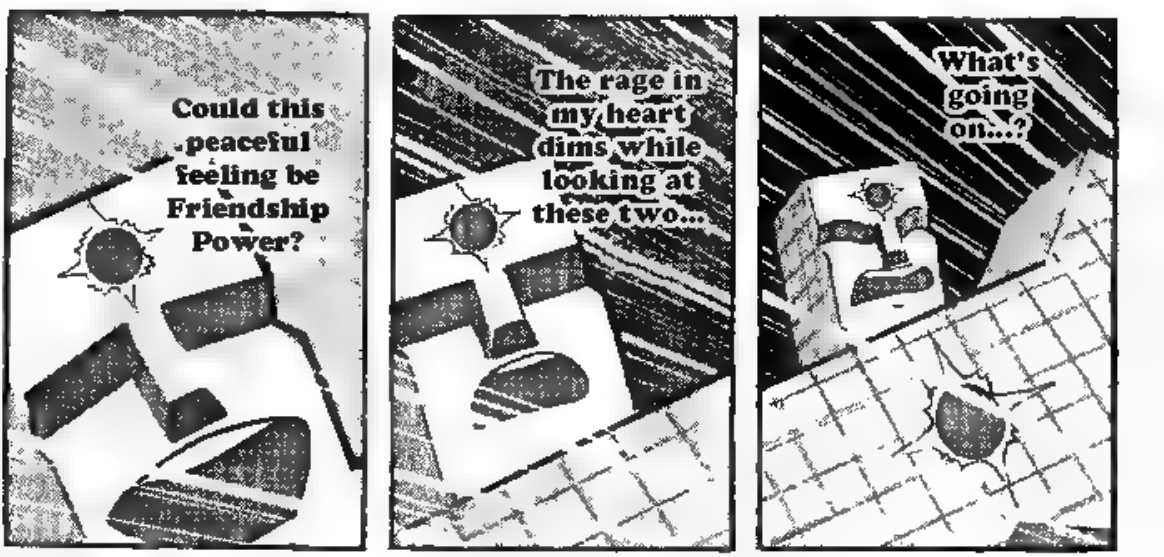
NIKU!
Demon World Guillotine Drop!



Your hand... Your head...
Why did you save someone as awful as me?
You...
[redacted]'s Guillotine Drop was blocked!

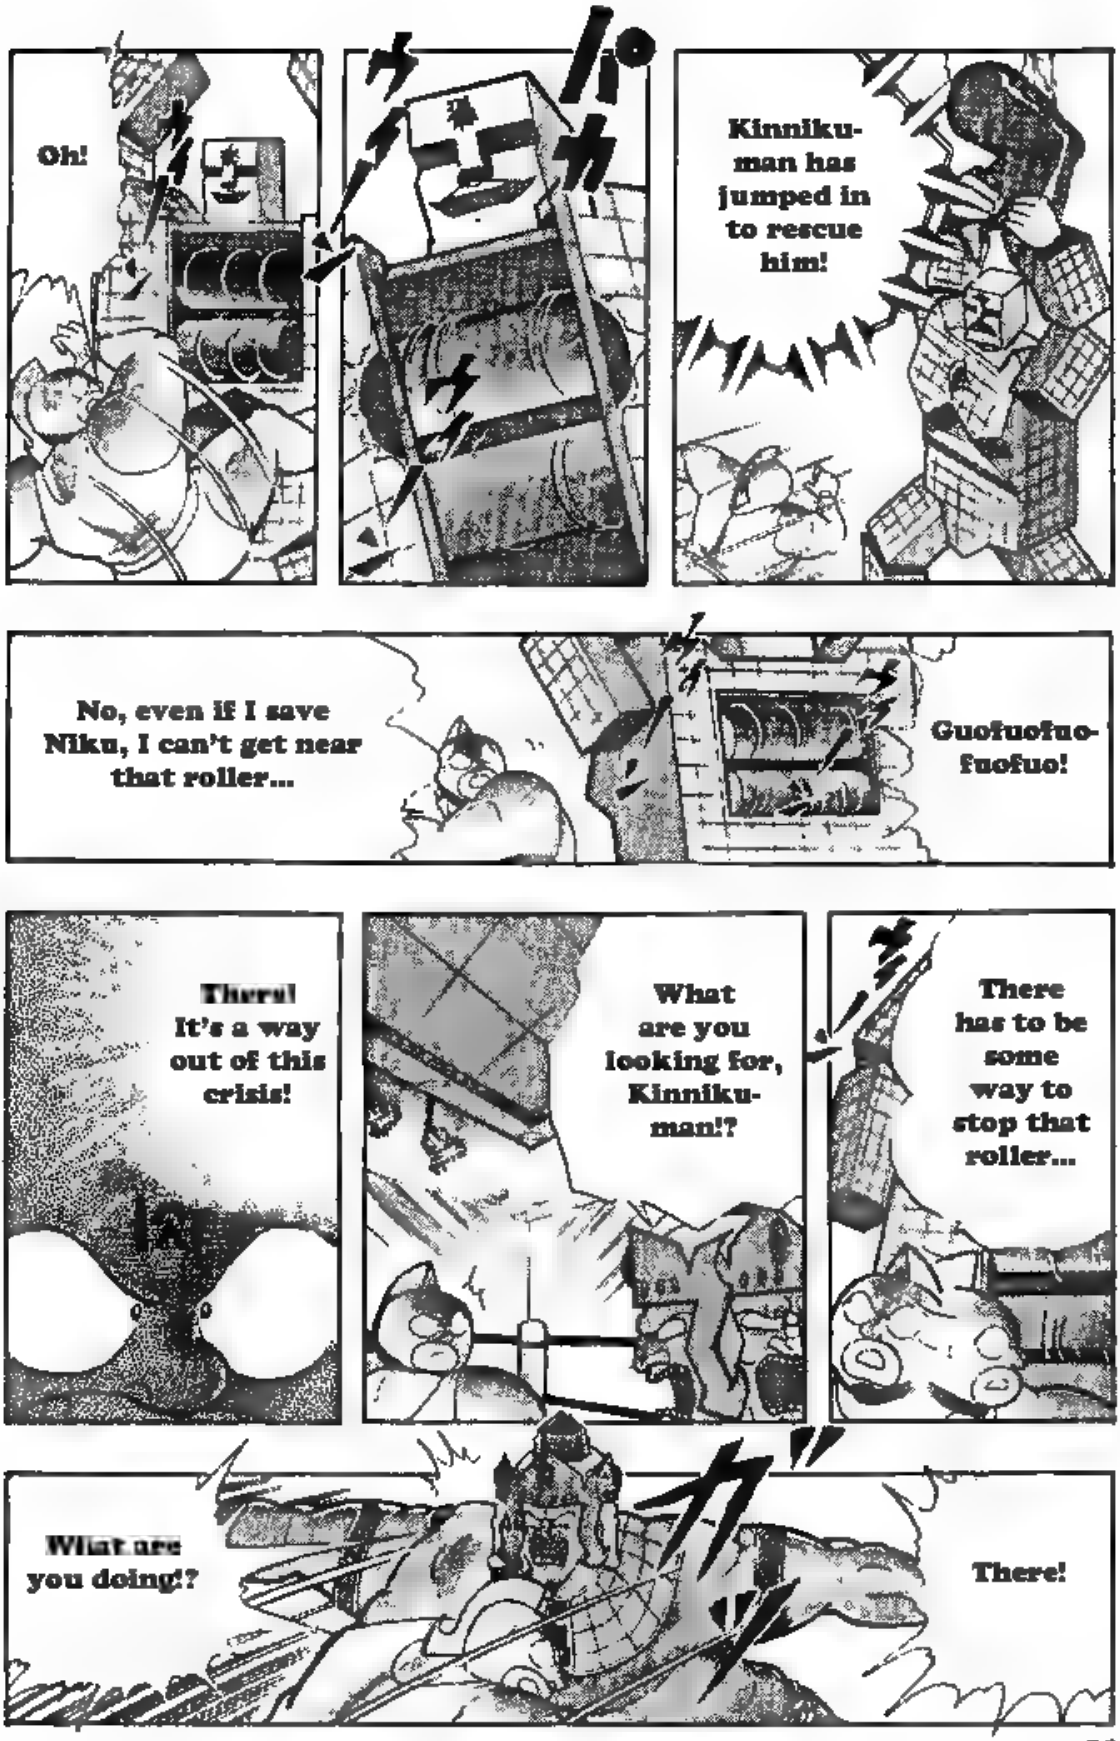


Of course!
So then, you believe me?
I don't see you as being Kamehame or an impostor right now. You're just Kinnikuman Great, and you're fighting for the Justice Chojin!



Could this peaceful feeling be Friendship Power?
The rage in my heart dims while looking at these two...
What's going on...?

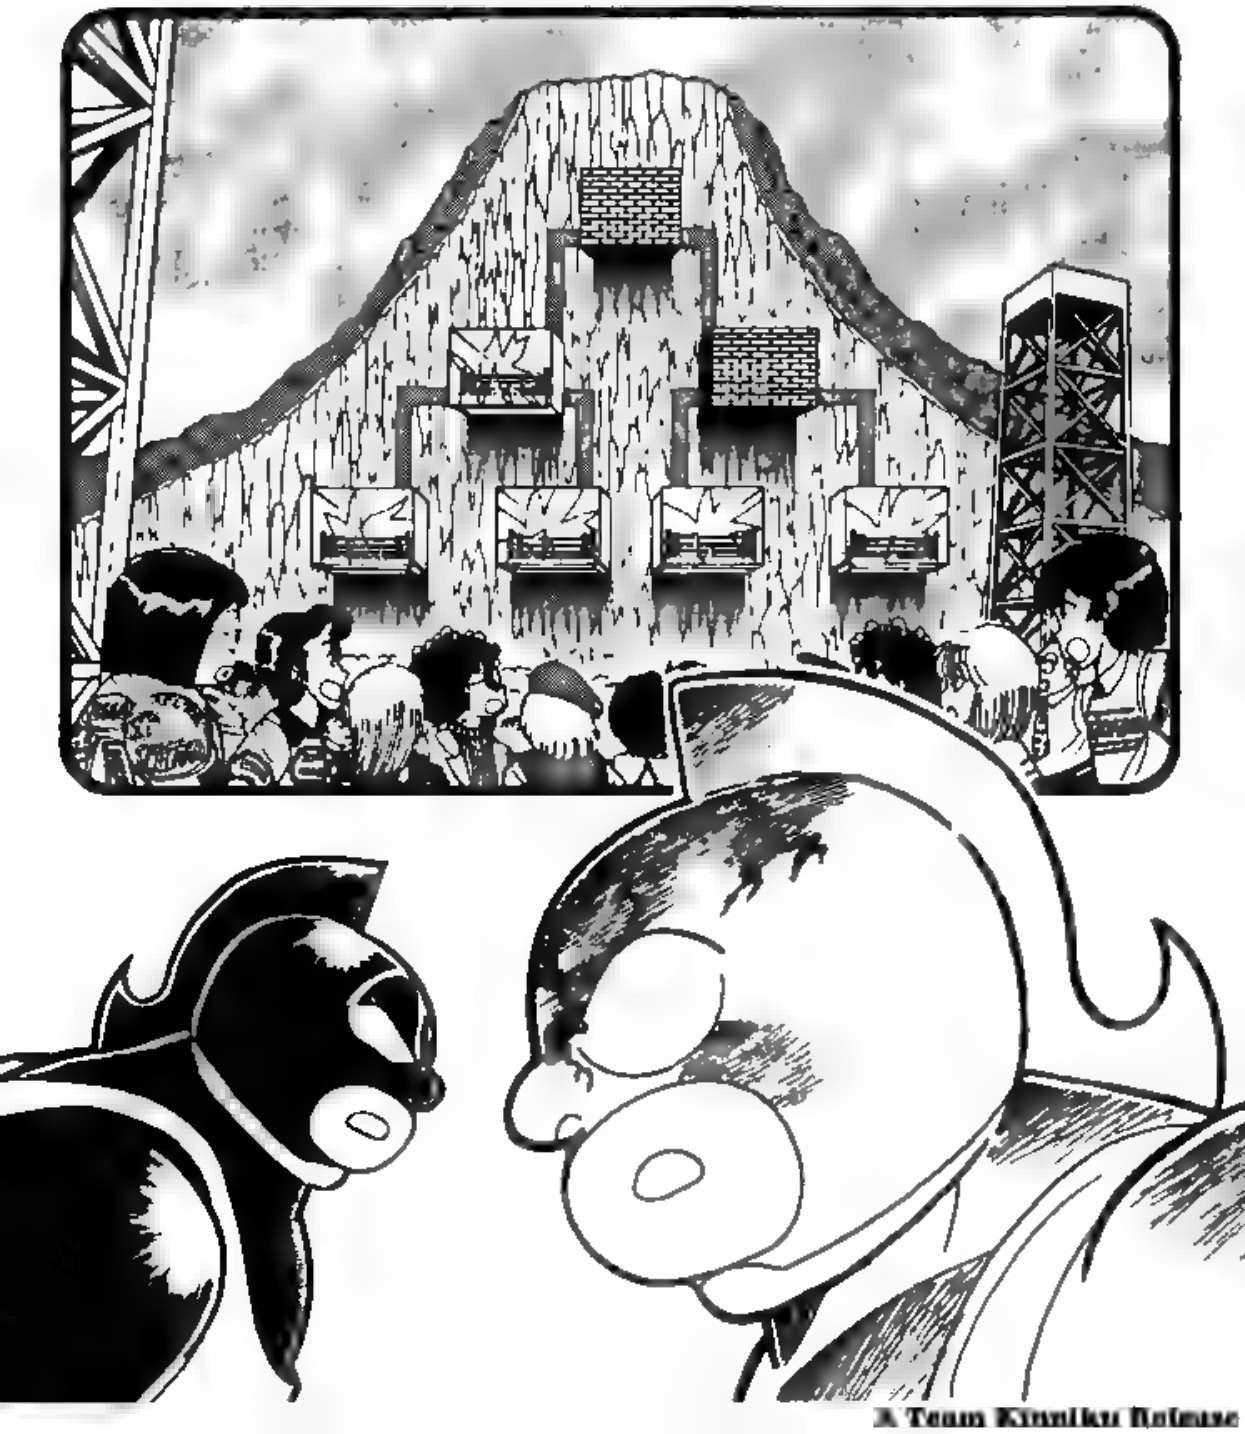
Guo!
What are you doing, Sunshine!? If you're going to attack the Muscle Brothers, do it now!
Guh!
Guofuo-fuo!
That's a bunch of crap!
KA-KAKAKA! Keep it up! Kinikuman, now we'll show you his true identity!



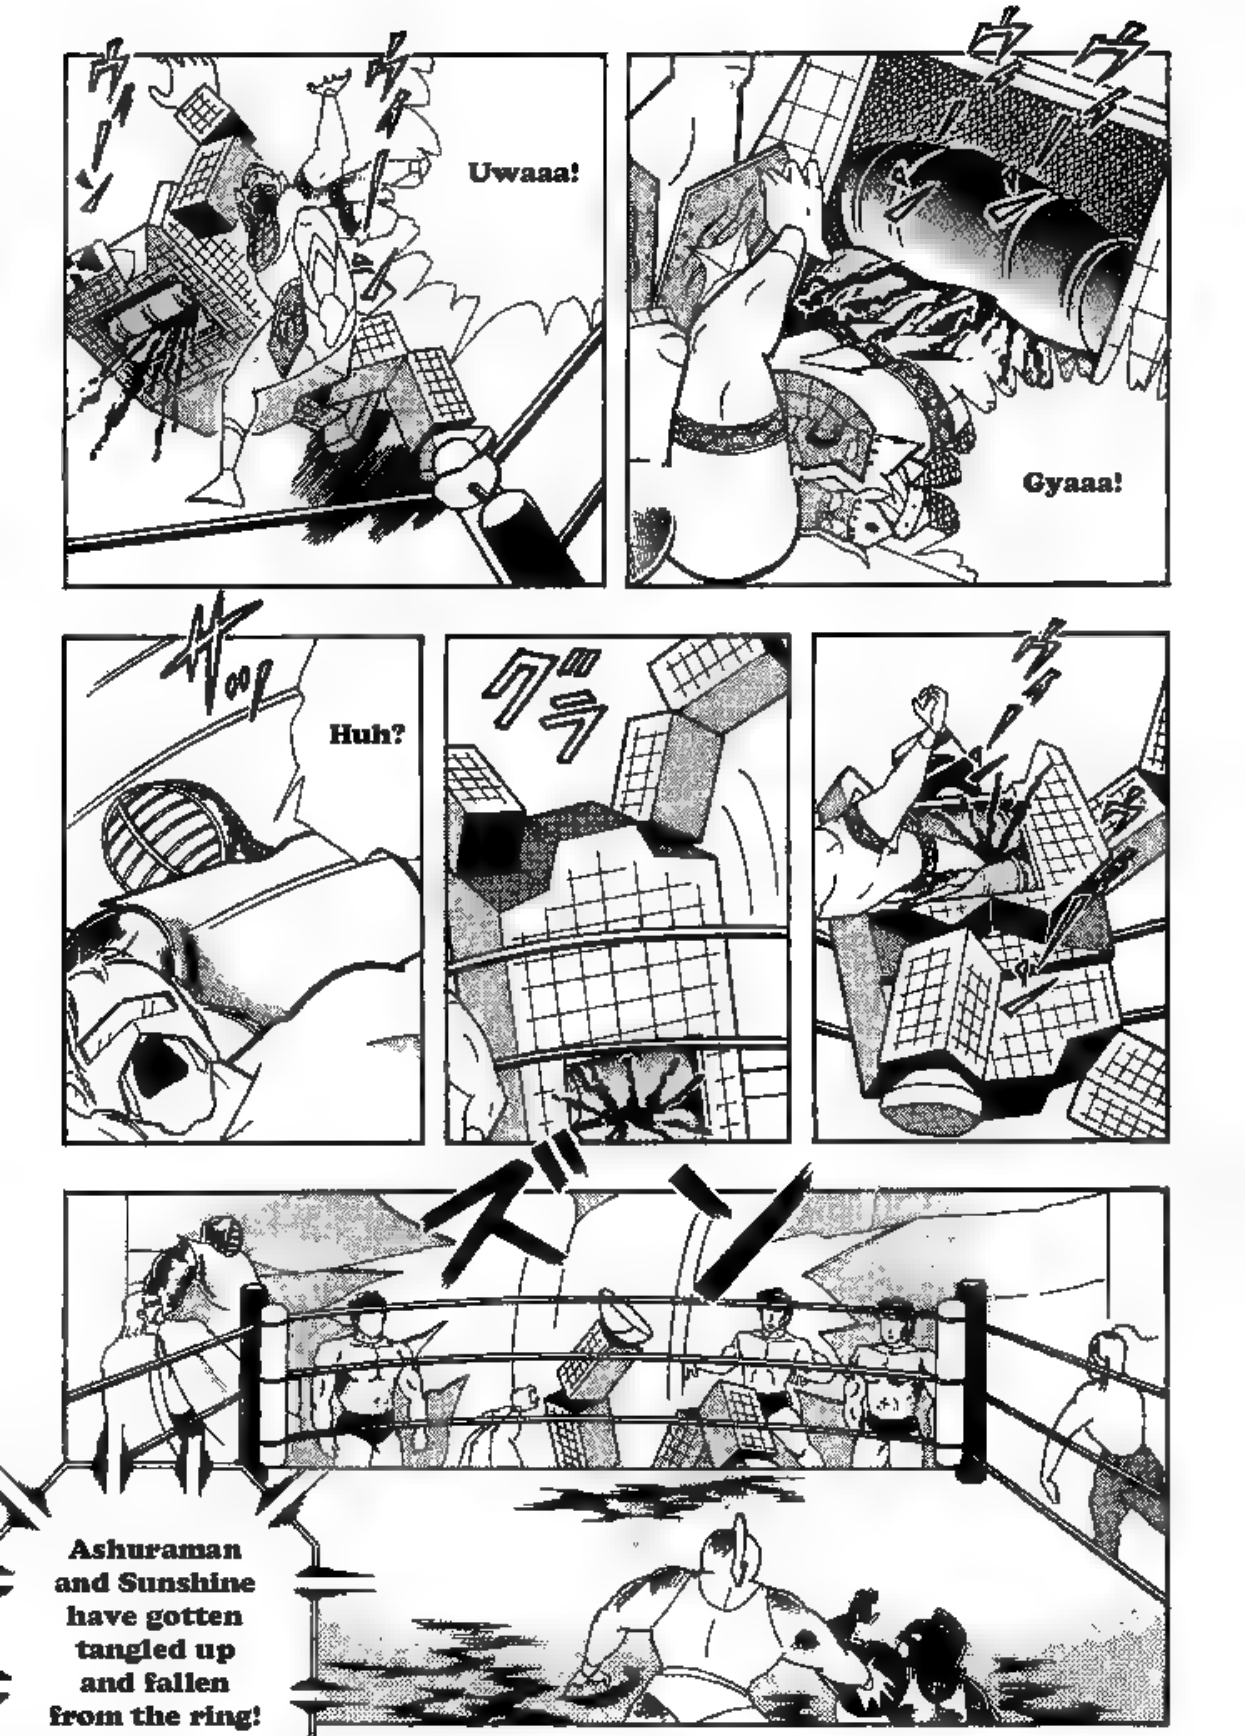
Oh!
Kinniku-man has jumped in to rescue him!
No, even if I save Niku, I can't get near that roller...
Guofuofuo-fuofuo!
There!
It's a way out of this crisis!
What are you looking for, Kinniku-man!?
There has to be some way to stop that roller...
What are you doing!?
There!

Take this!
.....!?
I'll save you, Niku!
Now!
Ashuraman's body has been thrown into the Cursed Roller!
The Cursed Roller is defeated!

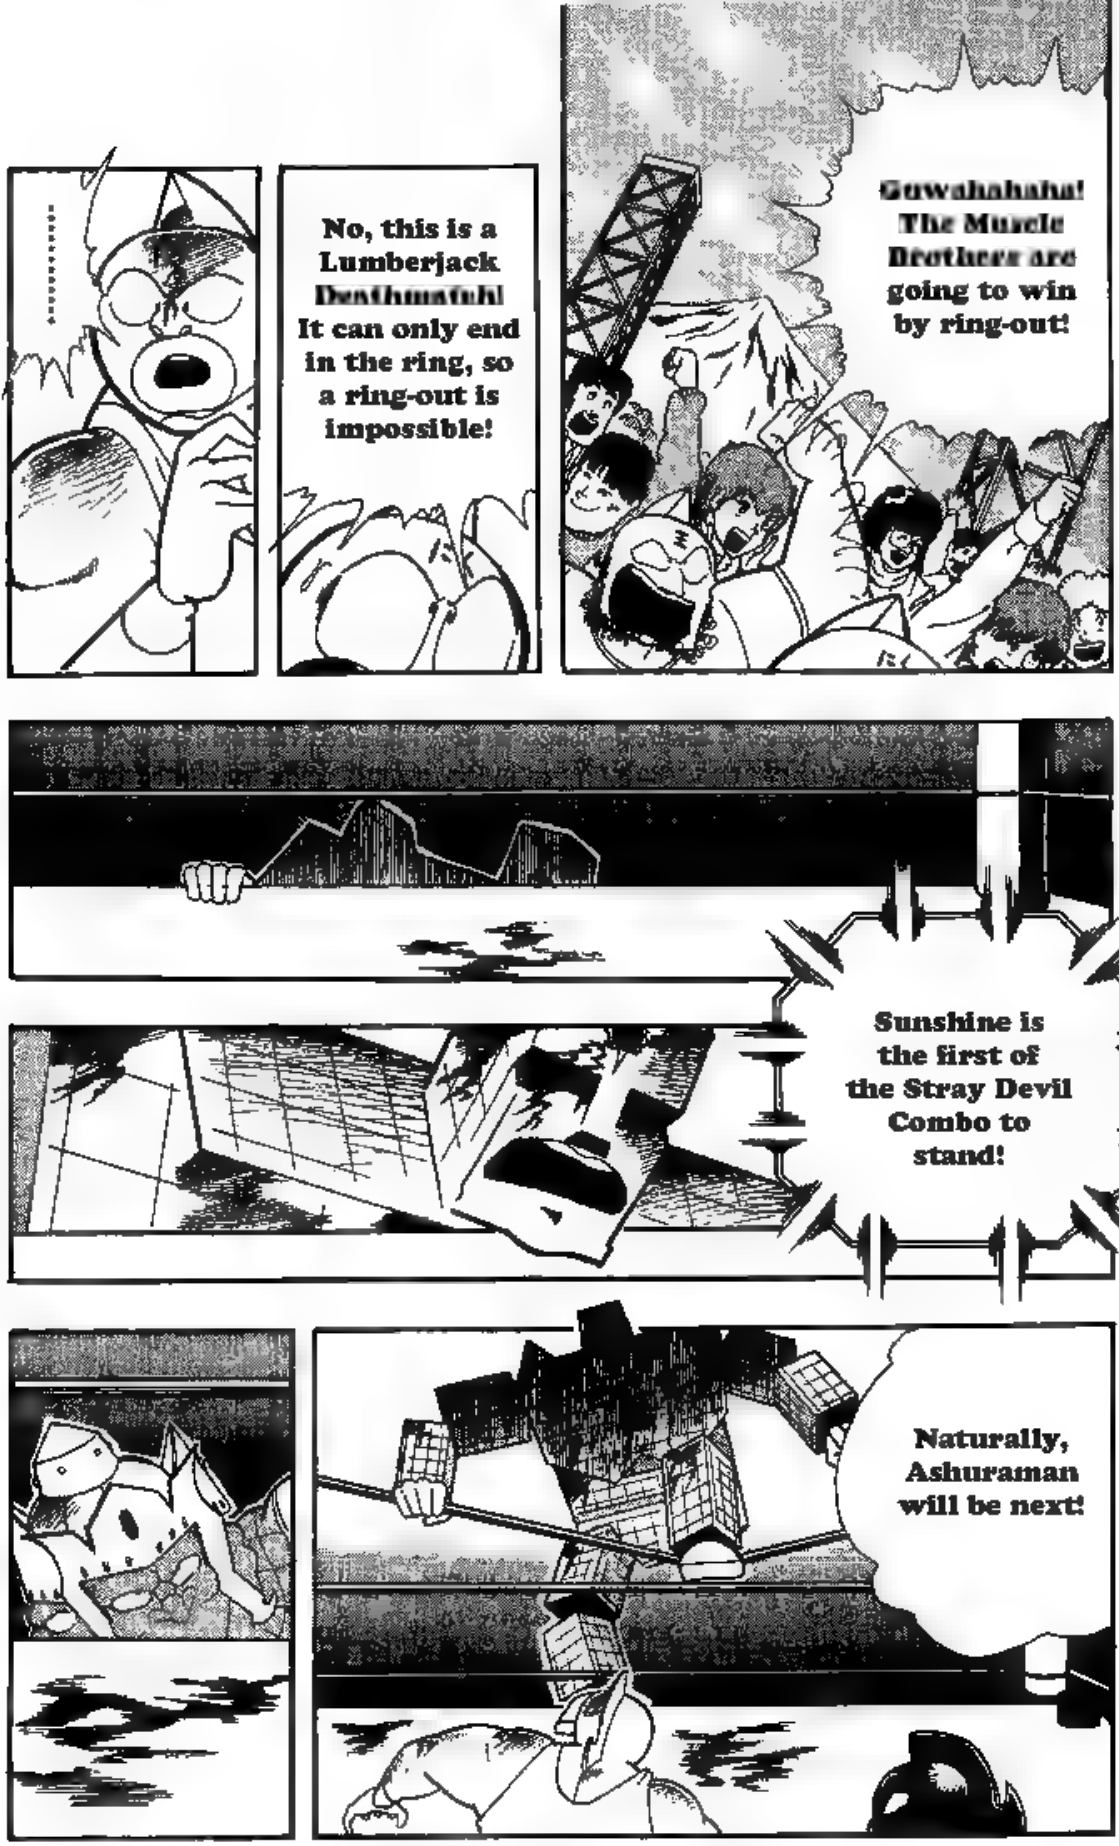
Devil Illusion!



Kinnikuman has sealed off Sunshine's Cursed Roller by using Ashuraman as a wall!
Kuh!
Niku!

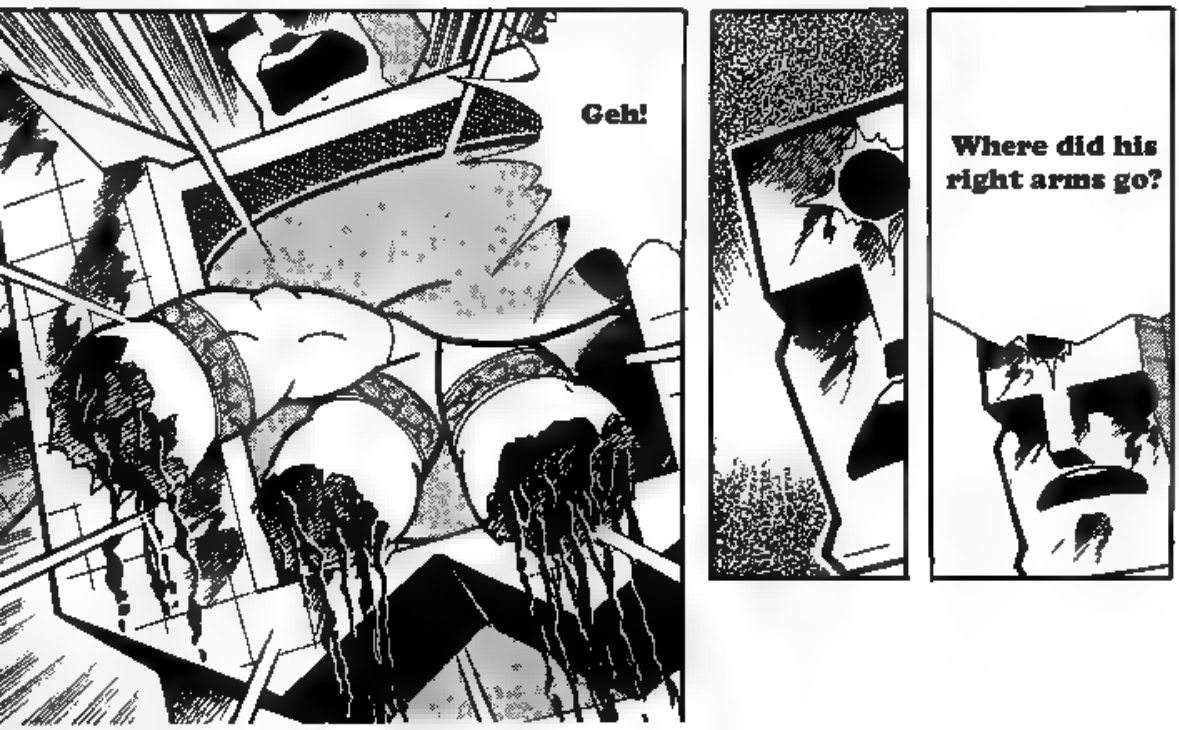


Uwaaa!
Gyaaa!
Huh?
Ashuraman and Sunshine have gotten tangled up and fallen from the ring!



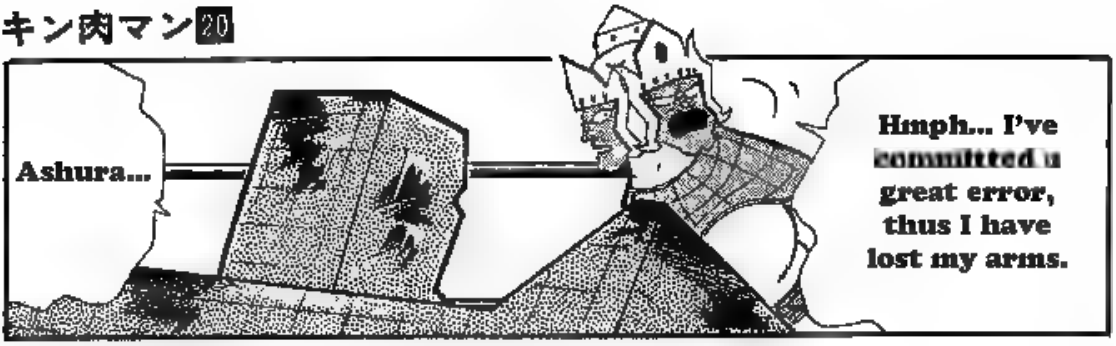
No, this is a Lumberjack Deathmatch! It can only end in the ring, so a ring-out is impossible!
Guwahahaha! The Muscle Brothers are going to win by ring-out!
Sunshine is the first of the Stray Devil Combo to stand!
Naturally, Ashuraman will be next!

Ashura-man is missing the three arms on his right side!
Here, give me your hand, Ashura...
Huh?

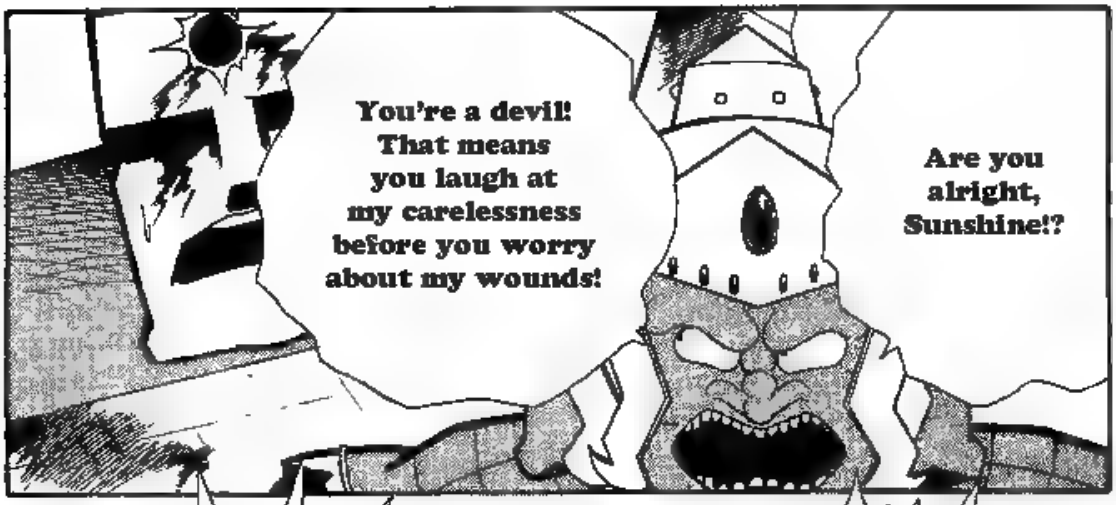


Geh!
Where did his right arms go?

It seems Sunshine's Cursed Roller has torn off the arms of his ally, Ashuraman!
Sun-shine...
Those golden arms are said to be Ashuraman's life! What have I done!?
It was my own carelessness that caused this. You could have ended Khunkuman Great's life if you had a few more seconds!
But...
Sunshine, you're supposed to be a devil! Why are you worried about someone else's injuries!?



Ashura...
Hmph... I've committed a great error, thus I have lost my arms.

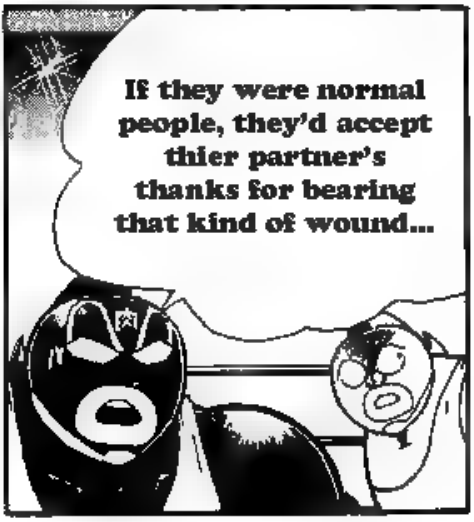


You're a devil! That means you laugh at my carelessness before you worry about my wounds!
Are you alright, Sunshine!?

Devil Chojin!
Right! I'm a cold-heared, cruel, calculating...

This is the devil's power... It's the exact opposite of Friendship Power...

...but Ashura-man completely rejects that!

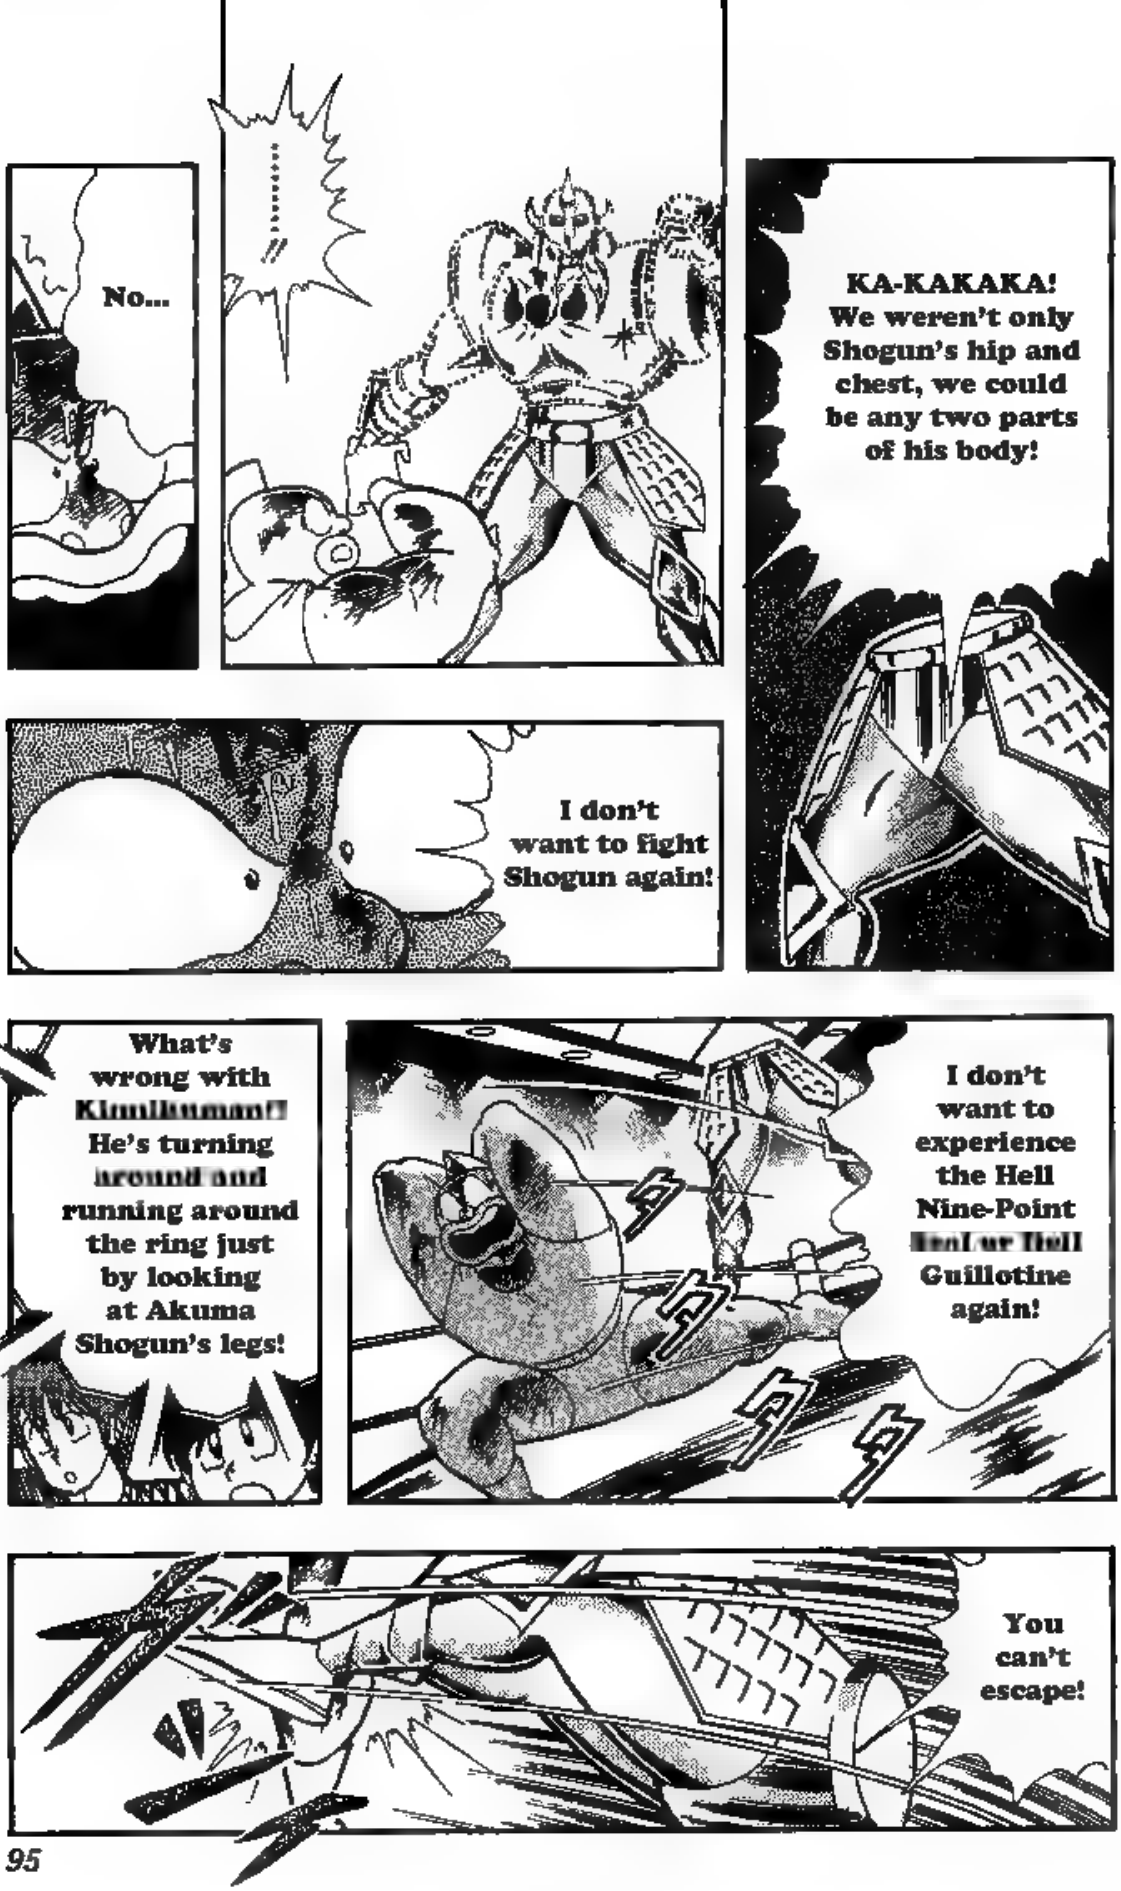


If they were normal people, they'd accept thier partner's thanks for bearing that kind of wound...

This is just a usual devil's bluff! Leave them to me, Niku!
KAKAKA! It's been a long Justice/Devil war, but now it's finally time to end it!
Both the Justice Chojin and we Devil Chojin are growing tired of this fight. We should use our remaining energy on our trump card!
SHO-GUN!
Devil Spirit Tech-nique ...
I don't know what you're doing, but I'll endure it!
Asuran and Sunshine have become masses of light and jumped upward!
There!

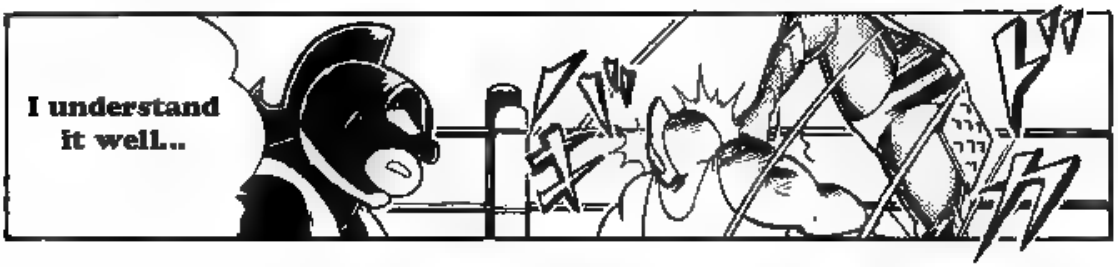
...and now they're fusing!
Ashuraman and Sunshine are somehow shapeshifting!
Geh! That form!
Sho... Shogun's ...

I thought Akuma Shogun was gone since Gold Mask reformed!
What?
It's Akuma Shogun's legs!
KA-KAKAKA! Gold Mask was just Akuma Shogun's brain!
But neither of you were his legs! You were the hip and chest pieces!
In truth, we, the Six Devil Knights, were his body!

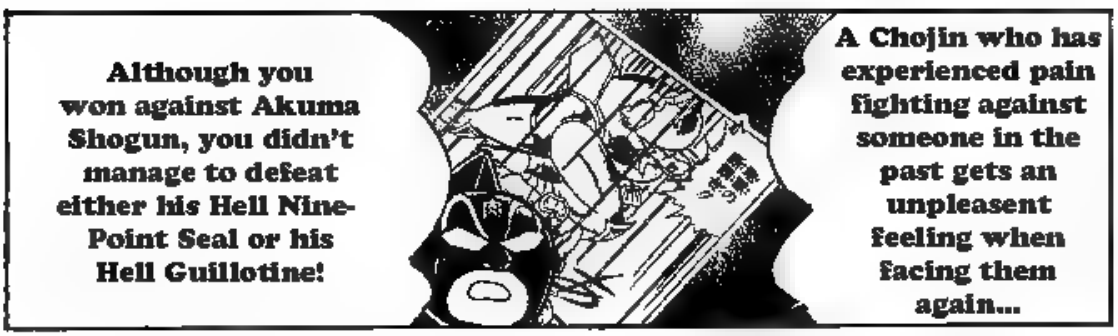


No...
KA-KAKAKA! We weren't only Shogun's hip and chest, we could be any two parts of his body!
I don't want to fight Shogun again!
What's wrong with Kinnikuman!? He's turning around and running around the ring just by looking at Akuma Shogun's legs!
I don't want to experience the Hell Nine-Point Hell or Hell Guillotine again!
You can't escape!

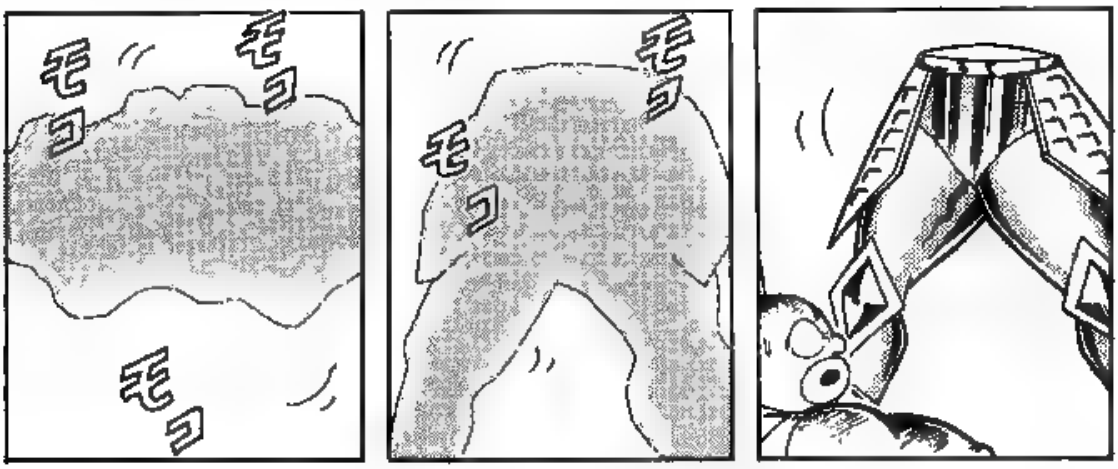
No, he'll kill me!
What's wrong, Suguru? Didn't you already beat Akuma Shogun once!?
Shogun's lower body is violently stomping Kinnikuman!
Ha-haha!



I understand it well...

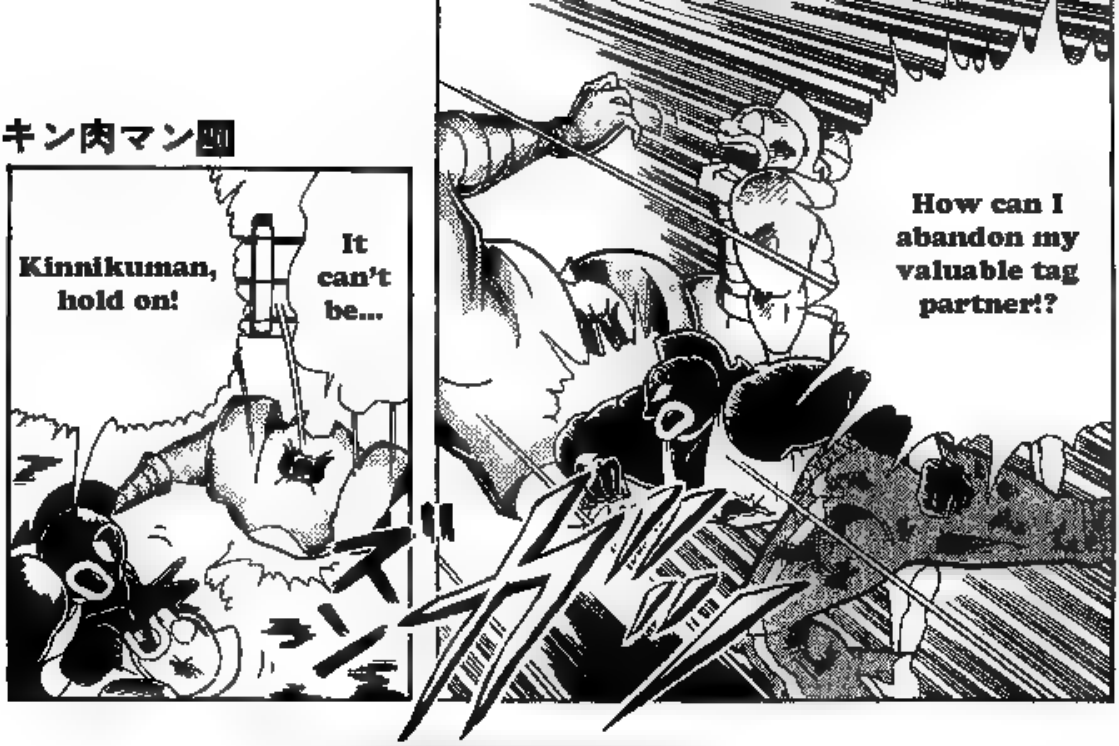


Although you won against Akuma Shogun, you didn't manage to defeat either his Hell Nine-Point Seal or his Hell Guillotine!
A Chojin who has experienced pain fighting against someone in the past gets an unpleasent feeling when facing them again...



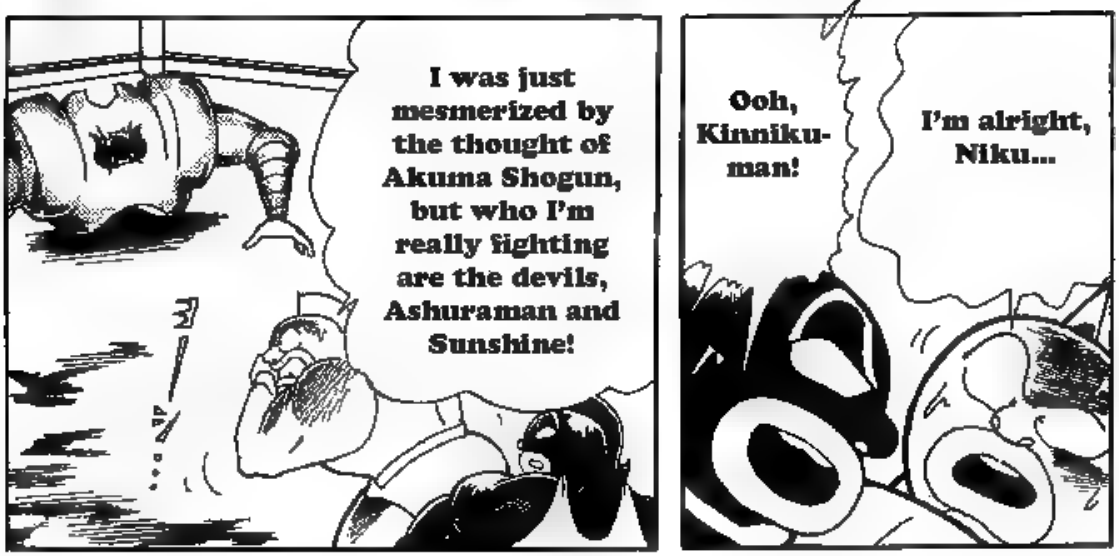
ガキ
Geh!
ゴッ
Even if you try to help him, he'll just fall back into it due to how clumsy he is! Just forget about him!
Kinikuman Great, he's already helpless! No matter how much confidence he has, he couldn't bare this either way!
Hiyah!
ドゴ
Shogun has transformed into the arms this time, and is using a Hanging Neck Tree!
……
Now hurry and leave the ring if you want to save yourself!

Please, Niku! Don't abandon the Prince!
Terry-man!
Te...
What will you do?
Kinniku-man!
Gahahahaha! He's forgotten his partner's name!

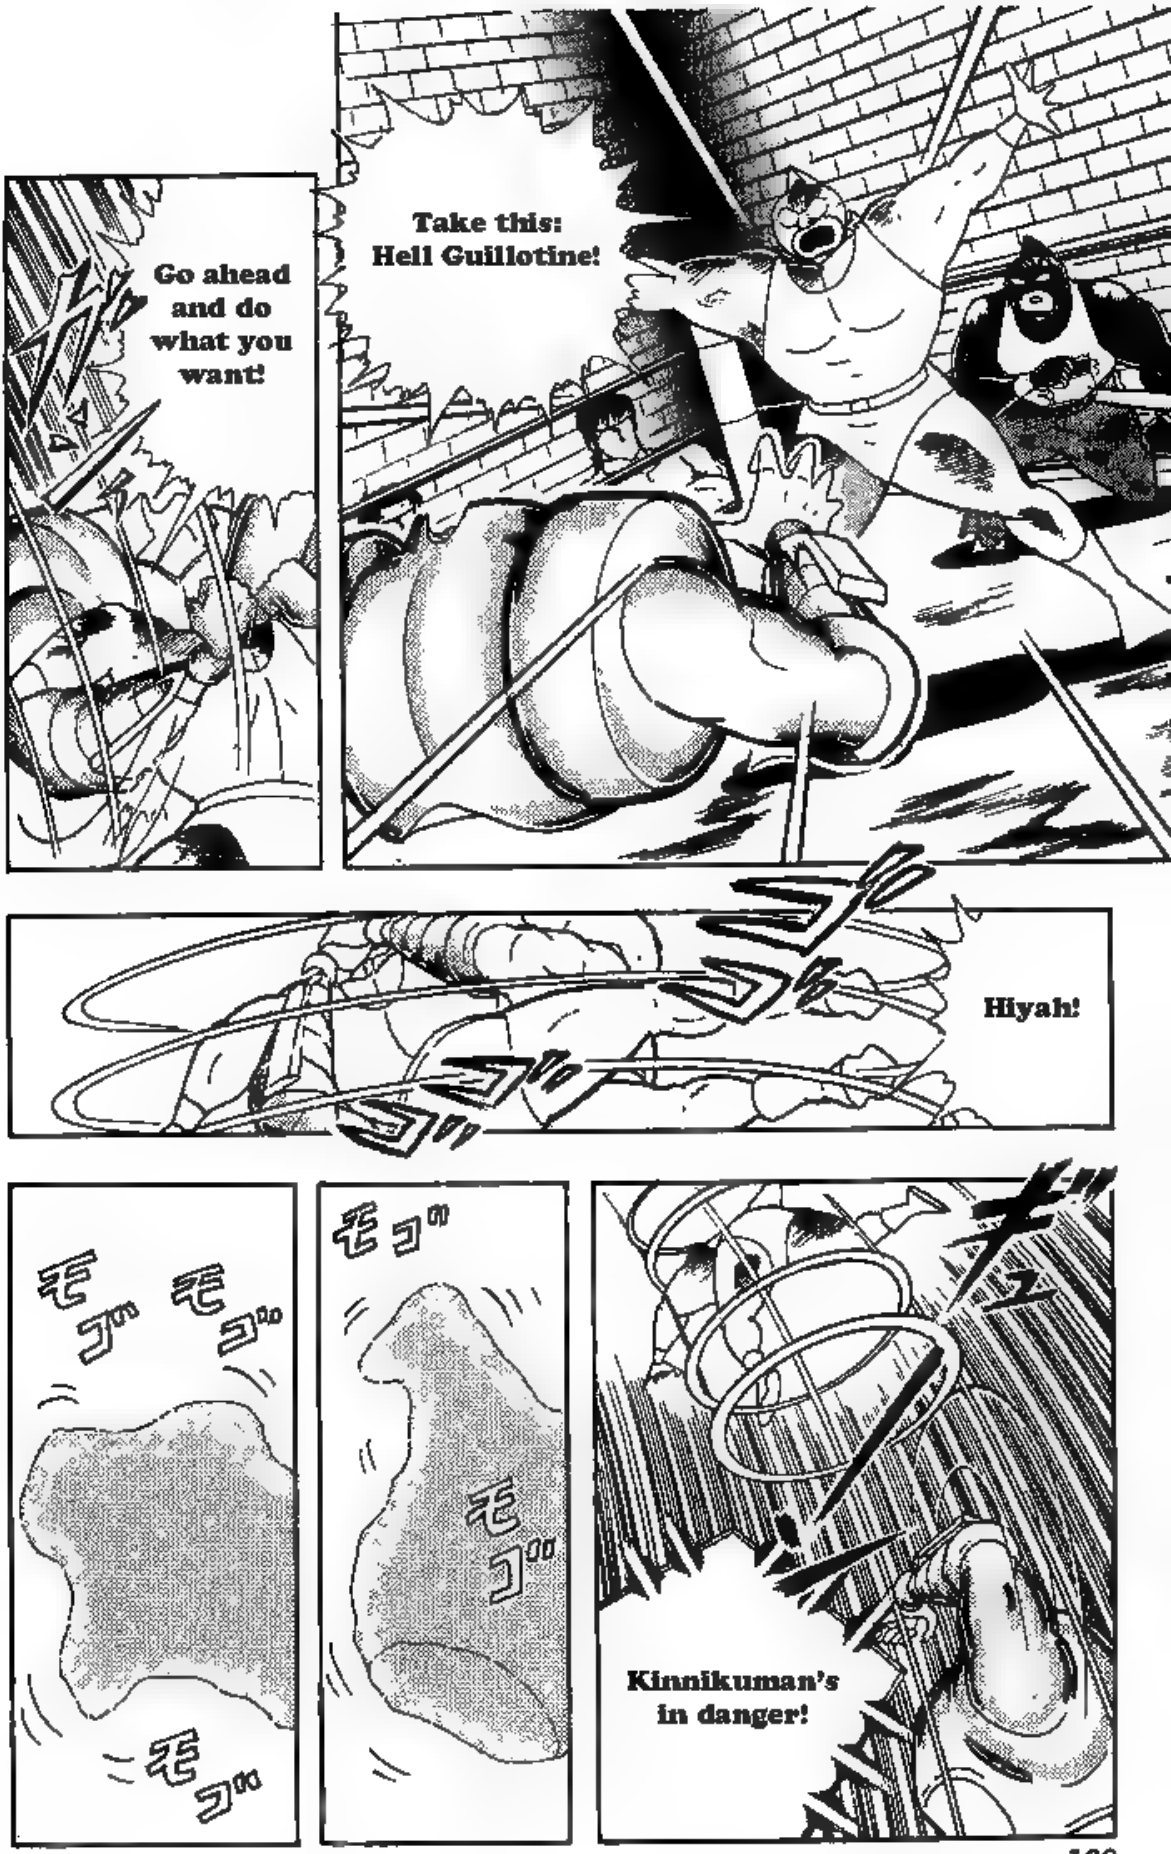


Kinnikuman, hold on!
It can't be...
How can I abandon my valuable tag partner!?

Their bonds are so strong...
Kinniku-man!
Tag is two fighting as one. I can't run from that!

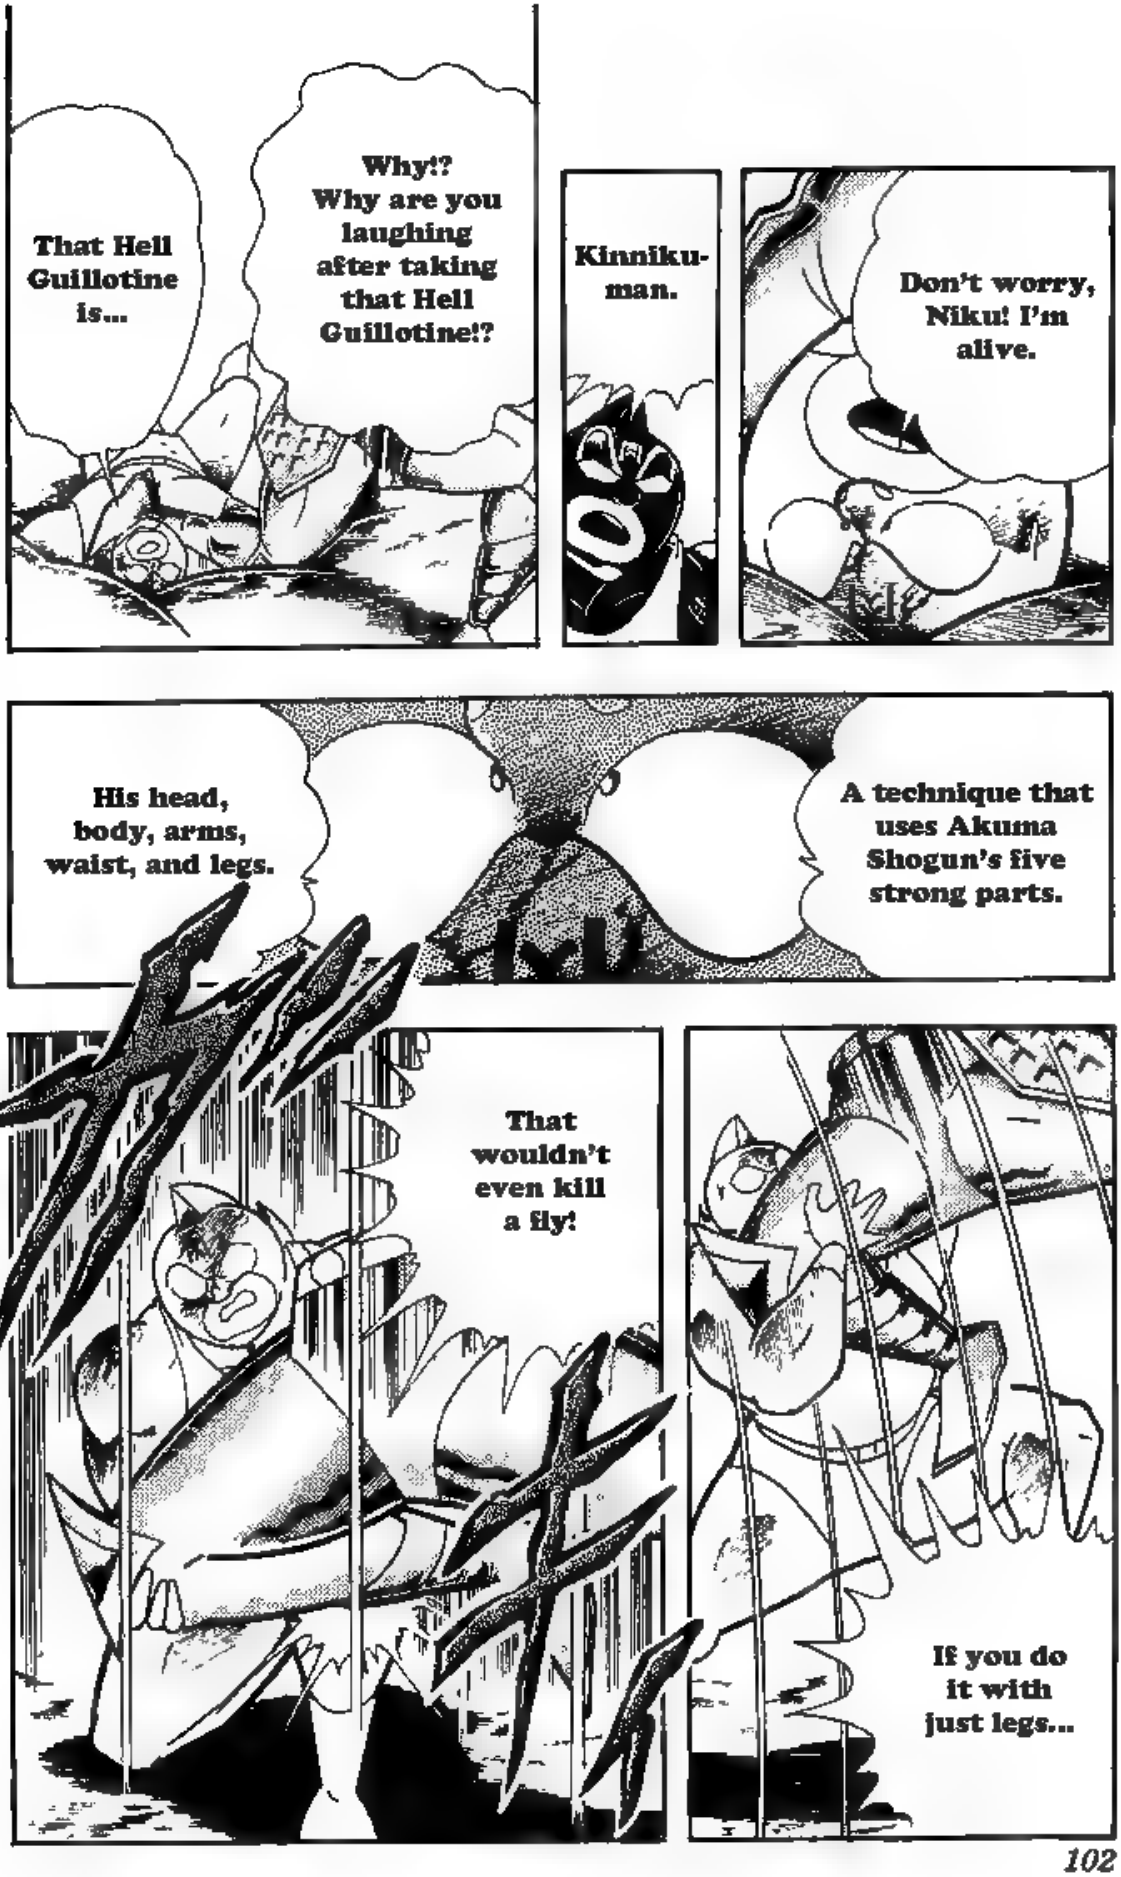


I was just mesmerized by the thought of Akuma Shogun, but who I'm really fighting are the devils, Ashuraman and Sunshine!
Ooh, Kinniku-man!
I'm alright, Niku...



Go ahead and do what you want!
Take this: Hell Guillotine!
Hiyah!
Kinnikuman's in danger!

Kinnikuman's face is calm for some reason!
Take this: Hell Guillotine!
Aah!
Kinniku-man!
KA-KAKA! We've finally put an end to Kinnikuman's life!



That Hell Guillotine is...
Why!? Why are you laughing after taking that Hell Guillotine!?
Kinnikuman.
Don't worry, Niku! I'm alive.
His head, body, arms, waist, and legs.
A technique that uses Akuma Shogun's five strong parts.
That wouldn't even kill a fly!
If you do it with just legs...

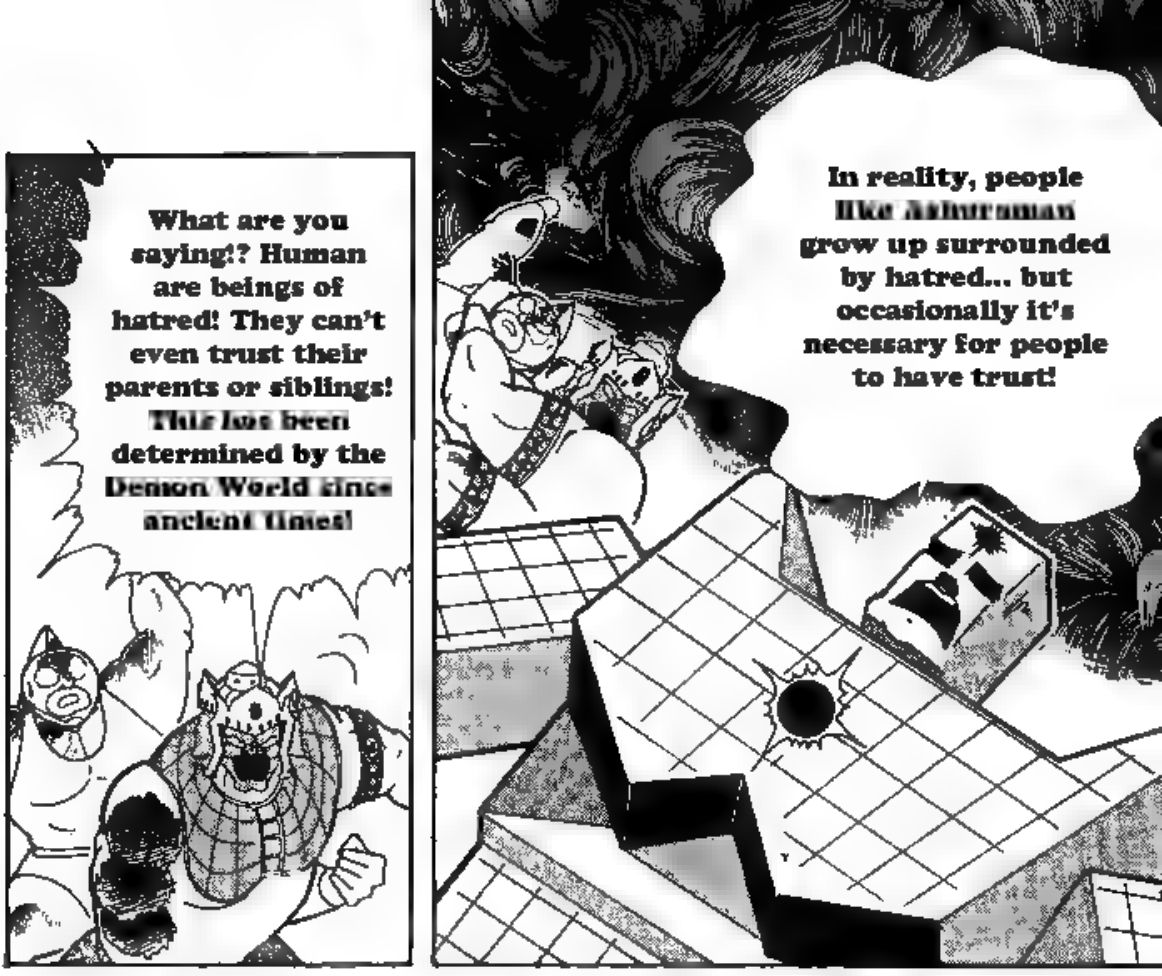
Uwa!
Damn it!
Sunshine, if it's come to this, we'll use the Human Bullet strategy! Grab Kinnikuman Great!
Sunshine!
I'm not sure if I believe in evil or justice anymore!
What's wrong, Sunshine!? Hurry!

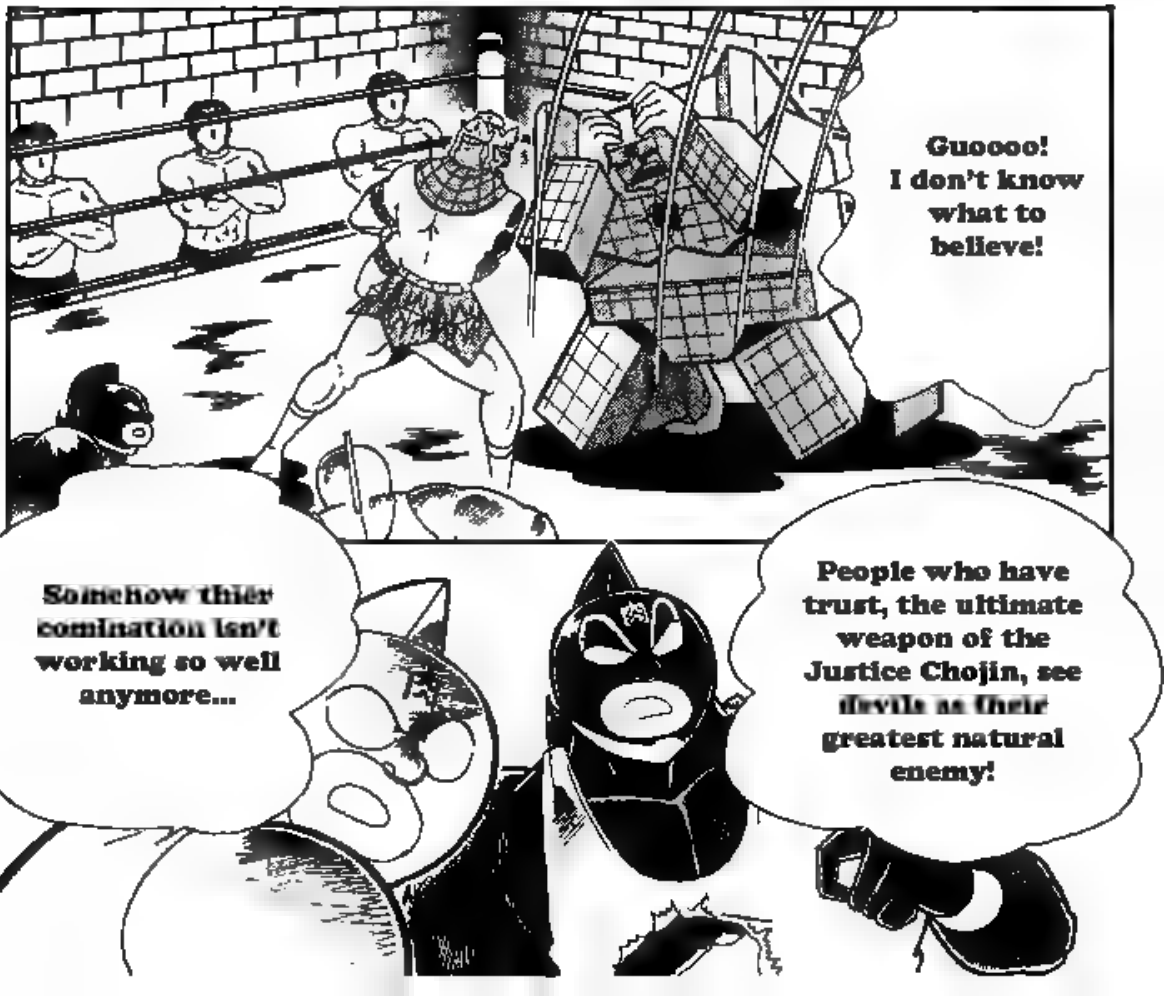
Dream Chojin Tag/Arc 33

Law of the Devils!

A Team Kinniku Release

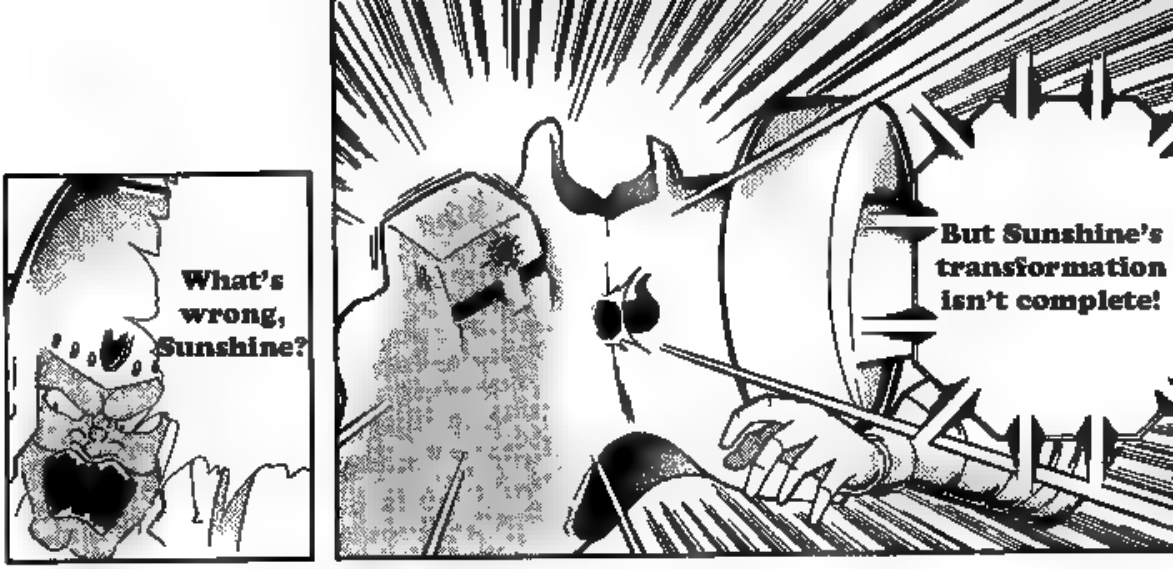


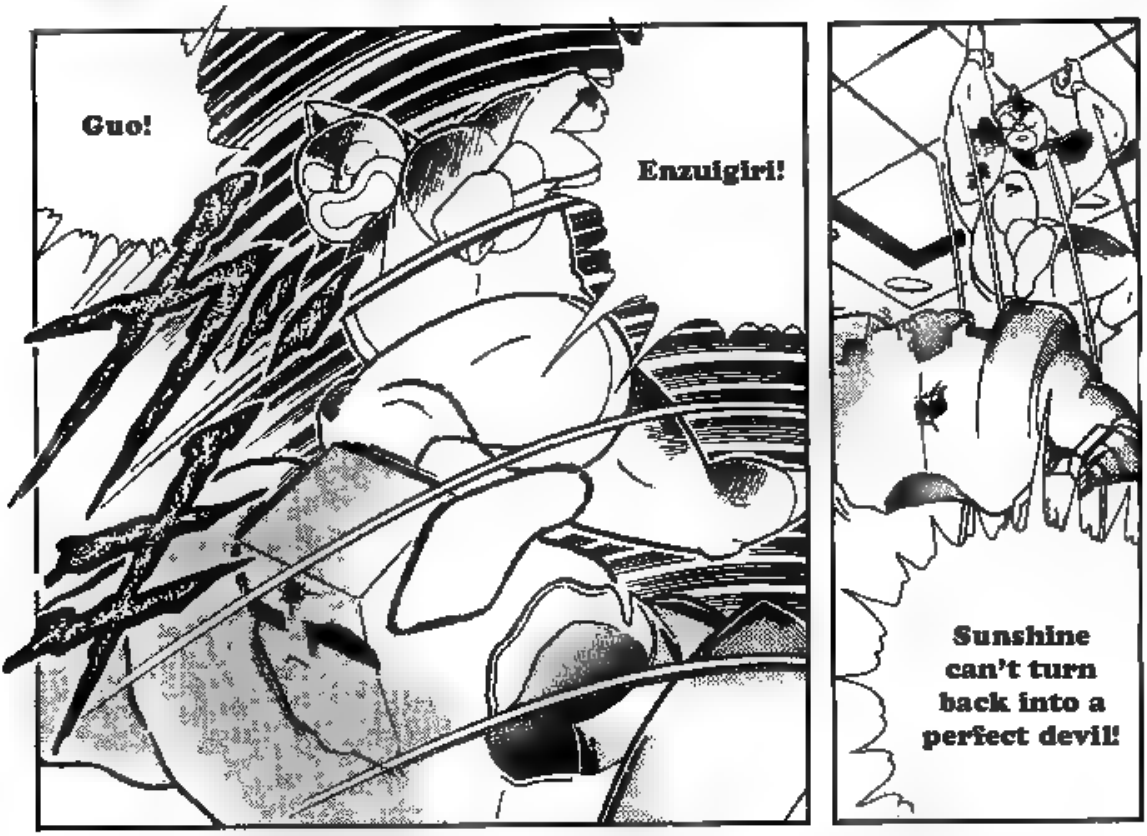
What are you saying!? Human are beings of hatred! They can't even trust their parents or siblings! This has been determined by the Demon World since ancient times!
In reality, people like Ashuraman grow up surrounded by hatred... but occasionally it's necessary for people to have trust!



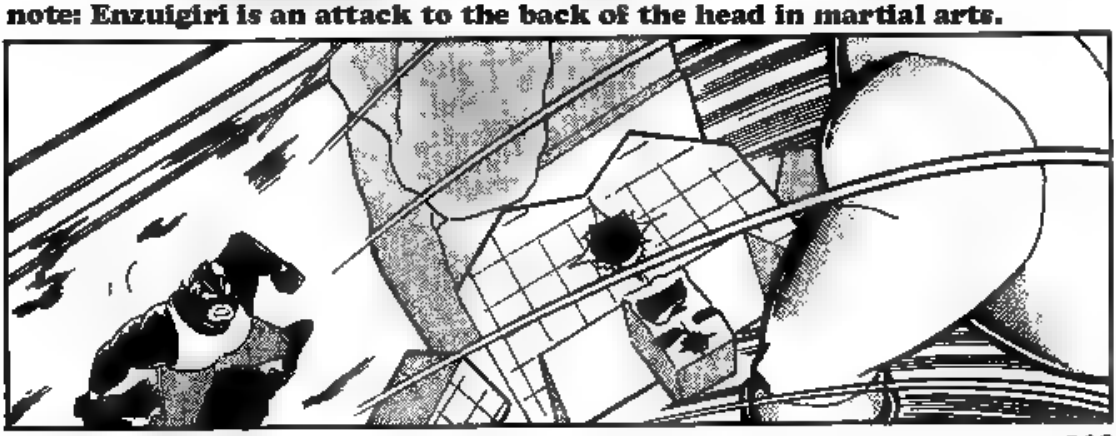
Guoooo! I don't know what to believe!
Somehow thier comination isn't working so well anymore...
People who have trust, the ultimate weapon of the Justice Chojin, see devils as their greatest natural enemy!

Sunshine, we'll argue later!
Watch out!
Now's our chance to attack them!
Hoop
Devil Spirit Technique...
...Revive Shogun!
Ha!
Ashuraman and Sunshine are up in the air to merge into Akuma Shogun's arms once again!

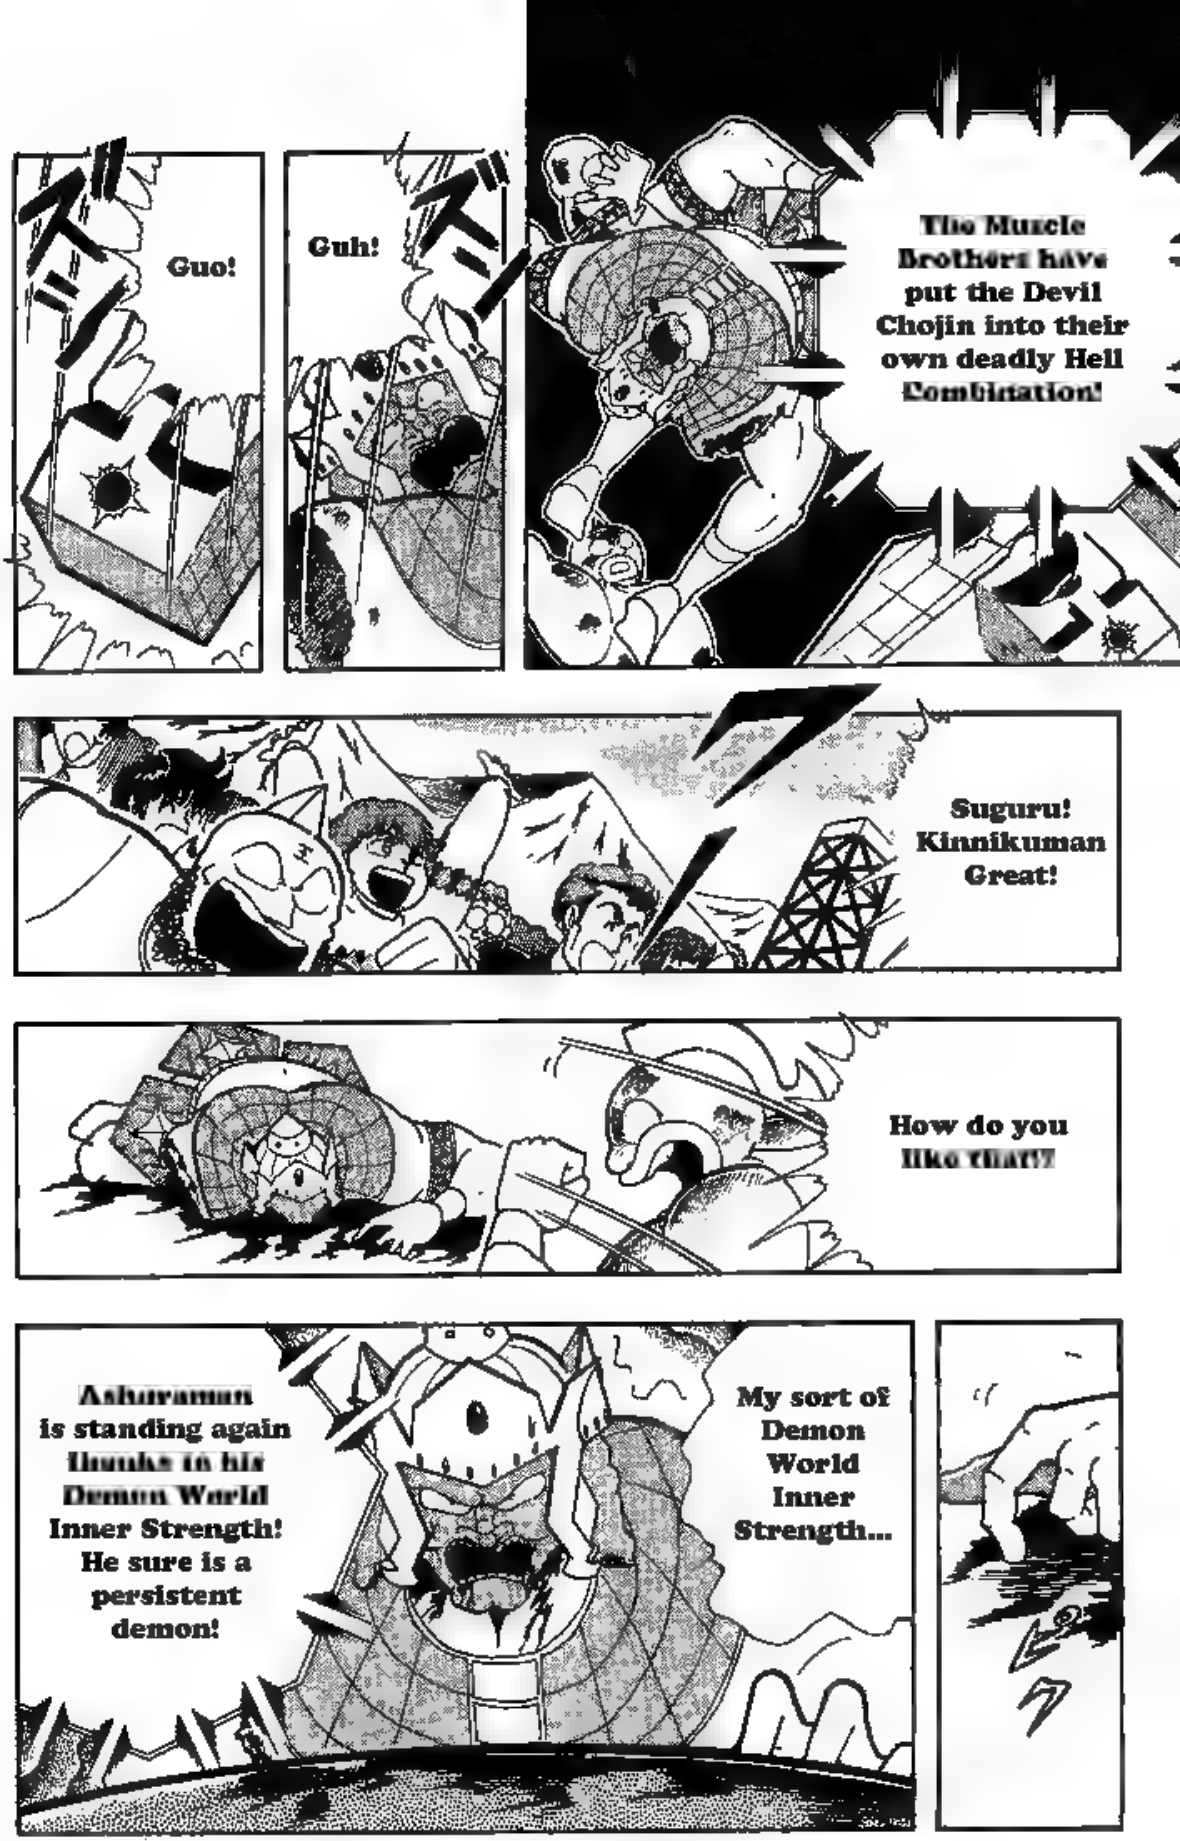




note: Enzuigiri is an attack to the back of the head in martial arts.



The fallen Sunshine has been caught in a Romero Special by Kinnikuman Great!
Hey, Kinnikuman! We'll use their specialty!
Hiyah!
Ooh!
Law-Breaking Reverse Hell Combination!

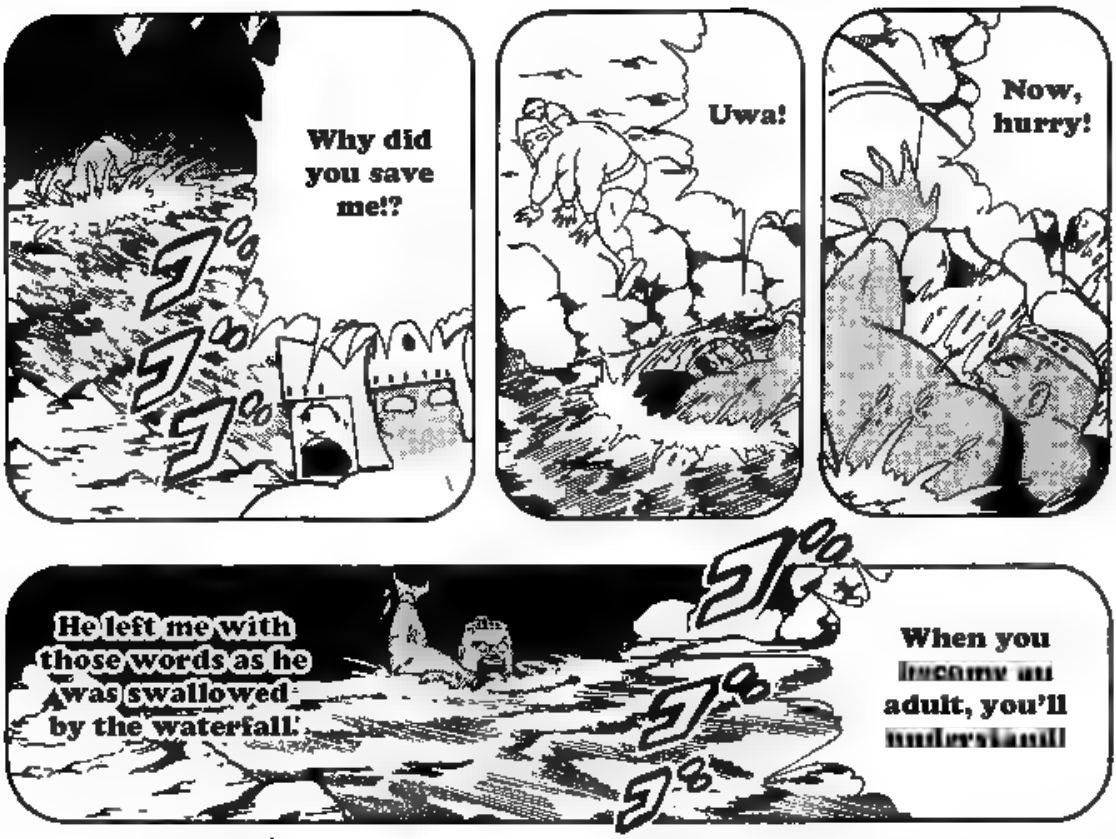


Guo!
Guh!
The Muscle Brothers have put the Devil Chojin into their own deadly Hell Combination!
Suguru! Kinnikuman Great!
How do you like that?
Asburaman is standing again thanks to his Demon World Inner Strength! He sure is a persistent demon!
My sort of Demon World Inner Strength...

Ashuraman, how could you believe that you're a demon who's thrown away his feelings!?
They have it in the Demon World, too... The Burning Inner Strength!
It's like I said earlier, it's because I was born and raised as prince of the Demon World!
The education my parents gave me was effective, so I didn't make any friends at school. I only showed hatred and pain to my classmates!
Since I was young, my parents taught me that people are beings of hate and not love!
I teased my coach, and he would fight with me.
When I finally quit school, my parents gave me a home coach.

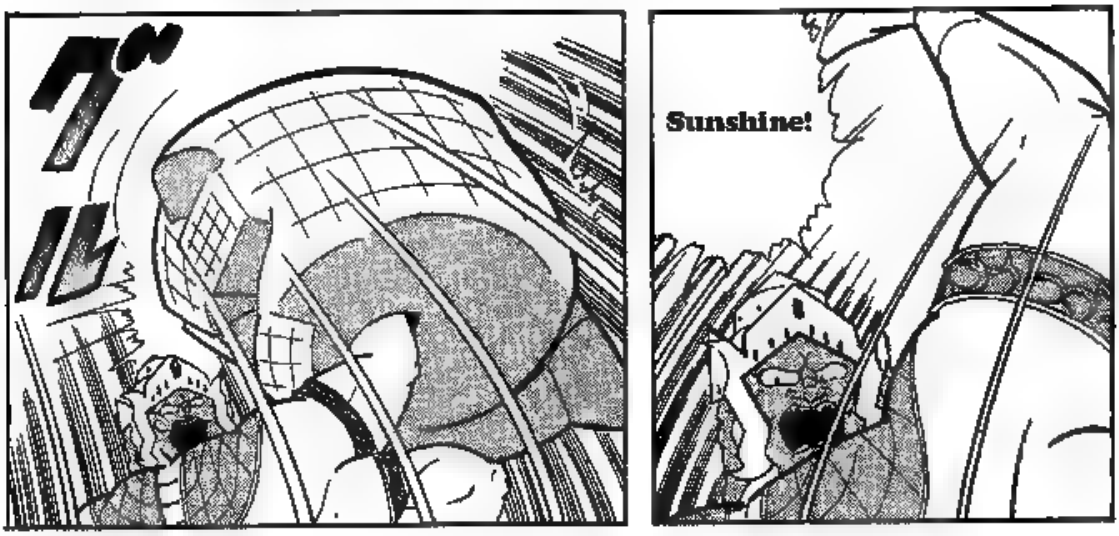
Finally, I gave up and learned my studies and grappling from him.
No matter how many times we fought, he would toss me away every time.
But I hadn't lost to any since I was born, so I took this man lightly.
What's wrong Prince, tired already?
How pitiful!
Of course. It's a crime to show mercy in the Demon World.
A person died in front of them, and nobody felt a thing!
What's wrong with the people here!?

What!? There's water coming from his eyes!
I'll make a grave.
What are you doing? If my dad finds it here, he'll kill you!
Although I respected my teacher's grappling, I hated that side of him.
Uwa!
Prince!
One day, my teacher's kindness backfired after I made a mistake and fell into a river.
Teacher, people in the Demon World are raised to hate! We can't have such mercy!
Let me go and I'll find a way to save myself!
Prince!



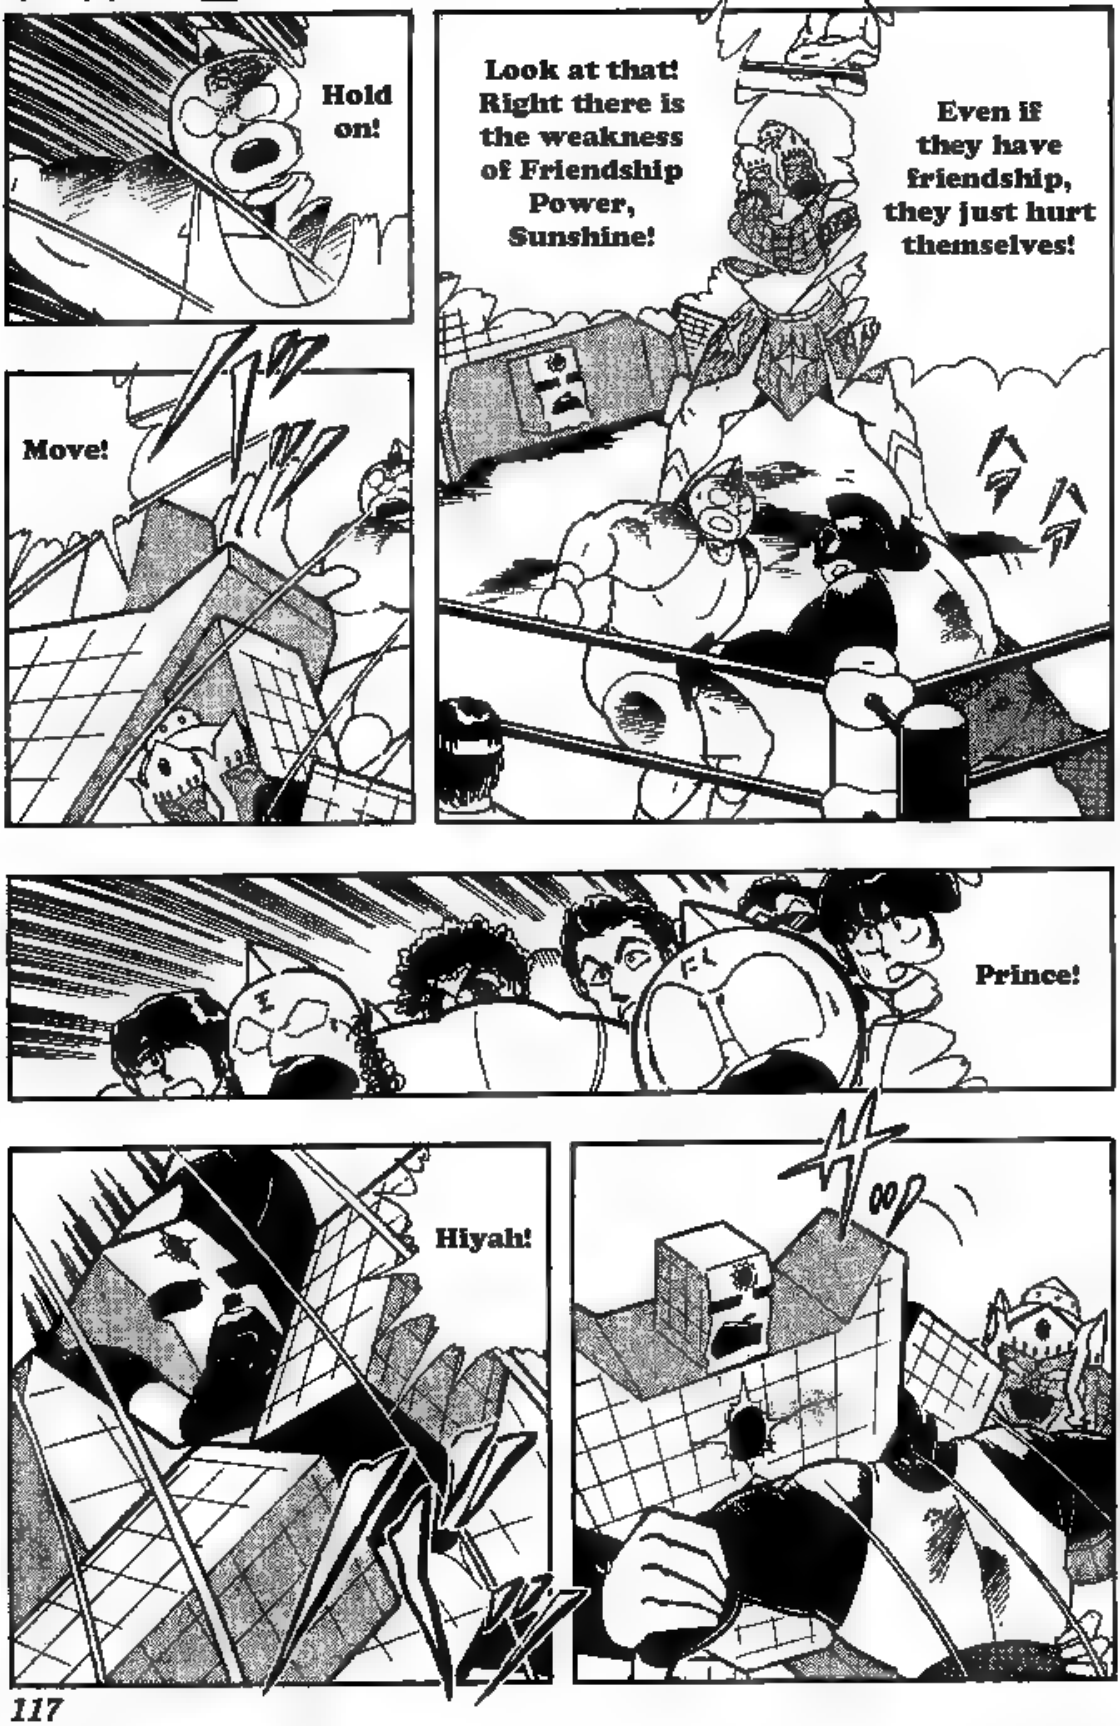
Why did you save me!?
Uwa!
Now, hurry!
He left me with those words as he was swallowed by the waterfall.
When you become an adult, you'll understand!
Is that what you think of human sympathy!?
That kindness is hazardous.
What a stupid man. If he had just focused on his grappling, he could have been a first-class Devil Chojin!
How dare you throw away your savior like that!?
I understand that he sacrificed himself to save me, but I don't have the blood of justice within my body. Mercy is the ultimate crime for a devil!
Ashuramaru! How could you think that when your coach died saving you from that waterfall!?

In the end, I'm a Devil Chojin. I'll continue destroying the Justice Chojin with you.
Right, that's what it means to be a devil!
I'm sorry, Ashura-man.
From that day on I understood! Things like love and trust lead to nothing but tragedy! After that, I decided to hate all people so that I wouldn't make the same mistakes as my teacher!
If you devils insist on an evil fight, then I'll show you a real justice fight!



Sunshine!

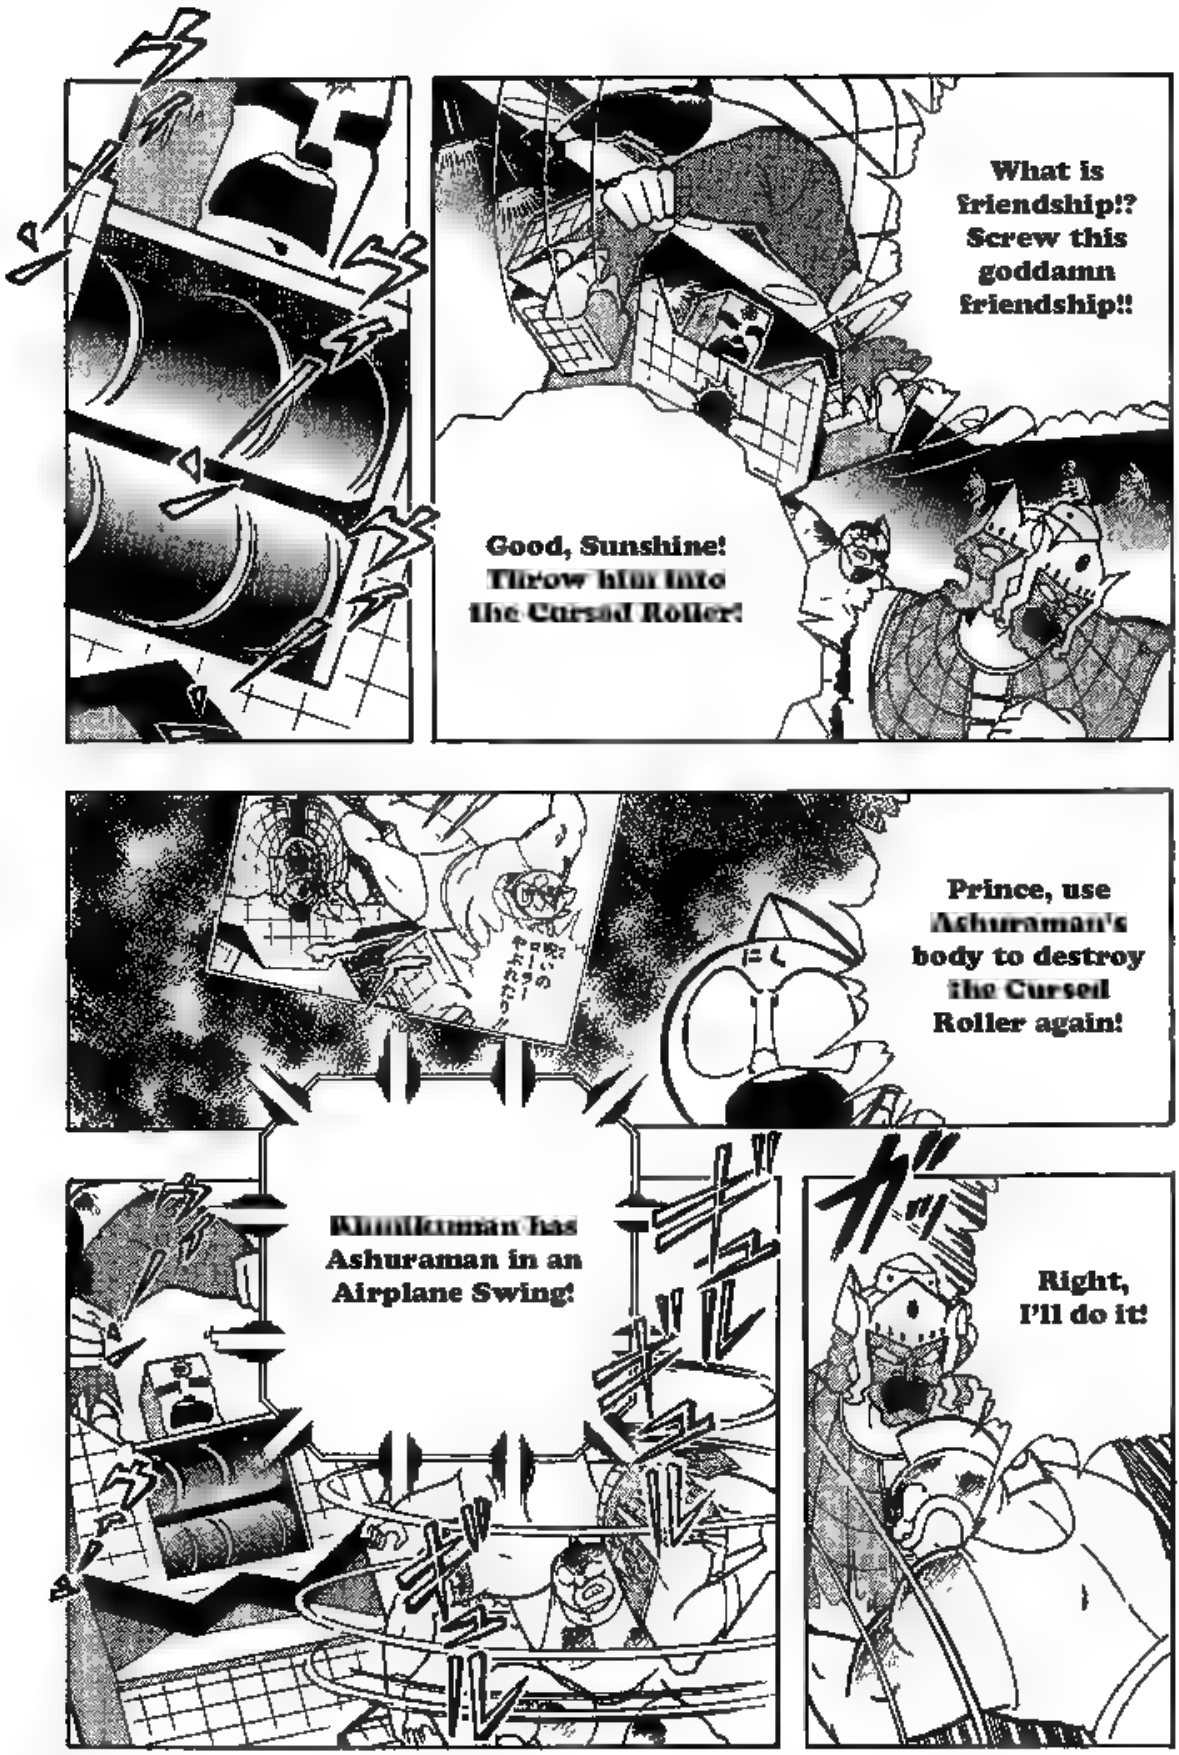
Cannon Ball!
The Stray Devil Combo's team attack has blown away Kinnikuman!
Niku personally used his body to save him!
Geh!
Don't lie land astray, Sunshine!
Guo...
Geh!
Do you see!? This is a friendship fight for Justice Chojin!
Sorry, Niku!



Hold on!
Look at that! Right there is the weakness of Friendship Power, Sunshine!
Even if they have friendship, they just hurt themselves!
Move!
Prince!
Hiyah!

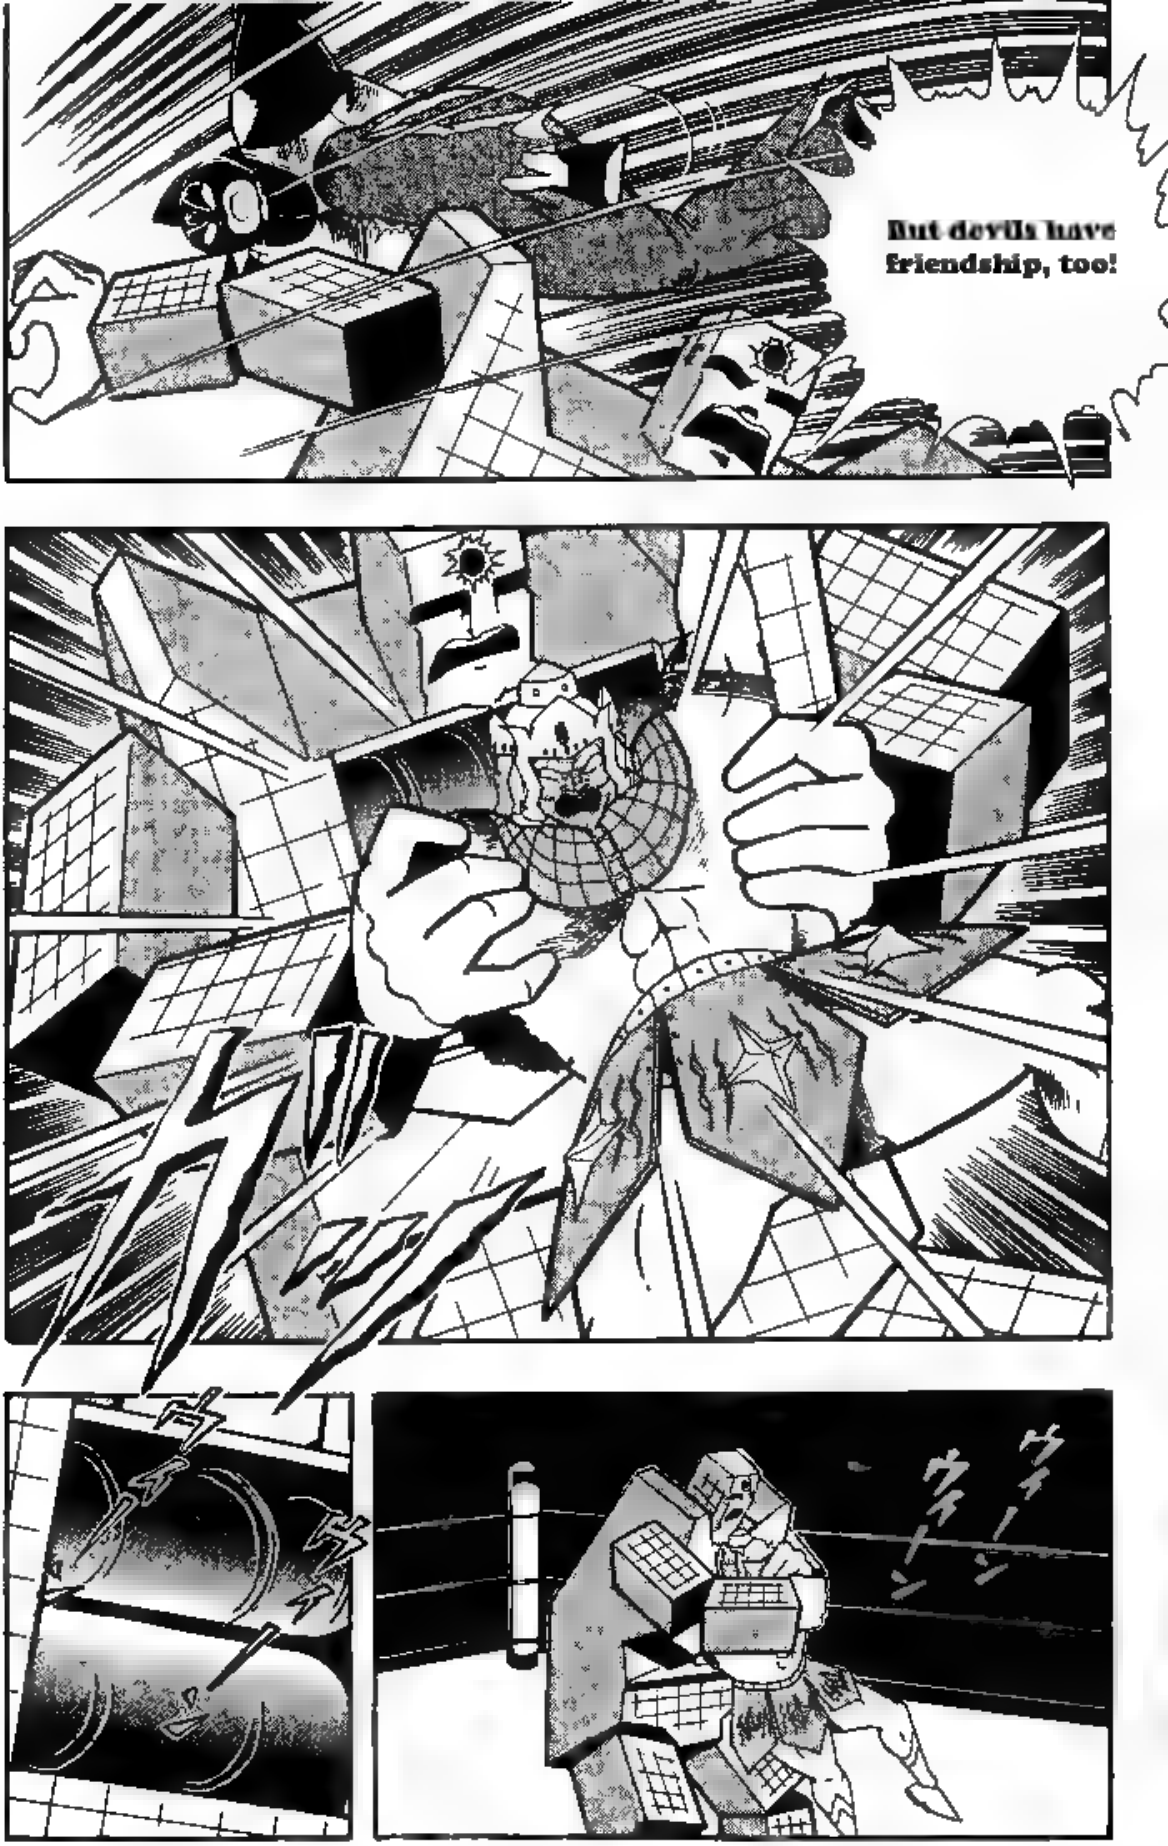
Niku!
Die!
The Devil Combo are doing a team Brain Buster on Kinnikuman Great!
This time, Kinnikuman has saved Great from a pinch!
Guh!

Stop!
I may get hurt, but it won't stop the Friendship Fight!
Again!?
Sunshine!
Stop this dazzling friendship, already!
Guoooo!



What is friendship!? Screw this goddamn friendship!!
Good, Sunshine! Throw him into the Cursed Roller!
Prince, use Ashuraman's body to destroy the Cursed Roller again!
Khuilkuman has Ashuraman in an Airplane Swing!
Right, I'll do it!

Cursed Roller Destroyer!
.....
Don't worry about me, Sunshine! Just stuff him in the roller, quick!
Now, Kinnikuman Great's life will be saved when Ashuraman's body stops the Cursed Roller!
Sunshine, do it before my body stops your roller!
What will Sunshine decide!?
Devils don't worry about each other's lives!
If I throw his body into the roller now, both he and Ashuraman will be caught in it!



But devils have friendship, too!

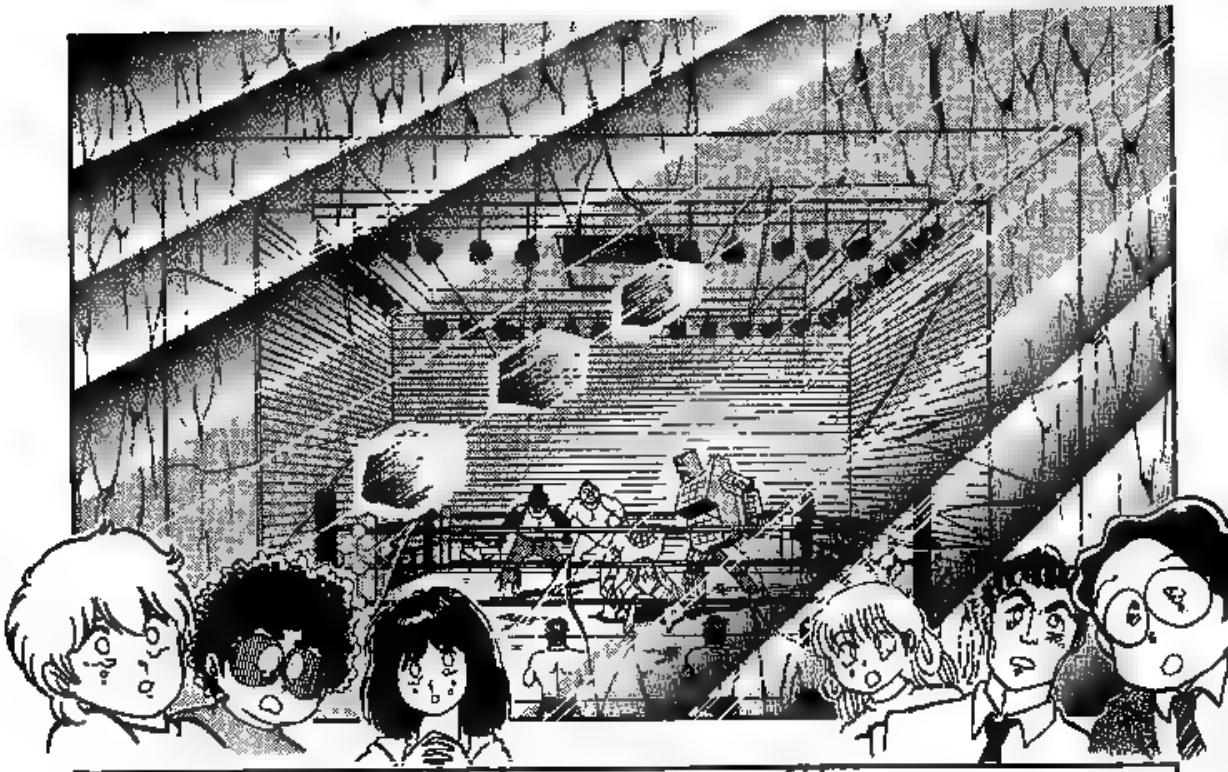
are crying!

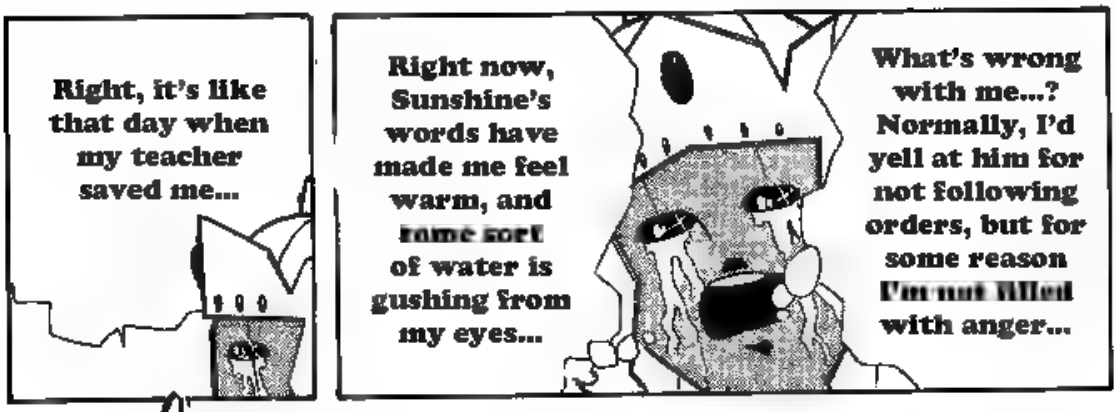
A Devil's Tears

"Devils have friendship, too"...? Sunshine, I'll kill you for your softness...!
Ashuraman!
You... idiot...
He's... crying!

Some sort of change has occured in Ashuraman's thinking...
Ashuraman, who's proud of his cold soul, is crying warm tears?
What is he saying?
But the urge to save you was even stronger!
I'm sorry, I didn't follow your directions! I didn't throw Kinnikuman Great into the Cursed Roller!
But even devils have friendship!
It doesn't matter if we're devils! I can't abandon the person who's fighting this battle beside me to the very end!
...the two of us remained and combined our power to overthrow the Justice Chojin!
Why? Because among the many Devil Chojin, most of whom were defeated...



Sniff...



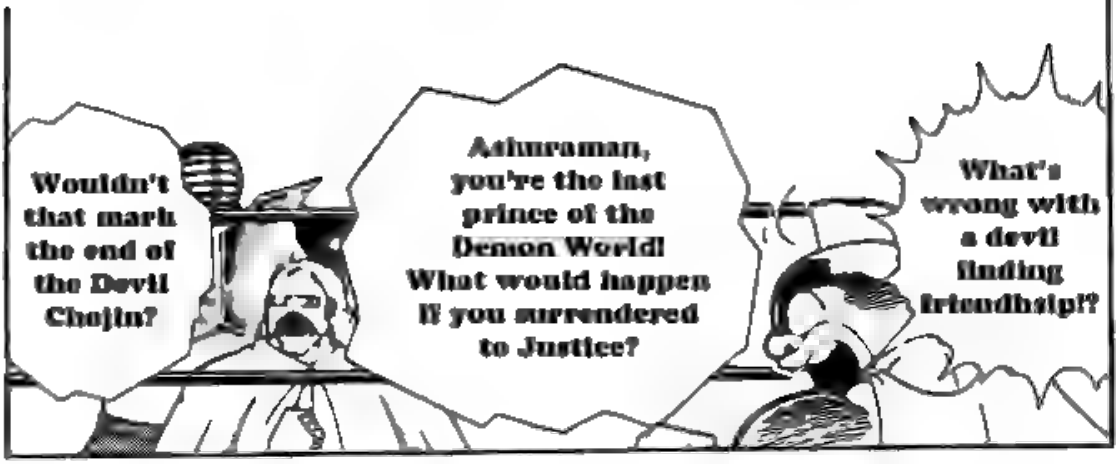
Right, it's like that day when my teacher saved me...
Right now, Sunshine's words have made me feel warm, and some sort of water is gushing from my eyes...
What's wrong with me...? Normally, I'd yell at him for not following orders, but for some reason I'm not filled with anger...

Uwa!

It'll be alright Prince!

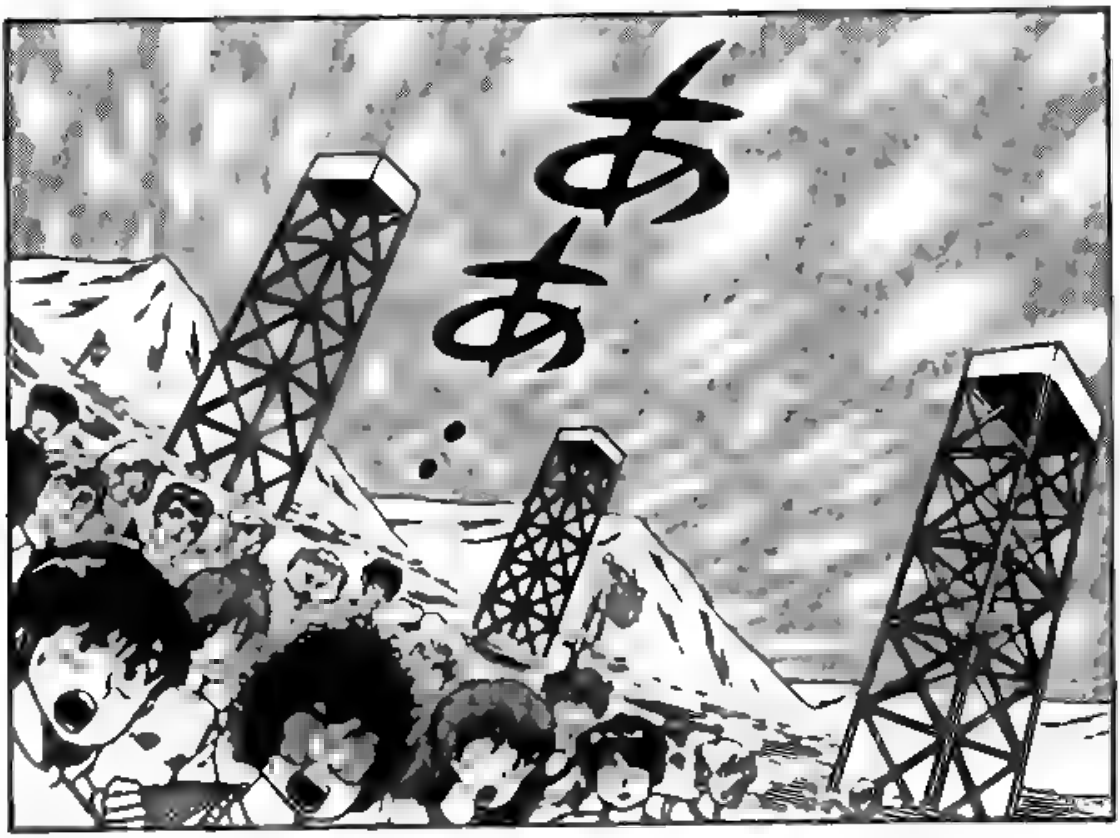
I've felt it since I first saw you! You have warmth inside of you! Please hold onto that!
Why did you save me!?
Then again, my coach was swept up by the waterfall because of it...
You'll understand when you're older!
I was taught from birth that people just have hatred! I shouldn't have any warmth!
No...
Aah!
I remember... I had water in my eyes then, too...
Teacher is dead!

I was saved by a person back then, too. I felt warm for no reason and liquid flowed from my eyes...
It's exactly like back then!
Maybe these are tears...
Perhaps this is what happens to Justice Chojin when they feel human emotions...
What?
Hahaha! A teary-eyed devil is a disgrace, Asuraman!

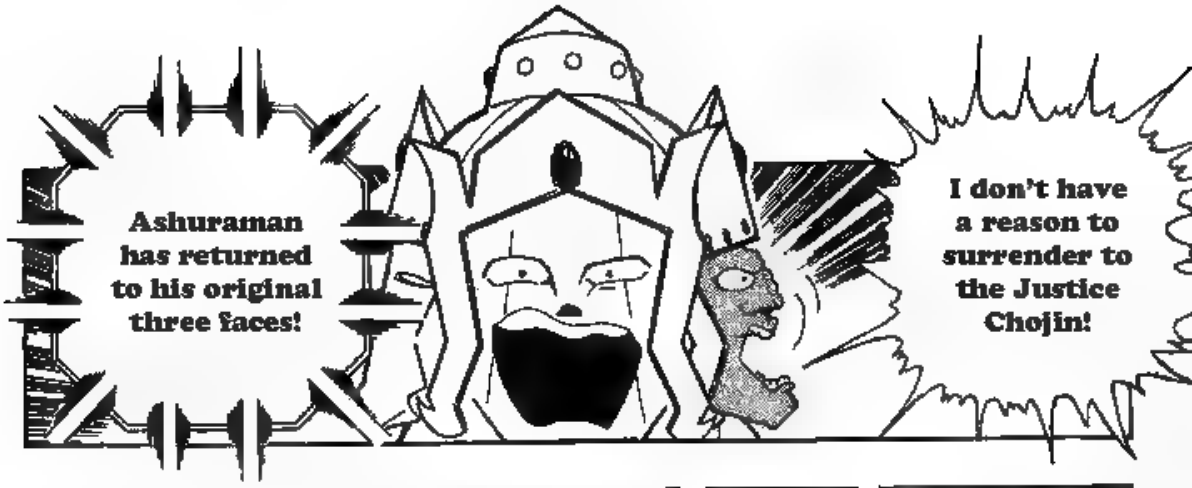


Wouldn't that mark the end of the Devil Chojin?
Ashuraman, you're the last prince of the Demon World! What would happen if you surrendered to Justice?
What's wrong with a devil finding friendship!?

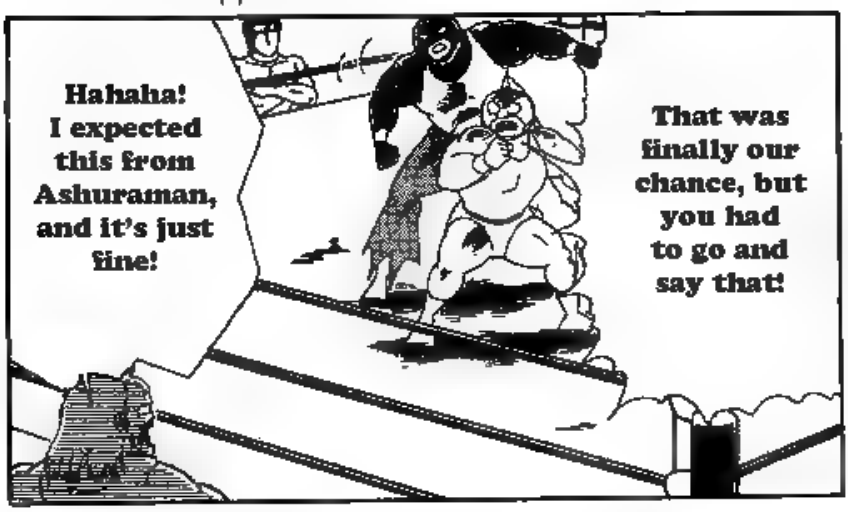
This is for the sake of the Devil Chojin world!
Yes, I am prince of the Demon World...



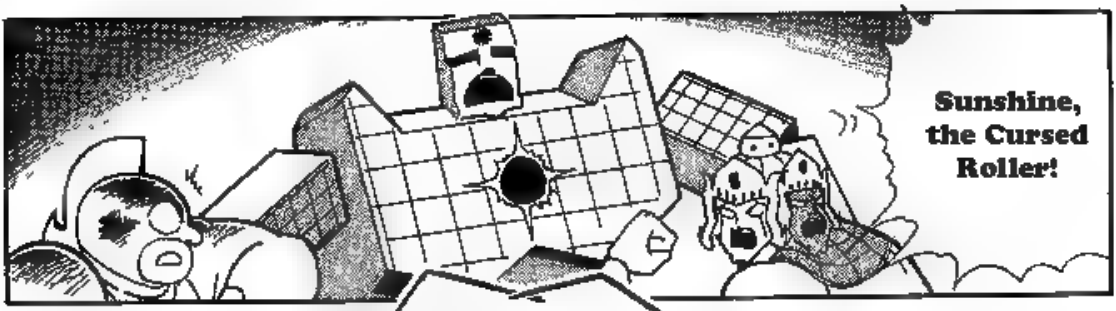
あ
あ



Ashuraman has returned to his original three faces!
I don't have a reason to surrender to the Justice Chojin!



Hahaha! I expected this from Ashuraman, and it's just fine!
That was finally our chance, but you had to go and say that!

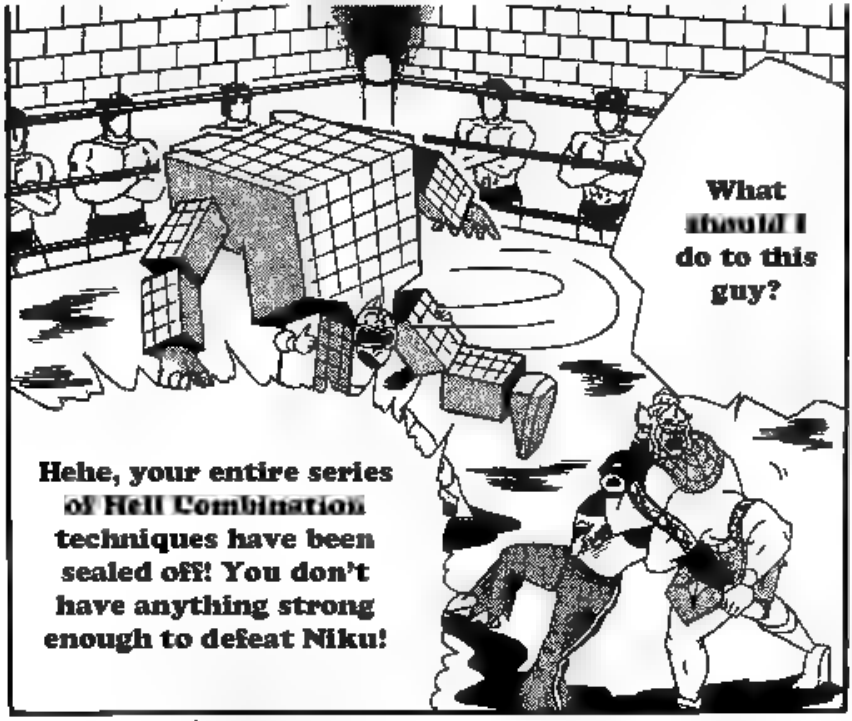


Sunshine, the Cursed Roller!

No matter how much we fight, we'll never stand up to the Muscle Brothers' massive Friendship Power...
I've already given up, Ashuraman.

What's wrong, Sunshine!? I said to use the Cursed Roller!

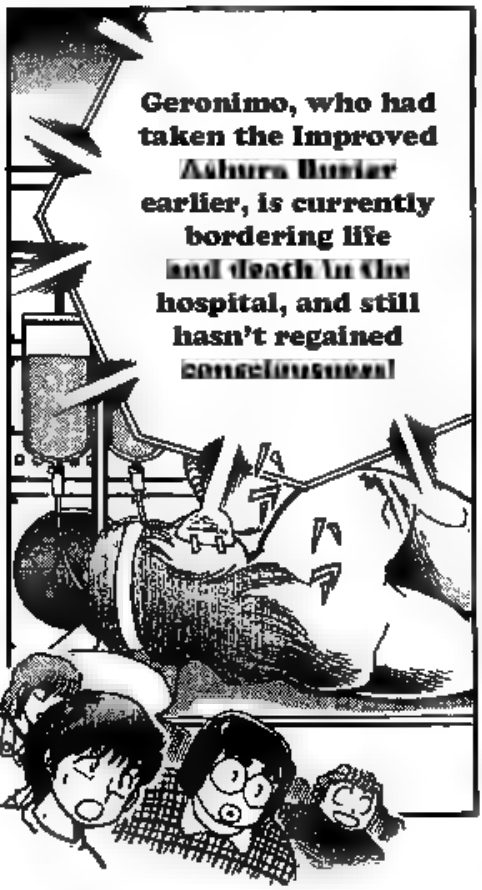
The Stray Devil Combo's alliance seems to be breaking!
When did you become such a coward?
There, go for Sunshine!
Right, we need to strike before Sunshine goes back to normal!
Kinniku-man, if we're going to win against the devils, we have to do it now!
Take this!
I won't be cheated, Kinniku-man!
Sunshine is in the position for the Kinniku Driver!
Kinniku Driver!



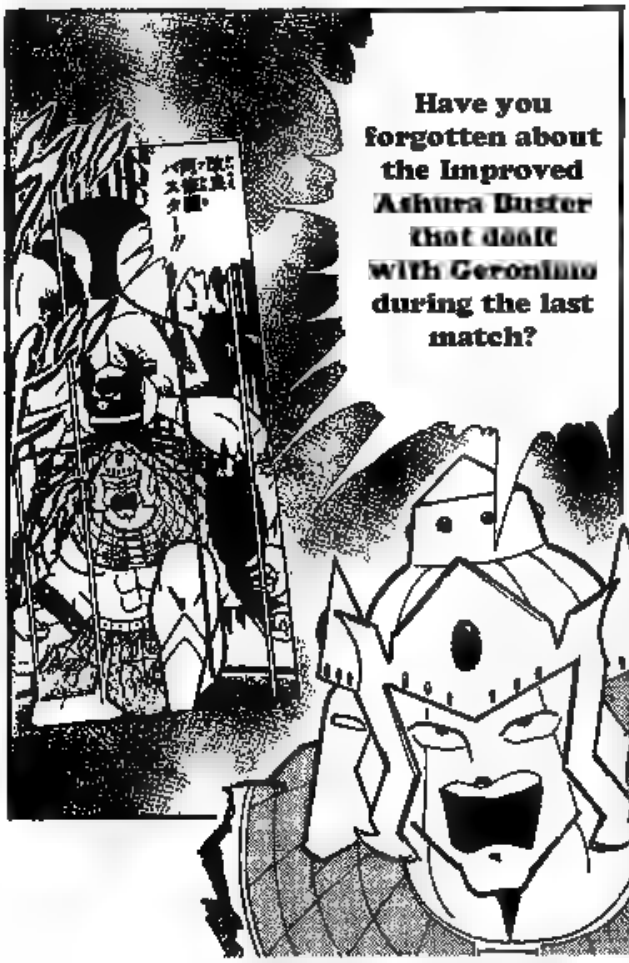
What should I do to this guy?
Hehe, your entire series of Hell Combination techniques have been sealed off! You don't have anything strong enough to defeat Niku!

It's just a bluff...

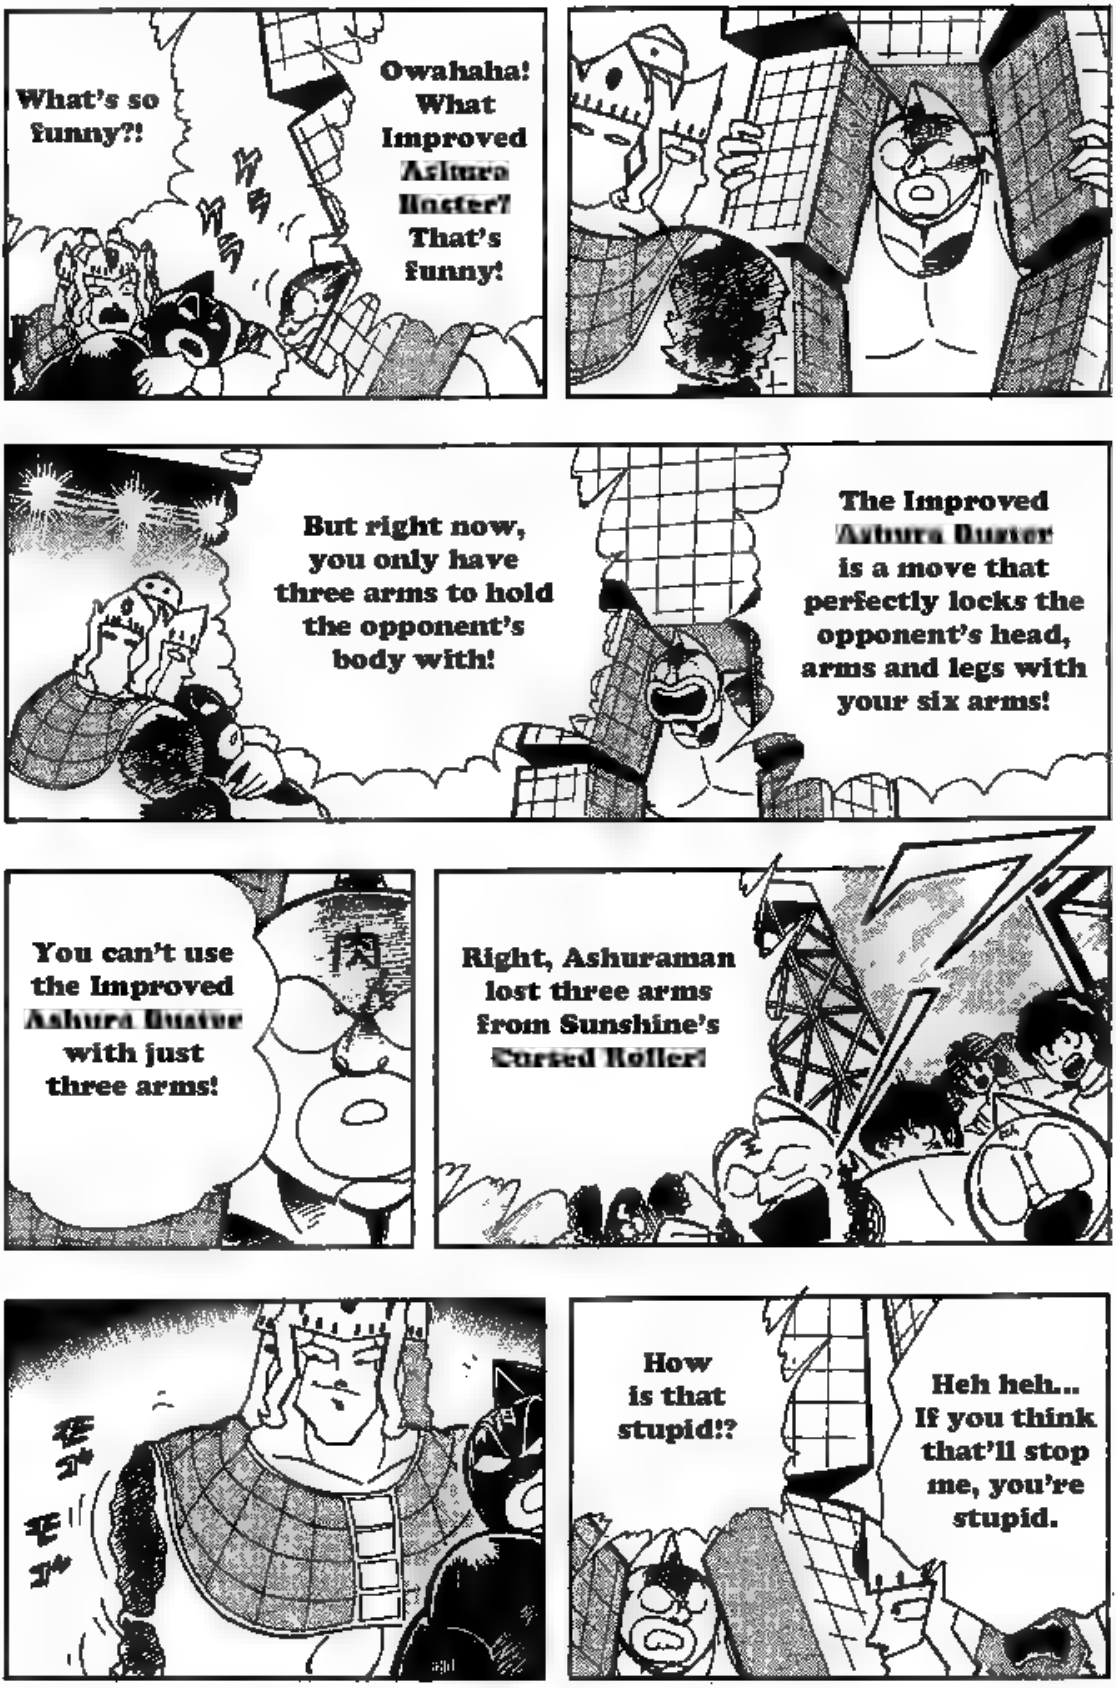
What!?
KA-KAKAKA! You're too soft! I've held back the perfect special move for just this occasion!



Geronimo, who had taken the Improved Ashura Buster earlier, is currently bordering life and death in the hospital, and still hasn't regained consciousness!



Have you forgotten about the Improved Ashura Buster that dealt with Geronimo during the last match?

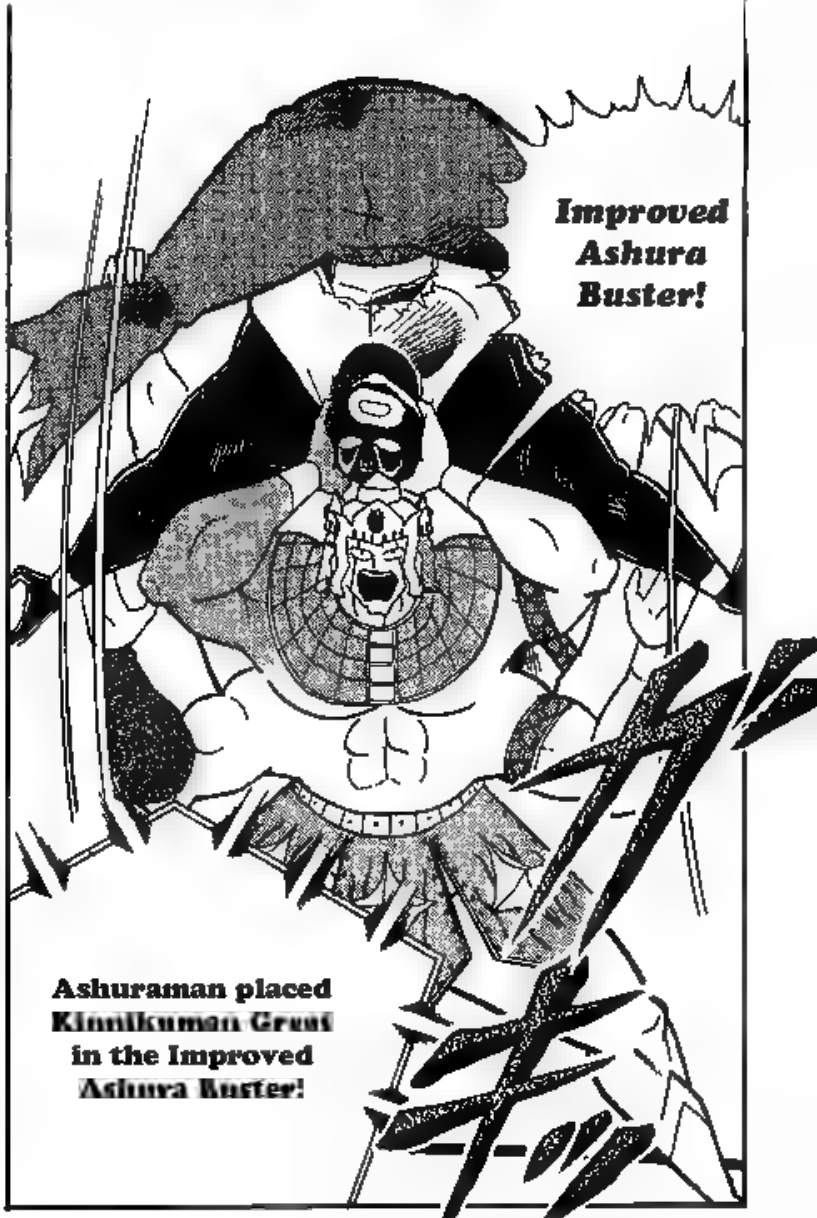


What's so funny?!
Owahaha! What Improved Ashura Buster? That's funny!
But right now, you only have three arms to hold the opponent's body with!
The Improved Ashura Buster is a move that perfectly locks the opponent's head, arms and legs with your six arms!
You can't use the Improved Ashura Buster with just three arms!
Right, Ashuraman lost three arms from Sunshine's Cursed Roller!
How is that stupid!?
Heh heh... If you think that'll stop me, you're stupid.

KA-KAKAKA!
Have you forgotten that I can steal arms from dead Chojin?
Geh! He's growing an arm!
It's Wolfman's arm!
That arm was damaged by Kendaman and Screw Kid!
Finally, an unknown dark arm has appeared!
This is the last one!
No, he's clearly aleady dead.
And that's the arm of Geronimo, who's in critical condition!

Stop! Don't you care what happens to Sunshine!?

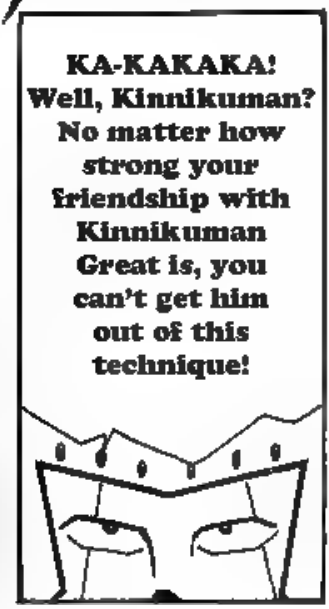
KA-KAKAKA! I have no use for that coward. Do whatever you want with him!
That's ...



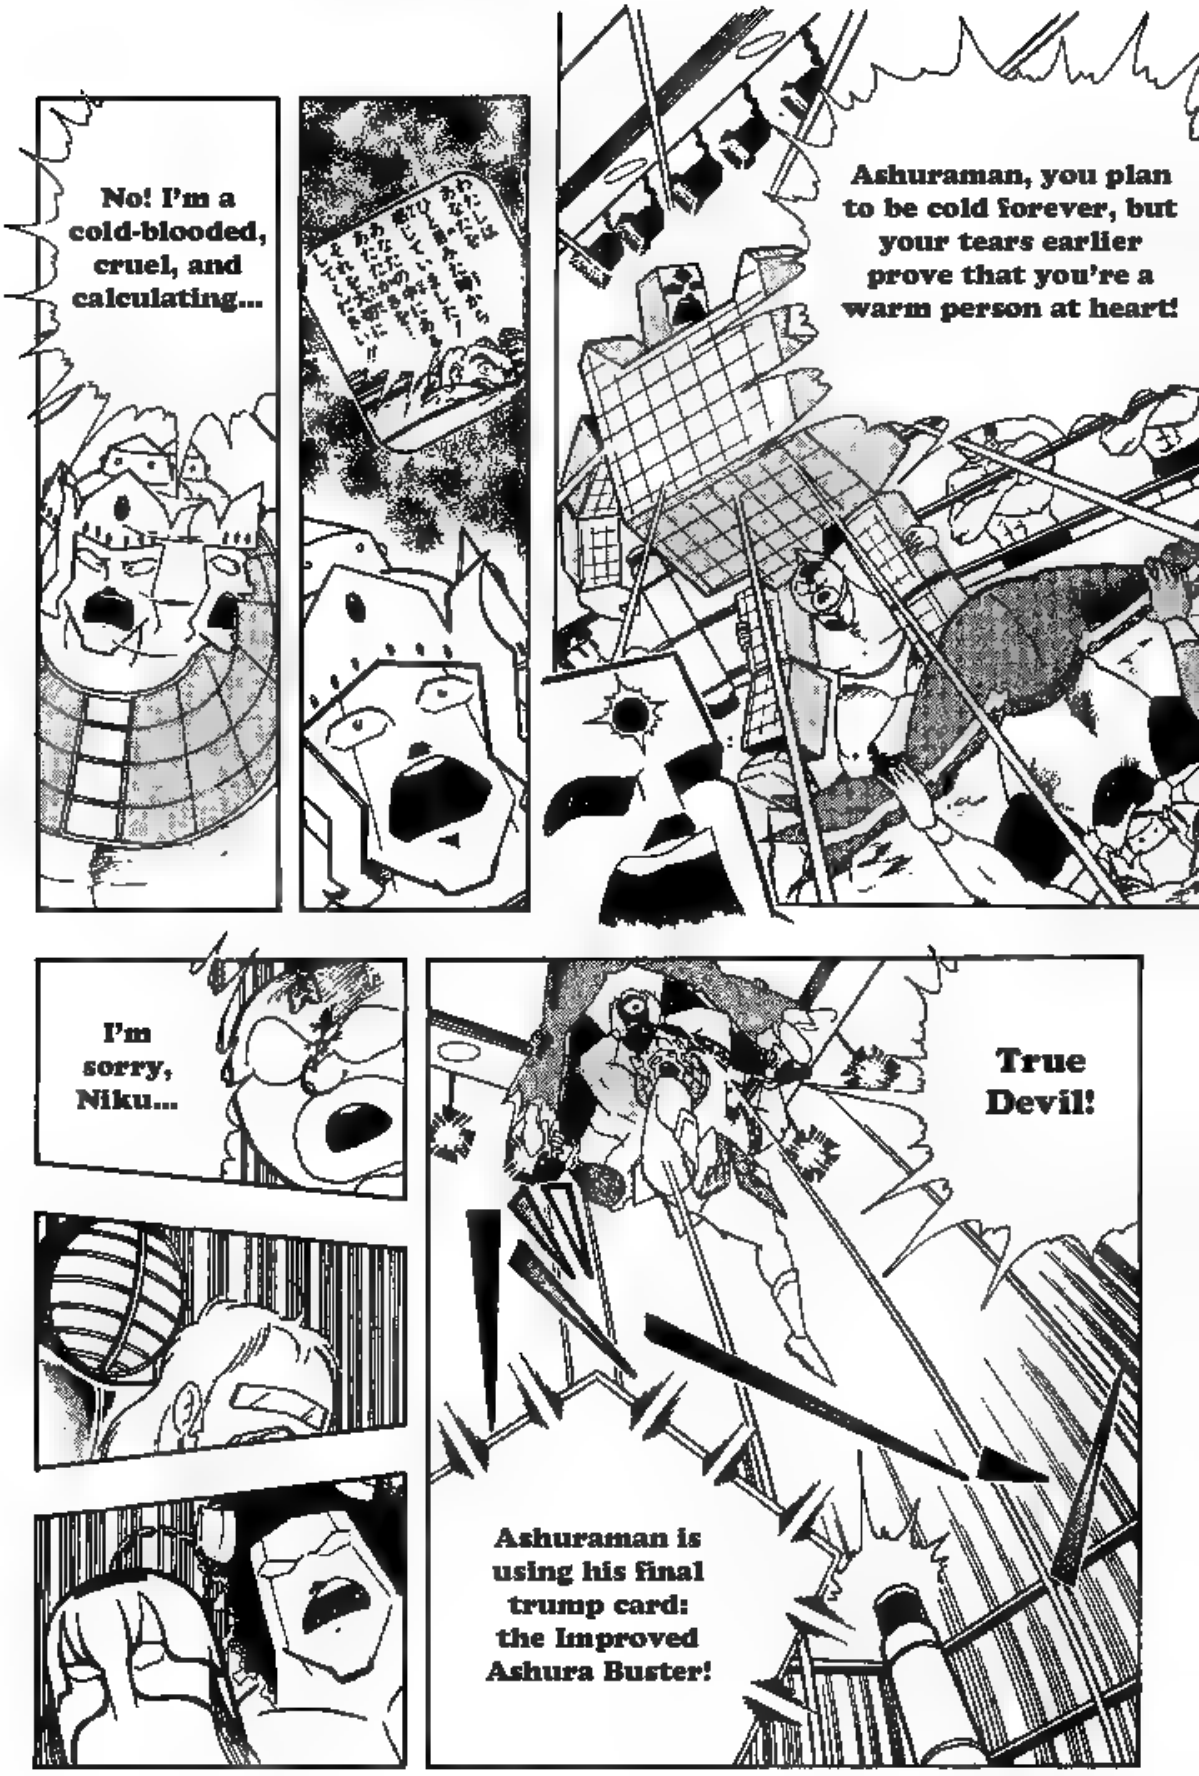
Improved Ashura Buster!
Ashuraman placed Kinnikuman Great in the Improved Ashura Buster!

KA-KAKAKA! In front of true power, friendship is worthless!

Guh?
With Ashuraman's six arms holding me in place, I have no way to escape!



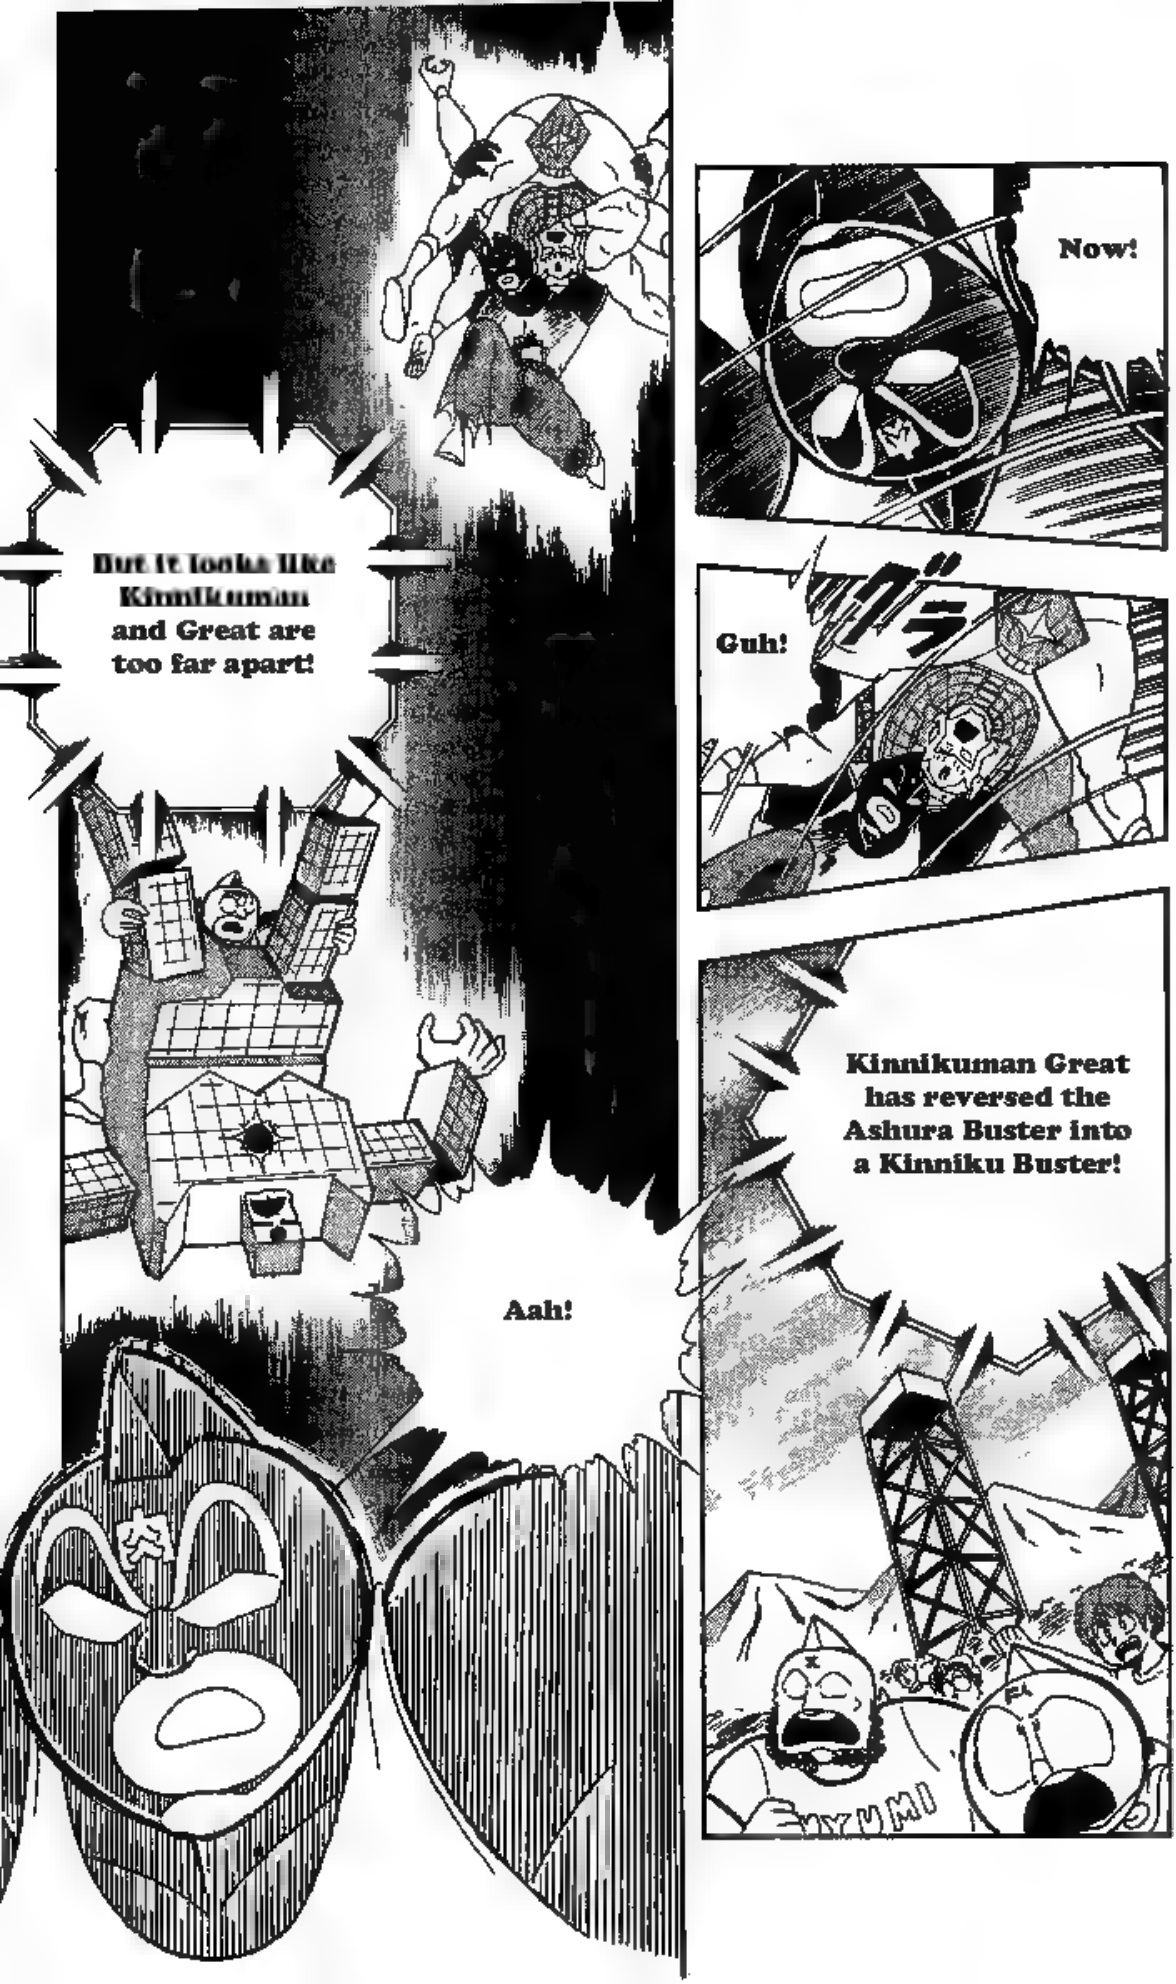
KA-KAKAKA! Well, Kinnikuman? No matter how strong your friendship with Kinnikuman Great is, you can't get him out of this technique!



No! I'm a cold-blooded, cruel, and calculating...
Ashuraman, you plan to be cold forever, but your tears earlier prove that you're a warm person at heart!
I'm sorry, Niku...
True Devil!
Ashuraman is using his final trump card: the Improved Ashura Buster!

I'll be joining you in the hospital soon...
Geronimo, I'm sorry you had to wait...
KA-KA KA KA!
Kamehame!
THE FIRST KINNIKUMAN GREAT WOULDN'T GIVE UP! NOT EVEN NOW!
My right arm is now on Ashura-man's shoulder.
What happened to your right arm!?
I'm here, Terry-man!
Yes, that's Kamehame's arm!
Huh!?

Guwah! My arm is grabbing my neck!
Kin-niku
Hey, Kinnikuman! Time for the Muscle Docking!
Driver!
Got it!



But it looks like Kinnikuman and Great are too far apart!
Now!
Guh!
Kinnikuman Great has reversed the Ashura Buster into a Kinniku Buster!
Aah!

MUSCLE DOCKING!
Uoooh!
Oooh!
MAYUMI

Ashuraman hasn't been defeated yet!

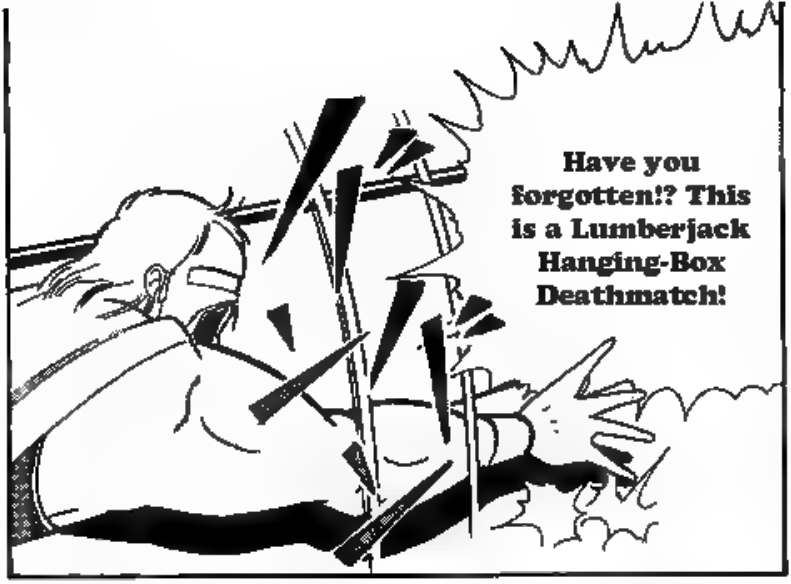
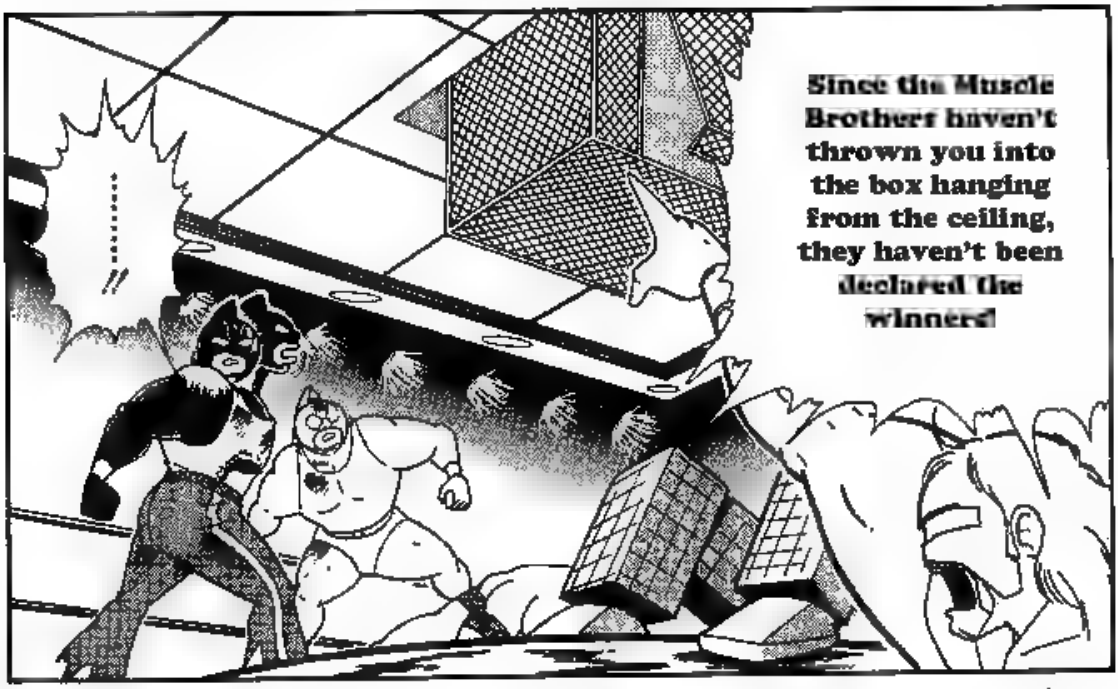
The final assassins of the Devil Chojin have been defeated! The Muscle Brothers have earned their way into the finals!
Uwa! They did it!
We did it Nik... I mean, Master Kamehame!
Hahahaha! Suguru, you've done well!
YUMI

Since the match is over, I'll show you my true face, now.
Wait, I forgot...
Kinniku-man...
Niku, with this kind of youthful spirit, that championship is as good as ours!
What are you doing!? Get up, devils! You haven't lost to the Justice Chojin yet!
But those devils did well, too.

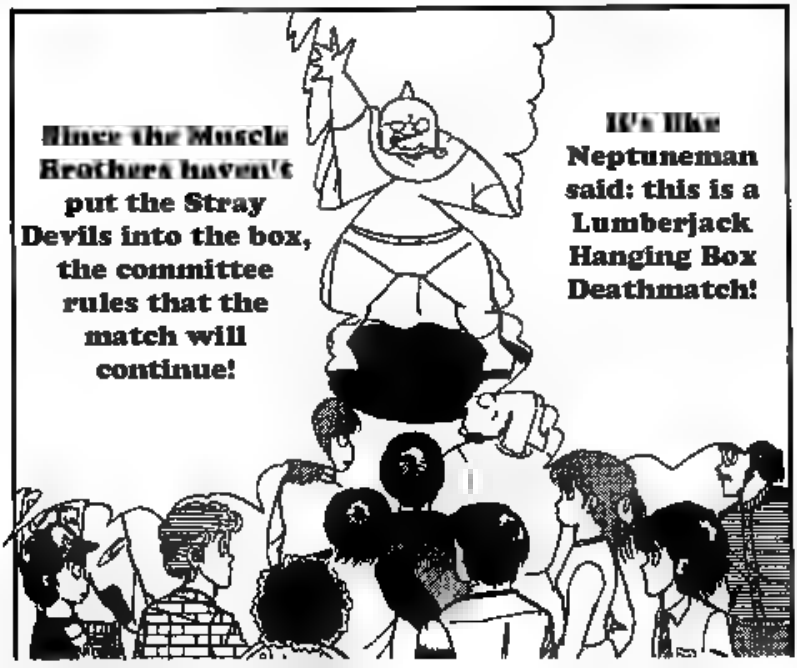


Have you forgotten!? This is a Lumberjack Hanging-Box Deathmatch!

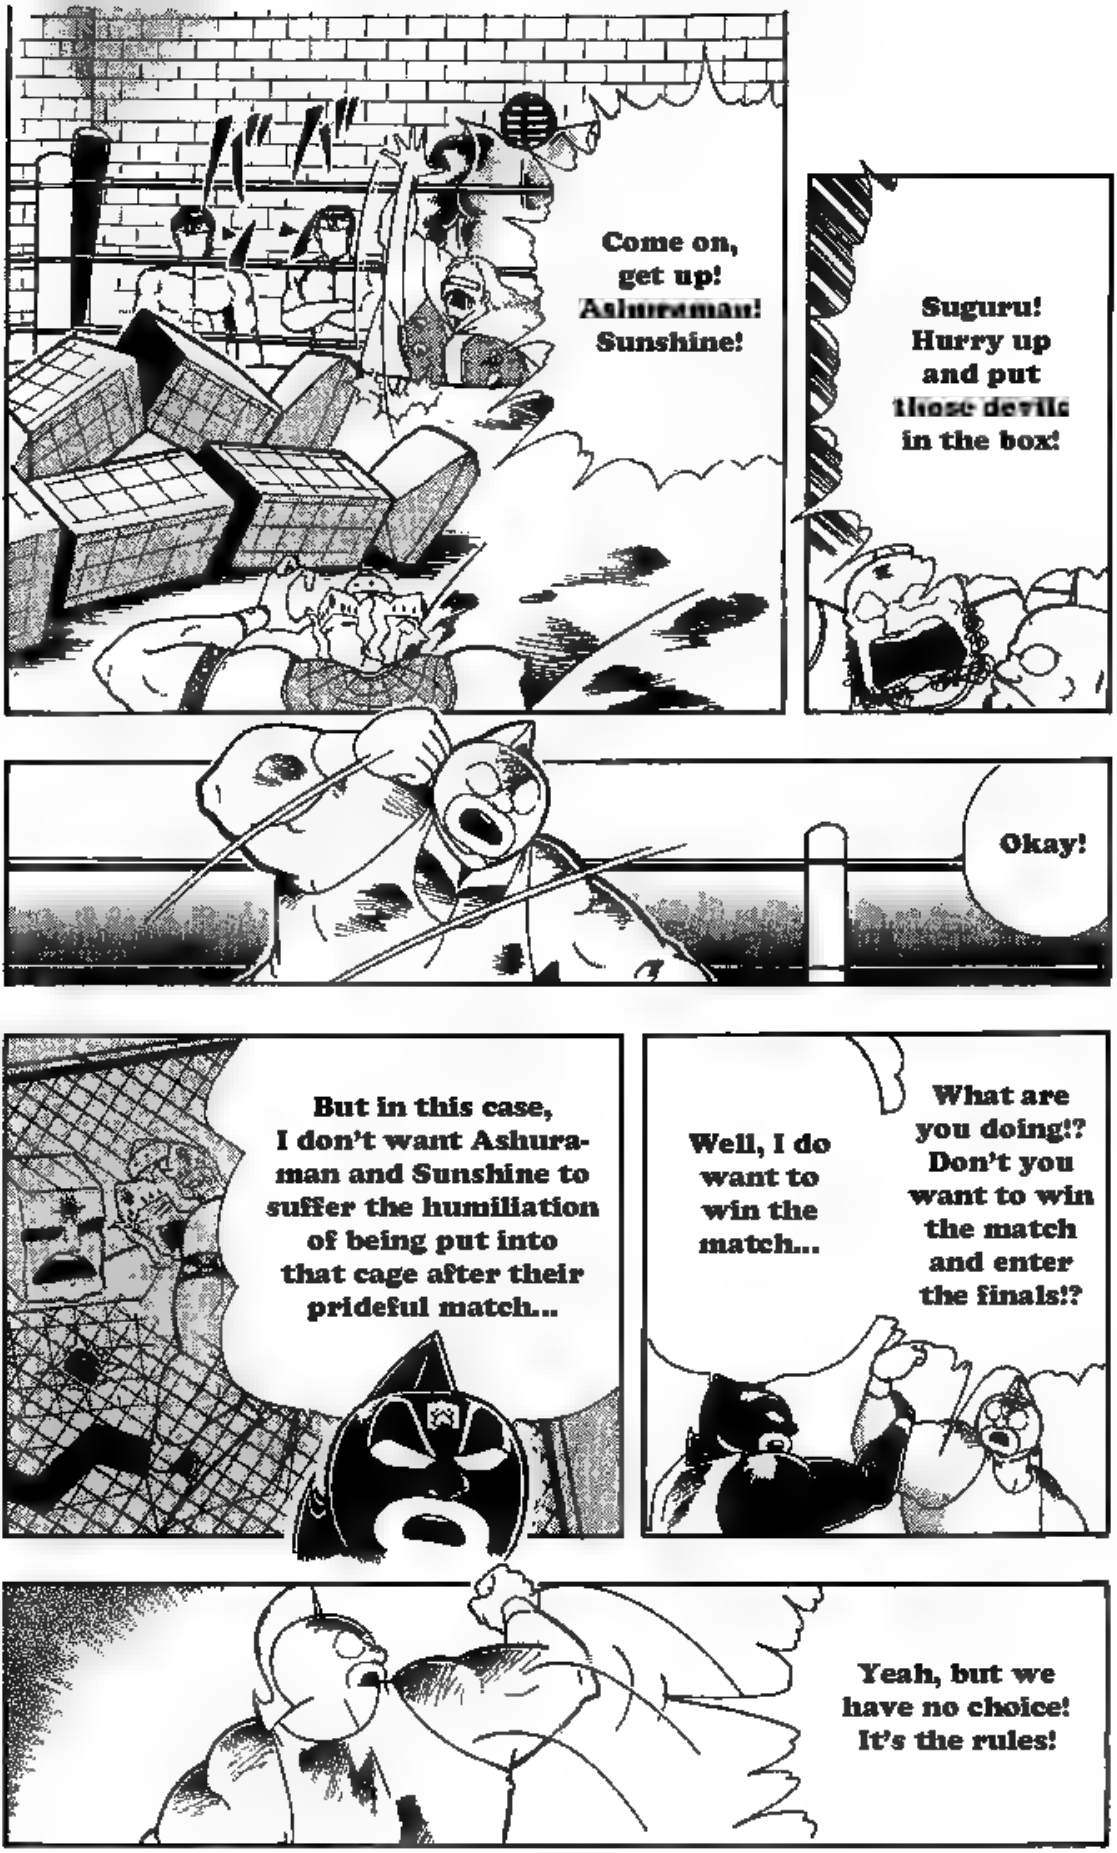
What!?



Since the Muscle Brothers haven't thrown you into the box hanging from the ceiling, they haven't been declared the winners!



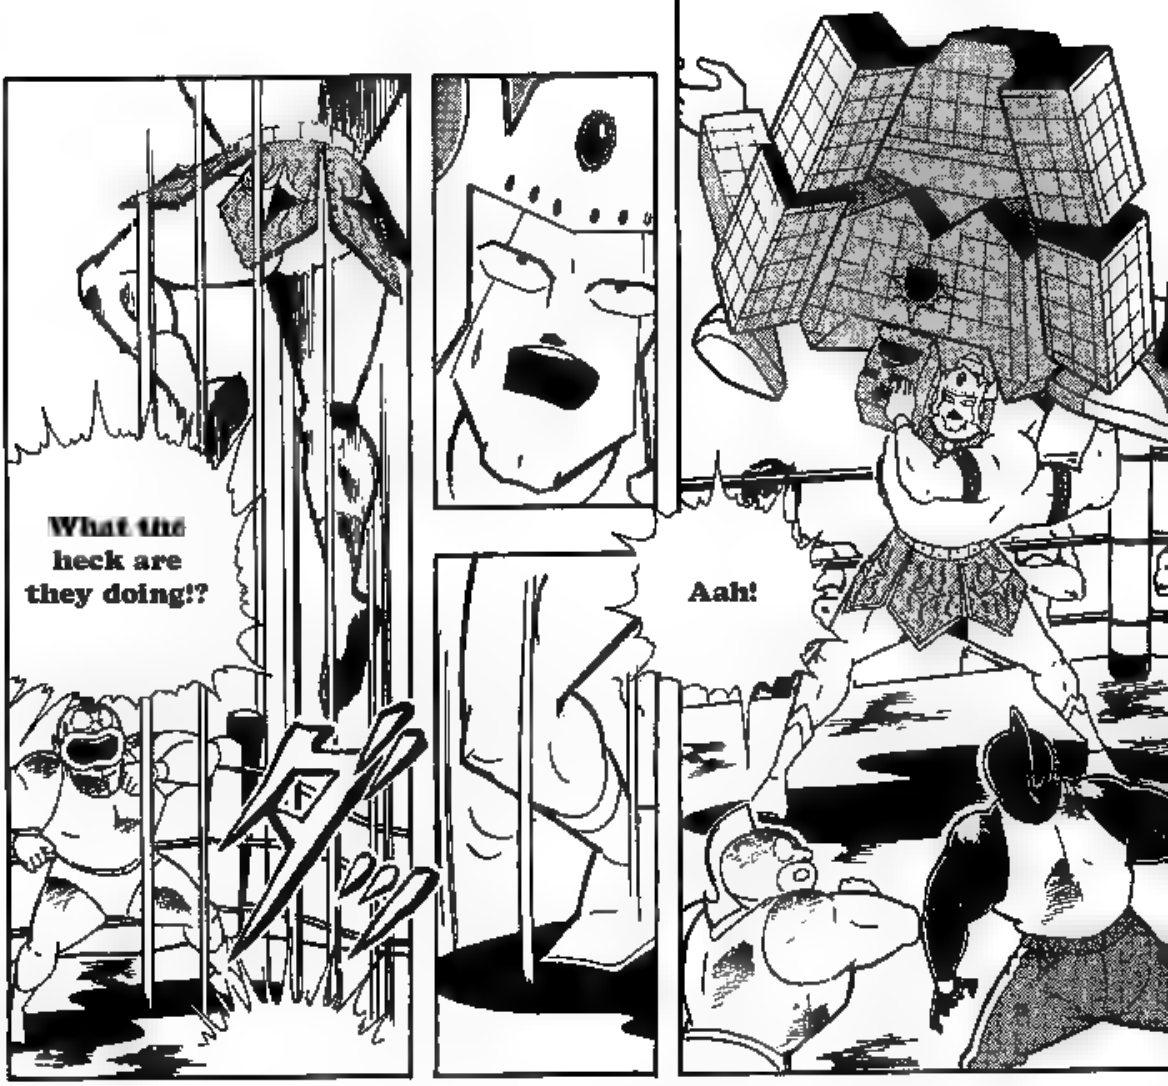
Since the Muscle Brothers haven't put the Stray Devils into the box, the committee rules that the match will continue!
It's like Neptuneman said: this is a Lumberjack Hanging Box Deathmatch!



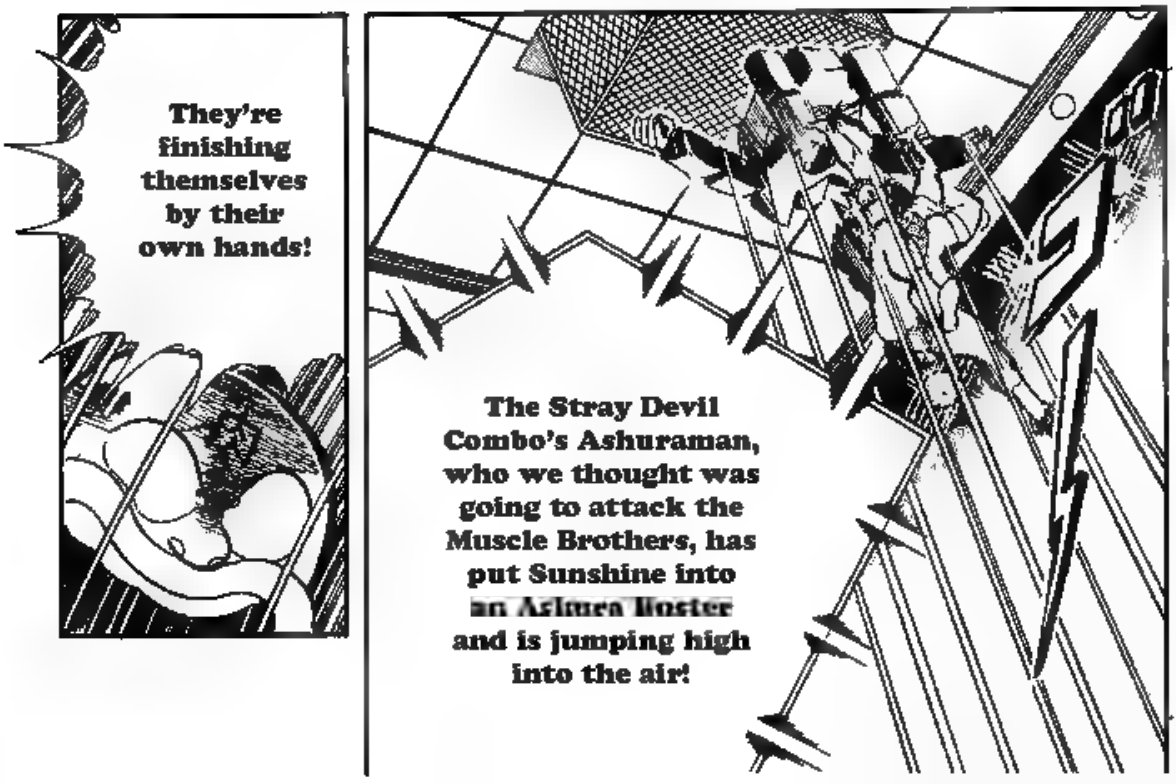
Come on, get up! Ashuraman! Sunshine!
Suguru! Hurry up and put those devils in the box!
Okay!
But in this case, I don't want Ashura-man and Sunshine to suffer the humiliation of being put into that cage after their prideful match...
Well, I do want to win the match...
What are you doing!? Don't you want to win the match and enter the finals!?
Yeah, but we have no choice! It's the rules!

Kinnikuman, you're the prince of Planet Kinniku, so you should understand the prince of the Demon World, Ashuraman's feelings!
Right. Victory and defeat don't matter in this match. Both Justice and Devil Chojin have fought with their pride and spirit for the last two hours and ten minutes!
Ashuraman's feelings!?
Niku, you're a nice guy.
Shut up! Things are complicated up here!
You were about to go to the finals!
How could you do this!?

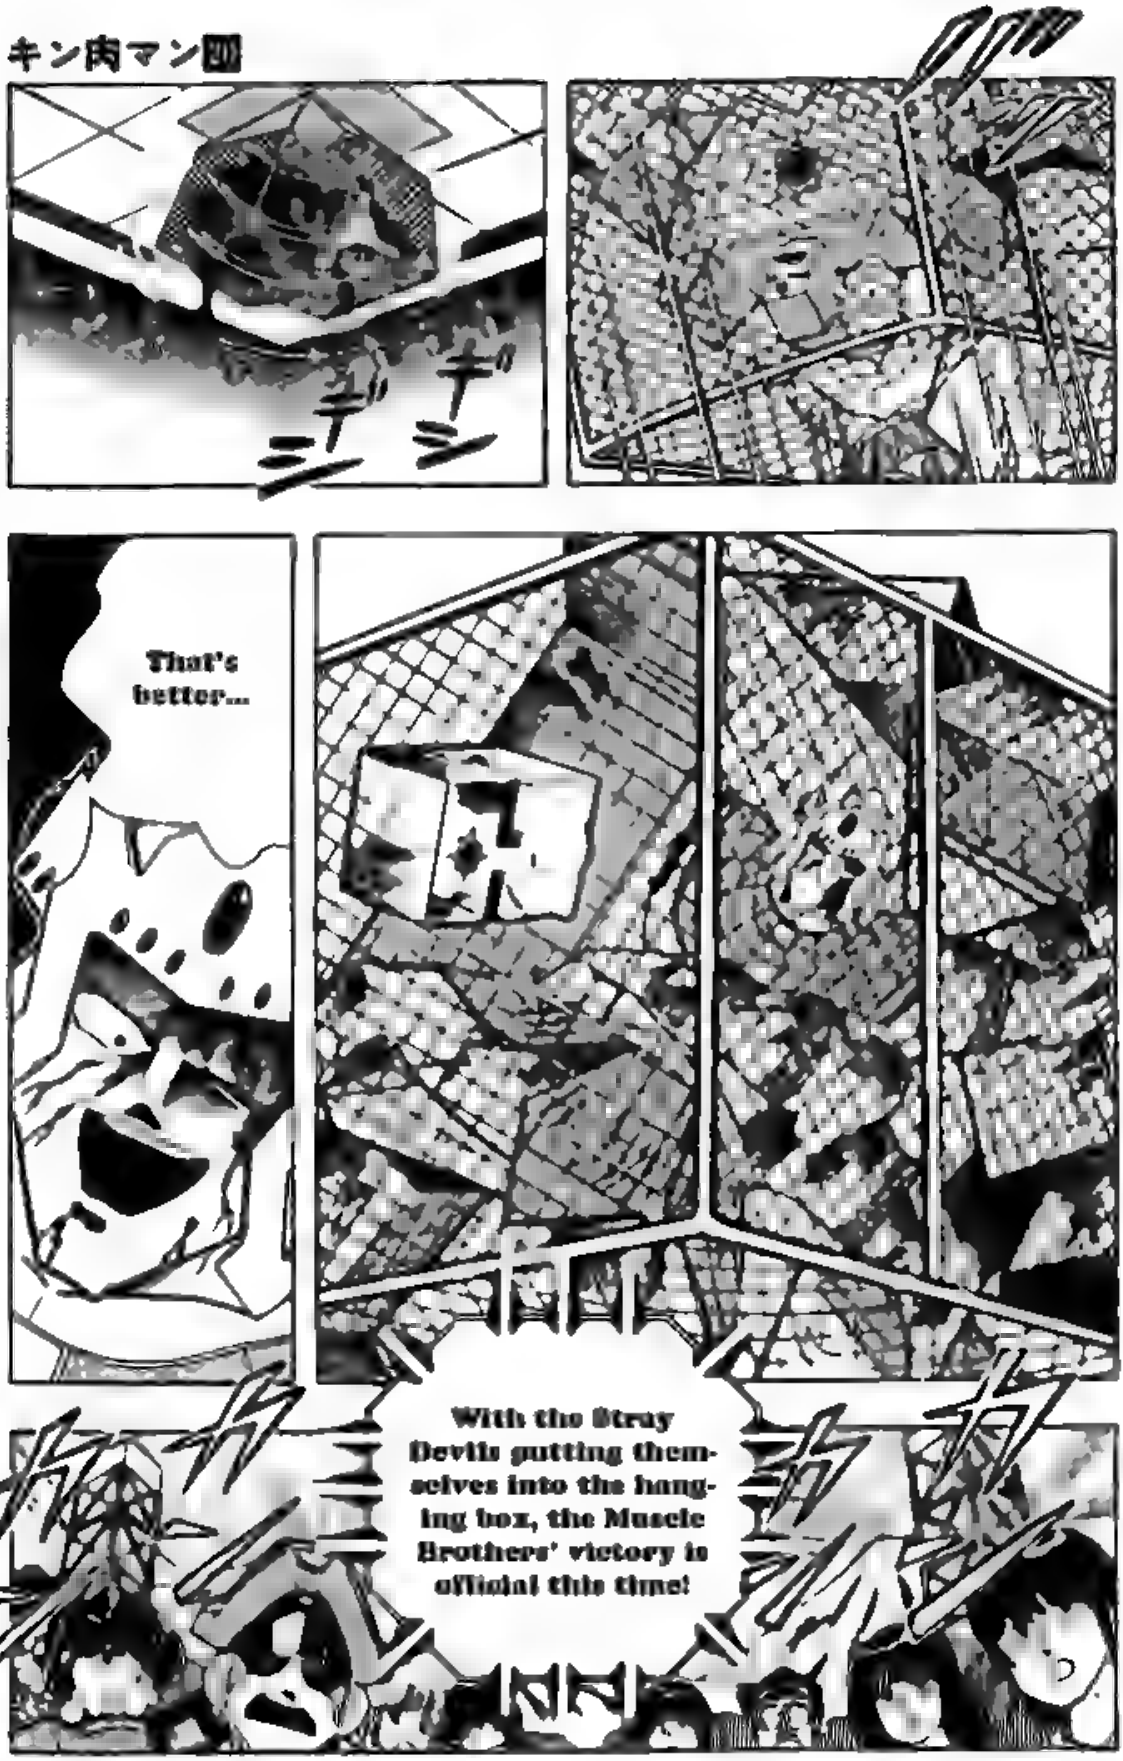
Ashuraman! The Muscle Brothers refused to put you into the hanging box! This'll be an easy victory if you toss them both into it now!
The stubborn Stray Devil Combo have gotten up yet again!
あお…
Awa wa-wa!
Then we'll...
KA... KAKKA... You're... too soft, Kinnikuman... If you won't throw us into the box...



What the heck are they doing!?
Aah!

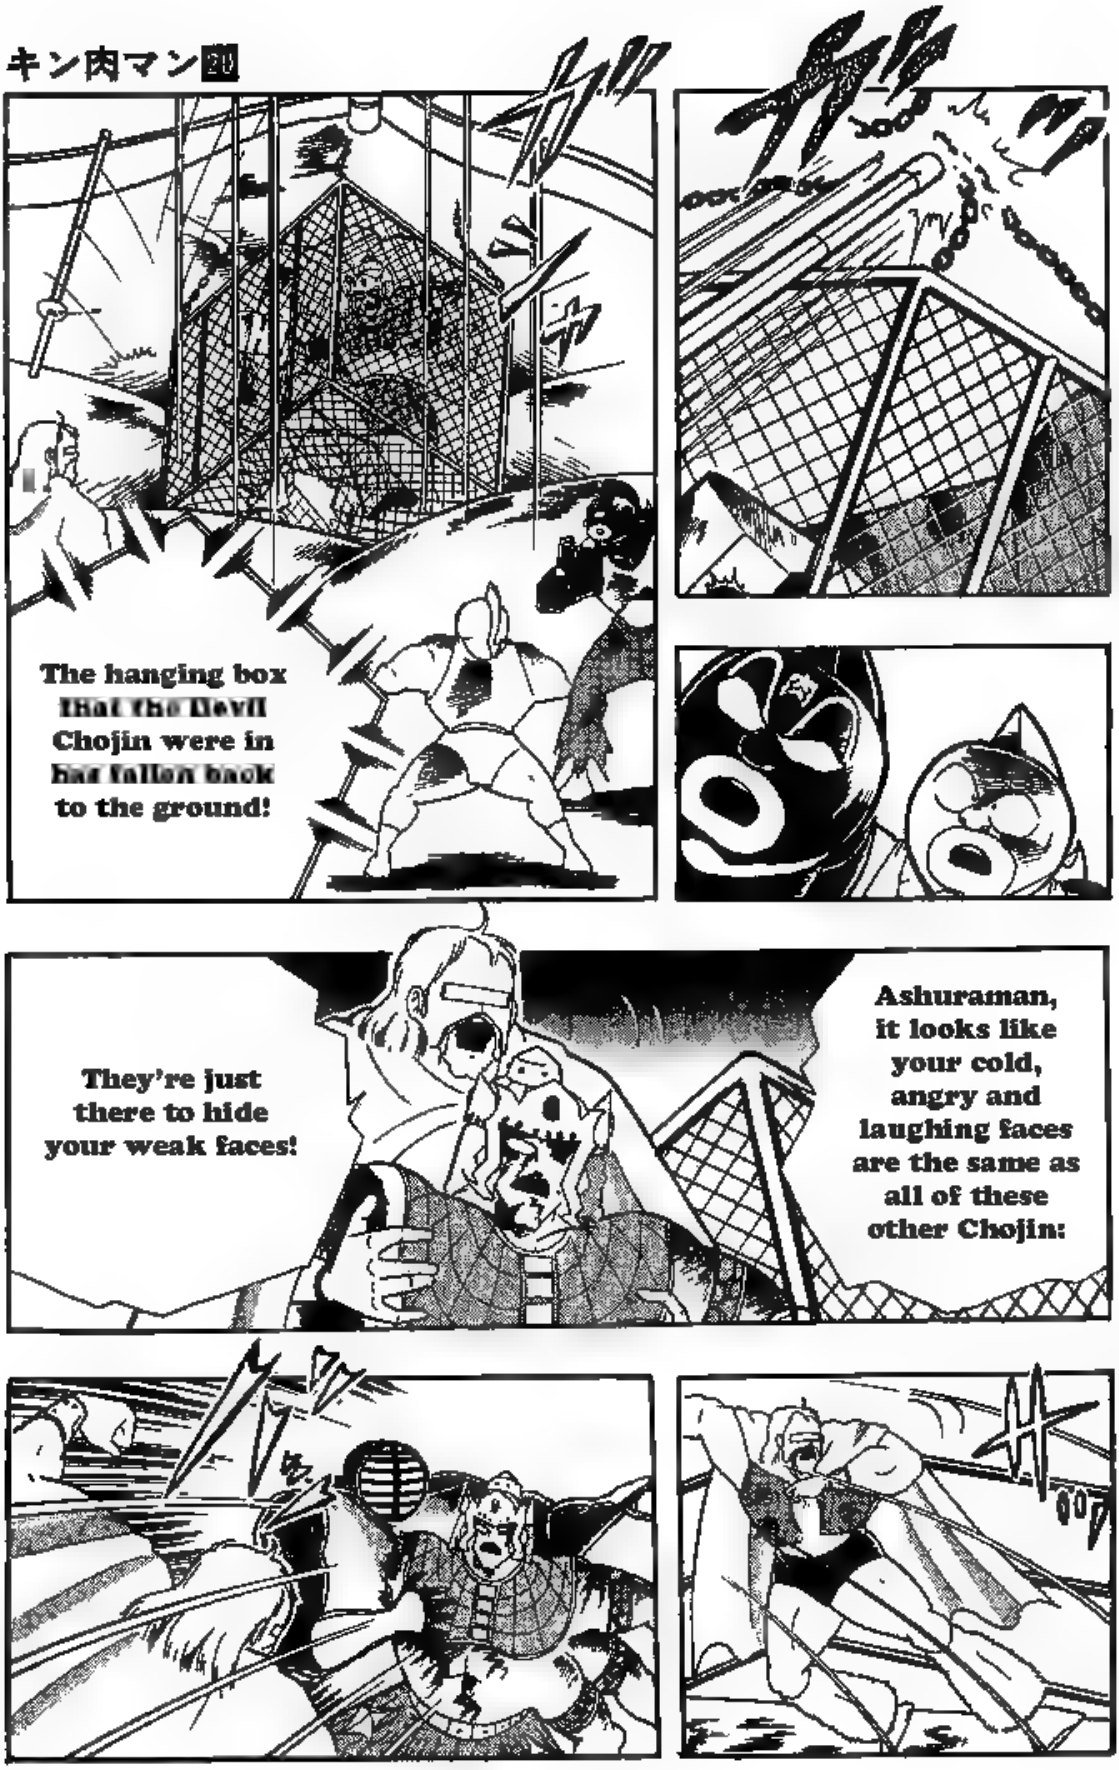


They're finishing themselves by their own hands!
The Stray Devil Combo's Ashuraman, who we thought was going to attack the Muscle Brothers, has put Sunshine into an Asiura Buster and is jumping high into the air!



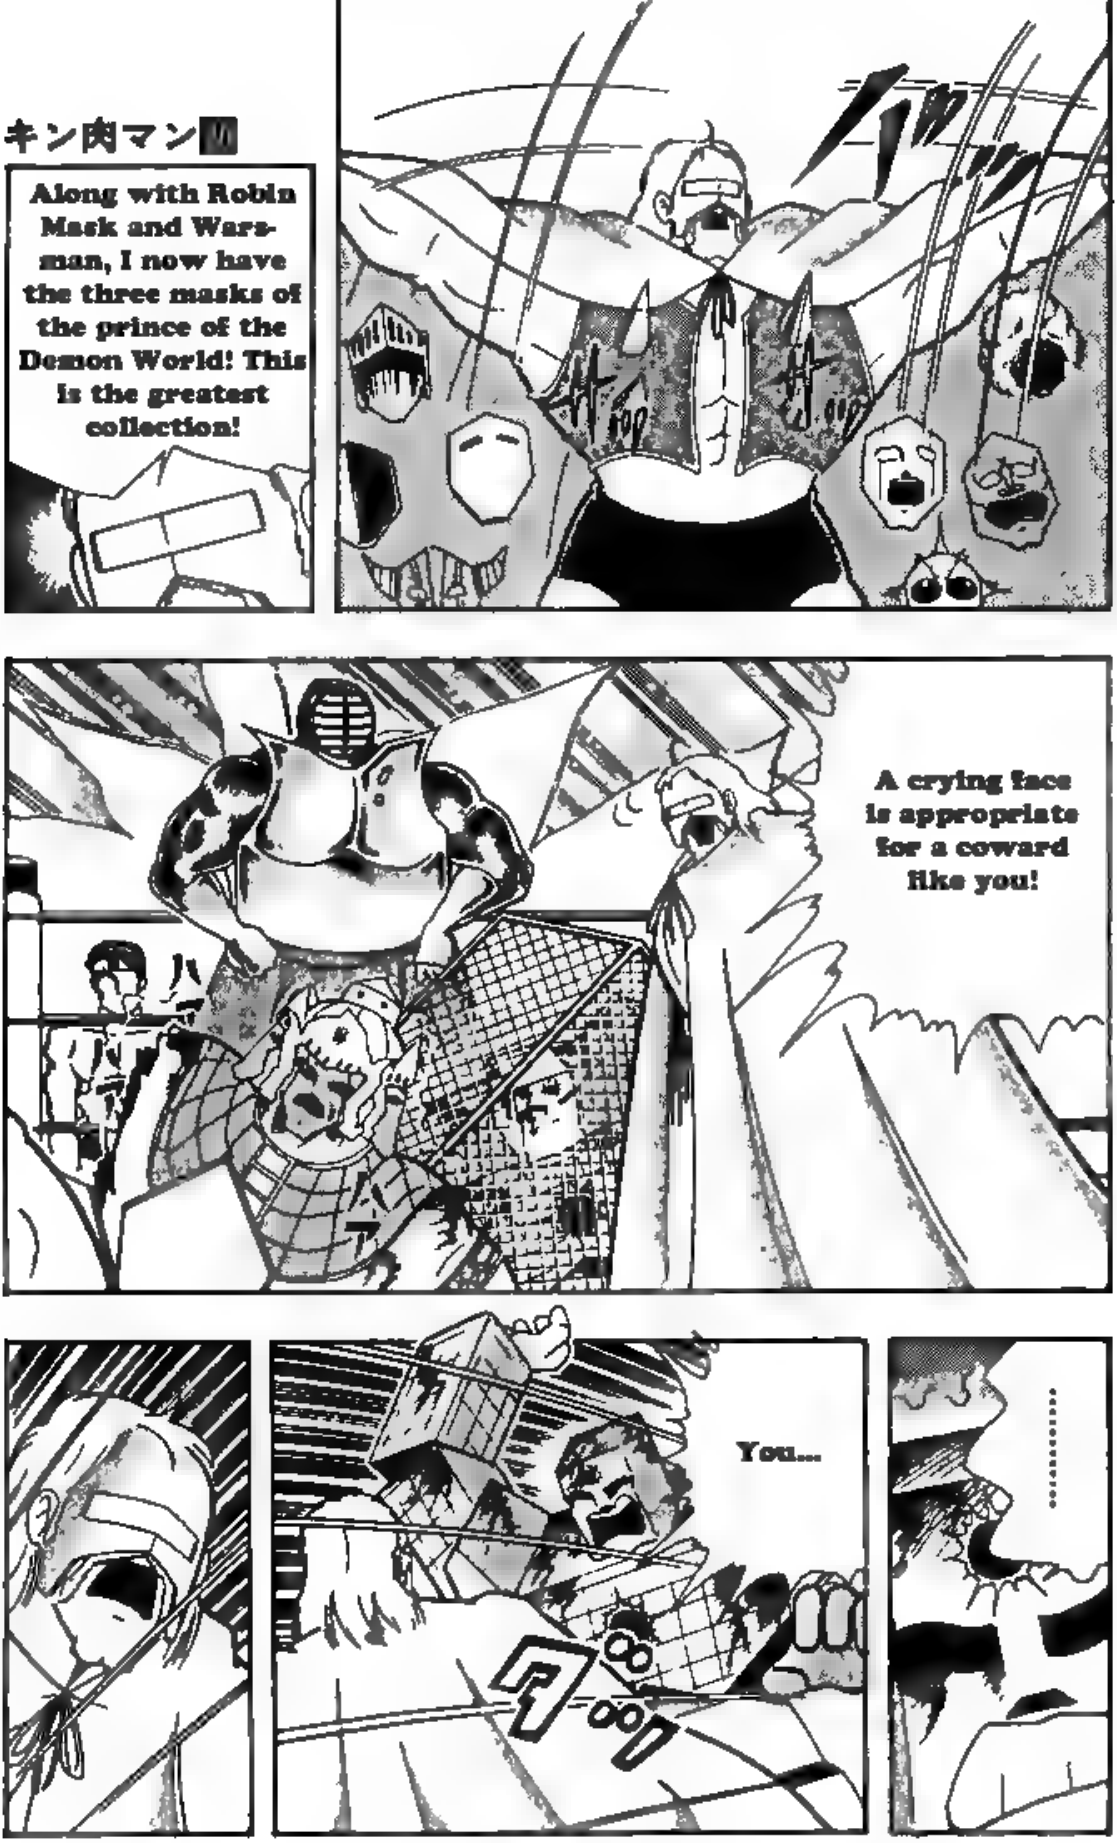
That's better...
With the Stray Devils putting themselves into the hanging box, the Muscle Brothers' victory is official this time!

I thought those devils could help out by smashing the Muscle Brothers a bit, but they turned out to be useless.
Right.
Budo, drop them!



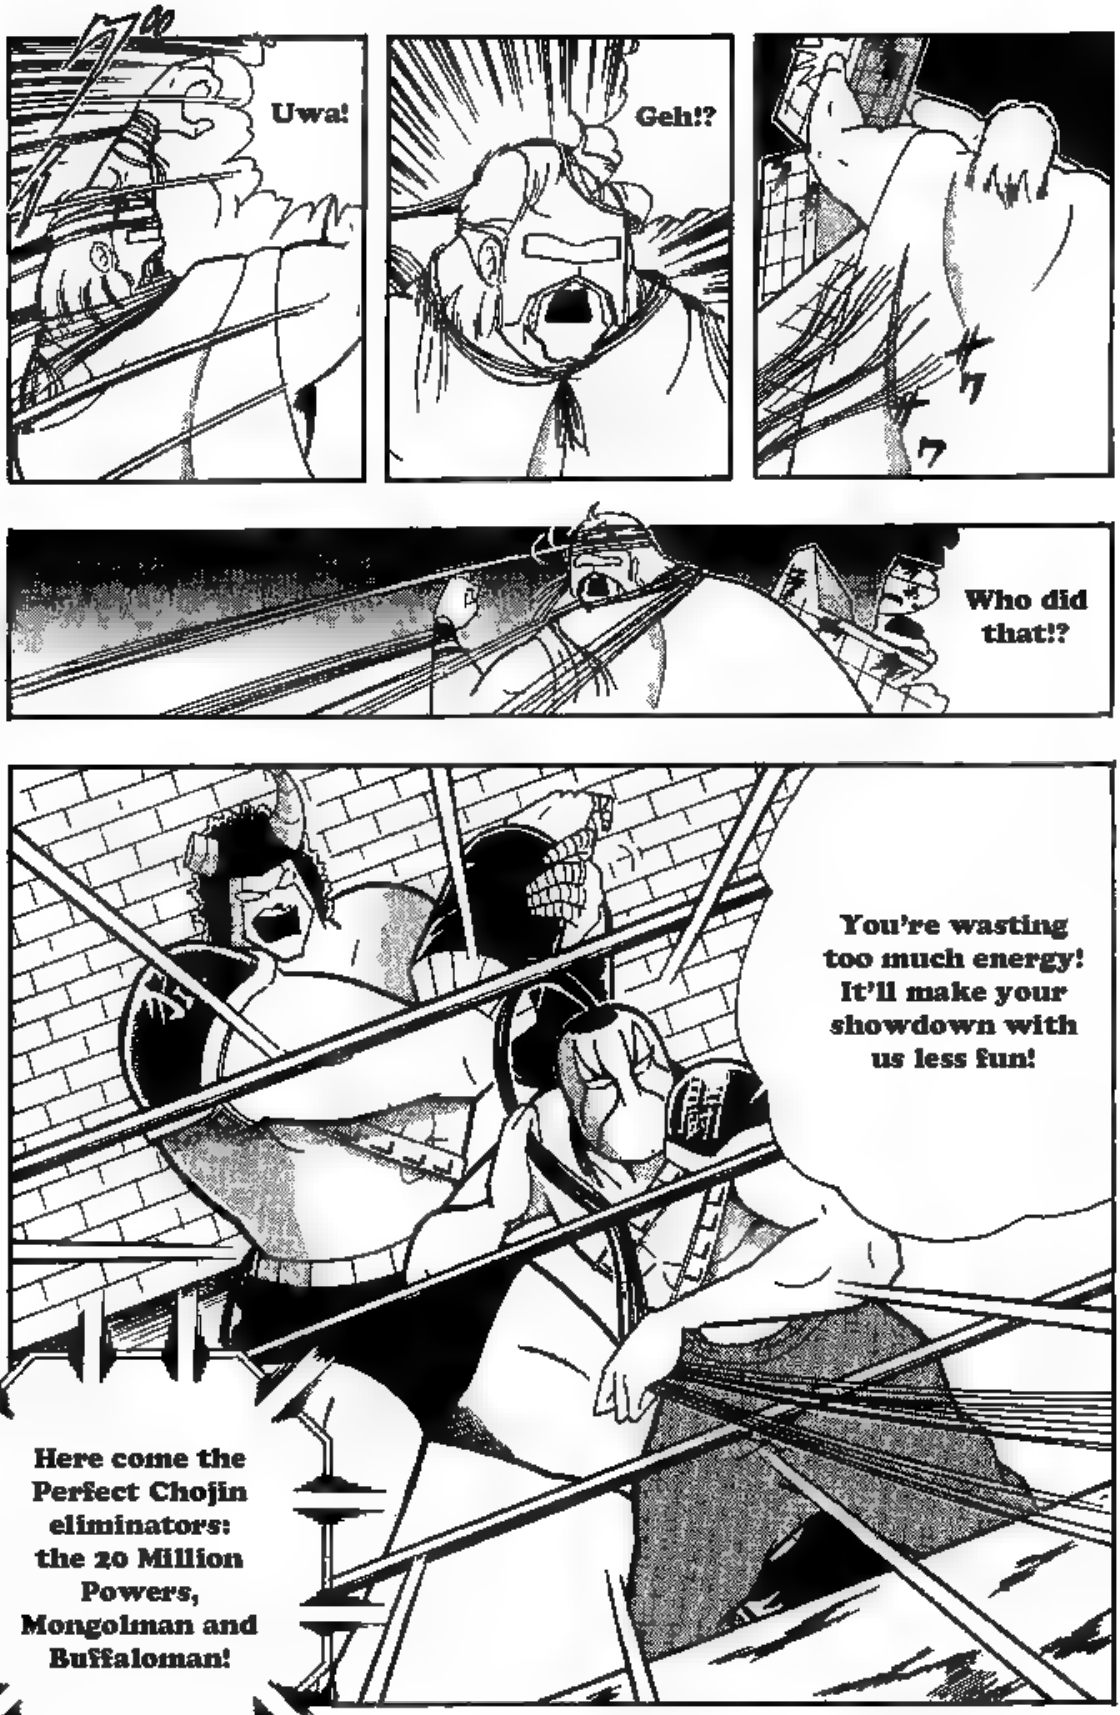
The hanging box that the Devil Chojin were in has fallen back to the ground!
They're just there to hide your weak faces!
Ashuraman, it looks like your cold, angry and laughing faces are the same as all of these other Chojin:

Cross Bomber!
Ashuraman's three faces have been hunted!



Along with Robin Mask and Warsman, I now have the three masks of the prince of the Demon World! This is the greatest collection!
A crying face is appropriate for a coward like you!
You...
.....

Quarrel Special!
Stop!
Uwa!
Hahaha, how's that? I can take care of both of you devils alone!
Ugya!
Kinniku-man!

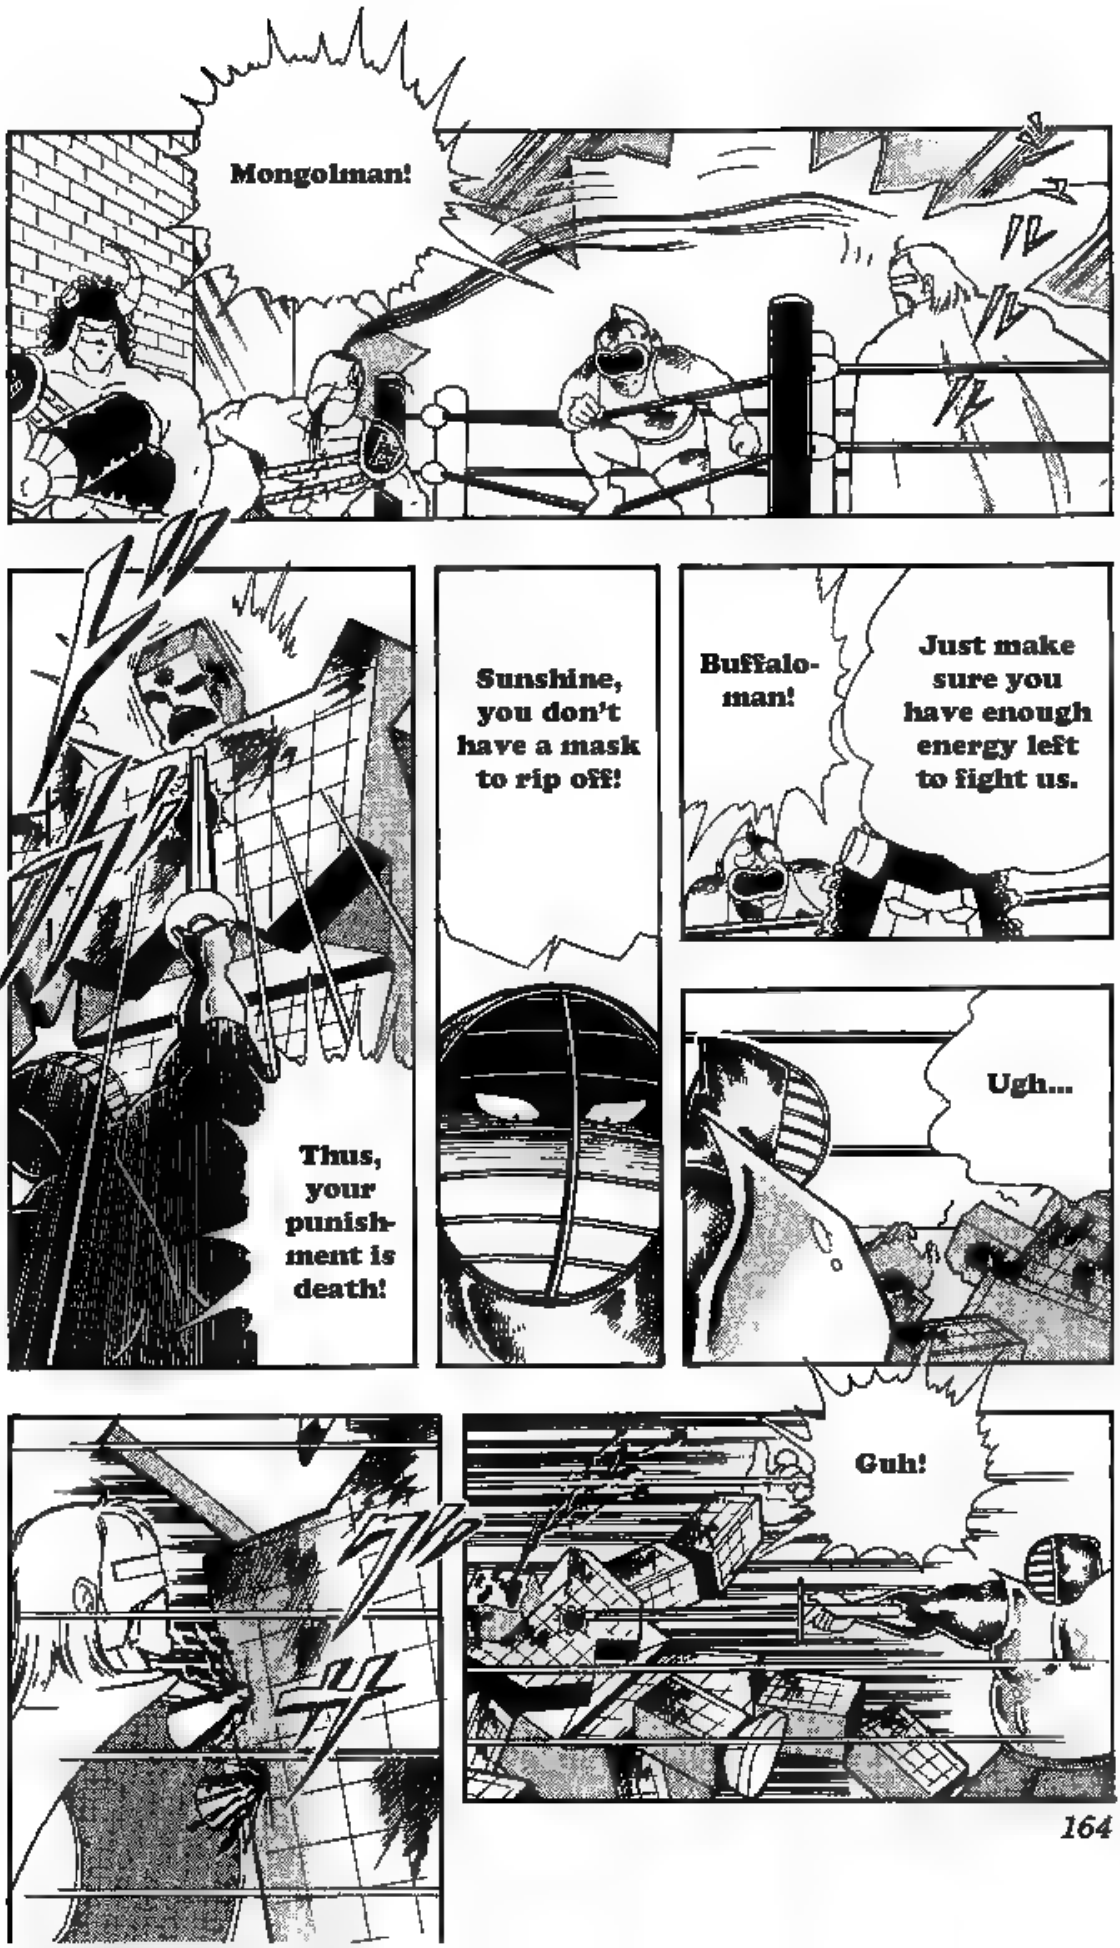


Uwa!
Geh!?
Who did that!?
You're wasting too much energy! It'll make your showdown with us less fun!
Here come the Perfect Chojin eliminators: the 20 Million Powers, Mongolman and Buffaloman!

Dream Chojin Tag Arc 36

Mask-Removal Declaration!

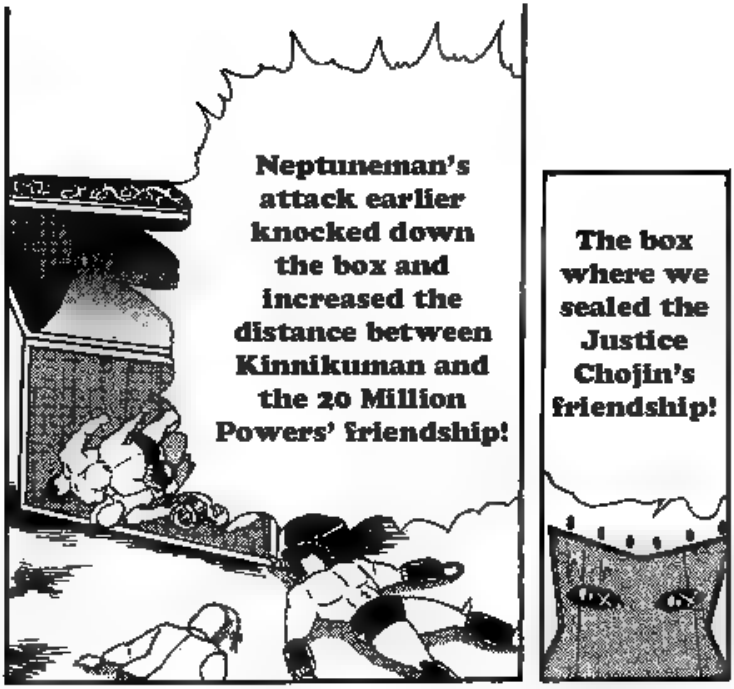
Buffaloman and Mongolman!
Missionaries, you forget that your next opponents are the 20 Million Powers!
We didn't forget. Just give us a moment to finish punishing these devils who betrayed our alliance.
...Very well. You may finish punishing the devils.
Mongolman, don't let go, no matter what happens! The reformed Devil Chojin will be protected by the Justice Chojin no matter what!



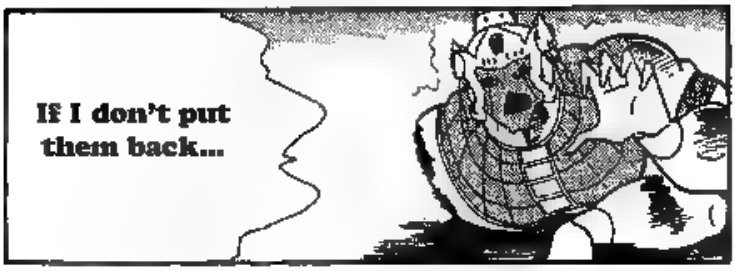
Mongolman!
Thus, your punishment is death!
Sunshine, you don't have a mask to rip off!
Buffalo-man!
Just make sure you have enough energy left to fight us.
Ugh...
Guh!

Hiyah!
Double Leg Suplex!
When did you start taking orders from the Perfect Chojin!?
Sunshine!
That's the end of you two.

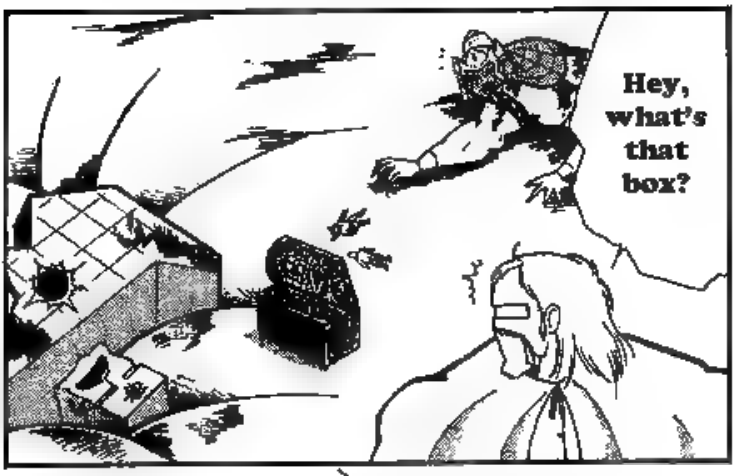
So then why did you help us back when we were suffering with the Devil Combo's Hell Canvas!?
We're not taking their orders, we just agree with their logic. Once you enter the ring, it becomes survival of the fittest. Weak Chojin should be swept away!
I was just in a daze when I helped you before, but now I've deserted you!
I don't know why I did that...
That's...
The friendship between the 20 Million Powers and Kinnikuman isn't restored anymore... What's going one...!?
What!?



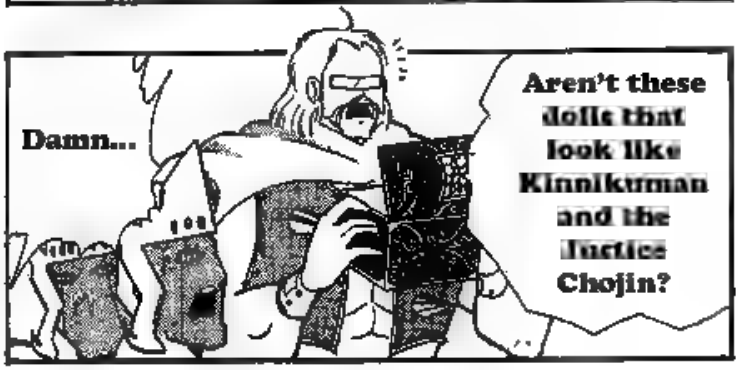
Neptuneman's attack earlier knocked down the box and increased the distance between Kinnikuman and the 20 Million Powers' friendship!
The box where we sealed the Justice Chojin's friendship!



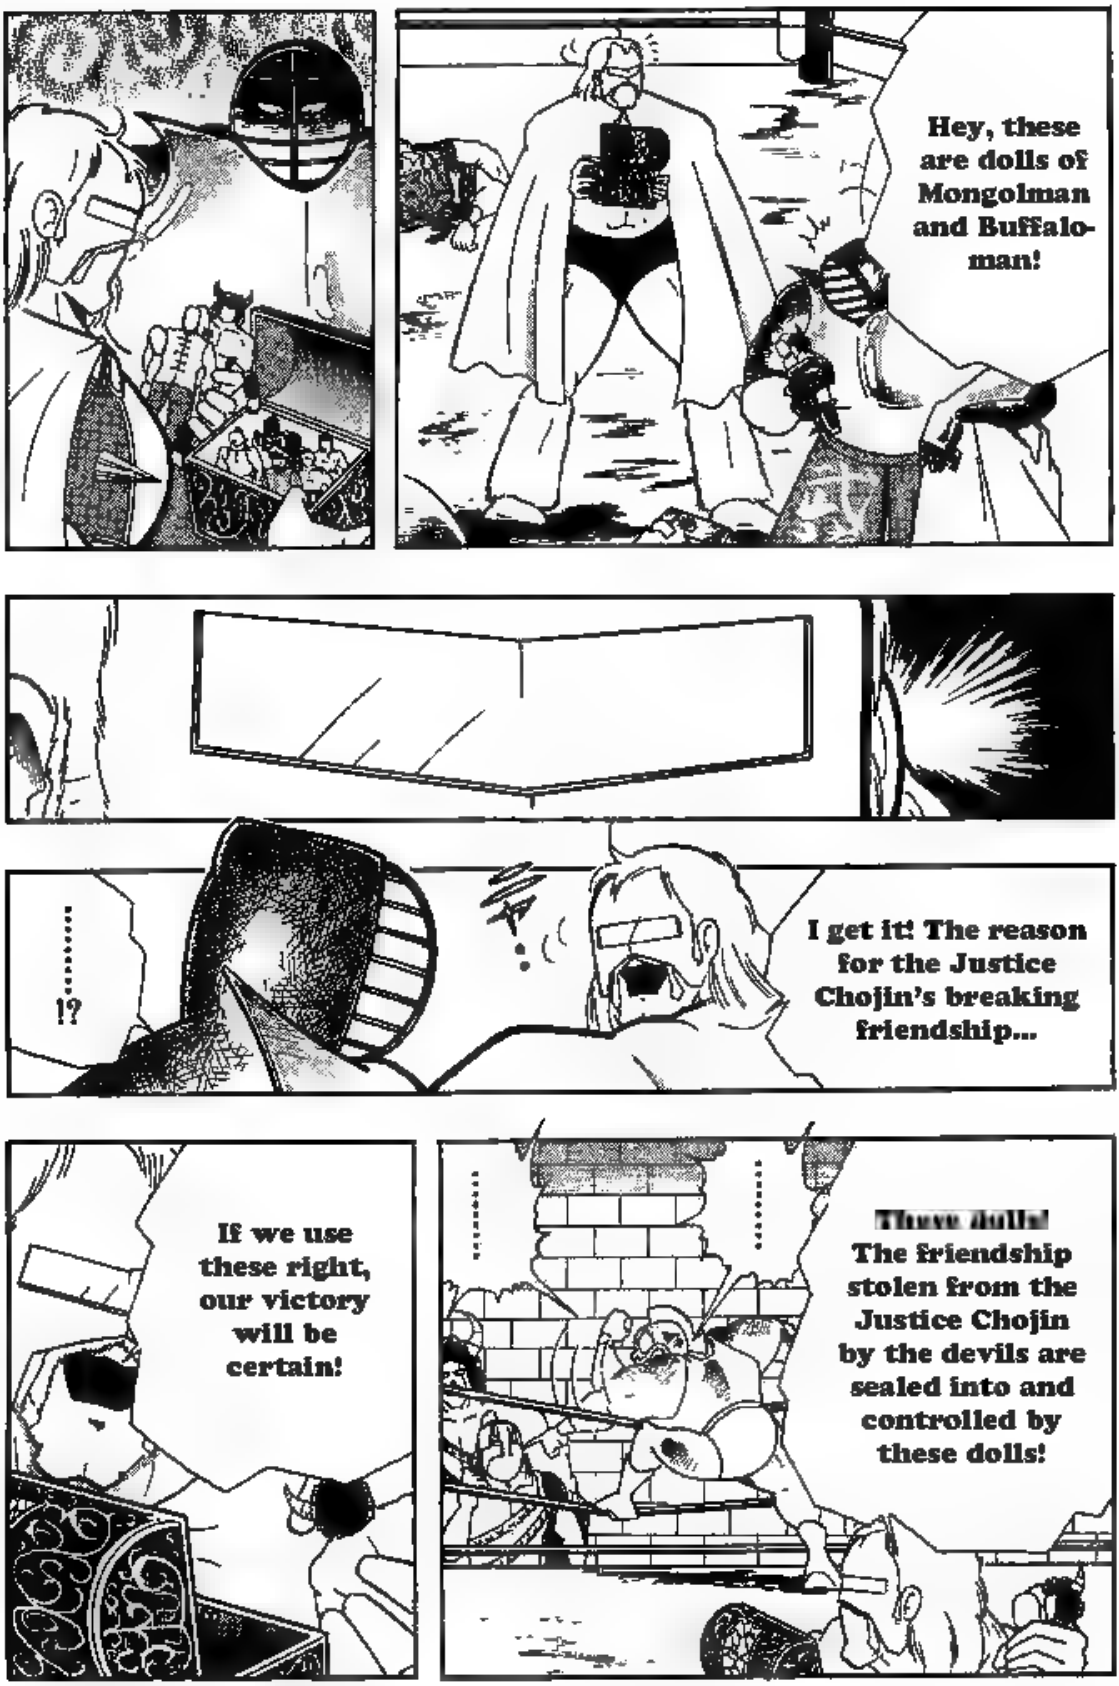
If I don't put them back...



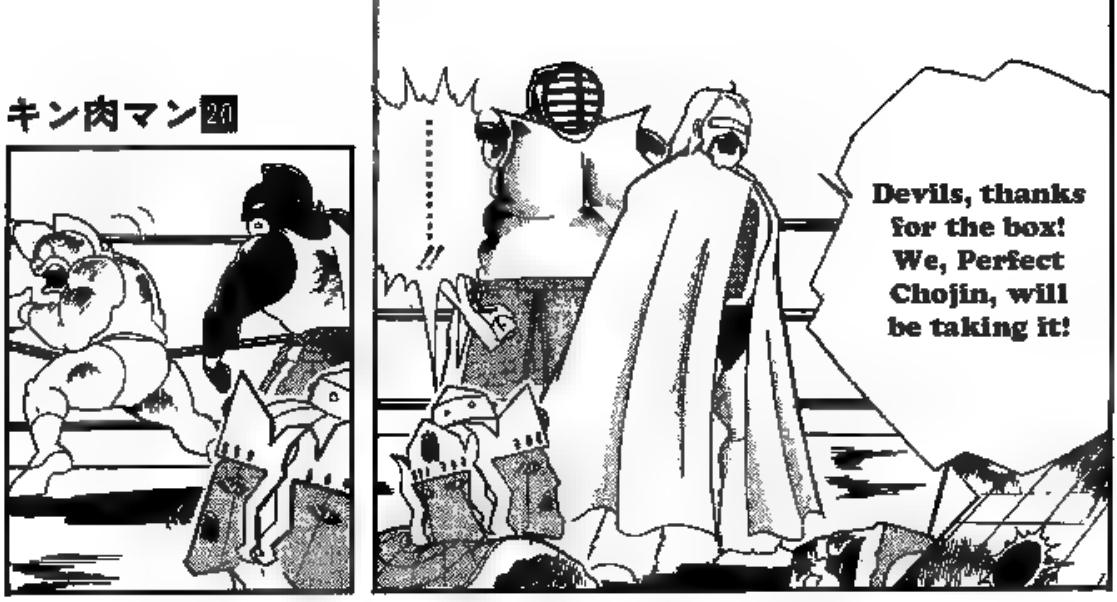
Hey, what's that box?



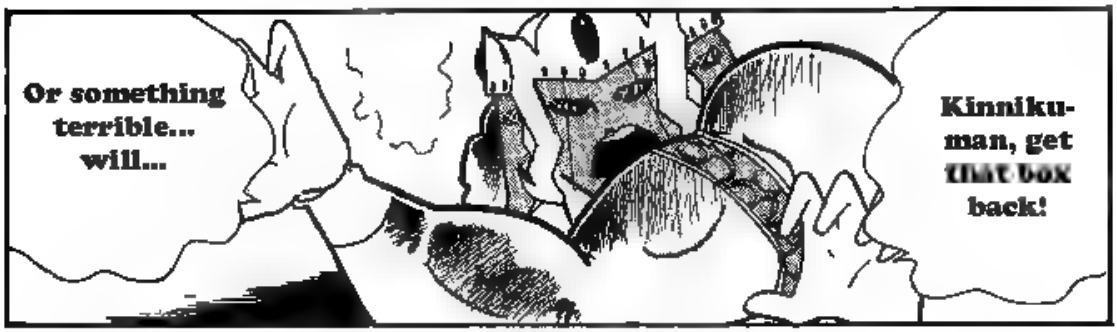
Damn...
Aren't these dolls that look like Kinnikuman and the Justice Chojin?



Hey, these are dolls of Mongolman and Buffalo-man!
!?
I get it! The reason for the Justice Chojin's breaking friendship...
If we use these right, our victory will be certain!
[illegible] dolls!
The friendship stolen from the Justice Chojin by the devils are sealed into and controlled by these dolls!



Devils, thanks for the box! We, Perfect Chojin, will be taking it!



Or something terrible... will...
Kinniku-man, get that box back!

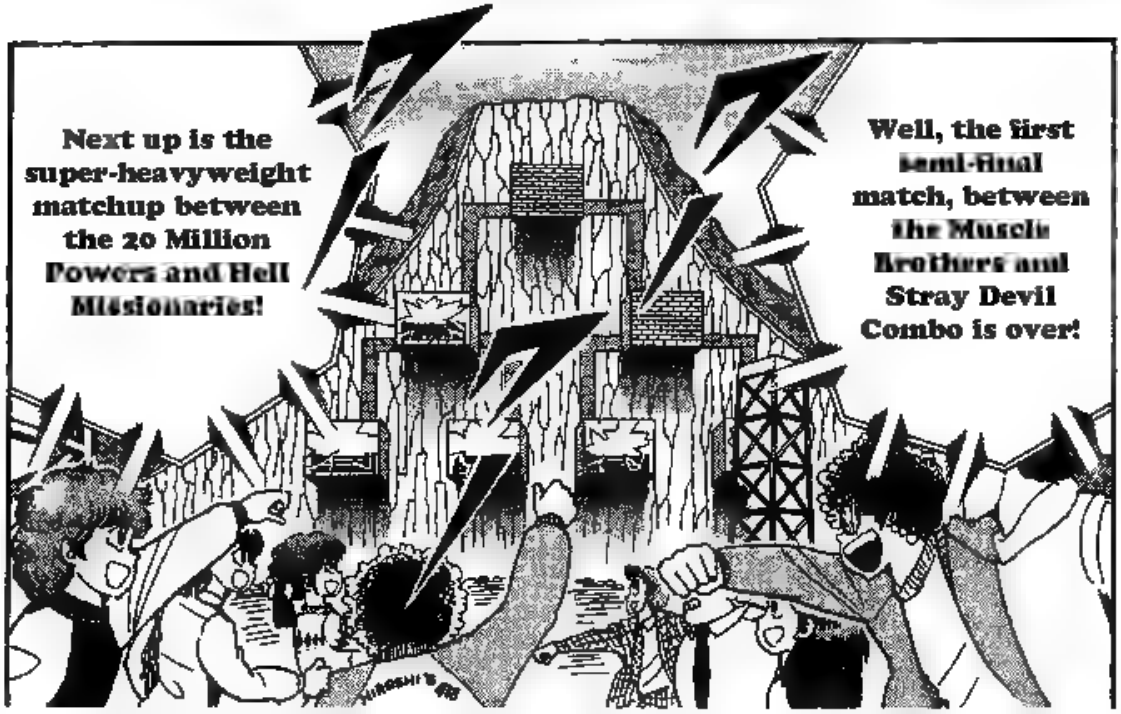
……

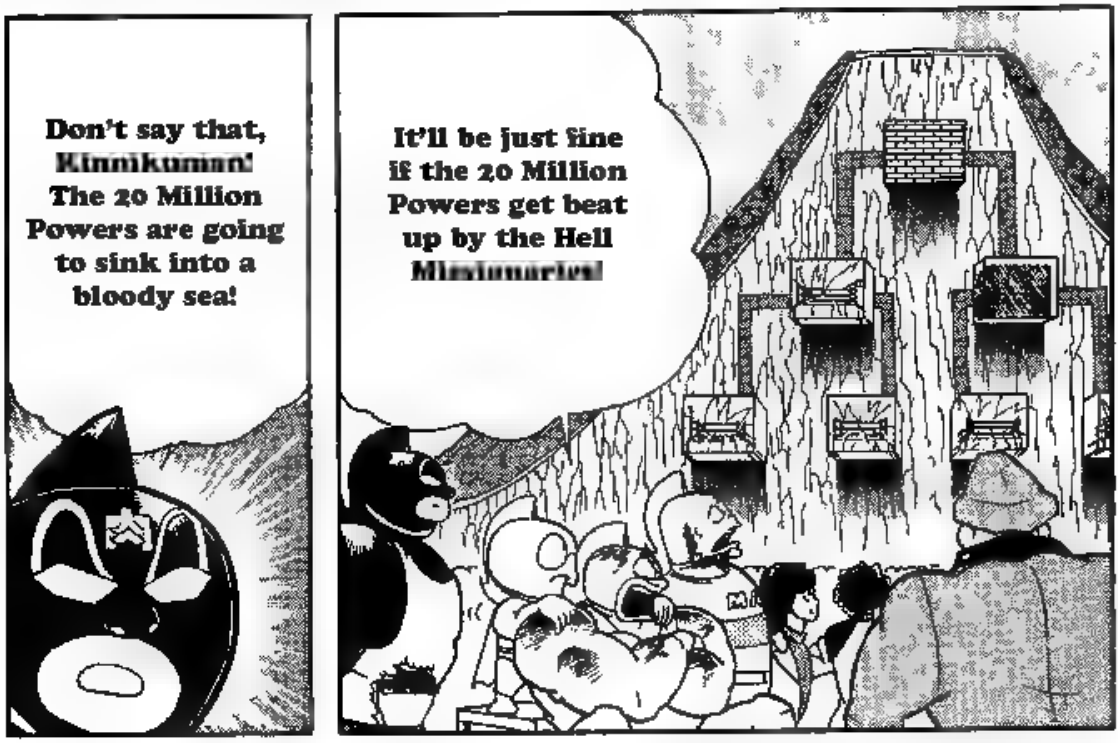


Next up is the super-heavyweight matchup between the 20 Million Powers and Hell Missionaries!
Well, the first semi-final match, between the Muscle Brothers and Stray Devil Combo is over!

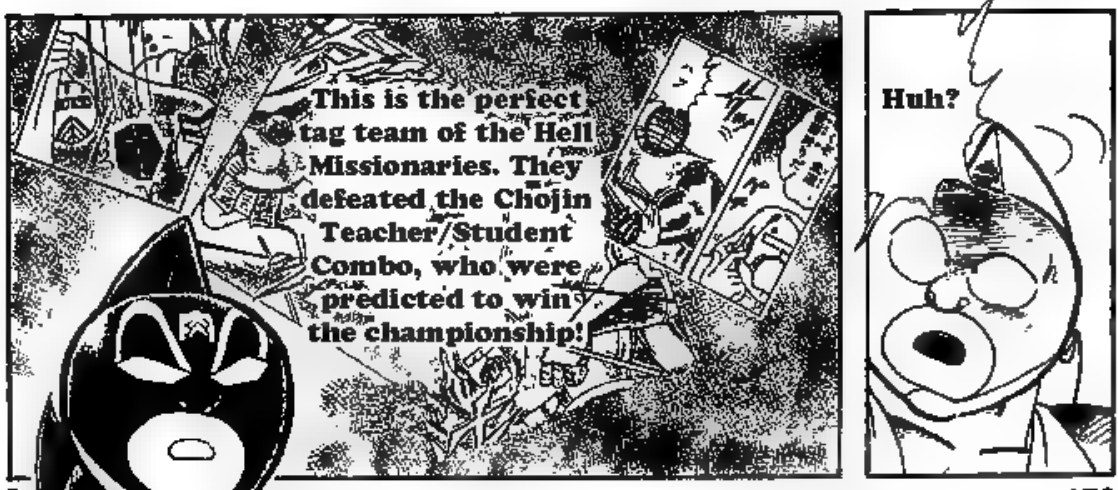
ガシャ
—and there's barbed wire around the ring instead of rope
Aah! This ring has a wire screen around it

A Barbed-Wire Fence Match... Simple as it is, there's no bloodier type of match!
...of Chojin Masks we've hunter!
Look at the number...
Neptuneman has declared the removal of Mongolman's mask!
The next one to join the collection will be Mongolman's! We're taking your mask!

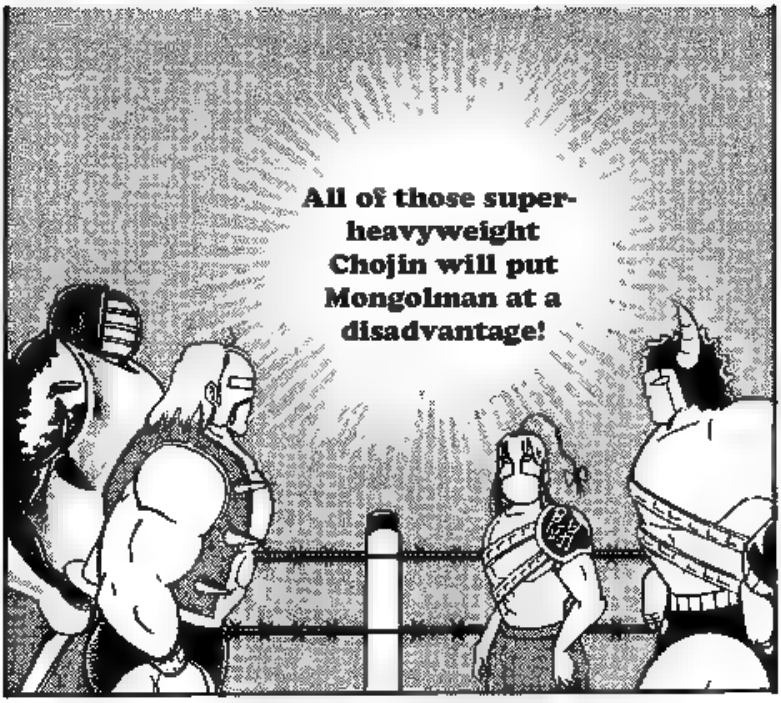
No, it's nothing ...
What's wrong, Mongolman? You seem pale...



Don't say that, Kinnikuman! The 20 Million Powers are going to sink into a bloody sea!
It'll be just fine if the 20 Million Powers get beat up by the Hell Missionaries!



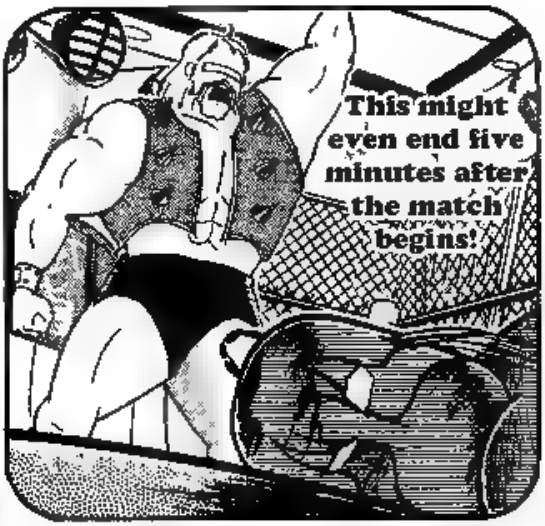
This is the perfect tag team of the Hell Missionaries. They defeated the Chojin Teacher/Student Combo, who were predicted to win the championship!
Huh?



All of those super-heavyweight Chojin will put Mongolman at a disadvantage!

The 20 Million Powers are recognized for Buffaloman's power, but...

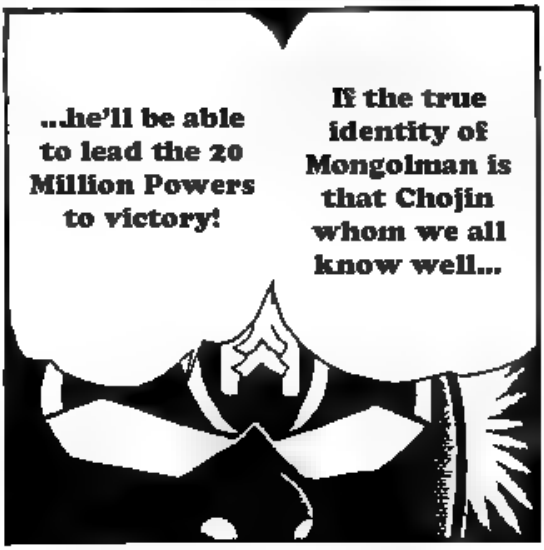
Niku, aren't you over-esaggerating how badly they'll be defeated?



This might even end five minutes after the match begins!

Hear me out.

By "that Chojin", do you mean...?



...he'll be able to lead the 20 Million Powers to victory!
If the true identity of Mongolman is that Chojin whom we all know well...

Yes! That Chojin!
Well, the gong has sound, and the first showdown will be a power match between Buffaloman and Neptuneman!
They're matching their strength in the middle of the ring!

However, this "boring" match will soon turn into a hellish one.
Since they're surrounded by barbed wire, they can't use any technique that requires the ropes. That means the match will come down to a true struggle of strength!
How boring.
Crap.
Buffaloman seems to be winning the contest of strength!
I'm unleashing my 10 Million Power!
ﾌﾞﾌｫｫ
Hiyah!
Neptune has skillfully countered!
ﾊｧﾊｧ
Buffaloman has become the first victim of the barbed wire!

Aah!
Buffaloman of the 20 Million Powers has switched to Mongolman, master of magnificent aerial techniques!
Hiyah!
Switch, Buffalo-man!
Ugh!
Oh, right...
Heh, even your aerial techniques require the rope rebound... That's barbed wire, so you can't put your arms or legs on it!

If it doesn't use the rebound of the ropes...
Hahaha! It's hope-less!
Amazing! Neptuneman has chained Mongolman from an Atomic Drop into a Back Drop!
Hiyah!
It just feels like a mosquito bite!
I just hope Mongolman really is that Chojin...
It's been four minutes since the match started... Will Niku's prediction of a 5-minute win come true?
Mongolman really is at a disadvantage!

Neptuneman is signaling danger by touching his left arm! Could it be the Quarrel Bomber!?
Well, shall we turn this into the shortest match ever recorded?
Mongolman seems to be worn out!
Quarrel Bomber!
I know!
I need something to replace the rope...
That small jump won't be enough!
Mongolman avoids it with pure willpower!

Hear this!
Will be used as the ropes!
The wire screen...
Somehow, Mongolman has used the rebound from the wire screen for a deadly kick!
The match just passed the five minute mark! That must mean Mongolman is really...

By using this wire screen...

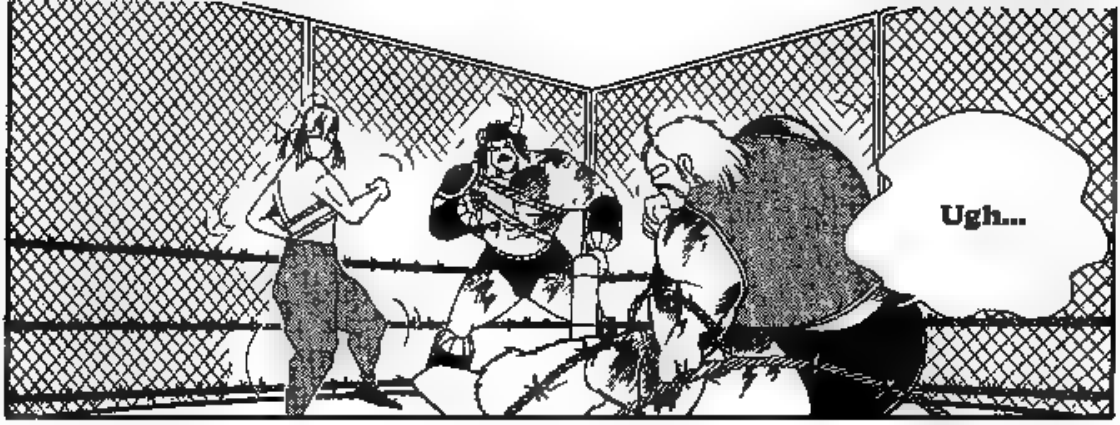
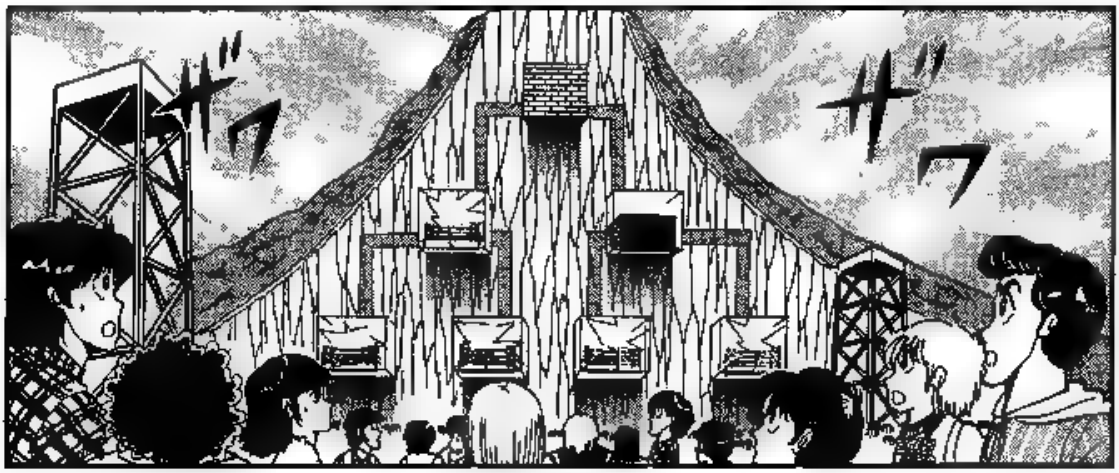
A Team Kinniku Release

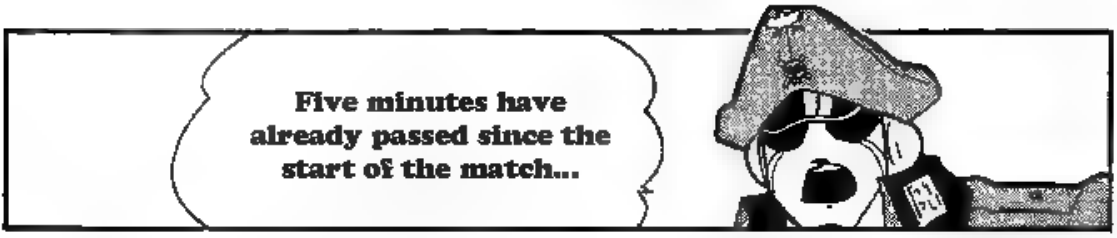


Ugh...



ガ
ッ

It's because of Mongolman's true identity. He's an efficent Chojin, so the Missionaries are in for a hard fight.
I underestimated Mongolman's true power and expected this to end in five minutes.



Five minutes have already passed since the start of the match...

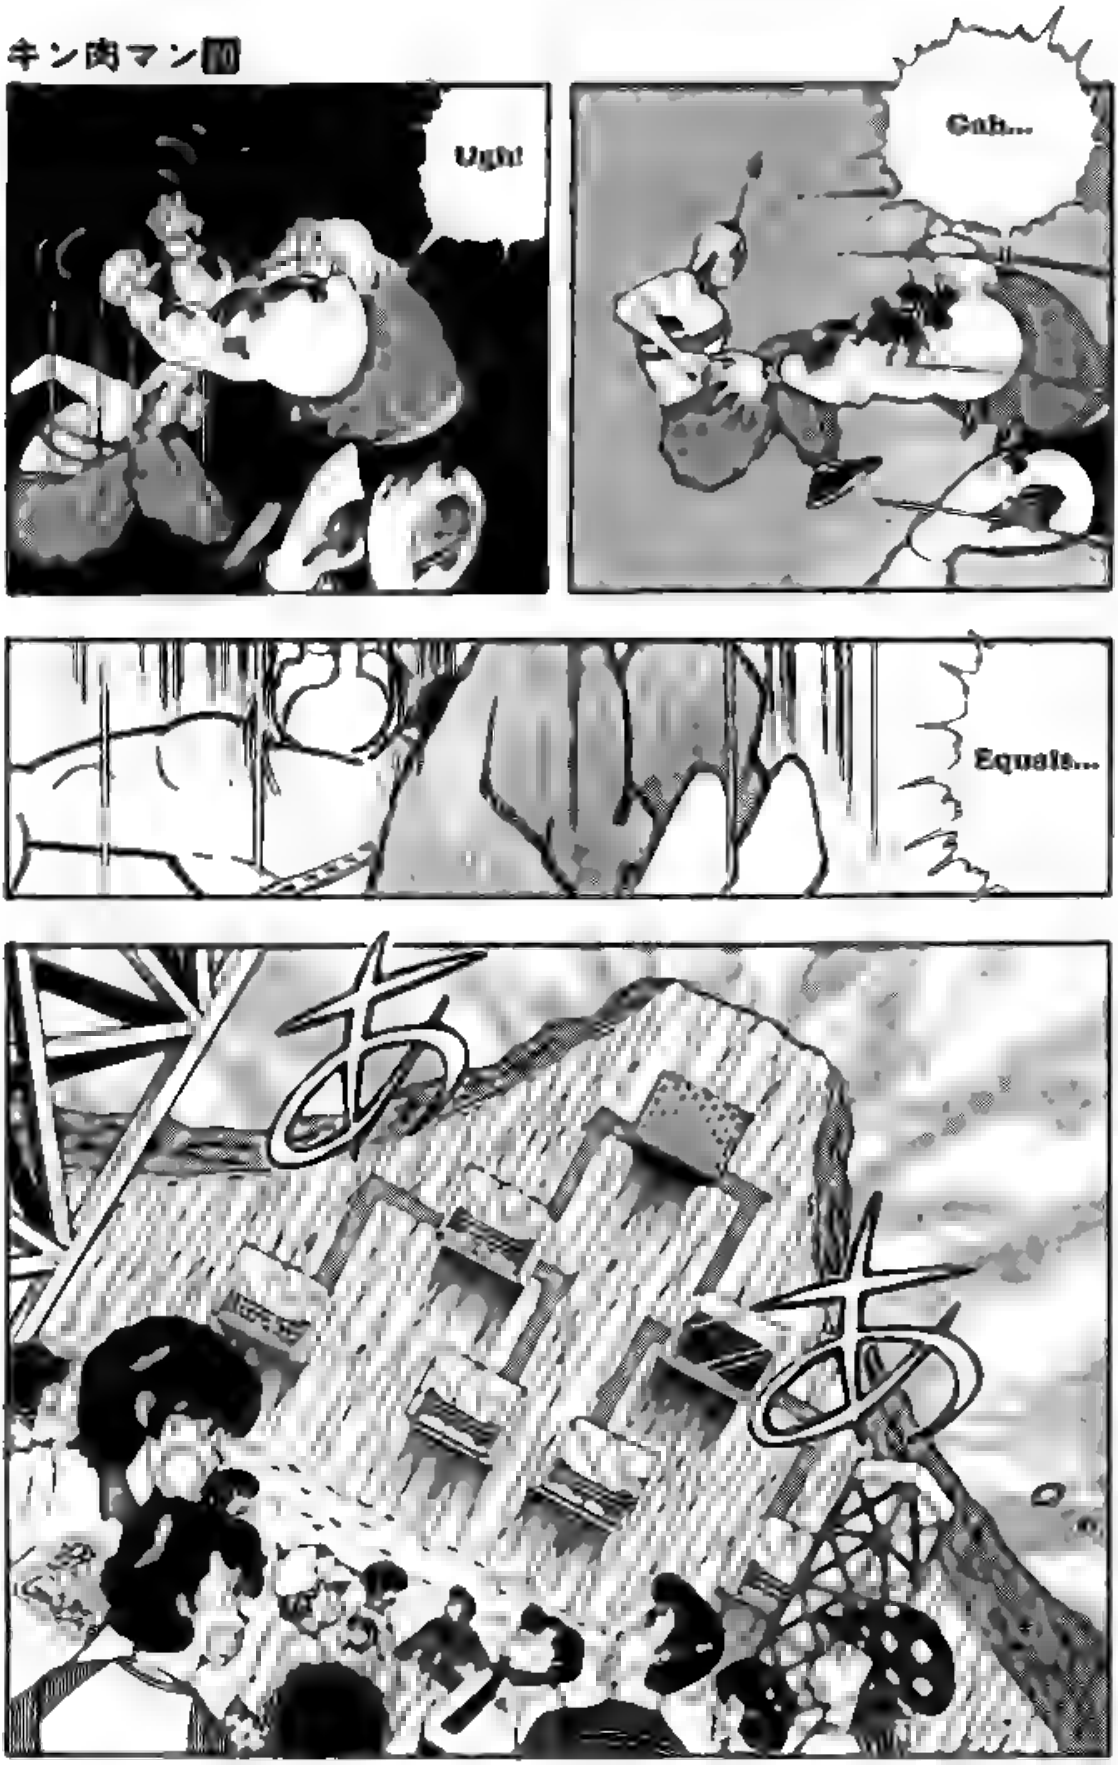
There's no mistaking it.

So Mongolman really is the guy who's been watching us since back then?

Mongolman... If you really are Ramenman, when your mask is taken off, maybe you can finally tell us why you disappeared so after being hit by Warsman's Bear Claw attack!
If Mongolman's mask is ripped off, that means he was defeated!
Wait a minute...
I want to know if he's really Ramenman, but I don't want to see him defeated!
I'm fine, I was just caught off-guard...
Lord Neptune-man!
Right then... If you don't want the friendship to remain fractured, it's best not to wish for their defeat...

Buffaloman's Chojin power is 10 Million.
.....
Neptuneman, do you know why we're called the 20 Million Powers?
However, I do have something to make up for that.
But even if you add in my 1 Million power, that's still nowhere near 20 Million.
I have 10 Million techniques!

You...
Buffaloman's 10 Million Power...
Plus...
My 10 Million Techniques...!
Guh!

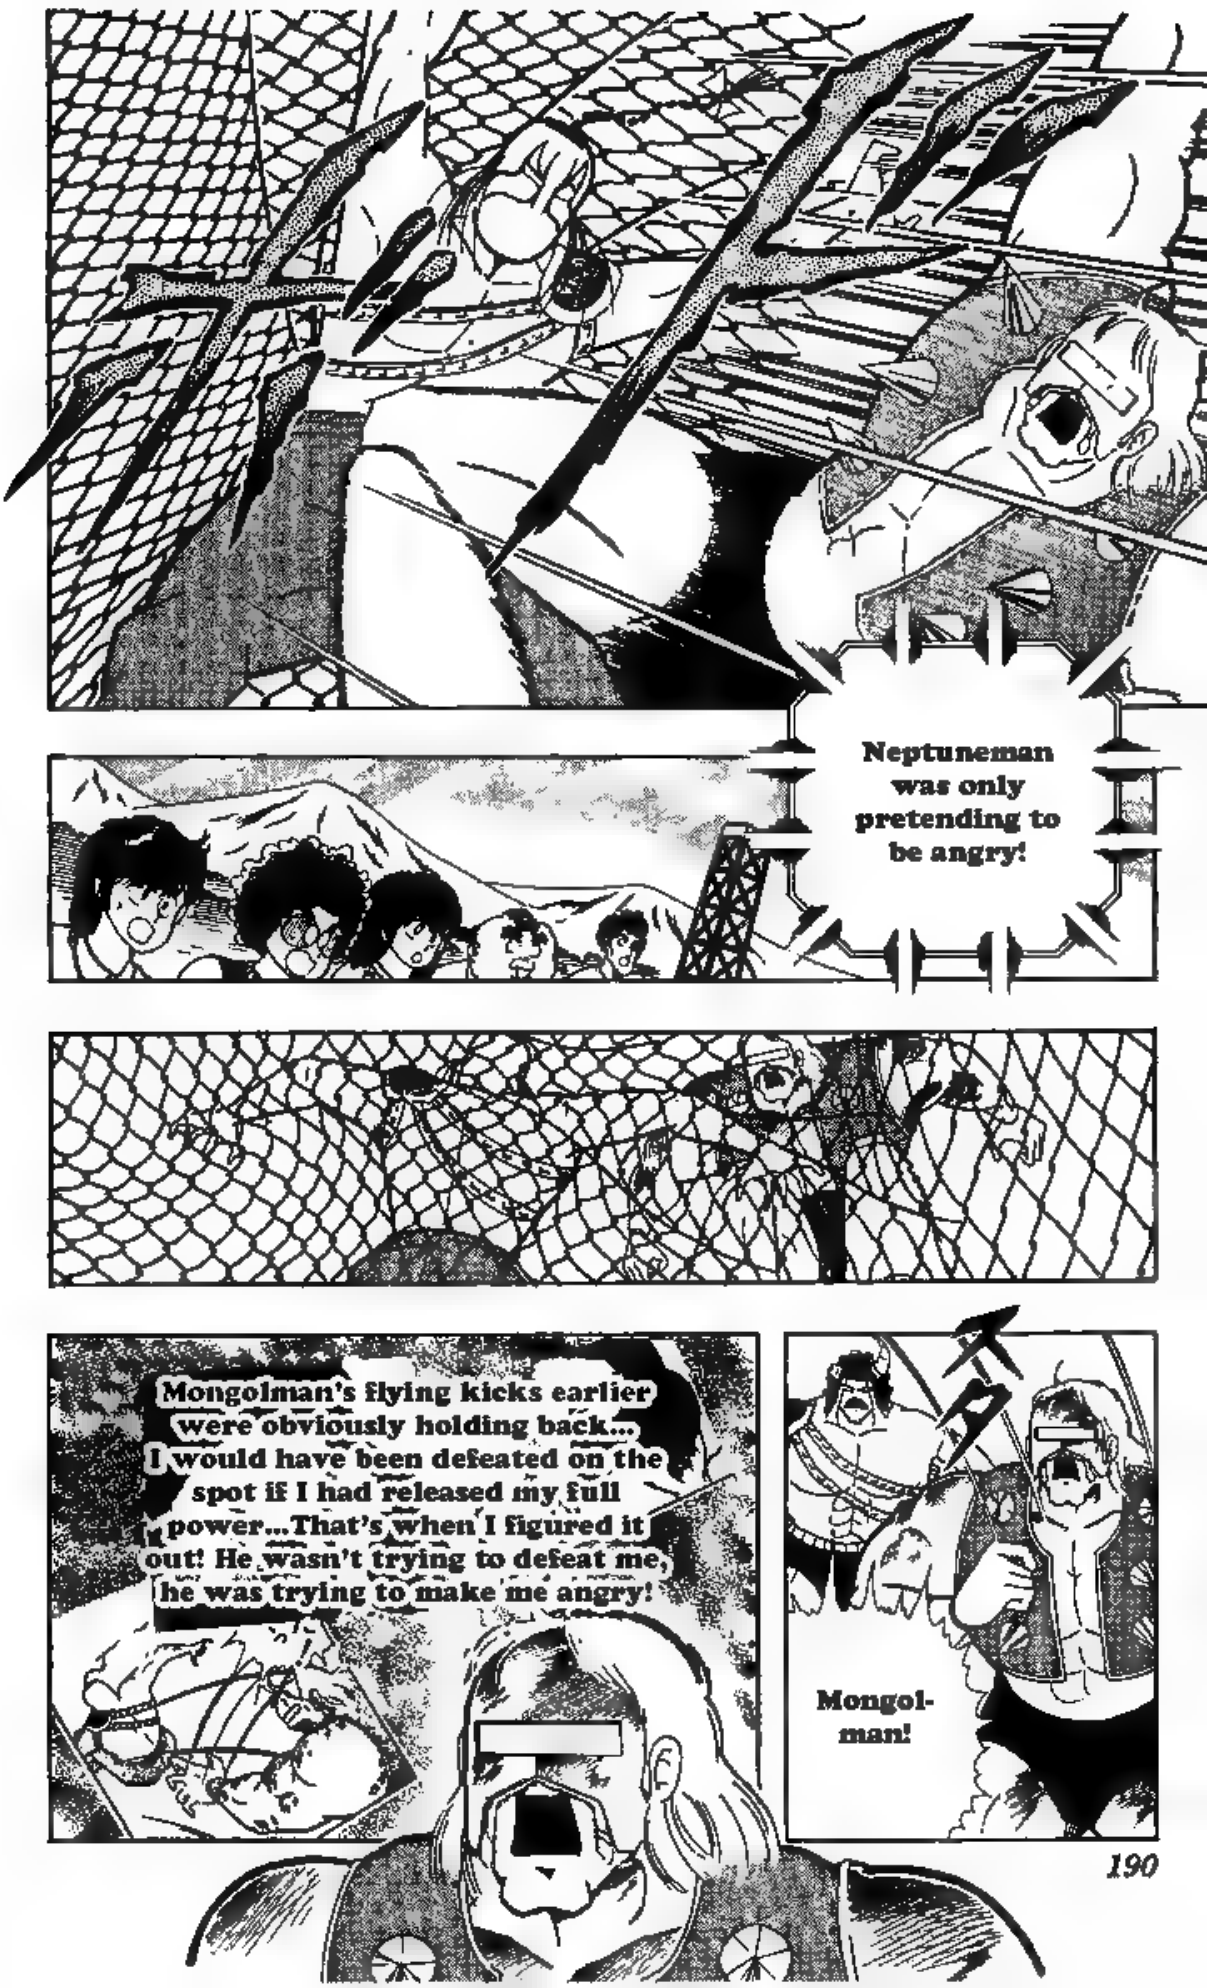


Ugh!
Gah...
Equals...

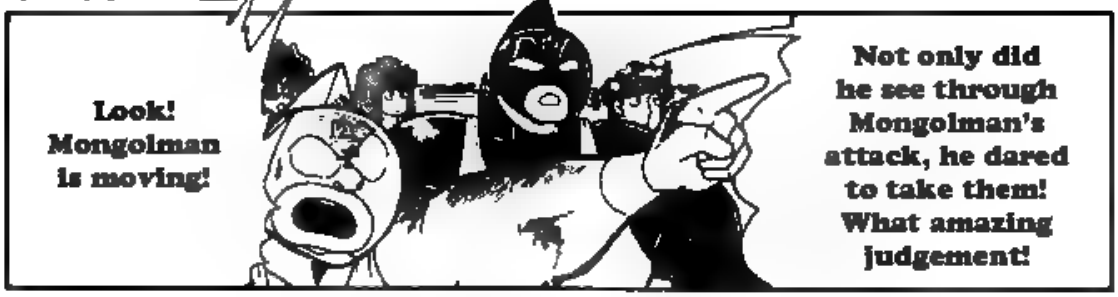
20 Million Powers!
Perfect Chojin Neptuneman is down again due to Mongolman's aerial magic!

I've been hit by an inferior Chojin!

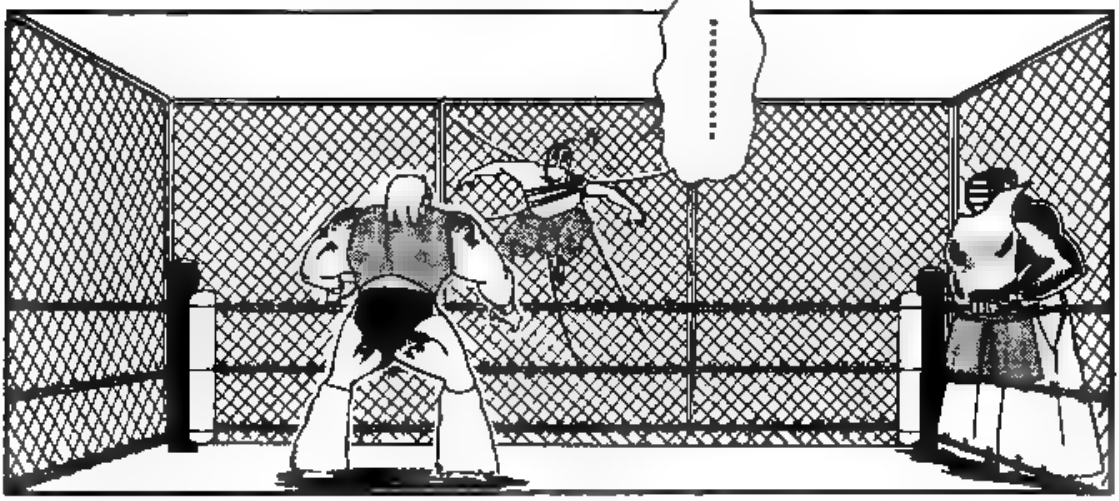
The amazing part about a Perfect Chojin is that they're about to completely discard feelings like love, anger and hatred. However, once those feelings start to escape, they lose that... Mongolman is purposely making Neptuneman angry!
Uhohoho! It's weird seeing the normally calm Neptuneman throwing a tantrum!
Neptuneman is angry!
I'll kill you!!
You're the trapped one!
You're trapped!



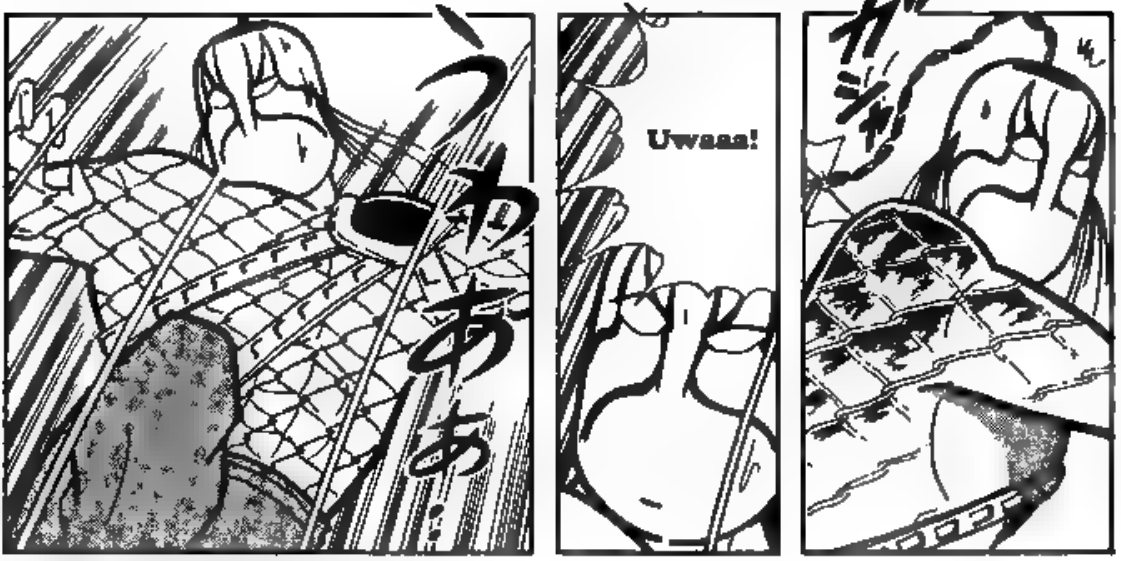
Neptuneman was only pretending to be angry!
Mongolman's flying kicks earlier were obviously holding back... I would have been defeated on the spot if I had released my full power...That's when I figured it out! He wasn't trying to defeat me, he was trying to make me angry!
Mongol-man!



Look! Mongolman is moving!
Not only did he see through Mongolman's attack, he dared to take them! What amazing judgement!



ガシャ
Uh...

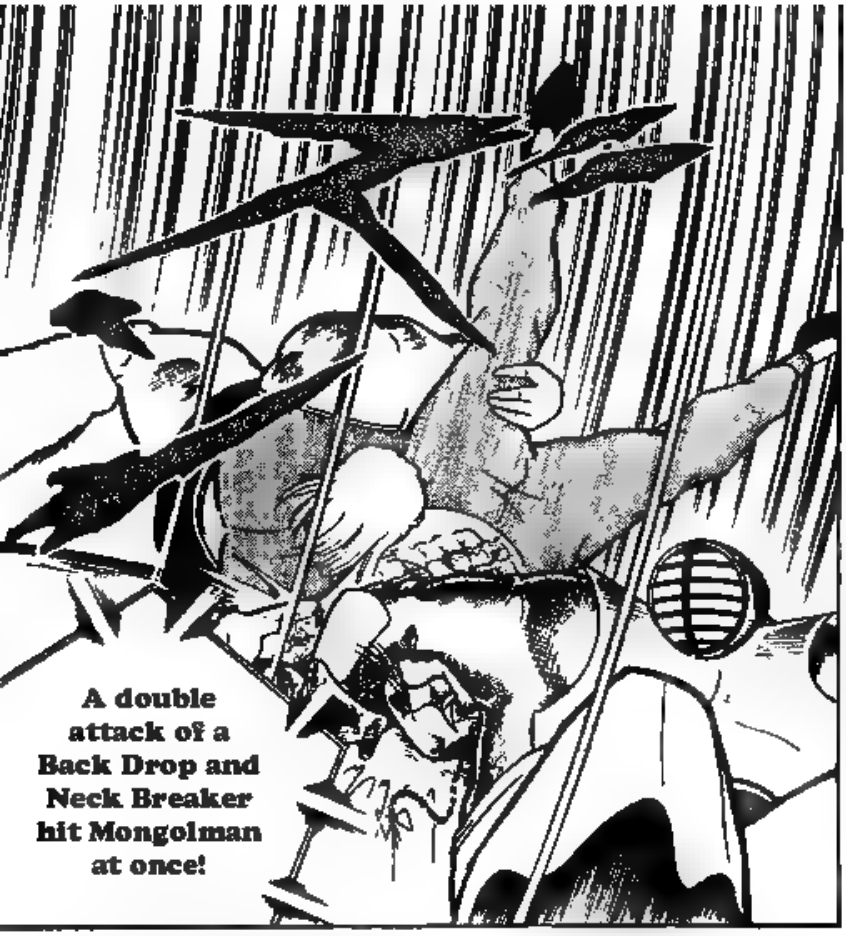


あああ
Uwaaa!
ガシャ

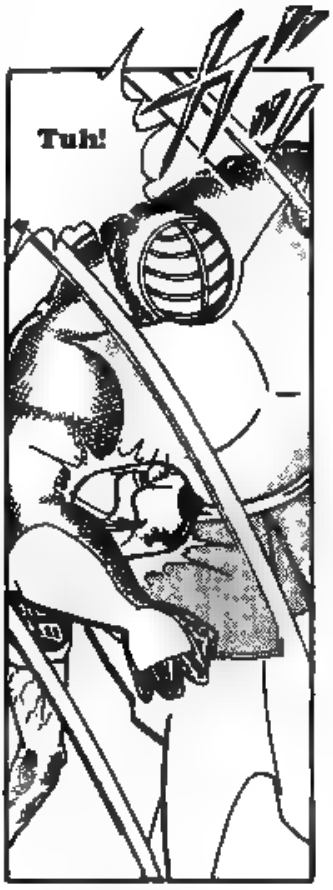
Aah!
No...!
Uwa!
Aah!
Someone! Get rid of these wire screens!
Mongolman has suddenly become afraid of the wire screens after being slammed into them!

Right! If Mongolman really is Ramenman, then he fought in a wire screen with Warsman in the past.
He has a bad memory of wire screens from the past...
What's going on? Mongolman was using the wire screens with his arms and legs earlier, but now he's afraid of them like they're an enemy!
Then, when Neetuneman threw him into the wire fence, it brought back that nightmarish memory!
Right. Ramenman wasn't able to defeat Warsman in that match and ended up seriously hurt!
Mongolman, tag!
So then, Mongolman being Ramenman really is true... If that's the case, he can't live through this!
Buffaloman! Hurry up and switch with Mongolman! If you don't, he'll be in terrible danger!

Now that I know the whole story, this'll really speed up the Mask Hunt!
Pufufufu, you're a bit slow, Buffaloman!
Uwaaa!
Hiyah!
Now, Bado!
Stop...!

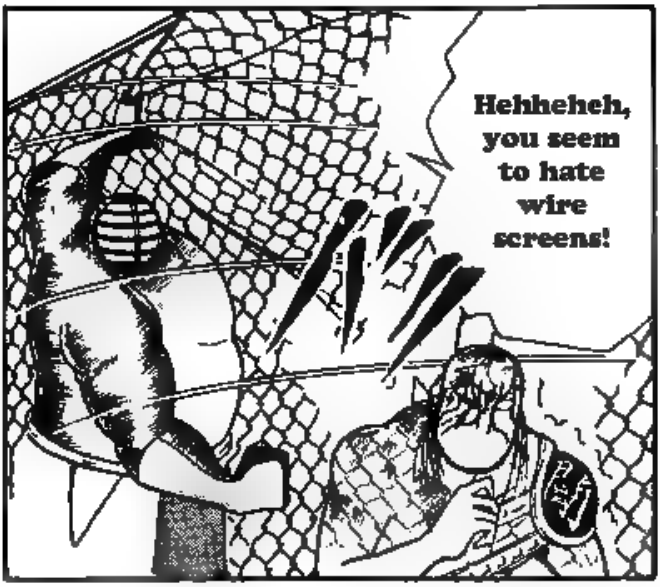


A double attack of a Back Drop and Neck Breaker hit Mongolman at once!

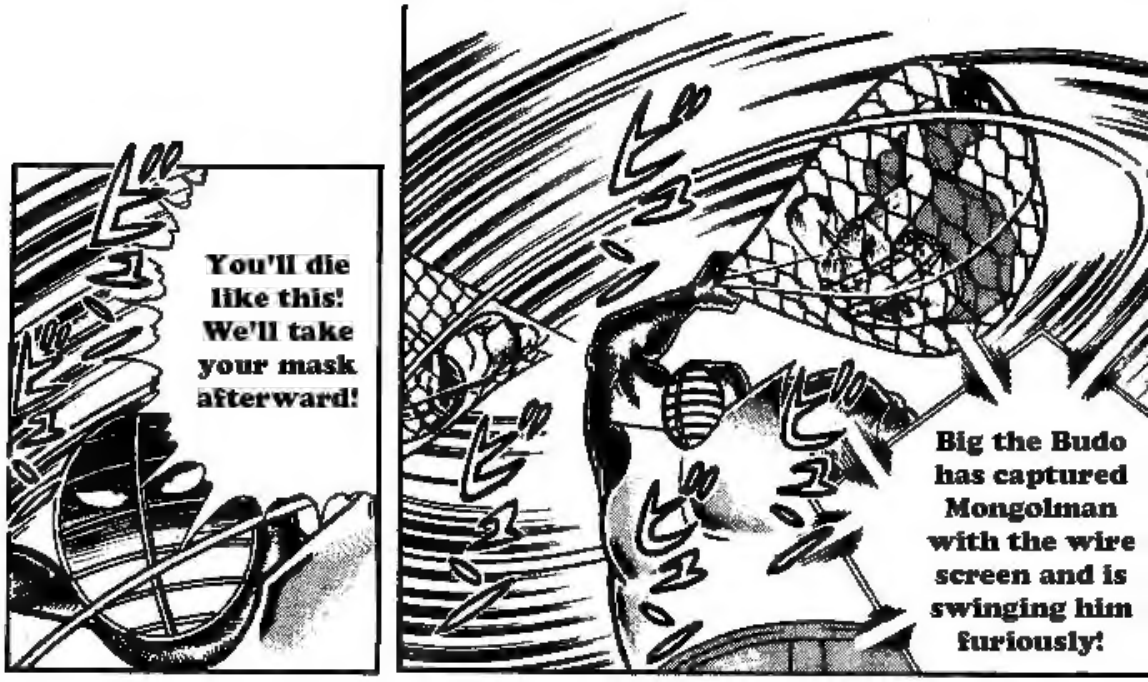


Tuh!

So here's more to hate!



Hehheheh, you seem to hate wire screens!



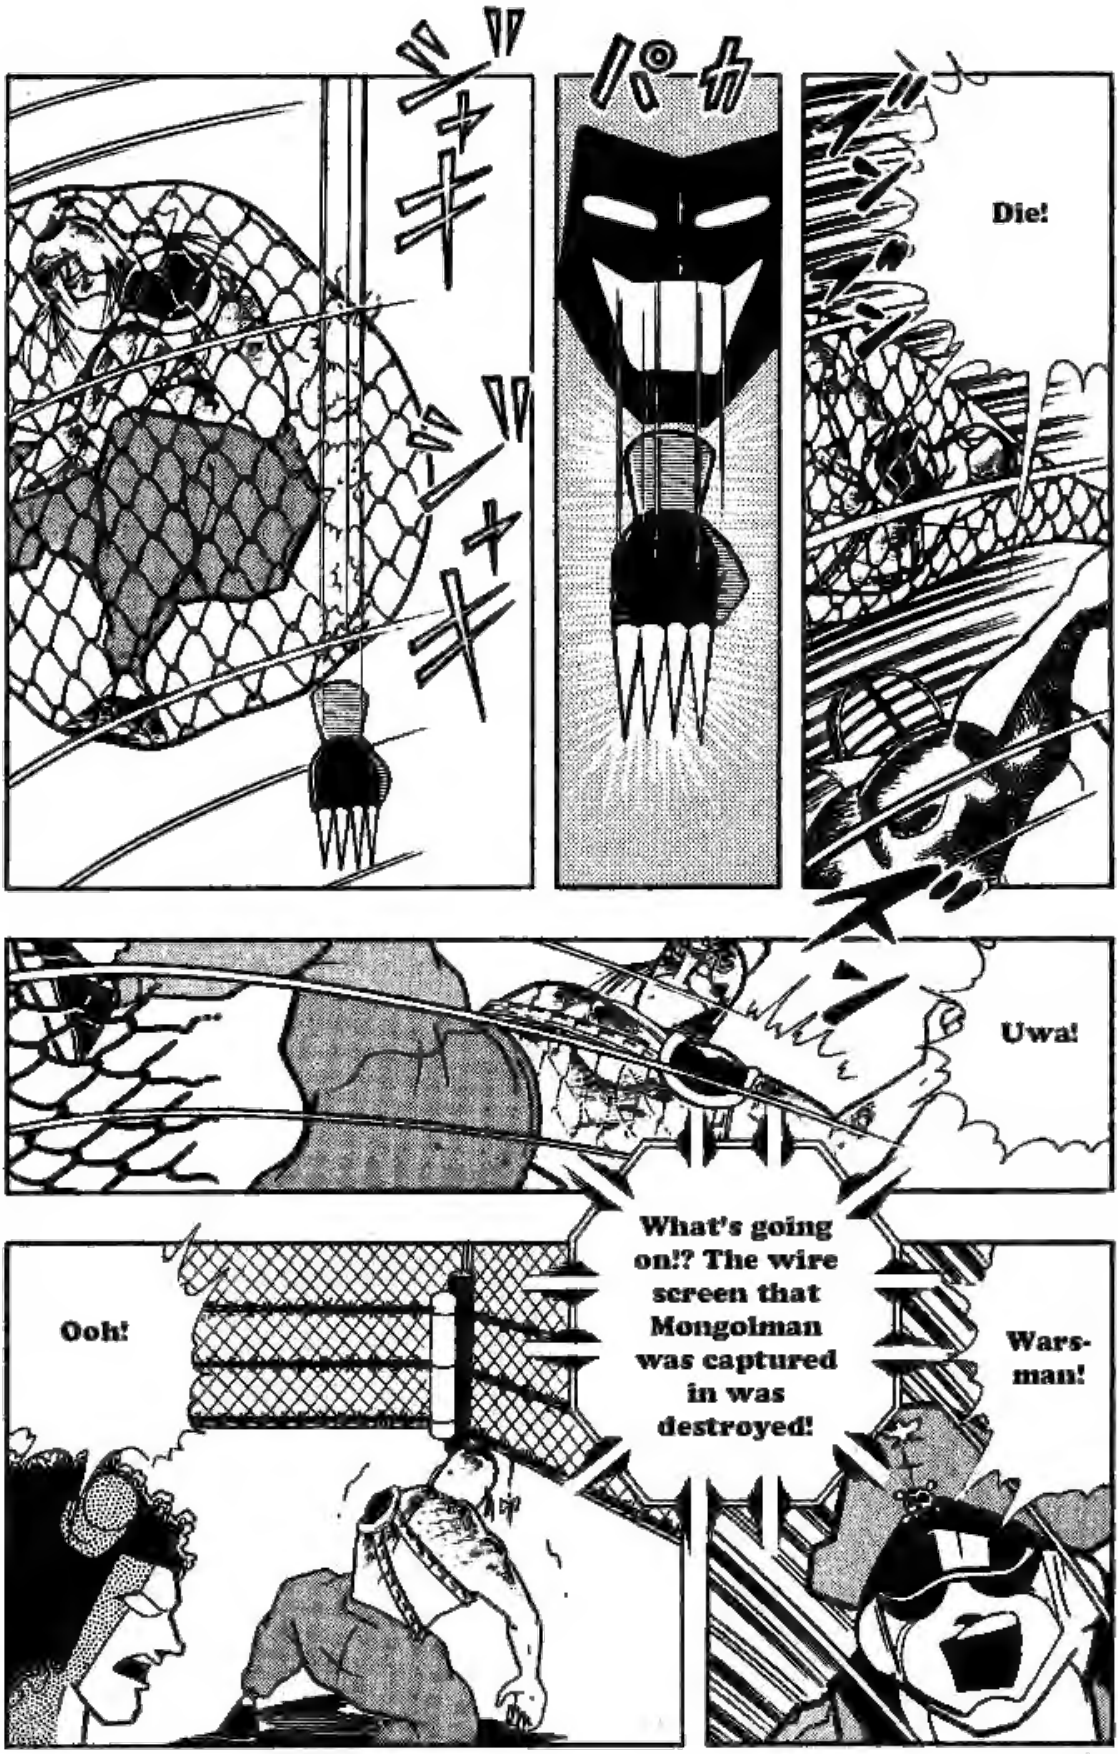
You'll die like this! We'll take your mask afterward!
Big the Budo has captured Mongolman with the wire screen and is swinging him furiously!

And there's nothing we can do!
At this rate, the fear from the wire screens and the centrifugal force will cause him to go mad!

Brocken, where are you going!?
He's the only one I can ask!
Him...

Only you can help Mongolman defeat his fear of cages!
Warsman, you're the only one left!

Brocken, what are you doing!? Wasn't he killed by the Missionaries' Cross Bomber in the first round!?
Right, Warsman is sleeping peacefully!
Please save Mongolman... No, Ramenman!
Wars-man!
What exactly are you screaming at?
Idiot! How could a dead Chojin help you now?



Die!
Uwa!
What's going on!? The wire screen that Mongolman was captured in was destroyed!
Ooh!
Wars-man!

It's him... He saved you from the terror of the wire screen!
What happened to me!?
The wire screen marks on Mongolman's body are quickly fading!
I'll beat you dead!
Wars-man!
Leg Lariat!
Mongolman somehow recovered from his wire-screen terror!
